Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The Department will be seeking public input on updates to this chapter of rules, which has not been updated since 2011. The Council realizes that certain prior grant awarding practices are restrictive to rural communities, are no longer inclusive of victim's services organizations, or are reasonable for the Council to continue.
