DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

In continuing efforts to promote regulatory reform and reduce obstacles to licensure and practice, the Board of Pharmacy intends to eliminate this chapter as much of it needlessly duplicates other state laws. The Board will carefully extract the few rules from this chapter that are needed to protect public health, and add them to other Board chapters as appropriate.
