DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

This rulemaking follows House Concurrent Resolution 45 adopted in 2018 and some meetings that have already occurred with the Department of Insurance. Health insurers have not covered hearing aids for children based on exclusionary language in this rule addressing the small group market. We seek to revise language of Section 016 related to exclusions for hearing aids to provide an exception for medically necessary treatment for a congenital anomaly. (This rule is a companion rule to that affecting the individual insurance market IDAPA 18.01.30.)
