MEETING SCHEDULE: A public meeting is scheduled by the Idaho Board of Nursing as follows:

Interested members of the public who wish to participate must submit any written comments, questions, recommendations, or ideas to the Idaho Board of Nursing. Individuals may also attend the public meeting to be conducted on the above date during which the Idaho Board of Nursing will allow oral comments or presentations to be made.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

Neither the Idaho Nurse Practice Act nor Board of Nursing Rules defines the term “Active Practice” or where it occurs (i.e., the place where the nurse is located versus the place where the patient/client is located). Active practice involves nursing administrators, nurse educators, public health nurses, home health nurses, parish nurses, and many other positions and activities beyond solely direct patient care in a traditional hospital or clinic setting. Furthermore, clarifying the location (state) where active practice occurs is important, especially in the context of nursing services delivered through telehealth methods. This rulemaking docket contemplates placing a definition of the term “Active Practice” or an equivalent term and its application in Board Rules.
