Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator; pursuant to Section 67-5203, Idaho Code. The Bulletin is a monthly compilation of all administrative rulemaking documents in Idaho. The Bulletin publishes the official rulemaking notices and administrative rule text of state agency rulemakings and other official documents as necessary.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Notice of Rulemaking published in the Bulletin. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rule-making activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 08-1 refers to the first Bulletin issued in calendar year 2008; Bulletin 09-1 refers to the first Bulletin issued in calendar year 2009. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 09-1 refers to January 2009; Volume No. 09-2 refers to February 2009; and so forth. Example: The Bulletin published in January 2009 is cited as Volume 09-1. The December 2008 Bulletin is cited as Volume 08-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are only published in the Bulletin and not printed in the Administrative Code.

To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the Cumulative Rulemaking Index of Idaho Administrative Rules, printed in each Bulletin.

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises five distinct activities: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings involve all five. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek consensus on the content of a rule. Agencies are encouraged, and in some cases required, to engage in this rulemaking activity whenever it is feasible to do so. Publication of a “Notice of Intent to Promulgate” a rule in the Administrative Bulletin by the agency is optional. This process should result in the formulation of a proposed and/or temporary rule.
PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Proposed Rulemaking” in the Bulletin. This notice must include:

a) the specific statutory authority (from Idaho Code) for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;

b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;

c) the text of the proposed rule prepared in legislative format;

d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;

e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;

f) the manner in which persons may request an opportunity for an oral presentation as provided in Section 67-5222, Idaho Code; and

g) the deadline for public (written) comments on the proposed rule.

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date, even when published in conjunction with a temporary rule, and therefore, is not enforceable. An agency may vacate a proposed rulemaking if it decides not to proceed beyond the proposed rulemaking step, and stops the formal rulemaking process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

a) protection of the public health, safety, or welfare; or

b) compliance with deadlines in amendments to governing law or federal programs; or

c) conferring a benefit;

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule. However, a temporary rule that imposes a fee or charge may be adopted only if the Governor finds that the fee or charge is necessary to avoid an immediate danger which justifies the imposition of the fee or charge.

A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

State law requires that the text of both a proposed rule and a temporary rule be published in the Administrative Bulletin. In cases where the text of the temporary rule is the same as the proposed rule, the rulemaking can be done concurrently as a proposed/temporary rule. Combining the rulemaking allows for a single publication of the text.

An agency may, at any time, rescind a temporary rule that has been adopted and is in effect. If the temporary rule is being replaced by a new temporary rule or if it has been published concurrently with a proposed rule that is being vacated, the agency, in most instances, should rescind the temporary rule.
PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of PendingRulemaking”. This includes:

a) a statement giving the reasons for adopting the rule;

b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;

c) the date the pending rule will become final and effective;

d) an identification of any portion of the rule imposing or increasing a fee or charge.

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the “Notice of Pending Rulemaking” is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is in effect and enforceable.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that an agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution may be adopted to reject the rulemaking or any part thereof. A “Notice of Final Rule” must be published in the Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule reviewed by the legislature and not rejected, amended or modified becomes final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule that is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering system. Each state agency has a two-digit identification code number known as the “IDAPA” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:

**IDAPA 38.05.01.200.02.c.ii.**

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“38.” refers to the Idaho Department of Administration

“05.” refers to Title 05, which is the Department of Administrations’s Division of Purchasing

“01.” refers to Chapter 01 of Title 05, “Rules of the Division of Purchasing”

“200.” refers to Major Section 200, “Content of the Invitation to Bid”

“02.” refers to Subsection 200.02.

“c.” refers to Subsection 200.02.c.

“ii.” refers to Subsection 200.02.c.ii.
DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a “DOCKET NUMBER.” The “Docket Number” is a series of numbers separated by a hyphen “-”, (38-0501-0901). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-0901”

“38-” denotes the agency's IDAPA number; in this case the Department of Administration.

“0501-” refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

“0901” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in calendar year 2009. A subsequent rulemaking on this same rule chapter in calendar year 2009 would be designated as “0902”. The docket number in this scenario would be 38-0501-0902.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

(BREAK IN CONTINUITY OF SECTIONS)

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection of a rule that is part of the same rule, a typical internal citation may appear as follows:

“...as found in Section 201 of these rules.” OR “...in accordance with Subsection 201.06.c. of these rules.”

The citation may also include the IDAPA, Title, or Chapter number, as follows”

“...in accordance with IDAPA 38.05.01.201...”

“38” denotes the IDAPA number of the agency.

“05” denotes the TITLE number of the rule.

“01” denotes the Chapter number of the rule.

“201” denotes the main Section number of the rule to which the citation refers.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

“...as outlined in the Rules of the Department of Administration, IDAPA 38.04.04, “Rules Governing Capitol Mall Parking.”

EFFECTIVE DATE: The effective date of the temporary rule is September 1, 2009.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Sections 67-2901 and 23-901, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

This rule change establishes and clarifies differentiating hours of operation, when a minor can be within a movie theater and when the alcohol beverage licensee must post its premises as 21 years and over. Temporary adoption of the rule permits movie theater owners who are also alcohol beverage licensees to immediately implement the changes in the rule. The rule confers a benefit to those licensees by broadening their potential entertainment options while ensuring that they remain within legal boundaries regarding the serving of alcoholic beverages.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1) (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

Temporary adoption of this rule assists cities and counties with economic development by broadening entertainment options for movie theaters licensed to sell alcoholic beverages. It provides an avenue for multiple uses of these facilities while remaining within legal boundaries and honoring the legislative intent of Idaho’s alcohol beverage statutes.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

No fees or charges are being imposed or increased as a result of this rulemaking.

An internal Department audit of the Bureau of Laboratories conducted in the Spring of 2008 found that definitions, tests, and fees in the lab fees rule chapter were outdated and needed to be updated to reflect current practice and more fully cover the actual cost of laboratory tests.

In response to the audit, the current chapter was repealed under this docket and rewritten under companion Docket No. 16-0225-0902.

The pending rule is being adopted as proposed. The notice of rulemaking for the proposed repeal of the chapter was published in the August 5, 2009, Idaho Administrative Bulletin, Vol. 09-8, page 57.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2010 Idaho State Legislature for final approval. AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Sections 56-1003 and 56-1007, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

An internal Department audit of the Bureau of Laboratories conducted in the Spring of 2008 found that definitions, tests, and fees in the lab fees rule chapter were outdated and needed to be updated to reflect current practice and more fully cover the actual cost of laboratory tests.

In response to the audit, the current chapter was completely rewritten under this docket.

The pending rule is being adopted as proposed. The chapter rewrite was published as proposed in the August 5, 2009, Idaho Administrative Bulletin, Vol. 09-8, page 58 through 69.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

The fees for the laboratory tests performed by the Bureau of Laboratories are being increased. The authority for the Department to charge these fees is found under Section 56-1007, Idaho Code. There are over 200 different tests whose fees range from $6 to $373. See below for fiscal impact.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

The Bureau’s calculations based on SFY 2008 testing levels indicate the change in fees will result in an increase of receipts estimated at $130,000:

$77,000 in Environmental - fees mainly billed to private individuals, public water systems, the Department of Environmental Quality, and the district health departments.

$43,000 in Microbiology - fees mainly billed to private doctors, hospitals, county jails, and juvenile detention centers. $5,900 is estimated to come from Medicaid based on current reimbursement rates for new refugee parasite testing.

$10,000 in Virology - fees mainly billed to private doctors, hospitals, county jails, and juvenile detention centers.

The increase in fees will not have an impact on the Lab state general fund, but should more fully cover the actual costs of the tests. Currently, the receipts appropriation for Labs is sufficient to cover this increase.

EFFECTIVE DATE: The effective date of the amendment to the temporary rule is July 1, 2009. This pending rule has been adopted by the agency and is now pending review by the 2010 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending rule will not become final and effective until it has been approved, amended, or modified by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224 and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule and amended a temporary rule. The action is authorized pursuant to Sections 56-202, 56-239, and 56-240, Idaho Code, and Title XXI of the Social Security Act.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and amending the temporary rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The Department is amending the rules pertaining to the Home Care for Certain Disabled Children (HCCDC) promulgated to meet legislative intent language for parental cost-sharing for HCCDC participants. These changes are based on comments received during the rule promulgation process at public hearings and through written comments. The following changes were made:

1. Separated the existing SCHIP premium requirements in Section 200 from the HCCDC premium requirements by moving the HCCDC requirements to Section 205.

2. Changed the implementation date for premium payments from October 1, 2009, to February 1, 2010, but the effective date of these rules remains July 1, 2009, to allow the Department time to obtain required information from families and to update automated systems;

3. Expanded the HCCDC sliding fee schedule to reflect a more gradual adjustment to percentages for monthly premiums;

4. Allowed a reduction to HCCDC premium payments for families who purchase creditable health insurance;

5. Limited the amount of HCCDC premiums owed for families with more than one participant;

6. Allowed for consideration of an HCCDC premium waiver for undue hardship to the family; and

7. Added definitions for creditable health insurance, family income, family size, and financially responsible adult.

The text of the pending rule has been amended in accordance with Section 67-5227, Idaho Code, and is being republished following this notice. Rather than keep the temporary rule in place while the pending rule awaits legislative approval, the Department amended the temporary rule with the same revisions which have been made to the pending rule.

Only the sections that have changes from the proposed text are printed in this bulletin. The original text of the proposed rule was published in the July 1, 2009, Idaho Administrative Bulletin, Vol. 09-7, pages 74 through 77.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger. This fee or charge is being imposed pursuant to Section 56-257, Idaho Code. The following is a specific description of the fee or charge imposed or increased:
This cost-sharing measure is required to meet 2009 Legislative intent language in House Bill 322.

Pursuant to Section 67-5224(5)(c), Idaho Code, this pending rule will not become final and effective until it has been approved, amended, or modified by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking.

**FISCAL IMPACT:** The following is a specific description, if applicable, of any fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

determine family income and household size may subject the participant to a monthly premium equal to the average monthly cost of coverage for participants receiving Medicaid Enhanced Plan Benefits through HCCDC.  

05. **Failure to Pay Premium.** Failure to pay the premium for an HCCDC participant will not cause the participant to lose coverage or eligibility for services. A participant eligible through HCCDC is exempt from the provisions of Section 250 of these rules.  

06. **Waiver of Premium.** The premium may be waived if the Department determines that payment of the premium would cause undue hardship on the family. Detailed documentation of the family's living and insurance expenses demonstrating such hardship must be provided to the Department.  

07. **Premium Recalculation.** The premium amount is recalculated at each annual eligibility renewal. If a financially responsible adult reports a reduction in family income prior to renewal, the premium will be reduced to the appropriate level upon verification of the reduction to the family's income. 03. **No Retroactive Premiums Assessed.** A participant can not be assessed premiums for months of retroactive eligibility.  

04. **Notification of Premiums.** The Department is required to routinely notify a participant of his premium payment obligations including any delinquencies, if applicable.
