LEGAL NOTICE - SUMMARY OF PROPOSED RULEMAKINGS 112

**SECOND QUARTER 2010 COMPREHENSIVE CUMULATIVE RULEMAKING INDEX
OF IDAHO ADMINISTRATIVE RULES** 113

SUBJECT INDEX 359

Preface

The Idaho Administrative Bulletin is published once each month by the Department of Administration, Office of the Administrative Rules Coordinator, pursuant to Section 67-5203, Idaho Code. The Bulletin is a monthly compilation of all administrative rulemaking documents in Idaho. The Bulletin publishes the official rulemaking notices and administrative rule text of state agency rulemakings and other official documents as necessary.

State agencies are required to provide public notice of rulemaking activity and invite public input. The public receives notice of rulemaking activity through the Idaho Administrative Bulletin and the Legal Notice published monthly in local newspapers. The Legal Notice provides reasonable opportunity for public input, either oral or written, which may be presented to the agency within the time and manner specified in the Notice of Rulemaking published in the Bulletin. After the comment period closes, the agency considers fully all information submitted in regard to the rule. Comment periods are not provided in temporary or final rule-making activities.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is cited by year and issue number. For example, Bulletin 08-1 refers to the first Bulletin issued in calendar year 2008; Bulletin 09-1 refers to the first Bulletin issued in calendar year 2009. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 09-1 refers to January 2009; Volume No. 09-2 refers to February 2009; and so forth. Example: The Bulletin published in January 2009 is cited as Volume 09-1. The December 2008 Bulletin is cited as Volume 08-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

*The Idaho Administrative Code is published once a year and is a compilation or supplemental compilation of all final and enforceable administrative rules in effect in Idaho. In an effort to provide the reader with current, enforceable rules, temporary rules are also published in the Administrative Code. Temporary rules and final rules approved by the legislature during the legislative session, and published in the monthly Idaho Administrative Bulletin, supplement the Administrative Code. Negotiated, proposed, and pending rules are only published in the Bulletin and **not** printed in the Administrative Code.*

*To determine if a particular rule remains in effect, or to determine if a change has occurred, the reader should refer to the **Cumulative Rulemaking Index of Idaho Administrative Rules**, printed in each Bulletin.*

TYPES OF RULEMAKINGS PUBLISHED IN THE ADMINISTRATIVE BULLETIN

The state of Idaho administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises five distinct activities: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings involve all five. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies often engage in negotiated rulemaking at the beginning of the process to facilitate consensus building in controversial or complex rulemakings. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of administrative rule.

NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested parties and the agency seek consensus on the content of a rule. Agencies are encouraged, and in some cases required, to engage in this rulemaking activity whenever it is feasible to do so. Publication of a "Notice of Intent to Promulgate" a rule in the Administrative Bulletin by the agency is optional. This process should result in the formulation of a proposed and/or temporary rule.

PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a "Notice of Proposed Rulemaking" in the Bulletin. This notice must include:

- a) the specific statutory authority (from Idaho Code) for the rulemaking including a citation to a specific federal statute or regulation if that is the basis of authority or requirement for the rulemaking;*
- b) a statement in nontechnical language of the substance of the proposed rule, including a specific description of any fee or charge imposed or increased;*
- c) the text of the proposed rule prepared in legislative format;*
- d) the location, date, and time of any public hearings the agency intends to hold on the proposed rule;*
- e) the manner in which persons may make written comments on the proposed rule, including the name and address of a person in the agency to whom comments on the proposal may be sent;*
- f) the manner in which persons may request an opportunity for an oral presentation as provided in Section 67-5222, Idaho Code; and*
- g) the deadline for public (written) comments on the proposed rule.*

As stated, the text of the proposed rule must be published in the Bulletin. After meeting the statutory rulemaking criteria for a proposed rule, the agency may proceed to the pending rule stage. A proposed rule does not have an assigned effective date, even when published in conjunction with a temporary rule, and therefore, is not enforceable. An agency may vacate a proposed rulemaking if it decides not to proceed beyond the proposed rulemaking step, and stops the formal rulemaking process.

TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or*
- b) compliance with deadlines in amendments to governing law or federal programs; or*
- c) conferring a benefit;*

If a rulemaking meets any one or all of the above requirements, a rule may become effective before it has been submitted to the legislature for review and the agency may proceed and adopt a temporary rule. However, a temporary rule that imposes a fee or charge may be adopted only if the Governor finds that the fee or charge is necessary to avoid an immediate danger which justifies the imposition of the fee or charge.

A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is approved, amended, or modified by concurrent resolution or when the rule has been replaced by a final rule.

State law requires that the text of both a proposed rule and a temporary rule be published in the Administrative Bulletin. In cases where the text of the temporary rule is the same as the proposed rule, the rulemaking can be done concurrently as a proposed/temporary rule. Combining the rulemaking allows for a single publication of the text.

An agency may, at any time, rescind a temporary rule that has been adopted and is in effect. If the temporary rule is being replaced by a new temporary rule or if it has been published concurrently with a proposed rule that is being vacated, the agency, in most instances, should rescind the temporary rule.

PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule.

When a pending rule is published in the Bulletin, the agency is required to include certain information in the "Notice of Pending Rulemaking". This includes:

- a) a statement giving the reasons for adopting the rule;*
- b) a statement of any change between the text of the proposed rule and the pending rule with an explanation of the reasons for any changes;*
- c) the date the pending rule will become final and effective;*
- d) an identification of any portion of the rule imposing or increasing a fee or charge.*

Agencies are required to republish the text of the rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule. With the permission of the Rules Coordinator, only the Section(s) that have changed from the proposed text are republished. If no changes have been made to the previously published text, it is not required to republish the text again and only the "Notice of Pending Rulemaking" is published.

FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is in effect and enforceable.

No pending rule adopted by an agency will become final and effective until it has been submitted to the legislature for review. Where the legislature finds that an agency has violated the legislative intent of the statute under which the rule was made, a concurrent resolution may be adopted to reject the rulemaking or any part thereof. A "Notice of Final Rule" must be published in the Bulletin for any rule that is rejected, amended, or modified by the legislature showing the changes made. A rule reviewed by the legislature and not rejected, amended or modified becomes final with no further legislative action. No rule shall become final and effective before the conclusion of the regular or special legislative session at which the rule was submitted for review. However, a rule that is final and effective may be applied retroactively, as provided in the rule.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

*Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering system. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “**IDAPA**” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “**TITLE**” number is assigned. There are “**CHAPTER**” numbers assigned within the Title and the rule text is divided among major sections with a number of subsections. An example IDAPA number is as follows:*

IDAPA 38.05.01.200.02.c.ii.

*“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.*

*“**38.**” refers to the Idaho Department of Administration*

*“**05.**” refers to Title **05**, which is the Department of Administrations’s Division of Purchasing*

*“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”*

*“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”*

*“**02.**” refers to Subsection **200.02**.*

*“**c.**” refers to Subsection **200.02.c**.*

*“**ii.**” refers to Subsection **200.02.c.ii**.*

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. All rulemaking actions (documents) are assigned a "DOCKET NUMBER." The "Docket Number" is a series of numbers separated by a hyphen "-", (38-0501-0901). The docket numbers are published sequentially by IDAPA designation (e.g. the two-digit agency code). The following example is a breakdown of a typical rule docket number:

"DOCKET NO. 38-0501-0901"

"38-" denotes the agency's IDAPA number; in this case the Department of Administration.

"0501-" refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

"0901" denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in calendar year 2009. A subsequent rulemaking on this same rule chapter in calendar year 2009 would be designated as "0902". The docket number in this scenario would be 38-0501-0902.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section "200" appears before Section "345" and so on). Whenever the sequence of the numbering is broken the following statement will appear:

(BREAK IN CONTINUITY OF SECTIONS)

INTERNAL AND EXTERNAL CITATIONS TO ADMINISTRATIVE RULES IN THE CODE AND BULLETIN

When making a citation to another Section or Subsection of a rule that is part of the same rule, a typical internal citation may appear as follows:

"...as found in Section 201 of these rules." OR "...in accordance with Subsection 201.06.c. of these rules."

The citation may also include the IDAPA, Title, or Chapter number, as follows"

"...in accordance with IDAPA 38.05.01.201..."

"38" denotes the IDAPA number of the agency.

"05" denotes the TITLE number of the rule.

"01" denotes the Chapter number of the rule.

"201" denotes the main Section number of the rule to which the citation refers.

Citations made within a rule to a different rule chapter (external citation) should also include the name of the Department and the name of the rule chapter being referenced, as well as the IDAPA, Title, and Chapter numbers. The following is a typical example of an external citation to another rule chapter:

"...as outlined in the Rules of the Department of Administration, IDAPA 38.04.04, "Rules Governing Capitol Mall Parking."

05.01.01- RULES GOVERNING CONTRACT PROVIDERS

DOCKET NO. 05-0101-1001

NOTICE OF RULEMAKING - TEMPORARY AND PROPOSED RULE

EFFECTIVE DATE: The effective date of the temporary rule is March 29, 2010.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 20-504(9), 20-504(11), and 20-531(4), Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than May 19, 2010.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This rulemaking clarifies the obligations of contract providers to notify parents of juveniles in custody of the Idaho Department of Juvenile Corrections. Parents of juveniles in state custody are always notified when an incident occurs regarding their child. This rulemaking clarifies whether the contract providers must make immediate or emergency notification to a parent or whether they can notify the parent in a reasonable, but not immediate, period of time, i.e. within ten (10) days of the incident or occurrence.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(a), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This temporary rule is necessary to protect the safety and welfare of juveniles in state custody by clarifying the requirements for notification of parents of any incident that occurs regarding their child.

FEE SUMMARY: Pursuant to Section 67-5226(2), Idaho Code, the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: No fiscal impact.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because this rule change is to correct a conflict in existing rules and the need for temporary rulemaking.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the temporary and proposed rule, contact the undersigned.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before May 26, 2010.

DATED this 7th day of April, 2010.

THE FOLLOWING IS THE TEMPORARY AND PROPOSED TEXT FOR DOCKET NO. 05-0101-1001

262. PROGRAM OPERATIONAL REQUIREMENTS AND CASE MANAGEMENT.

01. General Requirements. (4-6-05)

a. Programs should provide vigorous programming that minimizes periods of idle time, addresses behavioral problems of juvenile offenders, and teaches and promotes healthy life choices. Programs should specifically address those factors in juvenile offenders' lives that contribute to delinquency and that can be realistically changed. (4-2-08)

b. Programs must be open to the community by encouraging appropriate telephone and mail contact between juvenile offenders and their families, by encouraging visitation, and by involving volunteers in support of the program. (4-2-08)

c. Contract providers must structure and document services offered in the program so that continuity in case planning is obvious. Health, mental health, substance abuse, social skills, educational, vocational, independent living, and other special needs identified in the assessment must be clearly addressed in the service implementation plan. Services provided to address those needs must be documented regularly. Progress on goals associated with those needs must be recorded in progress notes in a case file at least monthly and in a written progress report at least every two (2) months. This negotiated rulemaking action is authorized pursuant to Section 56-1003, Idaho Code.

MEETING SCHEDULE: A public meeting on the negotiated rulemaking will be held as follows:

THURSDAY, JUNE 3, 2010, 1:00 p.m.

**Idaho Historical Society
Public Meeting Room
2205 Old Penitentiary Road
Boise, ID**

The meeting site will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the meeting, to the agency address below.

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following:

1. Attend the negotiated rulemaking meeting and participate in the negotiation process;
2. Provide oral or written recommendations, or both, at the negotiated rulemaking meeting;
3. Submit written recommendations and comments to the address below.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principle issues involved:

The Department is proposing to rewrite this chapter of rules. Negotiated rulemaking is being conducted by the Department in order to gather input from interested parties regarding certain key elements of this chapter.

Since the last major update of these rules in 1987, there have been significant technological changes that render much of the language in this chapter obsolete and outdated. Further, the rules do not reflect more recent changes in federal regulations, in the organizational structure of the Department's Idaho Bureau of Laboratories (IBL), and in IBL's current practices.

The Department is proposing to rewrite this chapter of rules. Negotiated rulemaking is being conducted by the Department in order to gather input from interested parties regarding certain key elements of this chapter.

This chapter is being rewritten to update the fees for the certification of drinking water laboratories and to update and realign the rules with the current practices of the Department's Idaho Bureau of Laboratories (IBL).

Specifically, this chapter of rules is being rewritten to be more consistent with the U.S. Environmental Protection Agency's *Manual for the Certification of Laboratories Analyzing Drinking Water, Criteria and Procedures Quality Assurance, Fifth Edition* (EPA 815-R-05-004). The rewritten rules will provide laboratories and the Department a clear and accurate description of the criteria and processes required for initiating, maintaining, downgrading, and revoking drinking water certification.

16.03.08 - RULES GOVERNING THE TEMPORARY ASSISTANCE FOR FAMILIES IN IDAHO (TAFI)

DOCKET NO. 16-0308-1001

NOTICE OF RULEMAKING - PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 56-202, Idaho Code, 45 CFR Parts 260-265, and Public Law 111-118.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than May, 19, 2010.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking. These rules were adopted as temporary rules with effective dates of December 19, 2009, and January 1, 2010. The temporary rule docket published in the April 7, 2010, Idaho Administrative Bulletin, Vol. 10-4, pages 16 through 21.

In order to better support and assist Idaho's low-income individuals in need of temporary assistance, the Department is amending these rules to align with federal regulations and other Department chapters on excluded resources and special immigrants. The U.S. Census that is conducted every ten years hires temporary employees to conduct this field work. The Department is excluding this temporary census income from countable income in order to treat income for TAFI the same as other benefit programs. Federal regulations updated the special immigrants length of eligibility and these rules are being amended to align with those updates.

The Department is removing barriers that have excluded participation under the Career Enhancement (CE) services to help participants obtain or maintain employment. These changes will align with Emergency Assistance services by: removing the requirement to have a job search assistance plan, removing the restriction from CE services for anyone who received emergency assistance payments in the past 12 months, and removing housing and utility costs from prohibited supportive service expenditures.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

The Career Enhancement (CE) program is 100% federally funded and this rulemaking has no anticipated fiscal impact to the state general fund for excluding this temporary income for TAFI participants. The fiscal impact in federal funds is \$300,000 for CE benefits, and \$24,700 for special immigrants.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220, Idaho Code, negotiated rulemaking was not conducted because these changes provide a benefit and align Department rules with federal regulations.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the proposed rule, contact Genie Sue Weppner at (208) 334-5656.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before May 26, 2010.

THE FOLLOWING IS THE FINAL TEXT FOR THE SECTIONS AFFECTED BY SCR 125

020. APPLICATIONS.

01. Encroachment Applications. No person shall hereafter make or cause to be made any encroachment on, in or above the beds or waters of any navigable lake in the state of Idaho without first making application to and receiving written approval from the department. The placing of dredged or fill material, refuse or

waste matter intended as or becoming fill material, on or in the beds or waters of any navigable lake in the state of Idaho shall be considered an encroachment and written approval by the department is required. If demolition is required prior to construction of the proposed encroachment, then the application must describe the demolition activities and the steps that will be taken to protect water quality and other public trust values. No demolition activities may proceed until the permit is issued. (4-2-08)

02. Signature Requirement. Only persons who are littoral owners or lessees of a littoral owner shall be eligible to apply for encroachment permits. A person who has been specifically granted littoral rights or dock rights from a littoral owner shall also be eligible for an encroachment permit; the grantor of such littoral rights, however, shall no longer be eligible to apply for an encroachment permit. Except for waterlines or utility lines, the possession of an easement to the shoreline does not qualify a person to be eligible for an encroachment permit. (4-2-08)

03. Other Permits. Nothing in these rules shall excuse a person seeking to make an encroachment from obtaining any additional approvals lawfully required by federal, local or other state agencies. (9-13-90)

04. Repairs, Reinstallation of Structures. No permit is required to clean, maintain, or repair an existing permitted encroachment, but a permit is required to completely replace, enlarge, or extend an existing encroachment. Reinstalling the top or deck of a dock, wharf or similar structure shall be considered a repair; reinstallation of winter damaged or wind and water damaged pilings, docks, or float logs shall be considered a repair. Repairs that adversely affect the bed of the lake will be considered a violation of these rules. (4-2-08)

05. Dock Reconfiguration. (4-2-08)

a. Rearrangement of single-family and two-family docks will require a new application for an encroachment permit. (4-2-08)

b. Rearrangement of community docks and commercial navigational encroachments may not require a new application for an encroachment permit if the changes are only internal. The department shall be consulted prior to modifications being made, and shall use the following criteria to help determine if a new permit must be submitted: (4-2-08)

i. Overall footprint does not change in dimension or orientation; (4-2-08)

ii. No increase in the square footage, as described in the existing permit and in accordance with Paragraph 015.13.a., occurs. This only applies to community docks; (3-29-10)

iii. The entrances and exits of the facility do not change. (4-2-08)

06. Redredging. Redredging a channel or basin shall be considered a new encroachment and a permit is required unless redredging is specifically authorized by the outstanding permit. Water quality certification from the Idaho Department of Environmental Quality is required regardless of how redredging is addressed in any existing or future permit. (4-2-08)

07. Forms, Filing. Applications must be in writing on forms provided by the Department or copies. Applications and plans shall be filed in the local office of the Department, whose location is available on the internet at www.idl.idaho.gov, or the director's office in Boise, together with filing fees and costs of publication when required by these rules. Costs of preparation of the application, including all necessary maps and drawings, shall be paid by the applicant. (4-2-08)

a. Plans shall include the following information on paper no larger than eight and one half by fourteen (8 1/2"x14") inches: (4-2-08)

i. Lakebed profile in relationship to the proposed encroachment. The lakebed profile shall show the summer and winter water levels. (4-2-08)

ii. Copy of most recent survey or county plat showing the full extent of the applicant's lot and the

- adjacent littoral lots. (4-2-08)
- iii. Proof of current ownership or control of littoral property or littoral rights. (4-2-08)
 - iv. A general vicinity map. (4-2-08)
 - v. Scaled air photos or maps showing the lengths of adjacent docks as an indication of the line of navigability, distances to adjacent encroachments, and the location and orientation of the proposed encroachment in the lake. (4-2-08)
 - vi. Total square footage of proposed docks and other structures, excluding pilings, that cover the lake surface. (4-2-08)
 - vii. Names and current mailing addresses of adjacent littoral landowners. (4-2-08)
- b.** Applications must be submitted or approved by the littoral owner or, if the encroachment will lie over or upon private lands between the natural or ordinary high water mark and the artificial high water mark, the application must be submitted or approved by the owner of such lands. When the littoral owner is not the applicant, the application shall bear the owner's signature as approving the encroachment prior to filing. (4-2-08)
- c.** If more than one (1) littoral owner exists, the application must bear the signature of all littoral owners, or the signature of an authorized officer of a designated homeowner's or property management association. (4-2-08)
- d.** Applications for noncommercial encroachments intended to improve waterways for navigation, wildlife habitat and other recreational uses by members of the public must be filed by any municipality, county, state, or federal agency, or other entity empowered to make such improvements. Application fees are not required for these encroachments. (4-2-08)
- e.** The following applications shall be accompanied by the respective nonrefundable filing fees together with a deposit toward the cost of newspaper publication, which deposit shall be determined by the director at the time of filing: (4-2-08)
- i. Nonnavigational encroachments require a fee of one thousand dollars (\$1,000); (4-2-08)
 - ii. Commercial navigational encroachments require a base fee of two thousand dollars (\$2,000). If the costs of processing an application exceed this amount, then the applicant may be charged additional costs as allowed by Title 58, Chapter 13, Section 58-1307, Idaho Code; (4-2-08)
 - iii. Community navigational encroachments require a fee of two thousand dollars (\$2,000); and (4-2-08)
 - iv. Navigational encroachments extending beyond the line of navigability require a fee of one thousand dollars (\$1,000). (4-2-08)
- f.** Applicants shall pay any balance due on publication costs before written approval will be issued. The Department shall refund any excess at or before final action on the application. (9-13-90)
- g.** Application for a single-family or two-family dock not extending beyond the line of navigability or a nonnavigational encroachment for bank stabilization and erosion control or for fisheries and wildlife habitat improvements shall be accompanied by a nonrefundable filing fee of two hundred fifty dollars (\$250). (4-2-08)
- h.** No publication cost is required for application for noncommercial navigational encroachment not extending beyond the line of navigability or for application for installation of buried or submerged water intake lines and utility lines. (9-13-90)
- i. Applications and plans shall be stamped with the date of filing. (7-1-98)

j. Applications that are incomplete, not in the proper form, not containing the required signature(s), or not accompanied by filing fees and costs of publication when required, shall not be accepted for filing. The department shall send the applicant a written notice of incompleteness with a listing of the application's deficiencies. The applicant will be given thirty (30) days from receipt of the notice of incompleteness to resubmit the required information. The deadline may be extended with written consent of the department. If the given deadline is not met, the department will notify the applicant that the application has been denied due to lack of sufficient information. The applicant may reapply at a later date, but will be required to pay another filing fee and publication fee, if applicable. (4-2-08)

(BREAK IN CONTINUITY OF SECTIONS)

03. Bonding. The department may require bonds for temporary permits. (4-2-08)

04. Fee. The board shall set fees for temporary permits, but the fees shall be no greater than the amounts listed for the respective permit types in Subsection 020.07. Fee information is available on the Internet at www.idl.idaho.gov. (4-2-08)

ii. The Department will provide all applicants for conflicted leases with the list of criteria that will be used to develop lease provisions. Among the factors to be addressed in the criteria are the following: (3-12-10)

(1) The applicant's proposed use and the compatibility of that use of the state endowment trust parcel with preserving its long-term leasing viability for purposes of generating maximum return to trust beneficiaries; i.e., the impact of the proposed use and any anticipated improvements on the parcel's future utility and leasing income potential. (3-12-10)

(2) The applicant's legal access to and/or control of land or other resources that will facilitate the proposed use and is relevant to generating maximum return to trust beneficiaries. (3-12-10)

(3) The applicant's previous management of land leases, land management plans, or other experience relevant to the proposed use or ability/willingness to retain individuals with relevant experience. (3-12-10)

- (5) Mitigation measures designed to address trust management concerns such as: (3-12-10)
- (a) Construction of improvements at lessee's expense. (3-12-10)
- (b) Payment by lessee of additional or non-standard administrative costs where the nature of the proposed use and/or the applicant's experience raises a reasonable possibility that greater monitoring or oversight by the Department than historically provided will be necessary to ensure lease-term compliance. (3-12-10)
- (c) Bonding to ensure removal of any improvements installed for the lessee's benefit only and which would impair the future utility and leasing income potential of the state endowment trust land. (3-12-10)
- (d) Bonding to ensure future rental payments due under the lease in cases where the lessee is determined by the Department to pose a significant financial risk because of lack of experience or uncertain financial resources. (3-12-10)
- (6) Any other factors the Department deems relevant to the management of the state endowment trust parcel for the proposed use. (3-12-10)

f. Proposed Lease. Within ten (10) days of the final meeting with the applicant to discuss lease provisions, the Department will provide the applicant with a proposed lease containing those terms and conditions upon which it will lease the state endowment trust land. If the applicant does not accept in writing the lease as proposed by the Department within seven (7) days of receipt, the application will be rejected in writing by the Department. Within twenty (20) days of the date of mailing of the rejection notice, the applicant may appeal the Department's determination as to the lease's terms and conditions to the Land Board. No auction shall be held until the Land Board resolves any such appeal. (3-12-10)

03. Expiring Leases. Lease applications will be mailed by the Department to all holders of expiring leases no less than thirty (30) days prior to the application deadline. Signed applications and the application fee must be returned to the Department by the established deadline or postmarked no later than midnight of that date. It shall be the lessee's responsibility to ensure applications are delivered or postmarked by the deadline. (3-12-10)

04. Rental Deposit. (3-13-02)

a. Existing Lessee. If the existing lessee is the sole applicant, the lessee may submit the rental deposit at the normal due date. If a conflict application is also filed on the expiring lease and the existing lessee is awarded the lease by the Land Board, the lessee must deposit, with the Department, the estimated first year's rental for the lease at the time the lease is submitted to the Department with lessee's signature. (3-12-10)

b. New Applicants. (3-12-10)

i. Expiring Lease. New applicants for expiring leases must submit the estimated first year's rental to the Department at the time of the application's submission. (3-12-10)

ii. Unleased State Endowment Trust Land. All applicants for unleased state endowment trust land are deemed new applicants. If an applicant for unleased state endowment trust land is the sole applicant, the applicant may submit the rental deposit at the normal billing cycle, unless the time of application and desired time of use do not coincide with the normal billing cycle, in which case payment must be rendered at the direction of the Department. When more than one (1) application is received for unleased state endowment trust land, all applicants must deposit, with the Department, the estimated first year's rental for the lease prior to auction. (3-12-10)

021. RIGHTS RESERVED TO THE DEPARTMENT.

The Department expressly reserves the right: (3-13-02)

01. Reservations. To all mining rights, timber rights, water rights, easements and rights of way, and the fee title to the leased land. (3-13-02)

02. Other Leases. To maintain present, and to issue future mineral, oil and gas, geothermal and other subsurface leases as provided by Title 47, Idaho Code. Annual rental may be adjusted to reflect any utility loss to the lessee from such activities. (3-13-02)

03. Grazing Restrictions. To restrict or prohibit grazing on all, or portions of, the leased land to accommodate other resource management objectives. The lessee will be given one hundred eighty (180) days written notice, prior to turn out of livestock on the lands leased, of any such restrictions or termination of grazing use together with a map of the restricted area. The Department will work with lessee to find alternate forage sources on endowment lands to minimize the financial impact to the endowment. Annual rental will be adjusted to reflect any utility loss to the lessee from such activities should alternate sources of forage not be found. (3-13-02)

04. Seed Harvest. To harvest seed from plants on land not under a cropland lease. The Department will coordinate harvesting activities with lessee to minimize impacts on livestock operations. If loss of use occurs from harvesting activities the rental will be adjusted in the amount of lost use. (3-13-02)

05. Entry. To enter upon and inspect the lands leased at any reasonable time to insure protection of the Department's interest. (3-13-02)

06. Easements. To grant easements and rights of way across or upon the lands leased. The Department shall coordinate with the lessee before processing any easement applications on the leased land. Annual rental will be adjusted to reflect any utility loss to the lessee from any such easements or rights of way. Acreage of the lands described within the lease may be adjusted to reflect any such easements or rights of way that permanently remove such lands from grazing use. (3-13-02)

07. Public Access. To exclusively regulate public access on state lands. Grazing or cropland leases will not be considered exclusive use leases as described under Title 36, Chapter 16, Idaho Code. These rules do not authorize or purport to authorize trespass on private lands to reach state-owned lands. Use of state lands shall not be restricted without prior written approval of the Department. (3-13-02)

08. Water Rights. To all water rights appurtenant to state lands. Lessees may not appropriate any water rights that are appurtenant to state lands, including instream livestock use or stock watering rights. Any water right appropriated on state land shall be appropriated in the name of the state of Idaho. (3-13-02)

09. Road Closures. To close roads for road protection, wildlife protection or administrative purposes. Planned road closures will be reviewed with the lessee prior to action. The lessee will have the right of due process when decisions affect the lessee's use of the lease. (3-13-02)

10. Special Leases. To grant special leases upon the lands described in the grazing lease. If the special lease conflicts with the grazing use or makes consumptive use of forages, the grazing rental will be adjusted to reflect such loss of use. (6-14-88)

11. Permanent Improvements. To claim all permanent improvements placed upon the land remaining after six (6) months in cases of abandonment by the lessee or to take possession immediately in cases of cancellation upon breach of any of the conditions of the lease. No improvements will be disposed of by the Department until all appeals have been exhausted. (3-13-02)

(BREAK IN CONTINUITY OF SECTIONS)

040. RENTAL.

01. Rental Rates. Rental rates shall be determined by the Board. The rental rate for livestock grazing leases shall be based on the number of allowable AUMs. The rental rate for cropland leases shall be based on the number of acres used for crop production. (3-13-02)

02. Special Uses. Fees for special uses requested by the lessee and approved by the Department, including, but not limited to, concentrated feeding areas or structures/buildings enhancing management of the land, shall be determined by the Department. (3-13-02)

03. Rental Due Date. Lease rentals are due in accordance with the terms of the lease. (3-12-10)

(BREAK IN CONTINUITY OF SECTIONS)

050. LEASE CANCELLATION.

Leases may be cancelled by the Director for the following reasons: (3-13-02)

01. Non-Compliance. If the lessee is not complying with the lease provisions or management plan provisions or if resource damage attributable to the lessee's management is occurring to state land within a lease, the lessee shall be provided written notification of the violation by regular and certified mail. The letter shall set forth the reasons for the Department's cancellation of the lease and shall provide the lessee thirty (30) days notice of the cancellation. (3-13-02)

02. Change in Land Use. A lease may be cancelled in whole or in part upon one hundred eighty (180) days written notice by the Department if the state endowment trust lands are to be leased for any other use as designated by the Board or the Department and the new use is incompatible with the existing lease. In the event of early cancellation due to a change in land use, the lessee will be entitled to a prorated refund of the premium bid for a conflicted lease. (3-12-10)

03. Land Sale. The Department reserves the right to sell state endowment trust lands covered under the lease. The lessee will be notified that the state endowment trust lands are being considered for sale prior to submitting the sales plan to the Board for approval. The lessee will also be notified of a scheduled sale at least thirty (30) days prior to sale. In the event of early cancellation due to land sale, the lessee will be entitled to a prorated refund of the premium bid for a conflicted lease. (3-12-10)

04. Mutual Agreement. Leases may be cancelled by mutual agreement between the Department and the lessee. (3-13-02)

(BREAK IN CONTINUITY OF SECTIONS)

054. CROPLAND LEASE HARDSHIP CLAIMS.

01. Crop Loss. Adjustments in rental may be made because of unusual crop loss that occurs through no fault of the lessee. Such loss must be thoroughly substantiated by the lessee. (3-13-02)

02. Conditions to Meet. To qualify for a hardship claim the following conditions must be met: (3-13-02)

a. All requests for hardship claims must be submitted to the Department in writing immediately after the damage has occurred. (3-13-02)

b. Claims will be considered for the current growing season only. (6-14-88)

c. Any adjustments will be credited to next year's rental. (3-13-02)

d. Claims will only be approved for losses beyond the control of the lessee. (3-13-02)

e. The lessee will only receive a reduction in rental for yield losses that occur beyond the normal

variation expected for similar land in the situated county. Normal variation will be calculated from the Idaho Statistical Reporting Service records. (3-13-02)

f. Average yields used to calculate the rental on the subject lands will be used to determine any lease rental adjustments for this purpose. The lease rental will only be adjusted for losses that exceed thirty-five percent (35%) of the average crop yield. (3-13-02)

g. Adjustments will not be made for losses if lessee is compensated through another government program or crop insurance. (6-14-88)

(BREAK IN CONTINUITY OF SECTIONS)

080. GRAZING MANAGEMENT PLANS.

Prior to issuance of a lease, the lessee and the Department must agree to a written grazing management plan. (3-13-02)

01. Federal Plan. When state land is managed in conjunction with federal land, the management plan prepared for the federal land may be deemed by the Department, at its discretion, to satisfy the requirements of a management plan. (3-13-02)

02. Modification of Plan. The Department may review and modify any grazing management plan upon changes in conditions, laws, or regulations, provided that the Department shall give the lessee thirty (30) days notice of any such modifications prior to the effective date thereof. Modifications mutually agreeable to both the Department and lessee may be made at any time. (3-13-02)

081. -- 089. (RESERVED).

090. TRESPASS.

01. Loss or Waste. The lessee shall use the property within the lease in such manner as will best protect the state of Idaho against loss or waste. Unauthorized activities occurring on state land shall be considered trespass; these include dumping of garbage, constructing improvements without a permit, and other unauthorized actions. (3-13-02)

02. Civil Action by Lessee. The lessee is encouraged to take civil action against owners of trespass livestock on state lands to recover damages to the lessee for lost forage or other values incurred by the lessee. (3-13-02)

03. Continuing Trespass. When continued trespass causes resource damage, the Department will initiate proceedings to restrict further trespass and recover damages as necessary. (3-13-02)

04. Trespass Claims. Trespass claims initiated by the Department will be assessed as triple the current State AUM rate for forage taken. (3-13-02)

091. -- 099. (RESERVED).

100. CONSTRUCTION AND MAINTENANCE OF IMPROVEMENTS.

01. Prior Written Approval. The lessee must secure the written approval of the Department prior to constructing any improvements or buildings, or clearing any state endowment trust land. Failure to secure such approval shall eliminate any right to an improvement credit and may, at the Department's discretion, be deemed a material breach of the lease and cause for cancellation. Any arrangement for cost sharing or improvement crediting will be identified in the improvement permit. Routine farming practices identified in a farm plan will not require prior approval. (3-12-10)

02. Maintenance. All authorized improvements shall be maintained in functional condition by the lessee. The lessee may be required to remove or reconstruct improvements in poor or non-serviceable condition. Existing maintenance agreements on lands acquired from the federal government shall remain in effect until amended by the parties involved. If maintenance is not being accomplished, the Department shall provide a certified letter to the lessee informing the lessee of the rule violation. If work is not begun within thirty (30) days, the Department may contract repairs and add the amount to the annual rental. (3-13-02)

03. Bond. The Department may require the lessee to furnish a bond prior to constructing improvements as deemed necessary to protect endowment assets or to ensure performance under the lease. (3-12-10)

(BREAK IN CONTINUITY OF SECTIONS)

102. VALUATION OF IMPROVEMENTS.

Credited improvements will be valued on the basis of replacement cost, including lessee provided labor, equipment and materials, less depreciation based on loss of utility. Improvements cannot be appraised higher than current market value, regardless of lessee's cost. Any improvement amortization or cost limitations identified by the Department will be considered in determining a final value. (3-19-07)

01. Applicant Review of Department Improvement Credit Valuation. All applicants for a conflicted lease will be provided a copy of the Department's improvement credit valuation for review and a notice of objection form. Any applicant objecting to the appraisal will have twenty-one (21) days from the date of the valuation mailing to submit the notice of objection form to the Department. If no objections are received during the twenty-one (21) day review period, the lease auction will be scheduled and will proceed using the Department's improvement credit valuation. (3-19-07)

02. Failure to File a Timely Notice of Objection. Failure to submit a notice of objection within the specified twenty-one (21) day period will preclude any applicant from further administrative remedies and the auction will proceed using the Department's improvement credit valuation. (3-19-07)

03. Notice of Objection. Any applicant objecting to the Department improvement credit valuation must submit a complete and timely notice of objection form, and payment of two thousand five hundred dollars (\$2,500) or ten percent (10%) of the total Department improvement credit valuation whichever is greater, to pay for the services of an independent third party. Within five (5) days of receipt of the notice of objection, the Department will notify all applicants in writing that an objection has been received and provide them with a list of certified appraisers. (3-19-07)

04. Selection of an Independent Third Party. The applicants will have twenty-one (21) days from the date of the Department's notification of an objection to select by mutual agreement, one individual from the list of certified appraisers to serve as an independent third party. If the applicants cannot agree on an independent third party within the twenty-one (21) day time period, the Department will randomly select one individual from the list to serve as the independent third party. (3-19-07)

05. Duties of the Independent Third Party. The independent third party will review the Department improvement credit valuation and alternate valuations provided by the applicants. Following this review, the independent third party will select from among the Department valuation and alternate valuations, the one value that (s)he determines is the most accurate value of the improvements. The independent third party will notify the Department of this value in writing. (3-19-07)

06. Notification of Final Improvement Value. Within five (5) days of receiving the independent third party's final determination of improvement credit value, the Department will mail to each applicant an auction notice which shall reference the independent third party's determined value of improvements. The determination by the independent third party of the improvement value will be deemed final, and the appraised value of improvements will not be allowed as a basis for appeal of the auction. (3-19-07)

(BREAK IN CONTINUITY OF SECTIONS)

111. NOXIOUS WEED CONTROL.

01. Weed Control. The lessee shall cooperate with the Department, or any other authorized agency, to undertake programs for control or eradication of noxious weeds on state endowment trust land. The lessee shall take measures to control noxious weeds on the leased land in accordance with Title 22, Chapter 24, Idaho Code. (3-12-10)

02. Responsibility. The lessee will not be held responsible for the control of noxious weeds resulting from other land management activities such as temporary permits, easements, special leases and timber sales. Control of noxious weeds on state grazing lands shall be shared by the lessee and Department, with the Department's share subject to funds appropriated for that purpose. (3-13-02)

IDAPA 32 - ENDOWMENT FUND INVESTMENT BOARD

32.01.01 - RULES GOVERNING THE CREDIT ENHANCEMENT PROGRAM FOR SCHOOL DISTRICTS

DOCKET NO. 32-0101-1001 (FEE RULE - NEW CHAPTER)

NOTICE OF RULEMAKING - ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is March 30, 2010.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 57-728(2), Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

Amendments to Section 57-728, Idaho Code, became effective April 17, 2009. The amendments require the Endowment Fund Investment Board (EFIB) to promulgate rules furthering the Credit Enhancement Program for School Districts. The new chapter of rules specifies the application procedure for school districts seeking to participate in the Credit Enhancement Program. 2010 Idaho Attorney General Opinion 01 concludes that the EFIB must charge fees to offset the costs of the Program to the Endowments. The rules specify the fees for the Program and allow the EFIB to continue offering guarantees to school districts.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

The temporary rulemaking is necessary to confer a benefit by allowing the Program to provide guarantees to school districts.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein:

Pursuant to Section 57-728, Idaho Code, and 2010 Attorney General Opinion 01, the rules impose an application fee calculated to reflect the overhead costs to the EFIB for processing an application. This fee allows the EFIB to more accurately allocate its overhead costs and will likely result in a minor reduction in the cost allocation to the Endowment Funds, the Judges' Retirement Fund, and the State Insurance Fund. Without the imposition of the fee, the other clients of the EFIB may bear the costs of Program administration through the EFIB's existing process of cost allocation. The rules also implement a guaranty or insurance fee authorized by the legislature as of April 17, 2009 and discussed in 2010 Idaho Attorney General Opinion 01. The fee, which would be deposited in the Public School Endowment Fund, allows the Public School Endowment to benefit from the issuance of the guaranties and reinforces the holding in Endowment Fund Investment Board v. Crane that the Program is a permissible investment for the Fund.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Larry Johnson, Manager of Investments, (208) 334-3312.

Be It Enacted by the Legislature of the State of Idaho:

SECTION 1. That Section 39-416, Idaho Code, be, and the same is hereby amended to read as follows:

39-416. RULES ADOPTED BY DISTRICT BOARD PROCEDURE. (1) The district board by the affirmative vote of a majority of its members may adopt, amend or rescind rules and standards as it deems necessary to carry out the purposes and provisions of this act.

(2) Every rule or standard adopted, amended, or rescinded by the district board shall be done in a manner conforming to the provisions of chapter 52, title 67, Idaho Code.

(3) At the same time that proposed rules and standards are transmitted to the director of legislative services, they shall be submitted for review and comment to the state board of health and welfare, and to the board of county commissioners of each county within the public health district's jurisdiction. The state board of health and welfare shall, within seventy-five (75) days of receipt of a district board's proposed rules, disapprove of the adoption of the rules if, on the advice of the attorney general, such rules would be in conflict with state laws or rules. The state board of health and welfare shall immediately advise the district board as to the reason for the disapproval.

(4) This section does not apply to measures adopted for the internal operation of the district board or for federal programs where the regulations are established by the federal government but shall apply to all measures affecting the public at large or any identifiable segment thereof.

(5) Public health districts shall have all proposed rules regarding environmental protection or programs administered by the department of environmental quality submitted for review and comment to the state board of environmental quality and such rules must be approved by adoption of a concurrent resolution by both houses of the legislature or such rules shall expire at the conclusion of a regular session of the legislature. It is the intent of the legislature that standards and rules relating to subsurface sewage systems, wastewater treatment, sewage systems and water quality be consistent statewide.

SECTION 2. That, having found that the following rules violate the legislative intent of the statute under which the rules were adopted, IDAPA 41.01.01.901; IDAPA 41.01.01.100.02; and IDAPA 41.01.01.100.06 shall be null, void and of no force and effect at the conclusion of the Second Regular Session of the Sixtieth Idaho Legislature.

SECTION 3. An emergency existing therefor, which emergency is hereby declared to exist, this act shall be in full force and effect on and after its passage and approval.

STATEMENT OF PURPOSE RS19819

This amendment to Section 39-416 is an effort to bring a unified statewide plan forward in dealing with subsurface sewage systems, wastewater treatment, sewage systems and water quality issues.

With seven health districts in the state of Idaho, district rules can vary widely from district to district. This bill would make all existing district rules null, void, and of no force and effect. Thereafter public health districts shall have the approval of the Board of Environmental Quality to promulgate rules relating to subsurface sewage systems, wastewater treatment, sewage systems and water quality and such rules must be approved by both houses of the legislature.
