SUBJECT: Secretary of State

IDAPA 34.02.01 - Presidential Primary - Proposed Rule (Docket No. 34-0201-1501)

The Office of the Secretary of State submits Notice of Proposed Rulemaking to repeal IDAPA 34.02.01 relating to the Presidential Primary. The chapter is being repealed because Idaho's statutes no longer allow for write-in candidates during a presidential primary; rendering this chapter unnecessary.

The proposed rule of the Office of the Secretary of State is authorized pursuant to Section 67-903, Idaho Code.
