PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Department of Administration, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin 13-1 refers to the first Bulletin issued in calendar year 2013; Bulletin 14-1 refers to the first Bulletin issued in calendar year 2014. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 13-1 refers to January 2013; Volume No. 13-2 refers to February 2013; and so forth. Example: The Bulletin published in January 2014 is cited as Volume 14-1. The December 2015 Bulletin is cited as Volume 15-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon becoming effective. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the Cumulative Rulemaking Index. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.
1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate - Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking - Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

a) protection of the public health, safety, or welfare; or
b) compliance with deadlines in amendments to governing law or federal programs; or

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking - Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.
HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “IDAPA” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

1. “38.” refers to the Idaho Department of Administration
   “05.” refers to Title 05, which is the Department of Administration’s Division of Purchasing
   “01.” refers to Chapter 01 of Title 05, “Rules of the Division of Purchasing”
   “200.” refers to Major Section 200, “Content of the Invitation to Bid”
   “02.” refers to Subsection 200.02.
   “c.” refers to Subsection 200.02.c.
   “ii.” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”. (38-0501-1401). Rulemaking docket numbers are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1401”

“38-” denotes the agency's IDAPA number; in this case the Department of Administration.

“0501-” refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

“1401” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in calendar year 2014. A subsequent rulemaking on this same rule chapter in calendar year 2014 would be designated as “1402”. The docket number in this scenario would be 38-0501-1402.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

NOTICE OF INTENT TO PROMULGATE RULES – NEGOTIATED RULEMAKING

AUTHORITY: In compliance with Section 67-5220, Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 54-2506, Idaho Code.

METHOD OF PARTICIPATION: Interested persons wishing to participate in the negotiated rulemaking must respond to this notice by contacting the undersigned either in writing, by email, or by calling the phone number listed below. To participate, responses must be received by March 23, 2018.

Should a reasonable number of persons respond to this notice, negotiated meetings will be scheduled and all scheduled meetings shall be posted and made accessible on the agency website at the address listed below.

Failure of interested persons to respond to this notice of intent or the lack of a sufficient number of responses to this notice of intent may result in the discontinuation of further informal proceedings. In either event, the agency shall have sole discretion in determining the feasibility of scheduling and conducting informal negotiated rulemaking and may proceed directly to formal rulemaking if proceeding with negotiated rulemaking is deemed infeasible.

Upon the conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusions reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

Substance and Purpose: The Idaho State Racing Commission has received a rule change petition from the Racing division of the Idaho Quarterhorse Association, requesting that Idaho strengthen its equine drug enforcement program by adding hair testing. The Racing Commission would like to explore the possibilities of adding hair testing to the current equine drug testing program.

Principal Issues Involved: The Petitioner has expressed concern that equine drug violations for dangerous substances like Clenbuterol have been rising recently in racing populations throughout the country’s Northwest region. Many neighboring states have been considering implementing hair testing. The Idaho State Racing Commission would like to explore whether advances in drug testing, such as hair testing, would help address these reported concerns. In addition, there are two major breeds in Idaho involved with horse racing: Quarterhorse and Thoroughbred. Hair testing may significantly increase the Commission’s expenditure on drug testing, but may only benefit one breed directly. The Commission would like to explore the costs involved, how the increasing costs of hair testing could be covered, and whether such increase will benefit racing in Idaho as a whole, either directly or indirectly.

ASSISTANCE ON TECHNICAL QUESTIONS, MEETING ACCOMMODATIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING DRAFT COPIES: For assistance on technical questions concerning this negotiated rulemaking, or to submit requests for special meeting accommodations or accessibility, contact Ardie Noyes at (208) 884-7082. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts (posted as they become available), can be found on the Racing Commission’s web site at the following web address: www.isp.idaho.gov/racing.

AUTHORITY: In compliance with Section 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 54-912 Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

A pending rule promulgated under Docket No. 19-0101-1701 was adopted by the Board on October 6, 2017, published in the November 1, 2017 Idaho Administrative Bulletin, Vol. 17-11, page 118, and submitted for legislative review and approval during the 2018 legislative session. Errors made inadvertently during the promulgation of the proposed and pending rulemaking were discovered during the review of the pending rule. Because of this, the Board of Dentistry requested that the germane committees reject the rule so that the corrected rule could be re-promulgated.

The adoption of this temporary rule corrects the errors and allows the rule to become effective and enforceable on March 30, 2018. This rule will be promulgated as a proposed rulemaking after the conclusion of the legislative session and will follow standard rulemaking procedures prior its adoption as a pending rule. It will then be submitted for legislative review during the 2019 legislative session.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(a) Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for protection of the public health, safety, or welfare.

FEE SUMMARY: There are no fees associated with this rule.
