**NOTICE OF INTENT TO PROMULGATE RULES - NEGOTIATED RULEMAKING**

**AUTHORITY:** In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 54-1208, Idaho Code.

**MEETING SCHEDULE:** A public meeting on the negotiated rulemaking will be held as follows:

**Tuesday, August 12th, 2014, 9:00 a.m. (MDT)**

**1510 E Watertower Street  
Meridian, Idaho 83642**

**METHOD OF PARTICIPATION:** Persons wishing to participate in the negotiated rulemaking must do the following:

Attend the meeting and present your views and thoughts on the draft amendments or submit your views and thoughts in writing not later than August 27, 2014.

**DESCRIPTIVE SUMMARY:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

The draft amendments will require surveyors to perpetuate historic corner record information on the Corner Perpetuation and Filing (CP&F) forms filed or recorded in the county courthouse in lieu of listing all corner record instrument numbers on the Record of Survey map. The reason for this change is that over time, the number of CP&F record filings are increasing, and there is insufficient room on the Record of Survey map to continue the practice of listing all corner record instrument numbers without creating a cluttered map that is less legible to read. Only the most current corner record instrument number is proposed for listing on the Record of Survey map. A concurrent law change to 55-1906, Idaho Code is proposed that is also necessary to complete this change.
