f. Within ninety (90) days after the statements are due to be filed with the group's domiciliary regulator, the group will file with the Director an annual certification of each underwriter member's solvency by the member's domiciliary regulators, and financial statements, prepared by independent public accountants, of each underwriter member of the group. (3-28-18)

03. Acceptable Form. (3-28-18)

a. Credit for reinsurance cannot be granted unless the form of the trust and any amendments to the trust have been approved by either the Director or commissioner of the state where the trust is domiciled or the Director or commissioner of another state who, pursuant to the terms of the trust instrument, has accepted responsibility for regulatory oversight of the trust. (7-1-96)

b. Notwithstanding any other provisions in the trust instrument, if the trust fund is inadequate because it contains an amount less than the amount prescribed by this subsection or if the grantor of the trust has been declared insolvent or placed into receivership, rehabilitation, liquidation or similar proceedings under the laws of its state or country of domicile, the trustee will comply with an order of the Director or commissioner with regulatory oversight over the trust or with an order of a court of competent jurisdiction directing the trustee to transfer to the Director or commissioner with regulatory oversight over the trust or other designated receiver all of the assets of the trust fund. (3-28-18)

ii. The trust agreement will provide that the trustee will be liable for its negligence, willful misconduct or lack of good faith. The failure of the trustee to draw against the letter of credit in circumstances where such draw would be necessary is considered negligence or willful misconduct, or both. (3-20-20)

06. Security by an Unauthorized Assuming Insurer. A specific security provided to a ceding insurer by an assuming insurer pursuant to Section 051 will be applied, until exhausted, to the payment of liabilities of the assuming insurer to the ceding insurer holding the specific security prior to, and as a condition precedent for, presentation of a claim by the ceding insurer for payment by a trustee of a trust established by the assuming insurer pursuant to this section. (3-28-18)

f. Nothing in this section will prohibit the parties to a reinsurance agreement from agreeing to provisions establishing security requirements that exceed the minimum security requirements established for certified reinsurers under Section 042. (3-28-18)

02. Certification procedure: (3-28-18)

Factors that may be considered as part of the evaluation process include, but are not limited to, the following: (3-28-18)

i. The certified reinsurer's financial strength rating from an acceptable rating agency. The maximum rating that a certified reinsurer may be assigned will correspond to its financial strength rating as outlined in the table below. A failure to obtain or maintain at least two (2) financial strength ratings from acceptable rating agencies will result in loss of eligibility for certification:

v. The reputation of the certified reinsurer for prompt payment of claims under reinsurance agreements, based on an analysis of ceding insurers' Schedule F reporting of overdue reinsurance recoverables, including the proportion of obligations that are more than ninety (90) days past due or are in dispute, with specific attention given to obligations payable to companies that are in administrative supervision or receivership; (3-28-18)

vi. Regulatory actions against the certified reinsurer; (3-28-18)

xi. Any other information deemed relevant by the Director. (3-28-18)

e. Based on the analysis conducted under Subparagraph 042.02.d.v. of a certified reinsurer's reputation for prompt payment of claims, the Director may make appropriate adjustments in the security the certified reinsurer is needed to post to protect its liabilities to U.S. ceding insurers, provided that the Director will, at a

minimum, increase the security the certified reinsurer is needed to post by one rating level under Subparagraph 042.02.d.i. if the Director finds that: (3-20-20)

i. More than fifteen percent (15%) of the certified reinsurer's ceding insurance clients have overdue reinsurance recoverables on paid losses of ninety (90) days or more that are not in dispute and that exceed one hundred thousand dollars (\$100,000) for each cedent; or (3-28-18)

The Director will not certify any assuming insurer that is domiciled in a jurisdiction that the Director has determined does not adequately and promptly enforce final U.S. judgments or arbitration awards. (3-20-20)

g. The certified reinsurer needs to agree to meet applicable information filing requirements as determined by the Director, both with respect to an initial application for certification and on an ongoing basis. All information submitted by certified reinsurers that is not otherwise public information subject to disclosure will be exempted from disclosure under Title 74, Chapter 1, Idaho Code, and will be withheld from public disclosure. The applicable information filing requirements are, as follows: (3-20-20)

i. Notification within ten (10) days of any regulatory actions taken against the certified reinsurer, any change in the provisions of its domiciliary license or any change in rating by an approved rating agency, including a statement describing such changes and the reasons therefor; (3-28-18)

ii. Annually, Form CR-F or CR-S, as applicable per instructions adopted by the Department. (3-28-18)

Annually, audited financial statements (audited U.S. GAAP basis if available, audited IFRS basis statements are allowed but needs to include an audited footnote reconciling equity and net income to a U.S. GAAP basis, or, with the permission of the Director, audited IFRS statements with reconciliation to U.S. GAAP certified by an officer of the company), regulatory filings, and actuarial opinion (as filed with the certified reinsurer's supervisor). Upon the initial certification, audited financial statements for the last three (3) years filed with the certified reinsurer's supervisor; (3-20-20)

h. Change in Rating or Revocation of Certification. (3-28-18)

ii. The Director will have the authority to suspend, revoke, or otherwise modify a certified reinsurer's certification at any time if the certified reinsurer fails to meet its obligations or security requirements under this section, or if other financial or operating results of the certified reinsurer, or documented significant delays in

payment by the certified reinsurer, lead the Director to reconsider the certified reinsurer's ability or willingness to meet its contractual obligations. (3-28-18)

iii. If the rating of a certified reinsurer is upgraded by the Director, the certified reinsurer may meet the security requirements applicable to its new rating on a prospective basis, but the Director will require the certified reinsurer to post security under the previously applicable security requirements as to all contracts in force on or before the effective date of the upgraded rating. If the rating of a certified reinsurer is downgraded by the Director, the Director will require the certified reinsurer to meet the security requirements applicable to its new rating for all business it has assumed as a certified reinsurer. (3-28-18)

iv. Upon revocation of the certification of a certified reinsurer by the Director, the assuming insurer will be needed to post security in accordance with Section 061 of this rule in order for the ceding insurer to continue to take credit for reinsurance ceded to the assuming insurer. If funds continue to be held in trust in accordance with Section 041 of this rule, the Director may allow additional credit equal to the ceding insurer's pro rata share of such funds, discounted to reflect the risk of uncollectibility and anticipated expenses of trust administration. Notwithstanding the change of a certified reinsurer's rating or revocation of its certification, a domestic insurer that has ceded reinsurance to that certified reinsurer cannot be denied credit for reinsurance for a period of three (3) months for all reinsurance ceded to that certified reinsurer, unless the reinsurance is found by the Director to be at high risk of uncollectibility. (3-20-20)

03. Qualified Jurisdictions. (3-28-18)

a. If, upon conducting an evaluation under Section 042 of this rule with respect to the reinsurance supervisory system of any non-U.S. assuming insurer, the Director determines that the jurisdiction qualifies to be recognized as a qualified jurisdiction, the Director will publish notice and evidence of such recognition in an appropriate manner. The Director may establish a procedure to withdraw recognition of those jurisdictions that are no longer qualified. (3-28-18)

b. In order to determine whether the domiciliary jurisdiction of a non-U.S. assuming insurer is eligible to be recognized as a qualified jurisdiction, the Director will evaluate the reinsurance supervisory system of the non-U.S. jurisdiction, both initially and on an ongoing basis, and consider the rights, benefits and the extent of reciprocal recognition afforded by the non-U.S. jurisdiction to reinsurers licensed and domiciled in the U.S. The Director will determine the appropriate approach for evaluating the qualifications of such jurisdictions, and create and publish a list of jurisdictions whose reinsurers may be approved by the Director as eligible for certification. A qualified jurisdiction needs to agree to share information and cooperate with the Director with respect to all certified reinsurers domiciled within that jurisdiction. Additional factors to be considered in determining whether to recognize a qualified jurisdiction, in the discretion of the Director, include, but are not limited to, the following: (3-20-20)

i. The framework under which the assuming insurer is regulated. (3-28-18)

ii. The structure and authority of the domiciliary regulator with regard to solvency regulation requirements and financial surveillance. (3-28-18)

iii. The substance of financial and operating standards for assuming insurers in the domiciliary jurisdiction. (3-28-18)

iv. The form and substance of financial reports needed to be filed or made publicly available by reinsurers in the domiciliary jurisdiction and the accounting principles used. (3-20-20)

v. The domiciliary regulator's willingness to cooperate with U.S. regulators in general and the Director in particular. (3-28-18)

vi. The history of performance by assuming insurers in the domiciliary jurisdiction. (3-28-18)

vii. Any documented evidence of substantial problems with the enforcement of final U.S. judgments in the domiciliary jurisdiction. A jurisdiction will not be considered to be a qualified jurisdiction if the Director has determined that it does not adequately and promptly enforce final U.S. judgments or arbitration awards. (3-28-18)

viii. Any relevant international standards or guidance with respect to mutual recognition of reinsurance supervision adopted by the International Association of Insurance Supervisors or successor organization. (3-28-18)

ix. Any other matters deemed relevant by the Director. (3-28-18)

c. A list of qualified jurisdictions will be published through the NAIC committee process. The Director will consider this list in determining qualified jurisdictions. If the Director approves a jurisdiction as qualified that does not appear on the list of qualified jurisdictions, the Director will provide thoroughly documented justification with respect to the criteria provided under Subparagraphs 042.03.b.i. through 042.03.b.ix. of this subsection. (3-28-18)

d. U.S. jurisdictions that meet the requirements for accreditation under the NAIC financial standards and accreditation program will be recognized as qualified jurisdictions. (3-28-18)

04. Recognition of Certification Issued by an NAIC Accredited Jurisdiction. (3-28-18)

a. If an applicant for certification has been certified as a reinsurer in an NAIC accredited jurisdiction, the Director has the discretion to defer to that jurisdiction's certification, and to defer to the rating assigned by that jurisdiction, if the assuming insurer submits a properly executed Form CR-1 and such additional information as the Director requires. The assuming insurer will be considered to be a certified reinsurer in this State. (3-28-18)

b. Any change in the certified reinsurer's status or rating in the other jurisdiction will apply automatically in this State as of the date it takes effect in the other jurisdiction. The certified reinsurer will notify the Director of any change in its status or rating within ten (10) days after receiving notice of the change. (3-28-18)

c. The Director may withdraw recognition of the other jurisdiction's rating at any time and assign a new rating in accordance with Paragraph 042.02.h. of this subsection. (3-28-18)

d. The Director may withdraw recognition of the other jurisdiction's certification at any time, with written notice to the certified reinsurer. Unless the Director suspends or revokes the certified reinsurer's certification in accordance with Paragraph 042.02.h., the certified reinsurer's certification will remain in good standing in this State for a period of three (3) months, which will be extended if additional time is necessary to consider the assuming insurer's application for certification in this State. (3-28-18)

05. Mandatory Funding Clause. In addition to the clauses prescribed under Section 101 of this rule, reinsurance contracts entered into or renewed under this section will include a proper funding clause, which requires the certified reinsurer to provide and maintain security in an amount sufficient to avoid the imposition of any financial statement penalty on the ceding insurer under this section for reinsurance ceded to the certified reinsurer. (3-20-20)

06. Notification Requirements. The Director will comply with all reporting and notification requirements that may be established by the NAIC with respect to certified reinsurers and qualified jurisdictions. (3-28-18)

The reduction will be in the amount of funds held by or on behalf of the ceding insurer, including funds held in trust for the exclusive benefit of the ceding insurer, under a reinsurance contract with such assuming insurer as security for the payment of obligations under the reinsurance contract. The agreement may further specify the types of investments to be deposited. If the reinsurance agreement covers life, annuities or accident and health risks, then the provisions prescribed by this paragraph needs to be included in the reinsurance agreement. (3-20-20)

075. PERMITTED CONDITIONS.

01. Resignation of Trustee. The trust agreement may provide that the trustee may resign upon delivery of a written notice of resignation, effective not less than ninety (90) days after receipt by the beneficiary and grantor of the notice and that the trustee may be removed by the grantor by delivery to the trustee and the beneficiary of a written notice of removal, effective not less than ninety (90) days after receipt by the trustee and the beneficiary of the notice, provided that no such resignation or removal will be effective until a successor trustee has been duly appointed and approved by the beneficiary and the grantor and all assets in the trust have been duly transferred to the new trustee. 03. Trustee's Authority to Invest. The trustee may be given authority to invest, and accept substitutions of, any funds in the account, provided that no investment or substitution will be made without prior approval of the beneficiary, unless the trust agreement specifies categories of investments acceptable to the beneficiary and authorizes the trustee to invest funds and to accept substitutions which the trustee determines are at least equal in current fair market value to the assets withdrawn and that are consistent with the restrictions in Paragraph 076.01.b. (3-28-18)

Further, the reduction for the existence of an acceptable trust account may be up to the current fair market value of acceptable assets available to be withdrawn from the trust account at that time, but such reduction will be no greater than the specific obligations under the reinsurance agreement that the trust account was established to secure. (3-20-20)

04. Existing Agreements. Notwithstanding the effective date of this rule, any trust agreement or underlying reinsurance agreement in existence prior to July 1, 1996 will continue to be acceptable until 7/1/96, at which time the agreements will have to be in full compliance with this rule for the trust agreement to be acceptable. (7-1-96)
