**DESCRIPTIVE SUMMARY:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

Idaho Administrative Code, IDAPA 08.02.01.800 establishes the qualification requirements for eligible trainers and the procedures for school districts and charter schools to request reimbursement for qualified training in compliance with Section 33-320, Idaho Code. Section 33-320, Idaho Code sets out requirements for each school district to have a strategic plan as well as funding to districts to reimburse them for training in strategic planning, administrator evaluations, school finance, and governance and ethics. During the 2015 legislative session the term strategic planning was changed to continuous improvement planning. The Proposed amendment brings the language used in IDAPA 08.02.01.800 into alignment with the language now used in Section 33-320, Idaho Code.
