Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a monthly compilation of all administrative rule-making documents in Idaho. The Bulletin publishes the official rulemaking notices and administrative rule text of state agency rulemakings and other official documents as necessary.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Rulemaking Notice published in the Bulletin. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rule-making activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 02-1 refers to the first Bulletin issued in calendar year 2002; Bulletin 03-1 refers to the first Bulletin issued in calendar year 2003. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 02-1 refers to January 2002; Volume No. 03-2 refers to February 2003; and so forth. Example: The Bulletin published in January of 2003 is cited as Volume 03-1. The December 2002 Bulletin is cited as Volume 02-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules that have been approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are not printed in the Administrative Code and are published only in the Bulletin.

To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the Cumulative Index of Administrative RuleMaking, printed in each Bulletin.

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises five distinct activities: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings involve all five. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek consensus on the content of a rule. Agencies are encouraged, and in some cases required, to engage in this rulemaking activity whenever it is feasible to do so. Publication of a “Notice of Intent to Promulgate” a rule in the Administrative Bulletin by the agency is optional. This process should result in the formulation of a proposed and/or temporary rule.
PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Proposed Rulemaking” in the Bulletin. This notice must include:

a) the specific statutory authority (from Idaho Code) for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;

b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;

c) the text of the proposed rule prepared in legislative format;

d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;

e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;

f) the manner in which persons may request an opportunity for an oral presentation as provided in Section 67-5222, Idaho Code; and

g) the deadline for public (written) comments on the proposed rule.

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date unless published in conjunction with a temporary rule. An agency may vacate a proposed rulemaking if it decides not to proceed further with the promulgation process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

a) protection of the public health, safety, or welfare; or

b) compliance with deadlines in amendments to governing law or federal programs; or

c) conferring a benefit;

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule. However, a temporary rule that imposes a fee or charge may be adopted only if the Governor finds that the fee or charge is necessary to avoid an immediate danger which justifies the imposition of the fee or charge.

A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

State law required that the text of both a proposed rule and a temporary rule be published in the Administrative Bulletin. In cases where the text of the temporary rule is the same as the proposed rule, the rulemaking can be done concurrently as a proposed/temporary rule. Combining the rulemaking allows for a single publication of the text.

An agency may, at any time, rescind a temporary rule that has been adopted and is in effect. If the temporary rule is being replaced by a new temporary rule or if it has been published concurrently with a proposed rulemaking that is being vacated, the agency, in most instances, should rescind the temporary rule.
PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it become a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Pending Rulemaking”. This includes:

a) a statement giving the reasons for adopting the rule;

b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;

c) the date the pending rule will become final and effective;

d) an identification of any portion of the rule imposing or increasing a fee or charge.

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the “Notice of Pending Rulemaking” is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is in effect and enforceable.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that an agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution may be adopted to reject the rulemaking or any part thereof. A “Notice of Final Rule” must be published in the Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule that has been reviewed by the legislature and has not been rejected, amended or modified will become final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule that is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering system. Each state agency has a two-digit identification code number known as the "IDAPA" number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are "CHAPTER" numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

IDAPA 38.07.01.200.02.c.ii.

"IDAPA" refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

"IDAPA 38" refers to the Idaho Department of Administration

"05." refers to Title 05, which is the Department of Administrations's Division of Purchasing

"01." refers to Chapter 01 of Title 05, "Rules of the Division of Purchasing"

"200." refers to Major Section 200, "Content of the Invitation to Bid"

"02." refers to Subsection 200.02.

"c." refers to Subsection 200.02.c.

"ii." refers to Subsection 200.02.c.ii.
DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a "DOCKET NUMBER." The "Docket Number" is a series of numbers separated by a hyphen "-". (38-0501-0401). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket:

"DOCKET NO. 38-0501-0401"

"38-" denotes the agency’s IDAPA number; in this case the Department of Administration.

"0501-" refers to the Title and Chapter numbers of the agency rule being promulgated; in this case the Division of Purchasing (Title 05), Rules of the Division of Purchasing (Chapter 01).

"0401" denotes the year and sequential order of the docket received during the year; in this case the first rule-making action in calendar year 2004.

Within each Docket, only the affected sections of chapters are printed. (see Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section "200" appears before Section "345" and so on). Whenever the sequence of the numbering is broken the following statement will appear:

"(BREAK IN CONTINUITY OF SECTIONS)"

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection of a rule that is part of the same rule, a typical internal citation may appear as follows:

“...as found in Section 201 of this rule.” OR “...in accordance with Subsection 201.06.c. of this rule.”

The citation may also include the IDAPA, Title, or Chapter number, as follows”

“...in accordance with IDAPA 38.05.01.201...”

“38” denotes the IDAPA number of the agency.

“05” denotes the Title number of the rule.

“01” denotes the Chapter number of the rule.

“201” references the main Section number of the rule that the citation refers to.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

“...as outlined in the Rules of the Department of Administration, IDAPA 38.04.041, “Rules Governing Capitol Mall Parking.”

DIRK KEMPTHORNE
GOVERNOR

______________________________
BEN YSURSA
SECRETARY OF STATE
WHEREAS, the United States through its Constitution, laws, executive orders, and regulations has declared that all persons are to be treated fairly and equally; and the State of Idaho is committed to fulfilling that federal mandate; and

WHEREAS, the Legislature of the State of Idaho by Title 44, Chapter 17, and Title 67, Chapter 59, of the Idaho Code has declared that employment discrimination based upon race, color, national origin, religion, disability, sex, or age is illegal; by Title 56, Chapter 7, that the disabled shall be free from employment discrimination in public service; and by Title 65, Chapter 5, that veterans are to be given preference by public employers; and

WHEREAS, every Idahoan should be provided the opportunity to fully develop and use his/her talents. When we allow race, color, religion, national origin, sex, age, and disability to prevent anyone from reaching full potential, we fail that person, our state, and our country. In accordance with the principles of fair employment practices, we must strive to recognize and advance the abilities and talents of all people, while denying no individual his/her rightful opportunities; and

WHEREAS, we must assume our citizen-granted role of leadership in the protection of freedom for all citizens; and we must serve in that leadership role as a model for government, business, industry, labor, and education in this regard;

NOW, THEREFORE, I, DIRK KEMPTHORNE, Governor of the State of Idaho, in that spirit and to that purpose, do hereby proclaim the following Idaho Code of Fair Employment Practices shall continue to be the governing policy throughout every department of the Executive Branch of Government of the State of Idaho.

ARTICLE I--Employment Policies of State Agencies

State employees shall be recruited, appointed, assigned, and promoted upon the basis of individual merit, in accordance with the principles of fair treatment and non-discrimination on the basis of race, color, sex, religion, national origin, age, or disability. Veterans are to be given preference in accordance with applicable state and federal laws and regulations.

All state departments, commissions, and boards are directed to review their present Human Resource policies and practices regarding recruitment, appointment, promotion, demotion, transfer, retention, discipline, separation, training, and compensation to assure compliance with this Executive Order. They shall regularly review present state and federal laws and regulations and implement procedures to assure equal opportunity for minorities and women, and to comply with affirmative action obligations for individuals with disabilities, and qualified veterans within the state workforce.

The Division of Human Resources shall take positive steps to ensure that the entire examination process; oral, written, and ratings, shall be free from either conscious or inadvertent bias. State agencies shall give wide distribution of notice of employment opportunities so that all citizens may be fully advised of career opportunities in state government. Employment announcements issued by state agencies shall include a statement such as, “The State of Idaho is an Equal Opportunity Employer. In addition, preference may be given to veterans who qualify under state and federal laws and regulations.”

ARTICLE II--State Action

All services of every state agency shall be performed without discrimination based on race, color, religion, national....
origin, sex, age, or disability. No state facility shall be used in furtherance of any discriminatory practice nor shall any state agency become a party to any agreement, arrangement, plan, contract, or subcontract which has the effect of sanctioning such practices.

ARTICLE III--State Financial Assistance

Race, color, religion, national origin, sex, age, or disability shall not be considered in state-administered or sponsored programs involving the distribution of funds to qualified recipients for benefits authorized by law; and state agencies shall not provide grants, loans, or other financial assistance to public agencies, private institutions, or organizations which engage in discriminatory practices.

ARTICLE IV--State Employment Services

All state agencies, including educational institutions, which provide employment referral or placement services to public or private employers, shall accept job orders and applications on a non-discriminatory basis. They shall refuse to fill any job order designed, either consciously or inadvertently, to exclude any person from employment because of race, color, religion, national origin, sex, age, or disability except where a bona fide occupational qualification has been established.

ARTICLE V--State Education, Counseling, and Training Program

All educational counseling and vocational guidance programs, employment and training programs, policy declarations and staff services of state agencies or those in which state agencies participate, shall be open to all qualified persons, without regard to race, color, religion, national origin, sex, age, or disability.

ARTICLE VI--Cooperation with Idaho Human Rights Commission

All state departments shall cooperate fully with the Idaho Human Rights Commission if state employees or applicants for state employment file complaints with the Commission. They shall also utilize the services of the Commission when needing technical advice regarding compliance with the equal employment opportunity provisions of Title 67, Chapter 59, Idaho Code. The Commission shall act as a referral agency for information or complaints concerning discrimination in certain protected classes not covered by Title 67, Chapter 59, Idaho Code.

ARTICLE VII--Enforcement by Appointing Authorities

The head of each state executive department shall be responsible for carrying out the policies of this Idaho Code of Fair Employment Practices and shall inform and educate all commission and board supervisory personnel regarding its intent and spirit. They shall establish clearly written directions to carry out this policy. Upon a showing of credible evidence to the appropriate appointing authority that any officer or employee of the state has violated any of the provisions of this Executive Order or any applicable state or federal law or regulation, the appointing authority shall take appropriate disciplinary action.

Every appointing authority shall be responsible for the development of a complaint procedure to be used by employees and recipients of state services who believe they have been subjected to harassment. This policy shall include at least the following: (1) a statement defining and forbidding harassment of any nature, (2) an investigative procedure designed to protect the confidentiality of participants wherever possible and to effect a timely and fair resolution of the allegation, and (3) a statement advising employees and service recipients of their rights to raise this issue with appropriate governmental agencies and the courts. The Idaho Human Rights Commission and the Division of Human Resources shall assist in the development of these policies.

ARTICLE VIII--Fair Employment/Affirmative Action Oversight

The agency charged with overseeing the review of the state’s Equal Employment and Affirmative Action planning shall be the Division of Human Resources under the Executive Office of the Governor. The Division will consult with appointing authorities and report to the Governor on the State’s fair employment practices, including Equal Employment Opportunity and Affirmative Action compliance efforts on an annual basis.
This Executive Order repeals and replaces Executive Order No 00-09.

This Executive Order shall cease to be effective four years after its entry into force.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho at the Capitol in Boise on the 6th day of October in the year of our Lord two thousand and four and of the Independence of the United States of America the two hundred twenty-ninth and of the Statehood of Idaho the one hundred-fifteenth.

RULES GOVERNING LIVESTOCK MARKETING

There are no substantive changes from the proposed rule text.

This rule has been adopted as a pending rule by the Agency and is now pending review and approval by the 2005 Idaho State Legislature as a final rule.
AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 39-4107, 39-4112 and 39-4113(2), Idaho Code.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The proposed rule is necessary to enable the Building Bureau to charge building permit and plan review fees at a level that will adequately cover the program costs associated with performing building inspections and plan review services. Effective July 1, 2005, the proposed rule will adopt the building permit fee schedule published in the 1997 edition of the Uniform Building Code in order to raise permit and plan review fees an estimated 55% above current levels. Plan review fees will continue to be 65% of building permit fees per IDAPA 07.03.06.013.04.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

The proposed rule would adopt the building permit fee schedule published in the 1997 edition of the Uniform Building Code in order to raise permit and plan review fees an estimated 55% above current levels. Sections 39-4112 and 39-4113(2), Idaho Code authorize the fees.

NEGOTIATED RULEMAKING: Pursuant to IDAPA 04.11.01.811, negotiated rulemaking was not conducted as raising fees to the 1997 level is necessary to allow the Building Bureau to continue to provide basic code enforcement services, as authorized in Sections 39-4103 and 39-4104, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a non-technical explanation of the substance and purpose of the proposed rulemaking:

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(a), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This rulemaking confers a benefit, by reducing the individual licensing fee.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

No new fee or charge is being imposed. Rather, this rule reduces the fee amount by twenty dollars ($20) per bi-annual licensing period.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rule-making:

This rulemaking removes the restriction on the depth of eaves on manufactured homes and office trailers being towed and on manufactured homes, modular buildings or offices being hauled, as long as the eighteen foot maximum overall width limitation is not exceeded. This results in a positive and immediate economic impact on the industry in being able to contract to build manufactured homes that meet subdivision requirements for the depth of eaves. The previously set eave depth placed an unnecessary restriction on the transport of these structures which inhibited their sale and delivery.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This rulemaking confers a benefit on the manufacturer, seller, transporter and buyer of the manufactured structures governed by this rule.
