# PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

## CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **19-1** refers to the first Bulletin issued in calendar year **2019**; Bulletin **20-1** refers to the first Bulletin issued in calendar year **2020**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **19-1** refers to January 2019; Volume No. **20-2** refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume **19-1**. The December 2019 Bulletin is cited as Volume **19-12**.

## RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at [adminrules.idaho.gov](http://adminrules.idaho.gov).

## THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

## **1. NEGOTIATED RULEMAKING**

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

## **2. PROPOSED RULEMAKING**

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

## **3. TEMPORARY RULEMAKING**

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

## **4. PENDING RULEMAKING**

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

## **5. FINAL RULEMAKING**

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

## HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

### **IDAPA 38.05.01.200.02.c.ii.**

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”

“**02.**” refers to Subsection 200.02.

“**c.**” refers to Subsection 200.02.c.

“**ii.**” refers to Subsection 200.02.c.ii.

## DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

### **“DOCKET NO. 38-0501-1901”**

“**38-**” denotes the agency's **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (**TITLE 05**), Rules of the Division of Purchasing (**Chapter 01**).

“**1901**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2019**. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as “**1902**”. The docket number in this scenario would be 38-0501-**1902**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

**ADMINISTRATIVE RULES REVIEWED BY THE SIXTY-SIXTH LEGISLATURE  
OF THE STATE OF IDAHO, FIRST REGULAR SESSION – 2021**

**OMNIBUS NOTICE OF LEGISLATIVE ACTION – SUMMARY OF ACTION TAKEN  
ON PENDING, PENDING FEE, TEMPORARY, AND FINAL RULES**

**AUTHORITY:** In compliance with Sections 67-5224(5), 67-5224(7), 67-5226(3), and 67-5291, Idaho Code, the Administrative Rules Coordinator hereby gives notice that the standing committees of the Sixty-Sixth Legislature in the First Regular Session, 2021, completed the review of certain administrative rules of the state agencies of the executive branch. Additionally, in compliance with Section 67-5291, Idaho Code, this notice also serves as official notice of final rulemaking for those state agencies whose rules have been approved as final.

**DESCRIPTIVE SUMMARY:** The following is a brief description of the action taken by the standing committees of the legislature during the 2021 legislative session.

The standing committees of the legislature have reviewed the pending and temporary rules submitted for review and final approval.

Section 67-5291, Idaho Code, requires a concurrent resolution of the legislature to reject a pending rule that doesn't meet legislative intent. No pending rule was rejected by concurrent resolution and these are now final rules and are of full force and effect. There were a number of pending rulemakings that amended rule chapters which automatically expired on July 1, 2021, as a result of not being extended by statute as provided in Section 67-5292, Idaho Code. Although these pending rules were not rejected by concurrent resolution, they were rendered null and void because the base chapter of the effective rule being amended was not statutorily extended and expired.

Section 67-5224(5)(c), Idaho Code, requires that any pending rule imposing a fee or charge to be reviewed and approved by concurrent resolution of the legislature in order for the pending rule to become final and effective. During the 2021 legislative session, the legislature did not adopt the required concurrent resolution approving the pending fees rules that were submitted for review and approval thereby voiding these pending fee rules making them null, void and of no force and effect.

Section 67-5226(3), Idaho Code, requires the adoption of a concurrent resolution of the legislature authorizing a temporary rule to remain in effect beyond the conclusion of the legislative session. During the 2021 legislative session, the legislature did not adopt the concurrent resolution required to continue the temporary rules submitted for extension thereby voiding those temporary rules making them null, void and of no force and effect.

**TEMPORARY, PENDING, AND PENDING FEE RULES:** The following tables list all temporary, pending fee, and pending rulemakings that were submitted for legislative review for the 2021 legislative session. The list includes the docket number of each temporary, pending fee, and pending rulemaking, the volume number of the Bulletin in which the proposed, pending, and temporary rule notices and text were published, the final effective dates of all approved pending fee and pending rules, the effective dates of any temporary rules, and the number of the senate or house concurrent resolution, if applicable, affecting the rulemaking. These tables provide final status of all pending, pending fee, and temporary rules submitted for legislative review.

**Coordinator's Note:**

The following table includes pending rulemakings that amended rule chapters which expired on July 1, 2021, as a result of not being statutorily extended. As indicated in the table, in those instances where the promulgated rule made amendments to a then-effective rule chapter(s), expiration of the base rule chapter rendered any subsequent rulemakings amending that chapter null and void and of no force and effect.

**OFFICE OF THE ADMINISTRATIVE RULES COORDINATOR  
IDAHO DIVISION OF FINANCIAL MANAGEMENT**

**HISTORY NOTES INDEX OF ADMINISTRATIVE RULES REVIEWED AND APPROVED  
FOR FINAL ADOPTION DURING THE 2021 FIRST REGULAR SESSION  
OF THE SIXTY-SIXTH LEGISLATURE OF THE STATE OF IDAHO**

The table published herein lists all pending rulemakings that were reviewed during the 2021 legislative session and shows the individual rule sections that were affected by these rulemakings. The table includes the docket number of each affected chapter, the section numbers of the amended rule, the Bulletin publication volume numbers, and the final effective date of the rule.

**Effective Dates:**

Effective dates for the pending rules reviewed and approved by the 2021 Idaho Legislature are as follows:

**Pending Rules (non-fee):**

Effective date – November 17, 2021 (11-17-21), unless otherwise specified in the pending rule.

**Pending Fee Rules:**

Null and void and of no force and effect.

A concurrent resolution(s) approving pending fee rules was not adopted by the 2021 Idaho Legislature as is required by Section 67-5224(5)(c), Idaho Code, in order for any pending fee rule to become final and effective. Consequently, all pending fee rules reviewed by the 2021 Idaho Legislature are null and void and of no force and effect.

In the table, the column showing the “Final Effective Date” lists those Omnibus Pending Fee Rules that did not become final and effective as “*Not Approved.*”

**Pending Rulemakings That Expired:**

The following table includes rulemakings that amended rule chapters which automatically expired on July 1, 2021, as a result of not being extended by statute as provided in Section 67-5292, Idaho Code. As indicated in the table, in those instances where the promulgated rule made amendments to a then-effective rule chapter(s), expiration of the base rule chapter rendered any subsequent rulemakings amending that chapter null and void and of no force and effect.

Those pending rulemakings amending the expired base chapter of rules are listed as “*Expired.*”

## IDAPA 02 – DEPARTMENT OF AGRICULTURE

DOCKET NO. 02-0000-2100F

### NOTICE OF OMNIBUS RULEMAKING – CORRECTION TO PENDING FEE RULE

**CORRECTION SUMMARY:** This notice corrects an error that occurred during the publication of the proposed rule in the October 20, 2021, Special Edition of the Idaho Administrative Bulletin, [Volume 21-10SE](#), and the pending fee rule in the December 20, 2021, Special Edition of the Idaho Administrative Bulletin, [Volume 21-12SE](#), published under Docket No. 02-0000-2100F, specifically IDAPA 02.02.14, “Rules for Weights and Measures,” Section 016.

During rules review in the 2021 legislative session, the fee increase contained in the aforementioned rule chapter was rejected by a single germane committee. However, docket number 02-0000-2000F was not acted upon via concurrent resolution by both bodies of the Idaho Legislature pursuant to Section 67-5291, Idaho Code. To remain enforceable, it was deemed necessary for the rule chapter to be reauthorized, published, and contained within the 2021 omnibus fee docket. It was the intent of the agency, as recommended by the legislature, to reinstate the prior rule text without a fee increase upon reauthorization. As a typographical error, the text from the 2021 legislative review was inaccurately forwarded and included in the new rule chapter under this docket. The agency has only used the original fee schedule, and has never implemented the incorrect fee table. This is a correction to a clerical error only and reflects the legislative review process.

The Office of the Administrative Rules Coordinator and this agency are providing notice of a correction to the Notice of Omnibus Rulemaking – Adoption of Pending Fee Rule previously published in the Idaho Administrative Bulletin under this docket number. The corrective action is authorized pursuant to Sections 67-5202, 67-5224, and 67-5228, Idaho Code. The pending fee rule has been accurately submitted for review to the 2022 Idaho Legislature.

This rulemaking action corrects the following pending fee rule chapter published under Docket No. 02-0000-2100F:

#### **IDAPA 02**

- 02.02.14, *Rules for Weights and Measures*.

The text of Section 02.02.14.016 affected by this corrective action is being republished following this notice.

**EFFECTIVE DATE:** This rule has been adopted by the agency and is now pending review by the 2022 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending fee rule will not become final and effective until it has been approved by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The pending fee rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution unless the rule is rejected.

**AUTHORITY:** This action is authorized pursuant to Sections 67-5224 and 67-5228, Idaho Code, and Sections 71-111, 71-121, 71-232, 71-233, 71-236, 71-241, and 71-408, Idaho Code. The corrected text of the pending fee rule is being reprinted here as adopted by the agency.

**PUBLICATION OF THE PENDING FEE, AND PROPOSED RULES:** The pending fee rule was published in the December 20, 2021, Special Edition of the Idaho Administrative Bulletin, [Volume 21-12SE pages 156-452](#). The original text of the proposed rule was published in the October 20, 2021, Special Edition of the Idaho Administrative Bulletin, [Volume 21-10SE, pages 156-452](#).

**DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

Under Executive Order 2020-01, *Zero-Based Regulation*, the Council on Domestic Violence and Victim Assistance is striving to prevent the accumulation of costly, ineffective, and outdated regulations and reduce regulatory burden to achieve a more efficient operation of government. The rule changes are intended to perform a comprehensive review of this chapter by collaborating with the public to streamline or simplify this rule language. The primary focus of stakeholder meetings is to re-evaluate the portions of the rules which allocate the grant funding

streams administered by the Council. These have not been substantially revised since at least 1990 and are outdated. Public and stakeholder comment and discussion is requested as the Council is seeking to ensure that the way grant funds are distributed throughout the State is fair, transparent, directs funds where they are most needed, and ensures the availability of victim services in both rural and urban areas of the state with services available throughout Idaho.
