021. SUMMARIES OF PAYMENT.

01. Authority and Definitions. Pursuant to Sections 72-432, 72-508, 72-602 and 72-707, Idaho Code, the Industrial Commission of the State of Idaho promulgates this rule governing the procedure for submission of summaries of payment to the Industrial Commission. This procedure applies to all workers' compensation claims. The following definitions shall be applicable to this Rule. (2-20-95)

a. "Closure," means that the file will be retired following an audit by the Commission. (2-20-95)

b. "Commission," means the Idaho Industrial Commission. (2-20-95)

c. "Death claim," means the injured worker died as a result of a work-related injury or occupational disease. (2-20-95)

d. "Employer" is defined in Section 72-102(13)(a), Idaho Code, and includes agents of employers such as attorneys, sureties, and adjusters. (2-20-95)

e. "Impairment rated claim," means those claims in which a provider establishes an impairment rating for the injured worker. (2-20-95)

f. "Medical Only Claim," means the injured worker will neither suffer a disability lasting more than five calendar days as a result of a job-related injury or occupational disease nor be admitted to a hospital as an in-patient. (2-20-95)

g. "Time loss claim," means the injured worker will suffer, or has suffered, a disability that lasts more than five calendar days as a result of a job-related injury or occupational disease, or the injured worker requires, or required, in-patient treatment as a result of such injury or disease. (2-20-95)

h. "Termination of disability," means the date upon which the obligation of the Employer/Surety/Adjuster becomes certain as to duration and amount whether by settlement, decision or periodic payments in the ordinary course of claims processing. If resolved by lump sum settlement (LSS), the termination of disability shall occur on the date the LSS is approved and an order approving is filed by the Industrial Commission. If resolved by decision, the termination of disability shall occur on the date the decision resolving all issues becomes final. (4-11-15)

02. Summaries Requirement. A summary of payment shall be filed, in duplicate, by the Employer/Surety/Adjuster within one hundred twenty (120) days of termination of disability for all time-loss claims upon which an Employer/Surety/Adjuster has made payments, except for those claims which are resolved by lump sum settlement. If all claim information has been provided via Electronic Data Interchange as prescribed by Commission rules, no hard copy summary of payment need be filed. In the case of medical-only cases, no summaries of payment need to be filed. In the context of death claims and permanent total disability claims, interim summaries of payments shall be filed annually within the first quarter of each calendar year. Interim summaries shall be submitted setting forth substantially the same information required by Final Summaries of Payment, including the balance of payments made to the beginning of the current calendar year, payments during the calendar year, and a total of payments made. This total balance shall be carried forward as the amount of payments made to the beginning of the current year. The Final Summary shall be so designated. Supporting documentation shall be attached to any summary of payment filed with the Commission. (3-25-16)

03. Form. The summary of payment shall be submitted in a format substantially similar to IC Form 6, available from the Commission and posted on the Commission's website at www.iic.idaho.gov. (3-25-16)

04. Approval. Within ninety (90) days of receipt of Summary of Payment as set forth above, the Industrial Commission shall notify the Employer/Surety/Adjuster that such summary has been approved or shall notify of its inability to reconcile the summary to its records and request additional information. If the Employer/Surety/Adjuster does not receive either an approval or request for additional information within the ninety (90) day period, the Employer/Surety/Adjuster may proceed with closure. In the event the Commission requests additional information, whether in writing or telephonic, the Employer/Surety/Adjuster shall submit the requested information within fifteen (15) working days. If the Employer/Surety/Adjuster is unable to furnish the requested information, the Employer/Surety/Adjuster shall notify the Commission, in writing, of its inability to respond and the reasons therefor within the fifteen (15) working days. The Commission may schedule a show cause hearing to determine whether or not the Employer/Surety/Adjuster should be allowed to continue its status under the workers' compensation laws, including whether the Employer should be allowed to continue self-insured status. (3-30-07)

05. Changes in Status. In case of any default by the Employer or in the event the Employer shall fail to pay any final award or awards, by reason of insolvency or because a receiver has been appointed, the Employer shall submit a summary of payments for every time-loss and death claim within one hundred twenty (120) days of the default, insolvency, or appointment of a receiver. This summary will be designated as an interim summary and does not relieve the Employer, successor or receiver from continued reporting requirements. The receiver or successor shall continue to report to the Commission, including the submission of summaries of payments and schedules of outstanding awards. (4-11-15)

022. SUBMISSION TO THE INDUSTRIAL COMMISSION OF INFORMATION ON CLAIMS INVOLVING MEDICAL PAYMENTS ONLY.

01. Purpose. The Industrial Commission of the state of Idaho seeks to promulgate a form for reporting information on claims involving only medical payments. This will allow for more timely entry of information into the database system from which statistical reports are generated, reduce the paper that the Commission currently receives, and is expected to reduce the cost of reporting for sureties, employers and the Commission. (7-1-97)

02. Authority and Definitions. Pursuant to Sections 72-602, 72-701, 72-702, 72-703 and 72-704, Idaho Code, the Industrial Commission of the State of Idaho promulgates this rule governing the procedure for

submission of information regarding claims that involve the payment of medical expenses only. This procedure applies to all medical-only workers' compensation claims. The following definitions shall be applicable to this rule: (7-1-97)

a. Claim means Industrial Commission (IC) Form 1A-1 entitled "Workers Compensation First Report of Injury or Illness." (7-1-97)

b. Employer is defined in Idaho Code Section 72-102(13)(a) and, for the purposes of this rule, includes sureties and adjusters. (7-1-97)

c. Claimant means a worker who is seeking to recover benefits under the Workers' Compensation Law. (7-1-97)

03. Procedure for Submitting Information. In order to comply with Idaho Code Section 72-602(4), Form IC-2 shall be submitted to the Commission in substantially the same form as set forth below. This form shall be submitted to the Commission semi-annually, within forty-five (45) days after the last day of the six (6)-month reporting period. (7-1-97)

(7-1-97)

05. Electronic Reporting. Employers wishing to report electronically shall sign a written information sharing agreement with the Commission. This agreement will provide the effective date to send and receive electronic reports, the acceptable data to be sent and received, the method of transmission to be used, and other pertinent elements. The agreement must be signed by the employer and approved by the Commission prior to initial data submission.
