AUTHORITY: In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 25-203, Idaho Code.

MEETING SCHEDULE: A public meeting on the negotiated rulemaking will be held as follows:

Tuesday -- June 18, 2013 -- 10:00 a.m.

**Idaho State Department of Agriculture

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following:

Interested members of the public who wish to participate must submit any written comments, questions, recommendations, or ideas to the Idaho State Department of Agriculture addressed to Dr. Scott Leibsle, Deputy Administrator - Division of Animal Industries. Individuals may also attend the public meeting to be conducted on the above date during which the Idaho State Department of Agriculture will allow oral comments or presentations to be made.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

To amend Section 600's Domestic Cervidae import requirements to establish consistency with the new National Chronic Wasting Disease ("CWD") Herd Certification Program ("HCP"). The changes to the import requirements will require compliance with the National CWD HCP prior to domestic cervidae importation into Idaho.

To amend Subsections 300.03 and 300.04 to more specifically define equine infectious anemia ("EIA") import testing requirements for horses destined for slaughter. The new rule will establish a time limit for imported horses to be destined for slaughter that have entered Idaho without a valid Coggins test. The current rule allows slaughter horse imports without a Coggins test, but does not specify when the animals must go to slaughter.
