Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all administrative rulemaking documents in Idaho. The Bulletin publishes the official text notice and full text of such actions.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of a rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Legal Notice. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rulemaking activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 00-1 refers to the first Bulletin issued in calendar year 2000, Bulletin 01-1 refers to the first Bulletin issued in calendar year 2001, etc. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 1 refers to January; Volume No. 2 refers to February; and so forth. Example: The Bulletin published in January of 2001 is cited as Volume 01-1, the December 1999 Bulletin is cited as Volume 99-12. The March 2000 Bulletin is cited as Volume 00-3.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

*The **Idaho Administrative Code** is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules that have been adopted and approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are **not** printed in the Administrative Code and are published only in the Bulletin.*

*To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the **Cumulative Index of Administrative Rulemaking**, printed in each Bulletin.*

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process comprises five distinct activities; Negotiated, Proposed, Temporary, Pending, and Final rulemaking. Not all rulemakings consist of all five. At a minimum a rulemaking includes proposed, pending, and final rulemaking. Many rules are adopted as temporary rules when meeting required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek a consensus on the content of the rule. Agencies are encouraged to proceed through this informal rulemaking whenever it is feasible to do so. Publication of the text in the Administrative Bulletin by the agency is optional. This process should lead the rulemaking to the temporary and/or proposed rule stage.

PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency in which the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a notice of proposed rulemaking in the Bulletin. The notice of proposed rulemaking must include:

- a) the specific statutory authority for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;*
- b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;*
- c) the text of the proposed rule prepared in legislative format;*
- d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;*
- e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;*
- f) the manner in which persons may request an opportunity for an oral presentation; and*
- g) the deadline for public (written) comments on the proposed rule.*

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date unless published in conjunction with a temporary rule docket. An agency may vacate a proposed rulemaking if it decides not to proceed further with the promulgation process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) the protection of the public health, safety, or welfare; or*
- b) compliance with deadlines in amendments to governing law or federal programs; or*
- c) conferring a benefit.*

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule.

A temporary rule expires at the conclusion of the next succeeding regular session of the legislature unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

In cases where the text of the temporary rule is the same as that of the proposed rule, the rulemaking can be done concurrently as a temporary/proposed rule. State law requires that the text of a proposed or temporary rule be published in the Administrative Bulletin. Combining the rulemaking allows for a single publication of the text.

An agency may rescind a temporary rule that has been adopted and is in effect if the rule is being replaced by a new temporary rule or has been published concurrently with a proposed rulemaking that is being vacated.

PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under the regular rulemaking process and remains subject to legislative review before it becomes a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the Notice of Pending Rule. This includes:

- a) the reasons for adopting the rule;*
- b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;*
- c) the date the pending rule will become final and effective; and*
- d) an identification of any portion of the rule imposing or increasing a fee or charge.*

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the Notice of Pending Rule is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking process and is in effect.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that the agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution will be adopted rejecting, amending, or modifying the rule or any part thereof. A Notice of Final Rule must be published in the Idaho Administrative Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule that has been reviewed by the legislature and has not been rejected, amended, or modified will become final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule which is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the *Idaho Administrative Bulletin* are organized by a numbering system. Each state agency has a two-digit identification code number known as the "IDAPA" number. (The "IDAPA" Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit "TITLE" number is assigned. There are "CHAPTER" numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.060.02.c.ii.

"IDAPA" refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

"IDAPA 38." refers to the Idaho Department of Administration.

"05." refers to Title 05 which is the Department of Administration's Division of Purchasing.

"01." refers to Chapter 01 of Title 05, "Rules of the Division of Purchasing".

"060." refers to Major Section 060, "Content of the Invitation to Bid".

"02." refers to Subsection 060.02.

"c." refers to Paragraph 060.02.c.

"ii." refers to Subparagraph 060.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a "DOCKET NUMBER". The "Docket Number" is a series of numbers separated by a hyphen "-", (38-0501-0101). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket:

"DOCKET NO. 38-0501-0101"

"38-" denotes the agency's IDAPA number; in this case the Department of Administration.

"0501-" refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), "Rules of the Division of Purchasing" (Chapter 01).

"0101" denotes the year and sequential order of the docket submitted and published during the year; in this case the first rulemaking action of the chapter published in calendar year 2001.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section "200" appears before Section "345" and so on). Whenever the sequence of the numbering is broken the following statement will appear:

"(BREAK IN CONTINUITY OF SECTIONS)"

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection that is part of the same rule, a typical internal citation may appear as follows:

"...as found in Section 201 of this rule." OR "...in accordance with Subsection 201.06.c. of this rule."

It may also be cited to include the IDAPA, Title, and Chapter number also, as follows:

"...in accordance with IDAPA 38.05.01.201."

"38" denotes the IDAPA number of the agency.

"05" denotes the TITLE number of the agency rule.

"01" denotes the Chapter number of the agency rule.

"201" references the main Section number of the rule that is being cited.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

"...as outlined in the Rules of the Department of Administration, IDAPA 38.04.04, 'Rules Governing Capitol Mall Parking.'"

THE OFFICE OF THE GOVERNOR

EXECUTIVE DEPARTMENT
STATE OF IDAHO
BOISE

EXECUTIVE ORDER NO. 2002-08

REDUCTION OF GENERAL FUND SPENDING AUTHORITY

WHEREAS, article 7, section 11, of the Idaho Constitution provides that except in extraordinary or emergency circumstances, expenditures of state government shall not exceed state government revenue; and

WHEREAS, I have determined that expenditures from the General Fund authorized by the Legislature for the current fiscal year will exceed anticipated state revenue to meet those authorized expenditures for the current fiscal year.

NOW, THEREFORE, I, Dirk Kempthorne, Governor of the State of Idaho, by the authority vested in me under the Constitution and laws of this state, and pursuant to Section 67-3512A, Idaho Code, do hereby order:

1. That the General Fund spending authority on file in the Office of the State Controller be reduced for all departments, offices and institutions of the state by three and a half percent (3.5%) of their Fiscal Year 2003 General Fund Appropriation with the exception of public schools support, colleges and universities, community colleges, School for the Deaf and Blind, Professional Technical Education and Health Education Programs.
2. That each department, office and institution shall notify the Office of the State Controller and the Division of Financial Management of the Executive Office of the Governor of budget changes by September 23, 2002 according to the attachment of this Executive Order which is incorporated herein by reference.
3. That elected State Constitutional officials are requested to reduce General Fund expenditures for Fiscal Year 2003 to reflect the realities of the projected revenue shortfall without impairing the discharge of their constitutional duties.
4. That officers of the legislative and judicial branches are requested to assess and evaluate a reduction in General Fund expenditures for Fiscal Year 2003 to reflect similar revenue shortfalls in the executive branch of state government.

This order shall take effect immediately upon its execution and shall continue in effect until January 31, 2003, unless revoked or modified by the Governor, or until the Legislature or the Board of Examiners takes further action.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho at the Capitol in Boise on this thirtieth day of August in the year of our Lord two thousand and two and of the Independence of the United States of America the two hundred twenty-fifth and of the Statehood of Idaho the one hundred eleventh.

NOTICE OF RULEMAKING

PENDING RULE AND AMENDMENT TO TEMPORARY RULE

EFFECTIVE DATE: The effective date of the amended temporary rule is July 1, 2002. This pending rule has been adopted by the agency and is now pending review by the 2003 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved, rejected, amended or modified by concurrent resolution in accordance with Section 67-5224 and 67-5291, Idaho Code. If the pending rule is approved, amended or modified by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224 and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a pending rule and amended a temporary rule. The action is authorized pursuant to Section(s) 54-204(1), Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and amending the existing temporary rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change.

The proposed rule has been amended to make typographical corrections to the rule, and are being amended pursuant to Section 67-5227, Idaho Code. Rather than keep the temporary rule in place while the pending rule awaits legislative approval, the Idaho State Board of Accountancy amended the temporary rule with the same revisions which have been made to the proposed rule. Two typographical errors have been found. The reference to Rule 408.01 in Rules 406.02 and 406.03 should reference Rule 406.01. The exemption in Rule 502.02.a.ii. should refer to tax work done as a licensee.

Only the sections that have changes are printed in this bulletin. The original text of the proposed rule was published in the July 3, 2002 Idaho Administrative Bulletin, Volume 02-7, page(s) 15 through 37.

PENDING RULE AND AMENDMENT TO TEMPORARY RULE

EFFECTIVE DATE: The effective dates of the amendment to the temporary rule are September 25, 2002 and April 1, 2003. This pending rule has been adopted by the agency and is now pending review by the 2003 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved, rejected, amended or modified by concurrent resolution in accordance with Section 67-5224 and 67-5291, Idaho Code. If the pending rule is approved, amended or modified by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Sections 67-5224 and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a pending rule and amended a temporary rule. The action is authorized pursuant to Section 54-2605(1), Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and amending the existing temporary rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change.

The pending rule, rather than replacing the word "adoption" in Section 011 as was proposed, adds the words "incorporation by reference" to the current rule text making the 2000 Uniform Plumbing Code, as amended, adopted and incorporated by reference. This is necessary as Idaho Code requires that the Idaho Plumbing Board adopt the 2000 Uniform Plumbing Code, as amended, for it to be of full force and effect.

It was not the intention of the Idaho Plumbing Board to put Subsection 011.06 into effect November 1, 2002 as was proposed. The intention was for that section to go into effect April 1, 2003. This Subsection is being reprinted with no substantive changes being made to it other than the new effective date.

The text of the proposed rule has been amended in accordance with Section 67-5227, Idaho Code. Rather than keep the temporary rule in place while the pending rule awaits legislative approval, the Division of Building Safety amended the temporary rule with the same revisions which have been made to the proposed rule. Only the sections that have changes different from the proposed text are printed in this bulletin. The original text of the proposed rule was published in the August 7, 2002 Idaho Administrative Bulletin, Vol. 02-8, pages 19 through 21.

All interstate and foreign carriers and all intrastate carriers subject to the safety authority of the Idaho State Police while operating in Idaho that transport passengers or property must comply with 49 CFR Parts 356, 365, 382, 383, 385, 387, 388 and 390 through 399, and the law and rules of the state of Idaho (except Part 391.11(b)(1) for intrastate carriers). IDAPA 16 - DEPARTMENT OF HEALTH AND WELFARE

16.03.01 - RULES GOVERNING ELIGIBILITY FOR MEDICAID FOR FAMILIES AND CHILDREN

DOCKET NO. 16-0301-0201

NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: These temporary rules are effective July 1, 2002.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted temporary rules, and proposed regular rulemaking procedures have been initiated. The action is authorized pursuant to Sections 56-201, 56-202(b), 56-203(g), 56-209, 56-209b, and 56-1004(1)(a), Idaho Code.

PUBLIC HEARING SCHEDULE: Pursuant to Section 67-5222(2), Idaho Code, public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than November 20, 2002.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a non-technical explanation of the substance and purpose of the proposed rulemaking:

2002 Legislation effective July 1, 2002, increased the maximum Temporary Assistance for Families in Idaho (TAFI) payment. The rules are being amended to be sure TAFI income will be counted consistently when Medicaid eligibility is being determined. This will provide eligible households with the same length of Medicaid coverage while ensuring TAFI households entering the working world will receive Transitional Medicaid (TM) services to help continue their efforts toward self-reliance. In addition, rules are being updated to clarify Idaho Code references, financial responsibility and income exclusions.

The proposed rule text is in legislative format. Language the agency proposes to add is underlined. Language the agency proposes to delete is struck out. It is these additions and deletions to which the public comment should be addressed.

TEMPORARY RULE JUSTIFICATION: Temporary rules have been adopted in accordance with Section 67-5226, Idaho Code and are necessary in order to confer a benefit for persons eligible to receive TAFI and Medicaid benefits.

NEGOTIATED RULEMAKING: Pursuant to IDAPA 04.11.01.811, negotiated rulemaking was not conducted because changes were necessary due to 2002 Legislation.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the temporary or proposed rule, contact Phil Gordon, (208) 334-5818.

Anyone can submit written comments regarding this proposed rule. All written comments and data concerning the rule must be directed to the undersigned and must be postmarked on or before November 27, 2002.

DATED this 24th day of September, 2002.

276. FAILURE TO COMPLY WITH A REQUIREMENT OF ANOTHER MEANS - TESTED PROGRAM.

Food Stamps must not increase when a failure to comply causes other means-tested benefits to decrease. Benefits from means-tested programs like TAFI ~~and SSI~~ may decrease due to failure to comply with a program requirement. Food Stamp benefits must not increase because of this income loss. If a reduction in benefits from another means-tested program occurs, verify the reason for the reduction. If the reason for the reduction cannot be verified, document the case record to reflect the good faith effort to verify the information. (~~7-1-98~~)(10-1-02)T

End the FS penalty if the household subsequently reapplies for TAFI and is denied for a reason other than the noncompliance that caused the TAFI penalty. (7-1-98)

512. SPECIAL CASES FOR COUNTING INCOME.

06. Nonrecurring Lump Sum Payments And Capital Gains. Nonrecurring lump sum payments must not be counted as income. Nonrecurring lump sum payments are counted as a resource starting in the month received. The capital gains are income only if the assets were used in self-employment. (6-1-94)

07. ~~SSI~~ PA Entitlement. If a household intentionally fails to comply with a means-tested program, a penalty may be imposed and benefits reduced to collect the means-tested program overpayment. 533. INCOME DEDUCTIONS.

A household is entitled to a deduction when it gets a bill or, if there is no bill, when the payment is due. Only the deductions listed below must be taken from household's gross income: (6-1-94)

01. Standard Deductions. The standard deductions ~~is~~ are controlled by Federal law. ~~The~~ monthly amounts are specified in Title 7 United States Code Section 2014. Current deductions may be found at: <http://www.fns.usda.gov/fsp/MENU/ADMIN/CERTIFICATION/FY03Allot&Deduct.htm>. ~~(4-5-00)~~(10-1-02)T

(BREAK IN CONTINUITY OF SECTIONS)

543. STANDARD UTILITY ALLOWANCE (SUA).

The shelter deduction is computed using the SUA or actual utility costs. The Standard Utility Allowance (SUA) can be used instead of actual costs of heating, cooling, cooking fuel, electricity, the basic service fee for one (1)

telephone, water, sewer and garbage collection. The SUA is two hundred ~~thirty-one~~ forty-four dollars (\$~~231~~44). The household must be told if actual utility costs exceed the SUA, the actual costs can be used if the household proves these costs. To qualify for the SUA, households must receive direct or indirect energy assistance payments made under the Low Income Home Energy Assistance Act of 1981 (LIHEAP); or meet the conditions in Subsections 543.01 through 543.06 of this rule. (~~3-15-02~~)(10-1-02)T

A primary heating system is a central heating system, or space heating stove, used to heat the living quarters of the home. A cooling system is a central air conditioning system or a room air conditioner. The household must have out-of-pocket heating or cooling costs billed on a regular or irregular basis. The heating or cooling costs must be separate from rent or mortgage payments. This includes households in private rental housing, billed by their landlords for individual usage or charged a flat rate, separately from rent. If not billed regularly for heating or cooling costs, the household must be otherwise Food Stamp eligible between billing periods. (3-15-02)

02. Cooling Costs. If the household claims cooling costs, the household must have either an air conditioning system or a room air conditioner to qualify for the SUA. (3-15-02)

03. Heating Costs. If the household claims heating costs, the household must have expenses for a primary source of heat. Households buying wood for their primary source of heat may get the SUA. Cutting their own wood for the primary source of heat does not qualify a household for the SUA. Supplemental heat sources like, space heaters, electric blankets, cook stoves and a secondary heat source like a fireplace do not qualify households for the SUA. (3-15-02)

04. Energy Assistance Excluded From Income. If the household gets direct or indirect energy assistance that is excluded from income, the household gets the SUA if the amount of the expense exceeds the amount of the assistance. (3-15-02)

05. Energy Assistance Not Excluded From Income. If a household gets energy assistance that is not excluded from income, the household must also have out-of-pocket heating or cooling costs to get the SUA. (3-15-02)

06. Occupied And Unoccupied Home. A household with both an occupied home and an unoccupied home, is limited to one (1) SUA. (3-15-02)

(BREAK IN CONTINUITY OF SECTIONS)

549. NET INCOME LIMIT TEST.

Categorically eligible households do not have a net income limit. For all other households, including those with an elderly or disabled household member, compare the net income to the net income eligibility limit for that size household. This comparison must be completed for initial eligibility and when income changes. When the household income changes to a different income eligibility limit, apply the different limit. If the net income of the household exceeds the net income limit the household is not eligible for Food Stamps, unless categorically eligible. Net income limits are listed in Table 549.

PRELIMINARY DRAFT: By November 6, 2002, a preliminary draft of the rule can be obtained at www2.state.id.us/deq/rules/58-0101-0205.htm or by contacting Phyllis Heitman at (208) 373-0502 or pheitman@deq.state.id.us.

DESCRIPTIVE SUMMARY: Portable equipment, such as a hot-mix asphalt plant, is currently permitted under the stationary source permit to construct program. The current permitting program requires that every hot-mix asphalt plant obtain a permit to construct prior to operating equipment in the state of Idaho. Although the permits follow a general outline, processing the large number of asphalt plant permits requires considerable Department of Environmental Quality (DEQ) and applicant resources and necessitates a time delay for the permittees. With the rate of growth in the state, a method of streamlining general permits is needed.

This rulemaking focuses on establishing general operating requirements for hot-mix asphalt plants in a rule. The rule would specify the requirements for registration and operation to meet the applicable standards. It is estimated that approximately 75 to 80% of asphalt plants could opt to register and operate within the specified parameters in lieu of obtaining an individual permit. From July 2000 to September 2002, DEQ issued permits to construct to seventeen hot-mix asphalt facilities.

The proposed rule will establish the registration process and specify the operating parameters and requirements that are normally specified in a general permit for hot-mix asphalt plants. The parameters include best management practices for the control of fugitive dust, limitations on the hours of operation or fuel consumption rates for different sizes and types of generators and other associated fuel-burning equipment, and general provisions to ensure compliance with the National Ambient Air Quality Standards and other applicable requirements. The rule will also specify the length of time equipment may be operating at a single location before additional requirements apply. The permitting requirements for hot-mix asphalt plant owners and operators will be reduced. The standards of performance will not be reduced. The permit by rule will be written to ensure that the requirements for protection of human health and the environment are maintained and that enforcement action can be taken if the rule provisions are not met.

Hot-mix asphalt plant operators who are required to obtain permits to construct may be interested in participating in this rulemaking. Citizens living in areas where hot-mix asphalt plants are located, or may locate, and citizens concerned about air quality in general may also be interested in this rulemaking.

Upon conclusion of the negotiated rulemaking process, DEQ intends to present a rule to the Board of Environmental Quality (Board) in February 2003 for temporary adoption and, at the same time, commence formal rulemaking with the publication of a proposed rule.

DESCRIPTIVE SUMMARY: Portable equipment, such as a concrete batch plant, is currently permitted under the stationary source permit to construct program. The current permitting program requires that every concrete batch plant obtain a permit to construct prior to operating equipment in the state of Idaho. It is estimated that approximately 75 to 80% of concrete plants could opt to register and operate within the specified parameters in lieu of obtaining an individual permit. From July 2000 to September 2002, DEQ issued permits to construct to eighteen concrete batch plants.

The proposed rule will establish the registration process and specify the operating parameters and requirements that are normally specified in a general permit for concrete batch plants. The parameters include best management practices for the control of fugitive dust, limitations on the hours of operation or fuel consumption rates for different sizes and types of generators and other associated fuel-burning equipment, and general provisions to ensure compliance with the National Ambient Air Quality Standards and other applicable requirements.
