

THE OFFICE OF THE GOVERNOR

**EXECUTIVE DEPARTMENT
STATE OF IDAHO

EXECUTIVE ORDER NO. 2020-11

RELATED TO THE IDAHO DEPARTMENT OF LABOR

WHEREAS, I issued a proclamation on June 11, 2020, declaring a state of disaster in the State of Idaho pursuant to Chapter 10, Title 46, Idaho Code, due to the occurrence and threat to public health and safety arising from the effects of COVID-19; and

WHEREAS, that proclamation remains in effect today; and

WHEREAS, I issued a proclamation on March 13, 2020, declaring a state of emergency in the State of Idaho pursuant to Chapter 10, Title 46, Idaho Code, due to the occurrence and imminent threat to public health and safety arising from the effects of the 2019 novel coronavirus (COVID-19); and

WHEREAS, I issued a proclamation on March 25, 2020, declaring a state of extreme emergency in the State of Idaho pursuant to Chapter 6, Title 46, Idaho Code, due to the increasing occurrence and threat to public health and safety arising from the effects of COVID-19; and

WHEREAS, each of those proclamations have since been superseded by my June 11, 2020 proclamation; and

WHEREAS, Section 46-1008(5)(a), Idaho Code, states that the Governor may suspend the provisions of any regulations that would in any way prevent, hinder, or delay necessary action in coping with the disaster; and

WHEREAS, I directed all state agencies to review their regulations to identify opportunities to assist in the COVID-19 response while maintaining public safety; and

WHEREAS, the Idaho Department of Labor has identified regulations to suspend in order to more quickly, efficiently, and safely respond to the declared emergency; and

WHEREAS, the Idaho Department of Labor finds that the emergency conditions present in Idaho continue to restrict the ability of Idahoans to apply for, travel to, and interview with prospective employers. Due to the emergency, including the emergency conditions and extreme emergency conditions addressed in my March 13, March 25, and June 11, 2020 orders, and its necessary responses, the regular requirements of unemployment insurance must be altered to accommodate individuals that may not have been able, available, and actively seeking work because of COVID-19 and those emergency conditions and/or those orders.

NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution of the United States, the Constitution of the State of Idaho, and the laws of this State, including Section 46-1008, Idaho Code, do hereby find and therefore proclaim, declare and order:

ii. Claimants who are temporarily unemployed for reasons related to COVID-19, and who have a reasonable assurance from their employer that continuing employment exists shall be considered job-attached, and as having met the available for suitable work, and seeking work personal eligibility conditions of Section 72-1366(4)(a)(i), Idaho Code, and any provisions to the contrary in the Employment Security Law shall be suspended in these situations.

iii. During this state of emergency, including extensions, or until December 31, 2020, whichever date first occurs, the one-week waiting period in the Employment Security Law shall be suspended for claimants making application for unemployment benefits on or after March 8, 2020, who otherwise meet the personal eligibility requirements of the Employment Security Law, and whose separation from employment occurs during the state of emergency declared pursuant to an emergency proclamation.

1. to return to work if requested by the employer and suitable work can be performed in compliance with the emergency declarations and directives; or

2. to accept suitable work if the claimant applies and is offered work that can be performed in compliance with the emergency declarations and directives.
