PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Department of Administration, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin 13-1 refers to the first Bulletin issued in calendar year 2013; Bulletin 14-1 refers to the first Bulletin issued in calendar year 2014. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 13-1 refers to January 2013; Volume No. 13-2 refers to February 2013; and so forth. Example: The Bulletin published in January 2014 is cited as Volume 14-1. The December 2015 Bulletin is cited as Volume 15-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon becoming effective. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the Cumulative Rulemaking Index. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.
1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate - Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking - Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

   a) protection of the public health, safety, or welfare; or
   b) compliance with deadlines in amendments to governing law or federal programs; or
   c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking - Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.
HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “IDAPA” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

1. “38.” refers to the Idaho Department of Administration

   “05.” refers to Title 05, which is the Department of Administration’s Division of Purchasing

   “01.” refers to Chapter 01 of Title 05, “Rules of the Division of Purchasing”

   “200.” refers to Major Section 200, “Content of the Invitation to Bid”

   “02.” refers to Subsection 200.02.

   “c.” refers to Subsection 200.02.c.

   “ii.” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”. (38-0501-1401). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1401”

“38-” denotes the agency’s IDAPA number; in this case the Department of Administration.

“0501-” refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

“1401” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in calendar year 2014. A subsequent rulemaking on this same rule chapter in calendar year 2014 would be designated as “1402”. The docket number in this scenario would be 38-0501-1402.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change.

Historically the Feed and Fertilizer (F&F) Laboratory’s primary function (>90%) has been regulatory/enforcement testing. However, it occasionally accepts public service samples on a fee basis. Since January 2014, the lab had 28 customers totaling $18,114.18 of business. Of that amount, 84% or $15,223.35 came from two other State Agencies from Oregon and Michigan that use the ISDA F&F Lab because of its extremely low prices. The primary mission of the F&F Lab is to provide enforcement testing services in an accurate and timely manner. These public service samples, for the most part, do not even benefit Idaho residents and tie up valuable lab space and time. Therefore, the ISDA has halted voluntary service sample testing as of January 1st, 2017.

The ISDA is repealing the rule for voluntary public services.

There are no changes to the pending rule and it is being adopted as originally proposed. The original text of the proposed rule was published in the September 6, 2017 Idaho Administrative Bulletin, Vol. 17-9 p.34.

IDAHO CODE SECTION 22-101A STATEMENT: This rule does not regulate an activity not already regulated by the federal government, nor is it broader in scope or more stringent than federal regulations.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

ISDA does not anticipate any fiscal impact as a result of this rulemaking.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

There will be no fiscal impact to the state General Fund. It is expected that there will be a positive impact on the Damage Prevention Board dedicated fund as civil penalties are collected; however that may be offset by a negative impact to the Division as a result of the need to perform investigative activities in response to complaints received. Civil penalties will only adversely affect those stakeholders who do not comply with legal requirements. A positive and necessary economic result will be the reduction of underground facility damages throughout the State of Idaho, as well as reinforcement of public safety through the protection of life and property. The fiscal impact to the various stakeholders providing such assurance may be significant - up to hundreds of thousands of dollars spent in some cases on additional staffing and supporting resources to effectively reduce damage to underground facilities. Such expenses to facilities owners are expected to be offset by the reduction of actual damages when the damage prevention program begins to operate effectively.

NOTICE OF RULEMAKING – ADOPTION OF PENDING RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 54-1208, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The rule change clarifies the intent of the board. The amendments will add a new provision clarifying the Board’s website is used for informational and legal purposes; correct grammar and code citations; and remove the Washington Accord from the list of unconditionally approved international engineering programs.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the August 2, 2017 Idaho Administrative Bulletin, Vol. 17-8, page 22-29.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

There is no fiscal impact to the state general fund or the agency dedicated fund because the amendment displays the intent of the Board’s website which is already developed and used for the purposes stated, and the corrected words and citations are housekeeping in nature. International applicants for professional engineering licensure may incur costs for and independent review of their education credential if the Board is unable to determine whether the engineering coursework meets the engineering education requirements stated in the existing rule.

NOTICE OF RULEMAKING – ADOPTION OF PENDING RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 54-1208, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The rule change clarifies the intent of the board. The amendments repeal a section of the rule that exempts engineers and land surveyors residing in other countries from the requirements of completing continuing professional development. With the advent of online professional development offerings, this exemption is no longer needed.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the August 2, 2017 Idaho Administrative Bulletin, Vol. 17-8, page 30-31.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

There is no fiscal impact to the state general fund or the agency dedicated fund because the amendment does not increase or decrease the workload of the agency. The rule change will require more effort for licensees residing in other countries to obtain the required continuing professional development offerings of 30 professional development hours every two years.

EFFECTIVE DATE: The effective date of the temporary rule is October 2, 2017.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 25-1160, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than November 15, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The funds needed to perform the Board’s regulatory functions and to meet the Governor’s recommended budget for FY2018 are inadequate. The Brand Board adopted the temporary rule on October 2, 2017, increasing cattle and horse brand inspection fees to make up this shortfall. The increases move the Board fees closer to the cap set in Section 25-1160, Idaho Code. Additionally, informational sections are being added at the beginning of the rule as part of this rulemaking and example forms used for Board business are being removed from the rule. Forms used for conducting business with the Board are available at the Board office.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1) Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This temporary rule is necessary to protect the public health, safety, and welfare; the fee increases will allow the Board to continue to provide the necessary quality regulatory services to the Idaho Livestock Industry. Without these fee increases the Board faces a budget shortfall for FY2018 and beyond, which will result in the Board’s inability to provide its statutorily required services and perform its regulatory oversight duties.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

As per the cap set in Section 25-1160, Idaho Code, our cattle inspection fees will increase from $.94 to $1.19. Pasture fee will increase from $.47 to $.60, our courtesy cattle brand inspection fee will increase from $.94 to $1.19.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than $10,000 during the fiscal year:

This will not have a negative fiscal impact on the state general fund, as these are dedicated funds. An estimated $462,000 will be generated by the Idaho livestock industry annually.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was not conducted however, informal meetings were held with stake holders to discuss the proposed changes.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule: N/A

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section, Idaho Code 54-2506.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than November 15th, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Currently, IDAPA 11.04.06 provides Racing Stewards with jurisdiction to resolve hearings for 30 days after our live race meet has concluded. However, in another Section 160 of the rule (IDAPA 11.04.11.160), horsemen are provided an opportunity to request a split blood test sample to be done at a lab of their choosing. This rule provides a time period for the requesting, shipping and receiving of that blood sample. Typically, this process takes much longer than 30 days to complete. If a horseman races near the end of the live season and has been found to have a drug violation, the Steward’s jurisdiction could expire before that horseman has a chance to exercise his right to a split blood test sample.

When a Steward’s jurisdiction expires before a hearing has been resolved, the Racing Commission must hire attorneys to bring the drug violation forward to the Racing Commissioners. The Racing Commission must also hire a Hearing Officer to decide the case, if it is appealed. These actions cause a significant delay to the hearing process.

Effectively, end-of-season horsemen could potentially experience a different enforcement process than other racing participants simply because rule writers in 2010 overlooked the timeframe for processing a split sample blood test. Purse monies could potentially take longer to distribute, and publishing of accurate win records could also potentially be significantly delayed.

This rule change extends the Steward’s jurisdiction from 30 days to 90 days, to provide horsemen time to complete their split sample testing process, if needed.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year resulting from this rulemaking: N/A

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because this rule change is simple in nature.

To align applicable IDAPA 11.11.01 rules to support House Bill 1083, which became effective July 1, 2017, mandating certification of Emergency Communications Officers by the Peace Officer's Standards and Training Council (POST). The rule, in its current form, fails to support the new statutory mandates governing Emergency Communications Officers (ECO) certification. The due process procedure generally requires the employee receive notice and an opportunity to respond before a disciplinary decision or involuntary transfer is made by the agency. Decisions regarding disciplinary dismissals, suspensions without pay, and demotions may be appealed in accordance with Rule 201. (5-8-09)

b. The problem-solving procedure deals with all matters not specifically reserved for the due process procedure. Problem solving decisions may not be appealed to the Commission except as authorized by Section 67-5316, Idaho Code. (5-8-09)

02. Establishment of Agency Problem-Solving and Due Process Procedures. Each participating
agency must maintain written employee problem-solving and due process procedures, which have been approved by
the administrator for conformity to law and Rule 200. (5-8-09)

03. Eligibility and Time for Filing Under Problem-Solving Procedure. Any classified employee
with permanent, provisional or entrance probationary status may file under the problem-solving procedure as defined
by Section 67-5315(1), Idaho Code. An employee must file under the problem-solving procedure in writing not later
than ten (10) working days after being notified or becoming aware of a nondisciplinary matter which may be handled
through the problem-solving procedure; however, if the filing alleges an ongoing pattern of harassment or illegal
discrimination, the agency is strongly encouraged to waive any time limits. The time limit for filing will be extended
due to the employee’s illness or other approved leave, up to ten (10) days after the return to the job. The agency may
accept a filing that is or appears to be filed late. Agency policies may provide for waiver of time elements or any
intermediate step of the problem-solving procedure upon mutual agreement of the employee and appointing
authority. (5-8-09)

04. Elements of the Problem-Solving Procedure. The procedure must contain a statement from the
agency head encouraging employees to use the procedure for any nondisciplinary, job-related matters, and
encouraging the employee, supervisors, and upper-level managers and administrators to resolve the matter at the
lowest management level possible within the organization. The statement must also provide a means whereby agency
representatives can obtain timely authority, if needed, to resolve the matter. The procedure must require the employee
to make a reasonable attempt to discuss the issue with the immediate supervisor before filing. After a written filing is
received, the procedure must provide for such additional levels of management within the employee’s chain of
command as are appropriate in the agency. The procedure must also provide for the use of an impartial mediator upon
agreement by the employee and agency. Timelines must not exceed five (5) working days between each step unless
both the employee and the agency agree, in writing, to extend the timelines herein, not to exceed thirty (30) days between each step. The procedure must also inform the employee that he is entitled to be
represented by a person of the employee’s own choosing at each step of the procedure, except the initial informal
discussion with the immediate supervisor. Two (2) or more employees may join in a single filing under the problem-
solving procedure. Retaliation for filing under the problem-solving procedure, for participating as a witness, or
representative is expressly prohibited. This procedure does not apply to unsatisfactory performance during entrance
probation (Ref. Sections 67-5309(j), 67-5315(1)(4), Idaho Code, and Rule 152). (3-29-17)

05. Filings Alleging Sexual Harassment or Other Illegal Discrimination. Each agency’s problem-
solving procedure must provide an optional alternative procedure for an employee to file allegations of sexual
harassment or discrimination based on race, color, sex, national origin, religion, age, or disability. The procedure
must expressly prohibit sexual harassment and discrimination. Employees must be informed of their right to file
complaints with the Idaho Human Rights Commission. The alternative procedure must designate a specific person or
persons to receive and investigate such filings, and must require that the investigation and resolution of them be
conducted with maximum regard for confidentiality. (5-8-09)

06. Elements of Due Process Procedure. An agency must provide notice and an opportunity to
respond before making a decision to impose any disciplinary sanction or involuntary transfer, as set forth in Section
67-5315(2), Idaho Code. With respect to notice, an agency must provide notice of the contemplated action, the basis
or reason for the contemplated action, and an explanation of the evidence supporting the contemplated action. The
notice must be provided to the employee and administrator concurrently. With respect to the opportunity to respond,
the employee must be given the opportunity to respond to the notice and present reasons why the contemplated action
should not be taken. The opportunity to respond must not occur later than ten (10) working days after the employee
has received notice, unless both the employee and agency agree otherwise in writing. After the employee has
responded, or after the period to respond has expired or has been waived in writing by the employee, whichever
occurs first, the appointing authority, or designee, must make and implement the agency’s decision not later than ten
(10) working days thereafter, excluding days the appointing authority, or designee, is out of the office, unless both the
employee and agency agree otherwise in writing. The procedure must inform the employee of his right to be
represented by a person of the employee’s own choosing during the opportunity to respond. The procedure must also
provide for the use of an impartial mediator upon agreement by the employee and agency. The procedure does not
apply to unsatisfactory performance during entrance and promotional probation (Ref. Sections 67-5309(j), 67-
5315(2), Idaho Code, and; Rules 150 through 153). The due process procedure is complete when the appointing
authority, or designee, mails or delivers a decision to the affected employee. The decision must also be sent to the
administrator concurrently. (5-8-09)
07. **Notification.** A copy of the approved problem-solving and due process procedures must be furnished and explained to each employee with permanent, provisional or entrance probationary status in the agency concerned. (5-8-09)

08. **Assistance to Agencies.** The administrator will assist agencies whenever requested in the development or revision of their agency problem-solving and due process procedures. (5-8-09)

   c. Jury Service. When an employee is summoned by proper judicial authority to serve on a jury, he will be granted a leave of absence with pay for the time which otherwise the employee would have worked. 281. RULE GOVERNING CONVERSION OF IMPAIRMENT RATINGS TO “WHOLE MAN” STANDARD.

01. Converting Single Rating of Body Part to Whole Person Rating. In the event of a percentage rating followed by the practitioner’s equating the same to the whole man by one or more steps (e.g., a percentage of the foot, which equals a percentage of the lower extremity, which equals a percentage of the whole man), the initial or basic percentage rating of the injured part (or in non-scheduled injury, percentage of a comparative scheduled injury) shall be converted to the exact percentage of the whole man in accordance with the Industrial Commission Schedule, Section 72-428, Idaho Code, with the base of five hundred (500) weeks for the whole man. Where a single rating is given, such shall be deemed the final rating and converted in the same manner. (1-2-75)

02. Averaging Multiple Ratings. Where more than one (1) evaluating physician has given such ratings, these shall be similarly converted to the statutory percentage of the whole man, and an average obtained for the applicable rating. (1-2-75)

03. Correcting Manifest Injustice. In the event that the Commission deems a manifest injustice would result from the above ruling, it may at its discretion take steps necessary to correct such injustice. When two or more impairment ratings for the same injury have been given by different physicians, payment to claimant of permanent disability based on permanent impairment may be based on the average of such ratings. If such ratings are not averaged, claimant shall be notified of such ratings and advised of his right to challenge employer’s decision to pay without averaging. (1-2-75)

THE FOLLOWING IS THE PROPOSED TEXT OF DOCKET NO. 17-0207-1701
(Only Those Sections With Amendments Are Shown.)

012. SUBMISSION OF FIRST REPORTS OF INJURY AND CLAIMS FOR COMPENSATION TO THE INDUSTRIAL COMMISSION.

01. Purpose. The Industrial Commission seeks to develop a form for reporting work-related injuries and occupational diseases that is compatible with emerging standards for electronic submission of data. This will allow for more timely entry of information into the database system from which statistical reports are generated by the Commission, reduce the paper that the Commission currently receives, and is expected to reduce the cost of reporting for insurance carriers, employers and the Commission. (3-25-16)

02. Procedure for Submitting Claims. (3-25-16)

a. FROI Reporting Prior to EDI Mandate. Prior to July 1, 2017 November 4, 2017, all FROI information shall be submitted to the Commission on single-sided eight and one-half inch by eleven inch (8½” x 11”) white paper in a format substantially similar to Form 1A-1. Form 1A-1 is available from the Benefits Bureau of the Industrial Commission or on the Commission's website at www.iic.idaho.gov. At the Commission's discretion, claims may be submitted electronically in accordance with EDI Release 1.0 standards and any additional requirements of the Commission. (3-25-16)

b. FROI & SROI EDI Reporting. The Commission will require electronic submission of a First Report of Injury (FROI), effective July 1, 2017 November 4, 2017, and a Supplemental or Subsequent Report of Injury (SROI), effective July 1, 2017 November 4, 2017, in accordance with IAIABC EDI Release 3.0 and the Commission's EDI Guides and Tables, for insurance carriers, in-state Claims Administrators, and self-insured employers, as those entities are not otherwise exempted by these rules. (3-25-16)

c. Trading Partner Agreements. Before commencing electronic reporting, self-insured employers and insurance carriers shall sign a Trading Partner Agreement with the Commission, which must be approved by the Commission prior to initial data submission. This agreement will provide the effective date to send and receive electronic reports, which may be earlier but not later than the date above in Paragraph 012.02.b., the acceptable data to be sent and received, the method of transmission to be used, and other pertinent elements. To ensure the accuracy of reported data, the Commission may make periodic audits of insurance carrier and self-insured employer files. In the event that a Trading Partner Agreement is entered into by a claims administrator, notice to the Trading Partner of a FROI shall be deemed to be notice to the underlying insurance carrier or self-insured employer. (3-25-16)

d. FROI. Each electronic First Report of Injury (FROI) must comply with the formatting requirements of the IAIABC EDI Claims Release 3.0 Implementation Guide and Idaho Industrial Commission Claims EDI Implementation Guide & Tables, and must contain the information identified as mandatory or mandatory conditional, as applicable. (3-25-16)

e. SROI. Each electronic Supplemental or Subsequent Report of Injury (SROI) must comply with the formatting requirements of the IAIABC EDI Claims Release 3.0 Implementation Guide and the Idaho Industrial Commission Claims EDI Implementation Guide & Tables, and must contain the information identified as mandatory or mandatory conditional, as applicable. (3-25-16)

f. Report Form and Content for Parties Exempt from EDI Requirements: (3-25-16)

i. Individual injured workers, injured workers’ legal counsel, and employers that are not insured are not required to comply with IAIABC EDI requirements for filing of the FROI and SROI. SROIs filed on legacy claims will not be accepted via IAIABC EDI Release 3.0 standards. (3-25-16)

ii. Employers that are not insured, individual injured workers, and injured workers’ legal counsel shall
submit all FROI to the Commission on single-sided eight and one-half inch by eleven inch (8½” X 11") white paper in a format substantially similar to Form 1A-1. Form 1A-1 is available from the Benefits Bureau of the Industrial Commission or on the Commission's website at www.iic.idaho.gov. (3-25-16)

iii. Employers that are not insured, individual injured workers, and injured workers' legal counsel, shall submit all SROI to the Commission on single-sided eight and one-half inch by eleven inch (8½” X 11") white paper in a format substantially similar to Form SROI-1. Form SROI-1 is available from the Benefits Bureau of the Industrial Commission or on the Commission's website at www.iic.idaho.gov. (3-25-16)

03. Retaining Claims Files. All insurance carriers and their claims administrators shall maintain their respective claim files in accordance with IDAPA 17.02.10, “Administrative Rules of the Industrial Commission Under the Workers’ Compensation Law -- Security for Compensation -- Insurance Carriers,” Section 051. IDAPA 17.02.11, “Administrative Rules of the Industrial Commission Under the Workers’ Compensation Law -- Security for Compensation -- Self-Insured Employers,” Section 051. Upon request of the Commission, insurance carriers, claims administrators, or employers shall provide to the Commission, in whole or in part according to the request, a copy of the claim file at no cost to the Commission.

a. All insurance carriers, claims administrators, or employers shall retain complete copies of claims files for the life of the claim or a minimum of five (5) years from the date of closure, whichever is shorter. (3-25-16)

b. For time-loss claims, closure will be the date upon which the insurance carrier, claims administrator, or employer files the final summary of payments, either as an appropriate EDI transaction, or as a hardcopy document for legacy claims. The Commission recommends that an insurance carrier, claims administrator, or employer retain a closed claim file for a minimum of five (5) years. (3-25-16)

04. Filing Not an Admission. Filing a claim is not an admission of liability and is not conclusive evidence of any fact stated therein. If a claim is submitted electronically, no signatures are required. (7-1-97)

05. Filing Considered Authorization. Filing of a claim shall be considered an authorization for the release of medical records that are relevant to or bearing upon the particular injury or occupational disease for which the claimant is seeking compensation. (7-1-97)

06. Timely Response Requirement. When the Commission requests additional information in order to process the Claim, the claimant or employer shall provide the requested information promptly. The Commission request may be either in writing or telephonic. (7-1-97)
AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 72-508, and 72-806, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than November 15, 2017.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The Commission believes it important to clarify the regulations that define how benefits must be calculated and paid, and the time frame within which sureties must take certain actions. Without these changes, sureties may not know the Industrial Commission’s expectations, and workers will not be protected against untimely payment.

This change would require that a worker receives notice of the acceptance, commencement, denial, reduction or cessation of medical or monetary compensation benefits to which the worker might presently or ultimately be entitled.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year resulting from this rulemaking: N/A

The party giving notice may supply the copy to the Industrial Commission in accordance with the Commission’s rule on electronic submission of documents.

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 72-508, 72-408, and 72-806, Idaho Code.

Effective Date: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

Authority: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 41-211, Idaho Code.

Descriptive Summary: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The existing rule consists of one sentence barring the approval of any life insurance policy bearing a name which is misleading or confusing. Such policies are already prohibited by Section 41-1813, Idaho Code. IDAPA 18.01.02 is not necessary as it does not add anything of value in understanding or effectuating section 41-1813, Idaho Code, or other provisions of Title 41, Idaho Code. This rulemaking repeals this rule.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 6, 2017, Idaho Administrative Bulletin, Vol. 17-9, page 204.

Fiscal Impact: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: N/A

Assistance on Technical Questions: For assistance on technical questions concerning this pending rule, contact Wes Trexler at weston.trexler@doi.idaho.gov or (208) 334-4315.

Dated this 4th day of October, 2017.
**EFFECTIVE DATE:** This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

**AUTHORITY:** In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 41-211, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The rule, which was originally adopted in 1962, calls for life policy forms to be submitted to the Department “in duplicate.” Policy forms have long been submitted electronically through the System for Electronic Rate and Form Filings (SERFF). IDAPA 18.01.08 is not necessary for the effectuation of Title 41, Idaho Code. Other provisions of this rule related to filing of rating formulas and specimens are also unnecessary because filings are made per Sections 41-1812 and 41-1813, Idaho Code and in light of substantive provisions in Title 41, Chapter 19, Idaho Code. This rulemaking repeals this rule.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 6, 2017, Idaho Administrative Bulletin, Vol. 17-9, page 205.

**FISCAL IMPACT:** The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: N/A

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 41-211, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

Section 41-2502, Idaho Code, requires that insurers offer uninsured and underinsured auto coverage to Idaho consumers and also provides that a consumer can reject such coverage in writing when the policy is first purchased. Subsection (3) of this section also provides that the insurer provide a statement approved by the Director of the Department of Insurance explaining both types of coverage and the types of underinsured coverage that might be available in Idaho. The department fulfilled this directive initially by publishing the July 24, 2008, Department of Insurance Bulletin 08-08. Recently there has been discussion about whether consumers are adequately protected under the status quo. In 2017, there were three bills (H0163, S1048, and S1078) that considered proposing amendments to Sections 41-2502 or 41-2503, Idaho Code (the latter section containing definitions). Legislators suggested that the Director meet with industry to consider alternatives that might better serve Idahoans. Pursuant to negotiated rulemaking, a public meeting was held and written comments were received.

Following additional comments received upon the proposed rule regarding when the revised form must be used, the text of the pending rule has been amended in accordance with Section 67-5227, Idaho Code. Only those sections that have changes that differ from the proposed text are printed in this bulletin. The complete text of the proposed rule was published in the September 6, 2017, Idaho Administrative Bulletin, Vol. 17-9, pages 206-211.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: N/A

NOTICE OF RULEMAKING – ADOPTION OF PENDING RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Section 41-211, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

This rule dates back to 1979. It is not currently monitored by the DOI, no licenses currently exist, nor are any expected. The fee for vending machine licenses is not addressed or included in the Department's general fee rule, IDAPA 18.01.44. Internet options replace this mode of accessibility for the public, along with provisions on credit cards for limited travel insurance. Recent legislative change removes retail licensing requirements for travel insurance. IDAPA 18.01.22 is not necessary for effectuating Title 41, Idaho Code. This rulemaking repeals this rule.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 6, 2017, Idaho Administrative Bulletin, Vol. 17-9, page 212.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year: N/A

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

This rulemaking seeks to make title insurance policy cancellation fees permissive rather than mandatory because there are various scenarios where it seems inappropriate to charge a cancellation fee, and title insurance agents would not charge cancellation fees but for the current rule.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 6, 2017, Idaho Administrative Bulletin, Vol. 17-9, pages 213-215.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

This rule requires insurers to furnish, to hospitals and certain other service providers, a six month supply of paper forms for the filing of claims. Since the rule was adopted in 1980, the vast majority of claims are submitted electronically, and it is no longer necessary for providers to have a six-month supply of paper forms on hand at all times. IDAPA 18.01.35 is not necessary for the effectuation of Title 41, Idaho Code as it reflects outmoded practices. This rulemaking repeals this rule.

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Sections 67-5224 and 67-5291, Idaho Code. AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Sections 41-211 and 41-5211, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change:

The current rule provides specifics for the plan design of five individual health plans to be offered through the Idaho Individual High Risk Reinsurance Pool (Pool), per Chapter 55, Title 41, Idaho Code. Revisions to Chapter 55, Title 41, Idaho Code, effective July 1, 2017, have eliminated the requirement and the need to design specific products for the Pool, which, going forward, will likely function as a reinsurance mechanism for individuals with certain health conditions enrolled in major medical individual health insurance plans available market-wide. IDAPA 18.01.73 is no longer necessary for the effectuation of Title 41, Idaho Code as Chapter 55, Title 41, Idaho Code no longer provides for individuals to be enrolled in unique high risk pool plans. The approximately 50 individuals grandfathered into these plans prior to the 2017 legislation will be renewed into these plans, if they desire, without modification to plan design. Therefore, rules for design of these plans are obsolete as no new such plans will be created. This rulemaking repeals this rule.

**FEE SUMMARY:** The following is a specific description of the fee or charge imposed or increased: N/A

**NEGOTIATED RULEMAKING:** Pursuant to Section 67-5220(1), Idaho Code, negotiated rulemaking was conducted. The Notice of Intent to Promulgate Rules – Negotiated Rulemaking was published in the Sept. 6, 2017 Idaho Administrative Bulletin, Vol. 17-9, page 333.

A separate document is necessary for ease of reference, analysis and accessibility. Further, this document will be amended to include additional standards as created and established, increasing the length substantially. The republication of the text would be unduly cumbersome and expensive.

03. **Approval – IDG Application.** An IDG application shall be approved if the applicant meets the requirements for eligibility. An approval does not guarantee the amount or disbursement of an IDG award. The PDC retains the ability to determine the amount of an IDG award based upon the components listed in IDAPA 61.01.04. Disbursement of funds is subject to availability as appropriated by the State Legislature each year.

04. **Capital Counsel Roster.** A roster of defending attorneys who may be appointed to represent an indigent defendant in a case in which the death penalty may be imposed. Defending attorneys not on this roster may not represent indigent defendants in such cases.

05. **Case.**

a. A case consists of all related charges from a single incident, transaction or occurrence filed within a single case number, handled by one defending attorney. A probation violation or motion for contempt is counted as a separate case.

b. A felony case is counted as follows:
   i. A case filed as a felony is counted as one felony, whether it is dismissed, remanded, pled, or tried to completion.
   ii. A case filed as a felony that is remanded to magistrate court is counted once as a felony assuming
vertical representation occurs.

iii. A case filed as a misdemeanor that is subsequently amended to a felony is counted once as a felony, assuming vertical representation occurs.

c. Post-judgment motions, such as those requesting early termination of probation or a reduction in sentence pursuant to Idaho Criminal Rule 35, are not counted as a case.

d. If two or more cases are consolidated prior to significant representation being undertaken on each individual case, then the consolidated case is counted as one case. If significant representation has occurred prior to consolidation, the cases in which such representation has occurred shall be counted as separate cases.

06. Caseload. The number of cases, as defined in this chapter, assigned to a defending attorney in a fiscal year.

09. Compliance Proposal. A plan that specifically addresses how indigent defense standards shall be met and how any deficiencies previously identified by the PDC will be cured in the upcoming county fiscal year. The plan shall include a cost analysis that specifically identifies the amount of funding in excess of the applicable local share necessary to allow the county to successfully execute the compliance proposal. If the county can execute its plan without exhausting the entirety of the grant for which it may be eligible, the plan may include a request for funding for other improvements to its delivery of indigent defense services, pursuant to Section 19-862A(2), Idaho Code.

10. Compliance Verification. A form that must be completed and submitted to the PDC by a county that chooses not to file an Indigent Defense Grant Application. 16. Finding of Non-Compliance. A finding of non-compliance refers to an instance where a county or defending attorney is not in compliance with applicable Indigent Defense Standards and may be related to a
deficiency in the provision of indigent defense services. This finding is not necessarily a PDC determination of a deficiency and still requires a finding of material and willful non-compliance before the take-over provisions of Section 19-862A, Idaho Code, are invoked. ( )
