

IDAPA 08 - STATE BOARD OF AND STATE DEPARTMENT OF EDUCATION

08.02.02 - RULES GOVERNING UNIFORMITY

DOCKET NO. 08-0202-1103

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 33-105, Idaho Code, Section 33-107, Idaho Code, and Section 33-1612, Idaho Code.

PUBLIC HEARING SCHEDULE: A public hearing concerning this rulemaking will be held as follows:

**Tuesday, October 18, 2011
at 4:00 p.m. (MDT)**

**Idaho State Department of Education
Barbara Morgan Conference Room
650 West State Street, 2nd Floor
Boise, Idaho**

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The Professional Standards Commission (PSC) approved two clarifications and a revision to endorsements to ensure that the endorsements for certification in the following areas are meeting current needs and adequately preparing candidates for these positions:

08.02.02.021 Endorsements - This rule clarification is in response to a simple oversight. The Exceptional Child Certificate must include an endorsement because it is not a stand-alone certificate. The introduction to the Endorsements section of Idaho Code does not include the Exceptional Child Certificate as one of the certificates eligible for endorsement.

08.02.02.023.04 English as a New Language (ENL) (K-12) - This rule clarification is in response to the need for a more clearly stated intent of the endorsement language. The manner in which the endorsement language is worded, unfortunately allows for interpretation that any Modern Language could meet the four (4) semester credit hour requirement. If that were the case, any four (4) credits of English, for example, could be argued as meeting the requirement. The intent of the endorsement is that the candidate shall have four (4) semester credit hours of Modern Foreign Languages to better serve ENL students. By making this revision to the endorsement language, current and best practices will be more accurately reflected.

08.02.02.027.02 School Psychologist Endorsement - The Idaho School Psychologists Association (ISPA) proposed to PSC that the Idaho State Department of Education accept National Certification requirements for School Psychologists (NCSP). This program is offered through the National Association of School Psychologists (NASP), and should be considered as an additional avenue to meet state certification and recertification requirements.

The process for certification and recertification through NASP are significantly more rigorous than current Idaho requirements. Currently, 33 states (including those neighboring Idaho) accept these National Certification requirements, and the PSC recommends that Idaho also accepts this practice.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: N/A

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not

conducted because the proposed rule changes were suggested by PSC who receives input from a full spectrum of education stakeholders.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: N/A
