QUARTERLY CUMULATIVE RULEMAKING INDEX OF IDAHO ADMINISTRATIVE RULES33

SUBJECT INDEX151

Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all administrative rulemaking documents in Idaho. The Bulletin publishes the official text notice and full text of such actions.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of a rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Legal Notice. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rulemaking activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 00-1 refers to the first Bulletin issued in calendar year 2000, Bulletin 01-1 refers to the first Bulletin issued in calendar year 2001, etc. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 1 refers to January; Volume No. 2 refers to February; and so forth. Example: The Bulletin published in January of 2001 is cited as Volume 01-1, the December 1999 Bulletin is cited as Volume 99-12. The March 2000 Bulletin is cited as Volume 00-3.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules that have been adopted and approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are not printed in the Administrative Code and are published only in the Bulletin.

*To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the **Cumulative Index of Administrative Rulemaking**, printed in each Bulletin.*

TYPES OF RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process comprises five distinct activities; Proposed, Negotiated, Temporary, Pending, and Final rulemaking. In the majority of cases, the process begins with proposed rulemaking and ends with final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULE

Negotiated rulemaking is a process in which all interested parties and the agency seek a consensus on the content of the rule. Agencies are encouraged to proceed through this informal rulemaking whenever it is feasible to do so. Publication of the text in the Administrative Bulletin by the agency is optional. This process should lead the

rulemaking to the temporary and/or proposed rule stage.

PROPOSED RULE

A proposed rulemaking is an action by an agency in which the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a notice of proposed rulemaking in the Bulletin. The notice of proposed rulemaking must include:

- a) the specific statutory authority for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;*
- b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;*
- c) the text of the proposed rule prepared in legislative format;*
- d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;*
- e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;*
- f) the manner in which persons may request an opportunity for an oral presentation; and*
- g) the deadline for public (written) comments on the proposed rule.*

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date unless published in conjunction with a temporary rule docket. An agency may vacate a proposed rulemaking if it decides not to proceed further with the promulgation process.

TEMPORARY RULE

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) the protection of the public health, safety, or welfare; or*
- b) compliance with deadlines in amendments to governing law or federal programs; or*
- c) conferring a benefit.*

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule.

A temporary rule expires at the conclusion of the next succeeding regular session of the legislature unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

In cases where the text of the temporary rule is the same as that of the proposed rule, the rulemaking can be done concurrently as a temporary/proposed rule. State law requires that the text of a proposed or temporary rule be published in the Administrative Bulletin. Combining the rulemaking allows for a single publication of the text.

An agency may rescind a temporary rule that has been adopted and is in effect if the rule is being replaced by a new temporary rule or has been published concurrently with a proposed rulemaking that is being vacated.

PENDING RULE

A pending rule is a rule that has been adopted by an agency under the regular rulemaking process and remains subject to legislative review before it becomes a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the Notice of Pending Rule. This includes:

- a) the reasons for adopting the rule;*
- b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;*
- c) the date the pending rule will become final and effective; and*
- d) an identification of any portion of the rule imposing or increasing a fee or charge.*

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the Notice of Pending Rule is published.

FINAL RULE

A final rule is a rule that has been adopted by an agency under the regular rulemaking process and is in effect.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that the agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution will be adopted rejecting, amending, or modifying the rule or any part thereof. A Notice of Final Rule must be published in the Idaho Administrative Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule that has been reviewed by the legislature and has not been rejected, amended, or modified will become final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule which is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the *Idaho Administrative Bulletin* are organized by a numbering system. Each state agency has a two-digit identification code number known as the "IDAPA" number. (The "IDAPA" Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit "TITLE" number is assigned. There are "CHAPTER" numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.060.02.c.ii.

"IDAPA" refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

"IDAPA 38." refers to the Idaho Department of Administration.

"05." refers to Title 05 which is the Department of Administration's Division of Purchasing.

"01." refers to Chapter 01 of Title 05, "Rules of the Division of Purchasing".

"060." refers to Major Section 060, "Content of the Invitation to Bid".

"02." refers to Subsection 060.02.

"c." refers to Paragraph 060.02.c.

"ii." refers to Subparagraph 060.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a "DOCKET NUMBER". The "Docket Number" is a series of numbers separated by a hyphen "-", (38-0501-0101). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket:

"DOCKET NO. 38-0501-0101"

"38-" denotes the agency's IDAPA number; in this case the Department of Administration.

"0501-" refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), "Rules of the Division of Purchasing" (Chapter 01).

"0101" denotes the year and sequential order of the docket submitted and published during the year; in this case the first rulemaking action of the chapter published in calendar year 2001.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section "200" appears before Section "345" and so on). Whenever the sequence of the numbering is broken the following statement will appear:

"(BREAK IN CONTINUITY OF SECTIONS)"

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection that is part of the same rule, a typical internal citation may appear as follows:

"...as found in Section 201 of this rule." OR "...in accordance with Subsection 201.06.c. of this rule."

It may also be cited to include the IDAPA, Title, and Chapter number also, as follows:

"...in accordance with IDAPA 38.05.01.201."

"38" denotes the IDAPA number of the agency.

"05" denotes the TITLE number of the agency rule.

"01" denotes the Chapter number of the agency rule.

"201" references the main Section number of the rule that is being cited.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

"...as outlined in the Rules of the Department of Administration, IDAPA 38.04.04, 'Rules Governing Capitol Mall Parking.'"

AUTHORIZING THE CONTINUATION OF THE IDAHO RURAL PARTNERSHIP REPEALING AND REPLACING EXECUTIVE ORDER NO. 97-02

WHEREAS, Idaho is among the most rural states in the nation; and

WHEREAS, the most rural residents of Idaho have less access to health care services, employment training, business assistance, library service, and diverse educational and cultural opportunities; and

WHEREAS, the most rural communities have disproportionately large infrastructure needs for transportation, utility services, and education; and

WHEREAS, the multitude of public and private organizations with an interest in helping rural Idaho need a mechanism for coordination and collaboration; and

ENERGY CONSERVATION CONSIDERATIONS IN STATE BUILDINGS, REPEALING AND REPLACING EXECUTIVE ORDER NO.2000-12

WHEREAS, the efficient use of energy is of prime importance to the energy supply and economic well-being of the State of Idaho; and

WHEREAS, the State of Idaho uses, in its state building facilities, a considerable portion of the state's energy supply; and

WHEREAS, The Director of Administration did convene a task force for the purposes of identifying energy conservation solutions for the State of Idaho government facilities;

NOW, THEREFORE, I, DIRK KEMPTHORNE, Governor of the State of Idaho, by the authority vested in me under the Constitution and laws of this state do hereby order that all state government facilities shall include, where feasible, energy conservation strategies as identified by the Department of Administration. The strategies shall maintain that:

1. All personal computer systems should be shut down when not in use for more than two hours. This should include all evening and weekend hours. During working hours, screen savers should be disabled and energy-saving, power-down features should be enabled;
2. The temperatures in all State buildings should be held to between 74-to-78 degrees in the summer and 68-to-70 degrees in the winter. Buildings heated with geothermal water may exceed the winter temperature range;
3. Lights in office areas should be turned off during weekends and evenings;
4. Exterior lighting should be shut off during all daylight hours and between midnight to five o'clock a.m. Necessary security and safety lighting should remain on as required;
5. All main heating, ventilation and air-conditioning systems (HVAC) should be reviewed for efficient operations. Setback times should be re-evaluated and adjusted to the absolute minimum time required to heat and cool buildings to prepare for operations. All filter-changing procedures should be re-evaluated to determine if changes need to be done more often for efficient operation of the systems;
6. The use of personal heaters should be limited to energy-efficient heated mats or other high-efficiency heaters;
7. All hot water heaters should be reduced in temperature to 140 degrees. Some State institutions may require higher heat levels to meet code requirements;
8. All hot water circulation loops should be examined to determine their necessity;
9. Office equipment, such as copy machines, should be shut down during off hours;
10. Lights in storage areas should only be turned on when occupied;
11. HVAC systems should not be operated in off hours for small groups of employees. Heating or cooling an entire building for a small group is not energy efficient;
12. All State building exterior surfaces should be evaluated for thermal efficiency. Insulation, window gaskets and seals should be replaced as required;
13. Off-hour security and janitorial crews should be instructed to turn off lights as work is complete in office areas; and
14. All vending machines should have the lights turned off, and any redundant machines should be removed.

This Executive Order shall cease to be effective four years after its entry into force.
