#### **DOCKET NO. 02-0214-1301 (FEE RULE)**

#### **NOTICE OF RULEMAKING - ADOPTION OF PENDING FEE RULE**

**EFFECTIVE DATE:** This rule has been adopted by the agency and is now pending review by the 2014 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending rule will not become final and effective until it has been approved, amended, or modified by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

**AUTHORITY:** In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Section 71-111, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 4, 2013, Idaho Administrative Bulletin, [Vol. 13-9, pages 17 and 18](#).

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased:

Section 71-121, Idaho Code, provides authority to establish fees. Impose a minimum license fee of \$12. Update device codes in Table 1-A to reflect new device types and establish a license fee. Increase the device license fee in Table 1-A for Device Codes D, E and F.

**IDAHO CODE SECTION 22-101A STATEMENT:** This rule does regulate an activity not already regulated by the federal government, because the federal government does not regulate device license fees.

**FISCAL IMPACT:** The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

The fee increase will impact 1,597 owners of commercial scales rated over 7,500 pounds by \$37,790. The minimum license fee of \$12 will impact approximately 473 owners of commercial devices by \$2,838. As a result, the weights and measures dedicated fund could see an increase of \$40,628. The general fund would not be impacted.

Add new categories in Table 1-A for devices emerging into the market place, e.g., liquid and compressed natural gas meters and fuel additive meters. Increase license fees for Device Codes D, E & F to more accurately reflect inspection costs.

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased:

#### **DOCKET NO. 02-0625-1301 (NEW CHAPTER - FEE RULE)**

#### **NOTICE OF RULEMAKING - ADOPTION OF PENDING FEE RULE**

**EFFECTIVE DATE:** This rule has been adopted by the agency and is now pending review by the 2014 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending rule will not become final and effective until it has been approved, amended, or modified by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

**AUTHORITY:** In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Section 22-2006, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the October 2, 2013 Idaho Administrative Bulletin, [Vol. 13-10, pages 22 through 28](#).

**IDAHO CODE SECTION 22-101A STATEMENT:** This rule does not regulate an activity not already regulated by the federal government, nor is it broader in scope or more stringent than the federal regulations.

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased:

This fee or charge is being imposed pursuant to pursuant to Section 22-2006, Idaho Code, the Department proposes to charge a minimum of \$250.00 for laboratory analysis on a per sample basis. ISDA proposes to charge \$3.50 per acre for field inspections, with a \$50.00 minimum. These fees are consistent with the fee structure for laboratory analysis and the current Rules Governing the Planting of Beans (IDAPA 02.06.06). Based on recent acreages planted (<1,000 acres) we do not expect this rule to generate more than \$10,000 in dedicated funds per year. Charges for nematode and soil testing will be at the prevailing rates of those labs capable and approved by the Department for that testing.

**THE FOLLOWING NOTICE WAS PUBLISHED WITH THE PROPOSED FEE RULE**

**AUTHORITY:** In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 22-2006, Idaho Code.

**PUBLIC HEARING SCHEDULE:** Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than October 16, 2013.

**DESCRIPTIVE SUMMARY:** The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This rule will require that all lots of soybean seed, and as a result of public input from two negotiated rule-making meetings, seed from other related plant species for planting in Idaho to be tested for bean diseases of concern and nematodes that do not occur in Idaho. Soybeans and other bean species such as mung or azuki beans are known to carry a complex of bacterial blights and other diseases that could affect the long standing and well established bean seed (*Phaseolus* sp.) production industry in the state. Laboratory testing and at least one inspection will occur during the growing season.

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased:

Pursuant to Section 22-2006, Idaho Code, the Department proposes to charge a minimum of \$250 for laboratory analysis on a per sample basis. ISDA proposes to charge \$3.50 per acre for

field inspections, with a \$50 minimum. These fees are consistent with the fee structure for laboratory analysis and the current Rules Governing the Planting of Beans (IDAPA 02.06.06).
