01. Default Application of Federal Requirements. With respect to distributions under the Judges' Retirement Fund, and except as provided in Subsection 100.06, the Judges' Retirement Fund will apply the minimum distribution requirements of section 401(a)(9) of the Internal Revenue Code (Code) in accordance with a good faith interpretation of section 401(a)(9), notwithstanding any provision of the Judges' Retirement Fund to the contrary. (3-31-22)

02. Required Beginning Date. Except as otherwise provided in Subsections 100.03 through 100.06, distributions under the Judges' Retirement Fund shall begin not later than April 1 following the later of: (3-31-22)

a. The calendar year (hereinafter referred to as the "Commencement Year") in which the member reaches age seventy and one half (70 ½); and (3-31-22)

b. The year in which he retires. (3-31-22)

03. Lifetime Distributions. Distribution shall be made over the life of the Member or the lives of the Member and his beneficiary; or over a period certain not extending beyond the life expectancy of the member or the joint life and last survivor expectancy of the member and his beneficiary. (3-31-22)

04. Timing of Required Distributions. A required distribution shall be deemed to have been made during the Commencement Year if actually made by the following April 1, but such delayed distribution shall not change the amount of such distribution, and the distribution otherwise required during the subsequent calendar year shall be calculated as if the first distribution had been made on the last day of the Commencement Year. (3-31-22)

05. Adjustment of Required Distributions. Benefits paid prior to the Commencement Year shall reduce the aggregate amount subject to (but shall not otherwise negate) the minimum distribution requirements described herein. (3-31-22)

06. Annuity Benefits Payable on Death of a Member. All death benefits payable in the form of an annuity will begin to be paid as soon as administratively practicable after the member's death, but must in any event begin to be paid before the end of the calendar year following the calendar year in which the member died. (3-31-22)

07. Death Benefits. All death benefits payable in a lump sum will be distributed as soon as administratively practicable after request, but must in any event be distributed within fifteen (15) months of the member's death, unless the identity of the beneficiary is not ascertainable. (3-31-22)

101. MAXIMUM LIMITATIONS ON BENEFITS (RULE 101).

Beginning effective January 1, 2002, the "defined benefit dollar limitation" is one hundred sixty thousand dollars (\$160,000), as adjusted, effective January 1 of each year thereafter, under section 415(d) of the Internal Revenue Code (Code) in such manner as the Secretary shall prescribe, and payable in the form of a straight life annuity. A limitation as adjusted under section 415(d) will apply to limitation years ending with or within the calendar year for which the adjustment applies. The "maximum permissible benefit" is the defined benefit dollar limitation (adjusted where required, as provided in Subsection 101.01 and, if applicable, in Subsections 101.02 through 101.04). (3-31-22)

01. Less Than Ten Years of Service. If the Member has fewer than ten (10) years of participation in the Judges' Retirement Fund, the defined benefit dollar limitation shall be multiplied by a fraction: (3-31-22)

a. The numerator of which is the number of years (or part thereof) of participation in the Judges' Retirement Fund; and (3-31-22)

b. The denominator of which is ten (10). (3-31-22)

02. Benefit Begins Prior to Age Sixty-Two. If the benefit of a Member begins prior to age sixty-two (62), the defined benefit dollar limitation applicable to the Member at such earlier age is an annual benefit payable in the form of a straight life annuity beginning at the earlier age that is the actuarial equivalent of the defined benefit dollar limitation applicable to the Member at age sixty-two (62) (adjusted under Rule 101.01, if required). The defined benefit dollar limitation applicable at an age prior to age sixty-two (62) is determined as set forth in IRS regulation under section 415(b)(2) of the Code. (3-31-22)

03. Benefit Begins at Age Sixty-Five. If the benefit of a Member begins after the Member attains age sixty-five (65), the defined benefit dollar limitation applicable to the Member at the later age is the annual benefit payable in the form of a straight life annuity beginning at the later age that is actuarially equivalent to the defined

benefit dollar limitation applicable to the Member at age sixty-five (65) (adjusted under Rule 101.01, if required.) The actuarial equivalent of the defined benefit dollar limitation applicable at an age after age sixty-five (65) is determined as set forth in IRS regulation under section 415(b)(2) of the Code. (3-31-22)

04. Transition. Benefit increases resulting from the increase in the limitations of section 415(b) of the Code shall be provided to all current and former Members (with benefits limited by section 415(b)) who have an accrued benefit under the Judges' Retirement Fund immediately prior to the effective date of this Rule (other than an accrued benefit resulting from a benefit increase solely as a result of the increases in limitations under section 415(b).) (3-31-22)

05. Aggregation. If any member participates in two (2) or more qualified defined benefit plans maintained by the employer (or a predecessor employer), the combined benefits from all such plans may not exceed the "maximum permissible benefit" described in this Rule 101. (3-31-22)

102. MAXIMUM LIMITATION ON ANNUAL ADDITIONS (RULE 102).

01. Annual Additions Limitation. Effective January 1, 2002, annual additions shall not exceed the lesser of: (3-31-22)

- a.** Forty thousand dollars (\$40,000); or (3-31-22)
- b.** One hundred percent (100%) of the Member's compensation. (3-31-22)

02. Annual Adjustments. As of January 1 of each calendar year on and after January 1, 2002, the dollar limitation in Subsection 102.01 of these rules, with respect to both active and retired members, shall be adjusted for increases in the cost of living, taking into consideration applicable guidelines. (3-31-22)

03. Other Qualified Plans. To the extent that any Member of the Judges Retirement Plan is also a member of any other qualified plan, and annual additions to all plans covering the Member would otherwise exceed the limits set forth above, annual additions to such other qualified plan shall be reduced to the extent necessary to avoid exceeding the limitations on annual additions. (3-31-22)

103. ROLLOVER DISTRIBUTIONS (RULE 103).

01. Direct Rollovers. A Member of the Judges' Retirement Fund or a beneficiary of a Member (including a Member's former spouse who is the alternate payee under an approved domestic relations order) who is entitled to an eligible rollover distribution may elect, at the time and in the manner prescribed by the Administrator, to have all or any portion of the distribution paid directly to an eligible retirement plan specified by the Member in a direct rollover. Effective January 1, 2006, in the event of a mandatory distribution greater than one thousand dollars (\$1,000), if the Member does not elect to have such distribution paid directly to an eligible retirement plan specified by the Member in a direct rollover or to receive the distribution directly, then the plan administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the plan administrator. (3-31-22)

02. Eligible Rollover Distribution Defined. For purposes of this Rule, an eligible rollover distribution means any distribution of all or any portion of a Member's account balance, except that an eligible rollover distribution does not include (a) any installment payment for a period of ten (10) years or more, (b) any distribution made as a result of an unforeseeable emergency, or (c) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under Code section 401(a)(9). In addition, an eligible retirement plan means an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, a qualified trust described in section 401(a) of the Code, an annuity plan described in section 403(a) or 403(b) of the Code, or an eligible governmental plan described in section 457(b) of the Code, that accepts the eligible rollover distribution. Effective January 1, 2008, an eligible retirement plan shall also mean a Roth IRA described in section 408A of the Code. (3-31-22)

03. After-Tax Contributions. For purposes of the direct rollover provisions in Rule 103.01, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax employee contributions that are not includible in gross income. However, such portion may be transferred only to an

individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) or 403(a) of the Code that agrees to separately account for the amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible. (3-31-22)

04. Alternate Payees. A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse, who is the alternate payee under a domestic retirement order, approved as provided in Rule 402 are distributees with regard to the interest of the spouse or former spouse. (3-31-22)

05. Transfers to Non-Spouse Beneficiaries. This Rule 103.05 applies to distributions made on or after July 1, 2008. Notwithstanding any provision of the Judges' Retirement Fund to the contrary that would otherwise limit the options of the Beneficiary of a deceased Member who is not the Member's spouse, the administrator shall, upon the request of such a Beneficiary transfer a lump sum distribution to the trustee of an individual retirement account established under Section 408 of the Code in accordance with the provisions of Code section 402(e)(11). The application process may include an interview by a Board representative. Applicants must release all medical records and information to the Board or its agent. (3-31-22)

351. INITIAL APPLICATION REVIEW (RULE 351).

Applications will first be reviewed to determine whether the applicant meets applicable eligibility requirements. If eligibility requirements are met, the application will proceed to disability assessment review. If all eligibility requirements are not met, the applicant will be notified in writing. (3-31-22)
