This negotiated rulemaking action is authorized pursuant to Section 54-1208, Idaho Code.

MEETING SCHEDULE: A public meeting on the negotiated rulemaking will be held as follows:

Wednesday, June 8, 2016 - 10:00 AM

**Board Office
1510 E Watertower, Ste 110
Meridian, Idaho**

The meeting site will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not later than five (5) days prior to the meeting to the agency address below.

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following: attend the meeting and present your views and thoughts on the draft amendments or submit your views and thoughts in writing not later than June 17, 2016.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary and made available on the agency website.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved: The draft amendments will update the education requirements for licensure as a professional land surveyor for applicants with unaccredited surveying or related programs. The update aligns Idaho's education requirements with those used in most states and broadens the course options for those with unaccredited or non-surveying 4-year degrees. It provides more educational choices for those seeking to enter the land surveying profession.
