PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **19-1** refers to the first Bulletin issued in calendar year **2019**; Bulletin **20-1** refers to the first Bulletin issued in calendar year **2020**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **19-1** refers to January 2019; Volume No. **20-2** refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume **19-1**. The December 2019 Bulletin is cited as Volume **19-12**.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the **“IDAPA”** number. (The **“IDAPA”** Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit **“TITLE”** number is assigned. There are **“CHAPTER”** numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“38.” refers to the Idaho Department of Administration

“05.” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“01.” refers to Chapter **01** of Title 05, **“Rules of the Division of Purchasing”**

“200.” refers to Major Section **200**, **“Content of the Invitation to Bid”**

“02.” refers to Subsection **200.02**.

“c.” refers to Subsection **200.02.c**.

“ii.” refers to Subsection **200.02.c.ii**.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a **“DOCKET NUMBER.”** The docket number is a series of numbers separated by a hyphen **“-”**, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1901”

“38-” denotes the agency's **IDAPA** number; in this case the Department of Administration.

“0501-” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (**TITLE 05**), Rules of the Division of Purchasing (**Chapter 01**).

“1901” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2019**. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as **“1902”**. The docket number in this scenario would be **38-0501-1902**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section **“200”** appears before Section **“345”** and so on). Whenever the sequence of the numbering is broken the following statement will appear:

EXECUTIVE ORDER NO. 2023-02

**PROVISIONS FOR STATE COOPERATION WITH THE NATIONAL FLOOD INSURANCE PROGRAM
UNDER THE NATIONAL FLOOD INSURANCE ACT OF 1968, AS AMENDED**

WHEREAS, Idaho 's floodplains have been developed in a way that may increase potential flood losses despite efforts to mitigate floods; and

WHEREAS, national, state, and local studies of areas and property subject to flooding predict increases in flood damage potential and flood losses, despite continuing investment in flood protection structures; and

WHEREAS, the State of Idaho maintains programs for the construction of buildings, roads and other facilities and annually acquires and disposes of lands that may be located in flood hazard areas, which influences patterns of commercial, residential, and industrial development; and

WHEREAS, the availability of flood insurance under the National Flood Insurance Program (NFIP), as provided by the National Flood Insurance Act of 1968, as amended, is dependent upon state coordination of federal, State, and local activities to manage floodplains and flood-prone areas in the state, including mudflow-prone areas and flood-related erosion-prone areas; and

WHEREAS, the Idaho Department of Water Resources (IDWR) is the State agency responsible for assisting local government units or communities with regulations necessary for flood insurance provided by the National Flood Insurance Act of 1968 and regulations set forth in 44 CFR §60.25; and

WHEREAS, the Federal Emergency Management Agency (FEMA) has promulgated and adopted rules and regulations governing eligibility of State and local communities to participate in the NFIP, dependent upon State coordination of federal, State, and local activities to manage floodplains and flood-prone areas in the state; and

WHEREAS, Idaho Code § 46-1022 authorizes local communities in Idaho to adopt floodplain management ordinances and maps, and regulate mapped and unmapped floodplains within their jurisdictions to reduce flood risk and losses; and

NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by the authority vested in me under the Constitution and laws of this state do hereby order as follows:

- a. *IDWR shall coordinate with the Idaho Department of Administration to assure that all State agencies directly responsible for development or construction of buildings, structures, roads, or other facilities shall preclude the unsafe or unnecessary use of floodplains in connection with such facilities or development; in the event of construction in the floodplain, floodplain management criteria set forth in 44 CFR § 60.3, 60.4, and 60.5 of the NFIP Regulations shall apply; flood-proofing measures shall be applied to existing facilities in order to reduce flood damage potential;*
 - i. *All State agencies shall comply with floodplain management requirements and ordinances adopted by local communities participating in the NFIP in which State-owned properties are located.*
 - ii. *The IDWR State Floodplain Coordinator shall review and permit any State development or construction of buildings, structures, roads, or other facilities on State-owned properties located within mapped floodplains (or Special Flood Hazard Areas) of local communities that do not participate in the NFIP. IDAPA 21 – DIVISION OF VETERANS SERVICES
21.01.04 – RULES GOVERNING IDAHO STATE VETERANS CEMETERIES
DOCKET NO. 21-0104-2301
NOTICE OF RULEMAKING – TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is March 1, 2023

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 65-108 and 65-202, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than March 15, 2023.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This Temporary Rule will expand eligibility for interment at Idaho State Veterans Cemeteries to non-retiree Guard and Reservists who completed an enlistment of service honorably but are otherwise ineligible because they were never activated federally or did not complete enough service time to retire out of the Guard or Reserves.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

The rule complies with a new federal law, PUBLIC LAW 117-103 THE CONSOLIDATED APPROPRIATIONS ACT FOR FISCAL YEAR 2022 (Burial Equity for Guards and Reserves Act) which expands eligibility for State Veterans Cemeteries to non-military retiree Guard and Reservists without risking eligibility for VA Construction Grants for State Veterans Cemeteries.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

This law expands eligibility for burial National Guard and Reservists but does not expand eligibility for VA burial benefits. These newly eligible individuals who wish to be buried in the State Veterans Cemetery will have to cover the cost (equivalent to the VA reimbursement/plot allowance benefit) themselves.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: N/A

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because it is prompted by a federal law.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: N/A

AUTHORITY: In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. <https://idahopotato.com/industry>.

The meeting site(s) will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not later than five (5) days prior to the meeting to the agency address below.

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following:

Please submit written comments to the Idaho Potato Commission online at <https://idahopotato.com/industry> or by mail to 661 S. Rivershore Lane, Suite 230, Eagle, Idaho 83616.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The IPC received a petition from the Idaho Grower Shippers Association (IGSA) requesting that the IPC amend its administrative rules to remove the variety labeling requirements for all non-russet varieties of potatoes grown in Idaho. Russet varieties would remain subject to the labeling requirements.

The purpose of the negotiated rulemaking process is to determine whether it is beneficial to the Idaho potato industry, Idaho potato costumers, and consumer of Idaho potatoes for the IPC to remove the labeling requirement for non-russet varieties of potatoes.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING DRAFT COPIES: For assistance on technical questions concerning this negotiated rulemaking contact Sam Eaton at (208) 334-2350. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on IPC's web site at the following web address: <https://idahopotato.com/industry>.

DESCRIPTIVE SUMMARY: DEQ initiated this rulemaking in compliance with [Executive Order No. 2020-01, Zero-Based Regulation](#) (EO 2020-01), issued by Governor Little on January 16, 2020. Pursuant to EO 2020-01, each rule chapter effective on June 30, 2020, shall be reviewed by the agency that promulgated the rule. The review will be conducted according to a schedule established by the Division of Financial Management, Office of the Governor (DFM), posted at https://adminrules.idaho.gov/forms_menu.html. This is one of the DEQ rule chapters up for review in 2023. This rulemaking removes sections that are no longer applicable and includes updates consistent with the adopted Technical Standards and Corrective Action Requirements for Owners and Operators of Underground Storage Tanks (40 CFR Part 280) required for state program approval. The “revised as of date” of 40 CFR Part 280 has been updated to 2023 even though 40 CFR Part 280 has not been revised since its incorporation by reference into IDAPA 58.01.07, Rules Regulating Underground Storage Tank Systems, in 2017. The purpose of this update is to simplify compliance for the regulated community by making the CFR more accessible.

The goal of the rulemaking is to perform a critical and comprehensive review of the entire chapter in an attempt to reduce overall regulatory burden, streamline various provisions, increase clarity and ease of use, and maintain state program approval.

PRELIMINARY DRAFT RULE: The preliminary draft rule is available at: <https://www.deq.idaho.gov/underground-storage-tanks-docket-no-58-0107-2301/>. DEQ will facilitate negotiation of this rule in conjunction with a committee made up of stakeholders having an interest in the development of the rule. Citizens of the state of Idaho, environmental groups, owners and operators of underground storage tanks, cities, counties, bankers, lenders, realtors, petroleum marketers, consultants, and representatives of the Idaho Petroleum Storage Tank Fund Board of Trustees may be interested in participating in this rulemaking. Upon conclusion of negotiations, DEQ intends to publish a proposed rule for public comment.
