08.02.02 – RULES GOVERNING UNIFORMITY

DOCKET NO. 08-0202-1804

NOTICE OF INTENT TO PROMULGATE RULES – NEGOTIATED RULEMAKING

AUTHORITY: In compliance with Section 67-5220, Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Article IX, Section 2, Idaho Constitution and under Sections 33-105, 33-107, 33-116, and 33-1004B, 33-1201, 33-1201A, 33-1204, and 33-1612, Idaho Code.

METHOD OF PARTICIPATION: Interested persons wishing to participate in the negotiated rulemaking must respond to this notice by contacting the undersigned either in writing, by email, or by calling the phone number listed below. To participate, responses must be received by July 13, 2018.

Should a reasonable number of persons respond to this notice, negotiated meetings will be scheduled and all scheduled meetings shall be posted and made accessible on the agency website at the address listed below.

Failure of interested persons to respond to this notice of intent or the lack of a sufficient number of responses to this notice of intent may result in the discontinuation of further informal proceedings. In either event, the agency shall have sole discretion in determining the feasibility of scheduling and conducting informal negotiated rulemaking and may proceed directly to formal rulemaking if proceeding with negotiated rulemaking is deemed infeasible.

Upon the conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusions reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

Section 33-1201A, Idaho Code, establishes the professional endorsement and allows additional evidence to be provided demonstrating effective teaching that may be considered in exceptional cases, the proposed rule would create definition around “exceptional cases” and the process for consideration of the evidence. Additional amendments would add language providing clarification on how the professional endorsement requirements are applied to out-of-state teachers and teachers who take a break in service prior to earning the professional endorsement.
