**AUTHORITY:** In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 54-912, Idaho Code.

**METHOD OF PARTICIPATION:** Interested persons wishing to participate in the negotiated rulemaking must respond to this notice by contacting the undersigned either in writing, by email, or by calling the phone number listed below. To participate, responses must be received by July 23, 2014.

Should a reasonable number of persons respond to this notice, negotiated meetings will be scheduled and all scheduled meetings shall be posted and made accessible on the Board's website at <http://isbd.idaho.gov/>.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusions reached during the negotiated rulemaking will be addressed in a written summary and made available on the agency website.

Failure of interested persons to respond to this notice of intent or the lack of a sufficient number of responses to this notice of intent may result in the discontinuation of further informal proceedings. In either event the agency shall have sole discretion in determining the feasibility of scheduling and conducting informal negotiated rulemaking and may proceed directly to formal rulemaking if proceeding with negotiated rulemaking is deemed infeasible.

Anyone may submit written comments regarding this negotiated rulemaking. All written comments must be directed to the undersigned by mail or email and must be delivered on or before July 23, 2014.

**DESCRIPTIVE SUMMARY:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The Board is considering revisions to the minimal, moderate, and general anesthesia and deep sedation rules by inclusion of additional standards currently contained in the American Dental Association, Guidelines for the Use of Sedation and General Anesthesia by Dentists, October 2007.
