Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a monthly compilation of all administrative rule-making documents in Idaho. The Bulletin publishes the official rulemaking notices and administrative rule text of state agency rulemakings and other official documents as necessary.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Rulemaking Notice published in the Bulletin. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rule-making activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 02-1 refers to the first Bulletin issued in calendar year 2002; Bulletin 03-1 refers to the first Bulletin issued in calendar year 2003. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 02-1 refers to January 2002; Volume No. 03-2 refers to February 2003; and so forth. Example: The Bulletin published in January of 2003 is cited as Volume 03-1. The December 2002 Bulletin is cited as Volume 02-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules that have been approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are not printed in the Administrative Code and are published only in the Bulletin.

To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the Cumulative Index of Administrative RuleMaking, printed in each Bulletin.

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises five distinct activities: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings involve all five. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek consensus on the content of a rule. Agencies are encouraged, and in some cases required, to engage in this rulemaking activity whenever it is feasible to do so. Publication of a “Notice of Intent to Promulgate” a rule in the Administrative Bulletin by the agency is optional. This process should result in the formulation of a proposed and/or temporary rule.
PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Proposed Rulemaking” in the Bulletin. This notice must include:

a) the specific statutory authority (from Idaho Code) for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;

b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;

c) the text of the proposed rule prepared in legislative format;

d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;

e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;

f) the manner in which persons may request an opportunity for an oral presentation as provided in Section 67-5222, Idaho Code; and

g) the deadline for public (written) comments on the proposed rule.

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date unless published in conjunction with a temporary rule. An agency may vacate a proposed rulemaking if it decides not to proceed further with the promulgation process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

a) protection of the public health, safety, or welfare; or

b) compliance with deadlines in amendments to governing law or federal programs; or

c) conferring a benefit;

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule. However, a temporary rule that imposes a fee or charge may be adopted only if the Governor finds that the fee or charge is necessary to avoid an immediate danger which justifies the imposition of the fee or charge.

A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

State law required that the text of both a proposed rule and a temporary rule be published in the Administrative Bulletin. In cases where the text of the temporary rule is the same as the proposed rule, the rulemaking can be done concurrently as a proposed/temporary rule. Combining the rulemaking allows for a single publication of the text.

An agency may, at any time, rescind a temporary rule that has been adopted and is in effect. If the temporary rule is being replaced by a new temporary rule or if it has been published concurrently with a proposed rulemaking that is being vacated, the agency, in most instances, should rescind the temporary rule.
PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it become a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Pending Rulemaking”. This includes:

a) a statement giving the reasons for adopting the rule;

b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;

c) the date the pending rule will become final and effective;

d) an identification of any portion of the rule imposing or increasing a fee or charge.

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the “Notice of Pending Rulemaking” is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is in effect and enforceable.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that an agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution may be adopted to reject the rulemaking or any part thereof. A “Notice of Final Rule” must be published in the Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule that has been reviewed by the legislature and has not been rejected, amended or modified will become final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule that is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering system. Each state agency has a two-digit identification code number known as the "IDAPA" number. (The "IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit "TITLE" number is assigned. There are "CHAPTER" numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

IDAPA 38.07.01.200.02.c.ii.

"IDAPA" refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

"IDAPA 38" refers to the Idaho Department of Administration

"05." refers to Title 05, which is the Department of Administrations's Division of Purchasing

"01." refers to Chapter 01 of Title 05, "Rules of the Division of Purchasing"

"200." refers to Major Section 200, "Content of the Invitation to Bid"

"02." refers to Subsection 200.02.

"c." refers to Subsection 200.02.c.

"ii." refers to Subsection 200.02.c.ii.
DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a “DOCKET NUMBER.” The “Docket Number” is a series of numbers separated by a hyphen “-,” (38-0501-0401). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket:

"DOCKET NO. 38-0501-0401"

"38-" denotes the agency’s IDAPA number; in this case the Department of Administration.

"0501-" refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

"0401" denotes the year and sequential order of the docket received during the year; in this case the first rule-making action in calendar year 2004.

Within each Docket, only the affected sections of chapters are printed. (see Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

"(BREAK IN CONTINUITY OF SECTIONS)"

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection of a rule that is part of the same rule, a typical internal citation may appear as follows:

“...as found in Section 201 of this rule.” OR “...in accordance with Subsection 201.06.c. of this rule.”

The citation may also include the IDAPA, Title, or Chapter number, as follows”

“...in accordance with IDAPA 38.05.01.201...”

“38” denotes the IDAPA number of the agency.

“05” denotes the TITLE number of the rule.

“01” denotes the Chapter number of the rule.

“201” references the main Section number of the rule that the citation refers to.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

“...as outlined in the Rules of the Department of Administration, IDAPA 38.04.041, “Rules Governing Capitol Mall Parking.”

**EFFECTIVE DATE:** The effective date of the temporary rule is April 1, 2005.

**AUTHORITY:** In compliance with Section 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule. The action is authorized pursuant to Section 56-202, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This rule change will provide more opportunity for people with disabilities who want to work to be able to do so without losing their Medicaid benefits. People with disabilities who have jobs are more self-sufficient in the long-term and may rely less on government services. This rule change is a Federal work incentive authorized under Section 1905(q) of the Social Security Act.

This temporary rule adds language that will allow continued Medicaid coverage to individuals with disabilities who received Medicaid and AABD state cash assistance before they began employment or increased their level of earnings. The rule change will allow these individuals to continue to receive Medicaid after they have received an increase in earnings that would cause them to lose Medicaid benefits under the current rules.

**TEMPORARY RULE JUSTIFICATION:** Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate since it confers a benefit to certain Medicaid recipients.

**FEE SUMMARY:** There is no fee or charge being imposed or increased in this docket.

**ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS:** For assistance on technical questions concerning the temporary rule, contact Linda Palmer at (208) 334-5815.

**THE FOLLOWING IS THE TEXT OF DOCKET NO. 16-0305-0501**

782. PARTICIPANT ENTITLED TO MEDICAID BENEFITS UNDER SECTION 1619(b) SSI ELIGIBILITY STATUS OF THE SOCIAL SECURITY ACT.

A participant is eligible for Medicaid as a blind or disabled SSI recipient, if SSA is evaluating him for, or has granted him, SSI eligibility status under Section 1619(b) of the Social Security Act, for as long as his 1619(b) status continues. A participant may be eligible for Medicaid under Section 1619(b) of the Social Security Act either under federal or state
criteria, depending on his circumstances.

01. Federally Qualified Under SSA Section 1619(b). An SSI recipient with a disability, previously eligible for SSI cash, who, because of earnings from employment, no longer meets the financial eligibility requirements for SSI cash, is eligible for Medicaid. SSA determines the qualification for eligibility under Section 1619(b).

02. State-Only Qualified Under SSA Section 1619(b). An AABD cash participant with a disability, who, because of earnings from employment, no longer meets the financial eligibility requirements for AABD cash, may be eligible for Medicaid. The Department determines eligibility for State-only Section 1619(b) Medicaid. State-only Section 1619(b) Medicaid is authorized under Section 1905(q) of the Social Security Act.

a. Eligibility Requirements. A participant must meet all of the following requirements to be eligible for State-only 1619(b) Medicaid:

i. The participant received AABD cash in the month prior to the first month of his eligibility under this Section of rule.

ii. The participant is under age sixty-five (65).

iii. The participant continues to have a disability.

iv. The participant must depend on Medicaid coverage to continue working. An individual depends on Medicaid coverage if he:

1. Used Medicaid coverage within the past twelve (12) months; or

2. Expects to use Medicaid coverage in the next twelve (12) months; or

3. Would be unable to pay unexpected medical bills in the next twelve (12) months without Medicaid coverage.

v. The participant is not able to afford medical insurance equivalent to Medicaid, including attendant care. The participant meets this requirement if his earnings are under the limit referred to in Subsection 782.02.a.vii. of this rule.

vi. The participant continues to meet all of the non-disability eligibility requirements in these rules.

vii. The participant's annual gross earned income is less than the current calendar year's charted threshold for Idaho as developed by SSA for federal qualification for Section 1619(b) Medicaid. The charted threshold for Idaho is found at: http://policy.ssa.gov/poms.nsf/lnx/0502302200.

b. Ending State-Only 1619(b) Medicaid. State-only Section 1619(b) Medicaid ends when the participant meets one (1) of the following criteria:

i. The participant is no longer eligible for AABD cash for a reason other than excess earned income.

ii. The participant's gross earned income is equal to or more than the current calendar year's annual earnings threshold for Idaho developed by the Social Security Administration for Federal Section 1619(b) Medicaid.

iii. The participant is age sixty-five (65) or older; or

iv. The participant regains eligibility for AABD cash.

58.01.01 - RULES FOR THE CONTROL OF AIR POLLUTION IN IDAHO

DOCKET NO. 58-0101-0501
NOTICE OF INTENT TO PROMULGATE RULES - NEGOTIATED RULEMAKING

AUTHORITY: In compliance with Section 67-5220(1) and 67-5220(2), Idaho Code, and IDAPA 58.01.23, “Rules of Administrative Procedure Before the Board of Environmental Quality,” Sections 810 through 815, notice is hereby given that this agency intends to promulgate a rule and desires public participation before publishing a proposed rule. This rulemaking action is authorized by Sections 39-105 and 39-107, Idaho Code.

HEARING SCHEDULE: Those interested in participating in the negotiated rulemaking process are encouraged to attend the following meeting. Additional meetings will be scheduled as necessary. For information regarding additional meetings, contact Phyllis Heitman at (208) 373-0256 or pheitman@deq.idaho.gov.

March 9, 2005, 9:00 a.m. to Noon
Department of Environmental Quality, Conference Room B
1410 N. Hilton, Boise, Idaho

DESCRIPTIVE SUMMARY: The Department of Environmental Quality (DEQ) proposes to review sections of IDAPA 58.01.01, “Rules for the Control of Air Pollution in Idaho” (Rules) that pertain to sources of air pollution that are currently deferred from the Title V permitting program as defined in IDAPA 58.01.01.301.02.b.iv.

Currently IDAPA 58.01.01.313.01.e.i. states that deferred sources are required to submit a Tier I operating permit application no later than June 1, 2005. DEQ anticipated that the Environmental Protection Agency (EPA), by December 2004, would have decided whether to require the deferred sources to submit an application. To date, EPA has not issued a decision.

DEQ has initiated this negotiated rulemaking to review the June 1, 2005 deadline to determine if the deadline should be extended to allow EPA to issue a decision, or if DEQ should simply exempt the deferred sources from the requirement to obtain a Tier I operating permit with the understanding that EPA may decide differently, whereupon DEQ may then need to revise the rule again.

The text of the rule will be developed by DEQ in conjunction with a negotiating committee made up of persons having an interest in the development of this rule. Both major and minor sources of air emissions may be interested in participating in this rulemaking. Special interest groups, public officials, or members of the public who have an interest in the regulation of air emissions from sources in Idaho may also wish to participate in this rulemaking.

Upon conclusion of the negotiations, DEQ intends to present the rule to the Board for temporary adoption in May 2005. If approved by the Board, DEQ intends to initiate proposed rulemaking by publishing the rule in the July 2005 issue of the Idaho Administrative Bulletin.

GENERAL INFORMATION: For more information about DEQ’s programs and activities, visit DEQ’s web site at www.deq.idaho.gov.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on questions concerning the negotiated rulemaking, contact Mike Simon at (208)373-0212, msimon@deq.idaho.gov.
