Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a monthly compilation of all administrative rulemaking documents in Idaho. The Bulletin publishes the official rulemaking notices and administrative rule text of state agency rulemakings and other official documents as necessary.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Notice of Rulemaking published in the Bulletin. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rule-making activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 07-1 refers to the first Bulletin issued in calendar year 2007; Bulletin 08-1 refers to the first Bulletin issued in calendar year 2008. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 08-1 refers to January 2008; Volume No. 08-2 refers to February 2008; and so forth. Example: The Bulletin published in January 2008 is cited as Volume 08-1. The December 2007 Bulletin is cited as Volume 07-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are only published in the Bulletin and not printed in the Administrative Code.

To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the Cumulative Rulemaking Index of Idaho Administrative Rules, printed in each Bulletin.

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises five distinct activities: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings involve all five. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek consensus on the content of a rule. Agencies are encouraged, and in some cases required, to engage in this rulemaking activity whenever it is feasible to do so. Publication of a “Notice of Intent to Promulgate” a rule in the Administrative Bulletin by the agency is optional. This process should result in the formulation of a proposed and/or temporary rule.
PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Proposed Rulemaking” in the Bulletin. This notice must include:

a) the specific statutory authority (from Idaho Code) for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;

b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;

c) the text of the proposed rule prepared in legislative format;

d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;

e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;

f) the manner in which persons may request an opportunity for an oral presentation as provided in Section 67-5222, Idaho Code; and

g) the deadline for public (written) comments on the proposed rule.

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date unless published in conjunction with a temporary rule. An agency may vacate a proposed rulemaking if it decides not to proceed further with the promulgation process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

a) protection of the public health, safety, or welfare; or

b) compliance with deadlines in amendments to governing law or federal programs; or

c) conferring a benefit;

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule. However, a temporary rule that imposes a fee or charge may be adopted only if the Governor finds that the fee or charge is necessary to avoid an immediate danger which justifies the imposition of the fee or charge.

A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

State law requires that the text of both a proposed rule and a temporary rule be published in the Administrative Bulletin. In cases where the text of the temporary rule is the same as the proposed rule, the rulemaking can be done concurrently as a proposed/temporary rule. Combining the rulemaking allows for a single publication of the text.

An agency may, at any time, rescind a temporary rule that has been adopted and is in effect. If the temporary rule is being replaced by a new temporary rule or if it has been published concurrently with a proposed rule that is being vacated, the agency, in most instances, should rescind the temporary rule.
PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Pending Rulemaking”. This includes:

a) a statement giving the reasons for adopting the rule;

b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;

c) the date the pending rule will become final and effective;

d) an identification of any portion of the rule imposing or increasing a fee or charge.

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the “Notice of Pending Rulemaking” is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is in effect and enforceable.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that an agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution may be adopted to reject the rulemaking or any part thereof. A “Notice of Final Rule” must be published in the Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule reviewed by the legislature and not rejected, amended or modified becomes final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule that is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering system. Each state agency has a two-digit identification code number known as the “IDAPA” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“38.” refers to the Idaho Department of Administration

“05.” refers to Title 05, which is the Department of Administration's Division of Purchasing

“01.” refers to Chapter 01 of Title 05, “Rules of the Division of Purchasing”

“200.” refers to Major Section 200, “Content of the Invitation to Bid”

“02.” refers to Subsection 200.02.

“c.” refers to Subsection 200.02.c.

“ii.” refers to Subsection 200.02.c.ii.
DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a “DOCKET NUMBER.” The “Docket Number” is a series of numbers separated by a hyphen “-”, (38-0501-0801). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-0801”

“38-” denotes the agency's IDAPA number; in this case the Department of Administration.

“0501-” refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

“0801” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rule-making action published in calendar year 2008. A subsequent rulemaking on this same rule chapter in calendar year 2008 would be designated as “0802”. The docket number in this scenario would be 38-0501-0802.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

(BREAK IN CONTINUITY OF SECTIONS)

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection of a rule that is part of the same rule, a typical internal citation may appear as follows:

“...as found in Section 201 of this rule.” OR “...in accordance with Subsection 201.06.c. of this rule.”

The citation may also include the IDAPA, Title, or Chapter number, as follows”

“...in accordance with IDAPA 38.05.01.201...”

“38” denotes the IDAPA number of the agency.

“05” denotes the TITLE number of the rule.

“01” denotes the Chapter number of the rule.

“201” denotes the main Section number of the rule to which the citation refers.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

“...as outlined in the Rules of the Department of Administration, IDAPA 38.04.04, “Rules Governing Capitol Mall Parking.”

Subsection 011.01

011. TECHNOLOGY STANDARDS.
The proliferation of technology in our daily lives makes it essential that certificated educators are technologically literate. The State Board of Education has established a statewide goal that teachers and administrators be trained in the use of technology for education. (5-3-03)

01. Preservice Competency. All applicants for initial Idaho certification (Kindergarten through grade 12) from an Idaho approved teacher education program must demonstrate proficiency in relevant technology skills and practices to enhance classroom management and instruction as measured evidenced by completion of the credit hour technology requirements by of the approved teacher education preparation program. (10-12-07)T
COORDINATOR'S NOTE: Due to a miscommunication between the State Board staff and the Department of Education staff, a request to remove this docket from the January edition of the Idaho Administrative Bulletin was made to the Office of the Administrative Rules Coordinator. Because the resulting procedural error was inadvertent and the original submission of this rulemaking did meet statutory requirements for the timely publication of the temporary rule, the temporary rule is being printed in this Bulletin as originally intended and authorized by the State Board of Education. The Board and Department regret any confusion or inconvenience this may have caused.

EFFECTIVE DATE: The effective date of the temporary rule is October 12, 2007.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule. The action is authorized pursuant to Sections 33-105 and 33-107, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting this temporary rule:

Without this change students currently enrolled in 8th grade would be required to pass the science ISAT when they take the test in 10th grade. This would mean the class of 2012 would be the first class required to pass the science ISAT. Students currently in 8th grade have taken the science ISAT as 7th graders and therefore have some knowledge of the test’s format and content. This will help prepare them for the test as 10th graders. This action will also give students advance notice of the requirements they must attain to graduate.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This rule confers a benefit on school district administrators, educators, parents and students. There is ambiguity as to when the science graduation test applies under the current rule as it is not directly mentioned. Cut scores were just set this summer for the test so it needs to be dealt with now. In addition, the temporary rule needs to be put into place to give 8th graders adequate notice.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: N/A

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Scott Smith, (208) 332-6952.

IDAPA 16 - DEPARTMENT OF HEALTH AND WELFARE
16.03.03 - RULES GOVERNING CHILD SUPPORT SERVICES
DOCKET NO. 16-0303-0801
NOTICE OF RULEMAKING - TEMPORARY FEE RULE

EFFECTIVE DATE: The effective date of the temporary rule is December 6, 2007.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Sections 32-1214G and 56-203A, Idaho Code, and mandated by the Federal Deficit Reduction Act (DRA) of 2005.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This rule implements a federal mandate from the Deficit Reduction Act (DRA) of 2005. Each State is required to set up a process to collect a $25 annual fee for each enforced child support case that has never participated in a cash assistance program. Collection of this annual fee is to take place once $500 in support payments has been collected on each case, each year. For every $25 collected, the federal government receives $16.50 and states receive $8.50. Idaho is planning to use the $8.50 collections to help cover the federal share of the fee on cases in arrears where collection of the fee cannot be applied. Idaho must implement this program or face loss of federal TANF funds.

TEMPORARY RULEJUSTIFICATION: Pursuant to Sections 67-5226(1)a and b, Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

Failure to comply with the DRA mandate would violate state plan requirements, which would expose the state to penalties or potential loss of Idaho’s TANF funding. The loss of this funding would create an immediate danger to the health and safety of children and families in Idaho.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

This rulemaking imposes a new $25 dollar annual fee upon the non-custodial parent paying “enforced” child support payments. The Federal Budget Deficit Reduction Act of 2005 mandates that this fee be imposed in each child support case in which an individual has never received assistance under a program funded by the Temporary Assistance for Needy Families (TANF) program (Title IV-A of the Social Security Act) and where the state has collected more than $500 in child support during the Federal Fiscal Year (FFY). Despite the fact that the Federal law requiring this fee was passed during the 2005 Federal Legislative Session, the proposed Federal Regulation governing the application and imposition of this fee was not published until January 24, 2007.

FISCAL IMPACT: The following is a specific description, if applicable, of any fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

The projected fiscal impact for SFY 2009 is $399,674 general fund dollars, which will be required in order to advance the payment of the federal share of the fee on cases which qualify for the fee but on which collections cannot be applied to the fee due to existing case arrearages and inability to collect. (Not included in this fiscal impact statement is the total cost to the Department for system modification of $192,960. Of this total, $86,746 is the Child Support Program's responsibility.)

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Kandace Yearsley at (208) 334-0620.

PRELIMINARY DRAFT: A preliminary draft of the rule can be obtained at http://www.deq.idaho.gov/rules/air/58_0101_0801_negotiated.cfm or by contacting Paula Wilson at paula.wilson@deq.idaho.gov, (208)373-0418.

DESCRIPTIVE SUMMARY: Farmers desiring to burn crop residue, Safe Air for Everyone (SAFE), Idaho State Department of Agriculture (ISDA), and the Idaho Department of Environmental Quality (IDEQ) have agreed on various components of a Crop Residue Disposal (CRD) Program. The farmers will introduce legislation during the 2008 session to address the central components of the CRD Program; however, it is necessary to promulgate rules, subject to public input, to address the details and implement the legislation. Due to extremely tight time constraints, the rule must be negotiated in conjunction with the introduction and passage of the legislation.

Farmers desiring to burn crop residue, members of the regulated community who may be subject to Idaho's air quality rules as well as special interest groups (including SAFE), ISDA, tribes, public officials, and members of the public who have an interest in the regulation of air emissions from sources in Idaho may wish to participate in this rulemaking. Upon conclusion of negotiations, DEQ intends to present a rule to the Board of Environmental Quality for temporary adoption in March of 2008. If adopted by the Board, DEQ will then publish the temporary rule and initiate proposed rulemaking.

ASSISTANCE ON TECHNICAL QUESTIONS AND SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the negotiated rulemaking, contact Martin Bauer at (208)373-0440, martin.bauer@deq.idaho.gov.

Anyone may submit written comments during this negotiated rulemaking by mail, fax or e-mail at the address below. Written comments on the preliminary draft must be received by February 20, 2008. COORDINATOR’S NOTE: This notice is being published at the request of the Administrative Codes and Registers Section of the National Association of Secretaries of State and in conjunction with the National Conference of Commissioners on Uniform State Laws (NCCUSL) and its Model State Administrative Procedure Act (MSAPA) drafting committee. The Idaho Administrative Procedure Act, as adopted and codified in 1992, governs rulemaking and contested case proceedings in the State. The 1982 MSAPA was the guiding document used to draft Idaho’s current Administrative Procedure Act (APA). The amendments currently being made to the MSAPA are the first revisions made to the Act since 1982.

INVITATION TO PARTICIPATE
The National Conference of Commissioners on Uniform State Laws (NCCUSL) is revising its Model State Administrative Procedure Act (MSAPA). NCCUSL invites organizations and individuals interested in state administrative agency processes to participate in this effort.

NCCUSL is a 117 year old national organization of lawyers, judges and law professors who are appointed to represent their states in drafting and seeking enactment of uniform laws to facilitate commerce and certainty in the law among the states. For more information about NCCUSL, visit http://www.nccusl.org/.

GOAL OF THE DRAFTING COMMITTEE
The goal of the MSAPA drafting committee is to make the administrative process more efficient, accessible and fair. The most recent draft of MSAPA is available at http://www.nccusl.org/Update/CommitteeSearchResults.aspx?committee=234. The drafting process will not be completed until the spring of 2009. The MSAPA drafting committee invites interested parties to attend committee meetings as an observer and make comments and suggestions at the meetings or by submitting them in writing.

BECOMING AN OBSERVER
To become an observer, please contact Ms. Leang Sou at NCCUSL at (312) 450-6606 or at leang.sou@nccusl.org. Submit written comments about the MSAPA to Commissioner Francis J. Pavetti, 18 The Strand, Goshen Point, Waterford, CT 06385.
