**MEMORANDUM**

**TO: Members of the Public**

**FROM: Alex J. Adams, Administrator** 

**SUBJECT: Commemorating the Service of Dennis R. Stevenson, Rules Coordinator**

The May 2020 edition of the Idaho Administrative Bulletin marks the end of an era – it is the last edition with Dennis Stevenson as the Administrative Rules Coordinator.

Dennis plans to retire on May 15th after a distinguished 30-year career with the State of Idaho. To say that Dennis made his mark on the Office of Administrative Rules Coordinator would be an understatement! Dennis has been with the Office since its inception in 1992 and, aside from a brief excursion to another state agency, has been with it ever since.

The Office's initial task was daunting...creating a centralized repository of all state administrative rules which were, at the time, maintained differently by each agency and were seemingly inaccessible to the public. Dennis was part of the team that created a uniform style, format, and numbering system for all state rules. This was a major undertaking in the pre-internet era and took significant leadership and patience. Little did Dennis know that it was good preparation for his final major hurdle as Rules Coordinator...re-codification of the entire Administrative Code for presentation to the 2020 Idaho State Legislature!

Dennis' efforts have increased the transparency of rulemaking and enabled greater public participation in rulemaking processes. His efforts are why so many recognize Idaho with having the strongest rulemaking processes of any state in the country, and why Idaho is simultaneously the least regulated state!

A recent profile on Dennis' years of leadership to the state of Idaho good-heartedly referred to him as an 'obscure' state employee. Those in and around the Capitol know that Dennis was a highly sought-after resource on all aspects of administrative rules. He is emblematic of what makes public service so meaningful – it is filled with individuals who work hard, inspire others, and make a difference.

Dennis was a true public servant, and I believe the State of Idaho is better for his service. We wish him a happy and fulfilling retirement!

# PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Department of Administration, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

## CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **13-1** refers to the first Bulletin issued in calendar year **2013**; Bulletin **14-1** refers to the first Bulletin issued in calendar year **2014**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **13-1** refers to January 2013; Volume No. **13-2** refers to February 2013; and so forth. Example: The Bulletin published in January 2014 is cited as Volume **14-1**. The December 2015 Bulletin is cited as Volume **15-12**.

## RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon becoming effective. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at [adminrules.idaho.gov](http://adminrules.idaho.gov).

## THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

## **1. NEGOTIATED RULEMAKING**

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate - Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

## **2. PROPOSED RULEMAKING**

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking - Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

## **3. TEMPORARY RULEMAKING**

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

## **4. PENDING RULEMAKING**

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking - Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

## **5. FINAL RULEMAKING**

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

## HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or departments to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

### **IDAPA 38.05.01.200.02.c.ii.**

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

1. “**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”

“**02.**” refers to Subsection 200.02.

“**c.**” refers to Subsection 200.02.c.

“**ii.**” refers to Subsection 200.02.c.ii.

## DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

### **“DOCKET NO. 38-0501-1401”**

“**38-**” denotes the agency’s **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE **05**), Rules of the Division of Purchasing (Chapter **01**).

“**1401**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2014**. A subsequent rulemaking on this same rule chapter in calendar year 2014 would be designated as “**1402**”. The docket number in this scenario would be 38-0501-**1402**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

*NOW THEREFORE, L Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution of the United States, the Constitution of the State of Idaho, and the laws of this State, including Sections 46-601 and 46-1008, Idaho Code, do hereby order and direct that:*

  - d. *to not deny unemployment benefits, or enter findings of willful misrepresentation under the Employment Security Law, Sections 72-1301 et seq., Idaho Code, on the sole basis that the claimant entered an incorrect reason for separation when applying for benefits, if the claimant was separated from employment because of the direction of a medical professional, local health authority, employer, or state or local government, that the claimant be isolated or quarantined as a consequence of COVID-19, even if not actually diagnosed with COVID-19;*

**PRIMARY ELECTIONS**

---

*WHEREAS, I issued a proclamation on March 13, 2020, declaring a state of emergency in the State of Idaho pursuant to Chapter 10, Title 46, Idaho Code, due to the occurrence and imminent threat to public health and safety arising from the effects of the 2019 novel coronavirus (COVID-19); and*

*WHEREAS, President Trump issued a proclamation on March 13, 2020 declaring a national emergency due to the outbreak of COVID-19 in the United States and in order to implement additional measures to successfully contain and combat the virus in the United States; and*

*WHEREAS, by proclamation dated March 25, 2020, I amended my proclamation dated March 13, 2020 and declared a state of extreme emergency in the State of Idaho pursuant to Chapter 6, Title 46, Idaho Code, due to the increasing occurrence and threat to public health and safety arising from the effects of COVID-19; and*

*WHEREAS, each of those proclamations remain in effect today; and*

*WHEREAS, on March 25, 2020, at my direction and in order to slow the spread of COVID-19, the Director of the Idaho Department of Health and Welfare issued a statewide Order directing all residents of Idaho to stay home and all businesses to close, with certain exceptions for Essential Activities, Businesses, and Government Functions; and*

*WHEREAS, that Order remains effective today; and*

*WHEREAS, federal, state, and local public health authorities continue to strongly recommend limited interaction between individuals in order to reduce the spread of COVID-19; and*

*WHEREAS, citizen participation in the act of voting is essential to our republic; and*

*WHEREAS, the Idaho Secretary of State and Elected Clerks of Idaho's forty-four counties are currently preparing for the upcoming May 19, 2020 Primary and Consolidated Elections; and*

*WHEREAS, it takes approximately two (2) months to properly prepare for and execute an election; and*

*WHEREAS, Chapters 3 & 11, Title 34, Idaho Code, set out important requirements ensuring the establishment and conduct of elections via the use of polling places; and*

*WHEREAS, voting in polling places on May 19, 2020 (referred to hereafter as "Election Day") causes the mixed gathering of thousands of Idaho voters and poll workers, and poses a real and unacceptable risk to the lives of Idaho voters and poll workers and the spread of COVID-19 to other citizens; and*

*WHEREAS, the recommendations to limit interactions with others during this state of emergency has significantly decreased the availability of possible polling locations and willingness of poll workers to serve on Election Day; and*

*WHEREAS, according to the official information provided by the Idaho Department of Health and Welfare, as of the date of this proclamation, 525 Idahoans have tested positive for COVID-19 and 9 Idahoans have died due to COVID-19; and*

*WHEREAS, it is crucial to the health and safety of all Idahoans that the spread of COVID-19 be reduced so that the state's healthcare capacity is not overwhelmed by large number of cases arising simultaneously; and*

*WHEREAS, cases of COVID-19 have continued to increase in Idaho, necessitating additional measures to contain and combat the virus while protecting the constitutional rights of all Idahoans; and*

*WHEREAS, the Center for Disease Control and the State of Idaho Department of Health and Welfare have determined that individuals over the age of sixty-five (65) and individuals who are immunocompromised are more vulnerable to serious illness due to COVID-19; and*

*WHEREAS, I am informed by the Secretary of State that on average approximately 1,000 poll workers help carry out a primary election like this and that over sixty-five percent (65%) of those poll workers were over the age of sixty (60) as of 2019; and*

*WHEREAS, there is a real risk of virus spread at traditional polling places under normal election circumstances where a single precinct can see over 2,000 voters in a single day; and*

*WHEREAS, the equipment and supplies necessary to protect poll workers at traditional polling locations from COVID-19—such as face masks, face shields, gowns, hand sanitizer, and disinfectants—are in high demand and are needed in hospitals and health care facilities to keep Idaho’s health care workers safe, healthy and able to continue protecting and treating Idahoans at this time; and*

*WHEREAS, utilizing the existing statutory procedures for absentee voting by mail allows Idahoans to exercise their constitutional right to vote while keeping the public safe from the threats presented by the presence of COVID-19 in Idaho; and*

*WHEREAS, in addition to the use of paper application forms, the Secretary of State has already set up a website where Idaho voters can register to vote and request an absentee ballot electronically;*

*WHEREAS, I have worked with the Secretary of State and the elected County Clerks to ensure Idahoans have every opportunity to exercise their constitutional right to vote safely without risking exposure to COVID-19; and*

*WHEREAS, for all of the reasons stated herein and many others, I am convinced that the actions set out in this proclamation, including voting by mail, are necessary to protect the liberty, constitutional right to vote, lives and property of Idahoans, and to ensure necessary action to cope with the existing emergency is not prevented, hindered or delayed.*

*NOW, THEREFORE, I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution of the United States, the Constitution of the State of Idaho, and the laws of this State, including Sections 46-601 and 46-1008, Idaho Code, do hereby find and therefore proclaim, declare, and order that:*

4. *In lieu of the use of polling places on Election Day, the May 19, 2020 Primary Election and Consolidated Elections shall be conducted in accordance with the existing absentee voting by mail process set out in Chapter 10, Title 34, Idaho Code except those provisions of Chapter 10 that are suspended as outlined in paragraph two (2) above or as otherwise set out herein.*

5. *The twenty-four (24) day requirement for the closing of the register of electors in section 34-408(1), Idaho Code, is suspended to provide for continuous registration up to and including Election Day. **The Director of the Idaho Department of Health and Welfare is authorized by Idaho Code § 56-1003(7) “to impose and enforce orders of isolation and quarantine to protect the public from the spread of infectious or communicable diseases.”**

**This Order is effective as of 12:00 a.m. May 1, 2020 and will continue to be in effect until it is extended, rescinded, superseded, or amended in writing by the Governor and Director. Each rule that has been suspended.**

**UNDER THE AUTHORITY OF ARTICLE IV, § 5 OF THE IDAHO CONSTITUTION  
AND IDAHO CODE §§ 46-501, 46-1008, AND 56-1003(7) THE GOVERNOR OF IDAHO  
AND IDAHO DEPARTMENT OF HEALTH AND WELFARE DIRECTOR FIND AND ORDER:**

1. The virus that causes Coronavirus 2019 Disease (“COVID-19”) is easily transmitted, especially in group settings, and it is essential that the spread of the virus be slowed to safeguard public health and safety and protect the ability of public and private healthcare providers to handle the influx of new patients. This Order and the Governor's Guidelines for Opening Up Idaho are based on evidence of a reduction of severe cases of COVID-19 within the State of Idaho; as well as, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the state places its citizens at risk for serious health complications, including death, from COVID-19.

Due to the outbreak of the COVID-19 virus, which the Centers for Disease Control and Prevention (“CDC”) considers a serious public health threat, there is a public health emergency throughout the State of Idaho. Making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings can result in transmission of the virus. At present, travel is a commonly known source of COVID-19 infections in Idaho. All fifty states and the District of Columbia have reported cases and declared states of emergency. Now, COVID-19 clusters with substantial community spread have developed across the United States, including in Idaho and neighboring states. Blaine County

has the highest per-capita number of cases in the state and COVID-19 is believed to have been introduced into the county by a traveler or travelers visiting Idaho from out of state.

The scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the healthcare system from being overwhelmed. This Order helps preserve critical and limited healthcare capacity in the State of Idaho. Opening certain business activities in stages reduces the risk of spread of COVID-19 to Idaho citizens, including Idaho's most vulnerable population. In consultation with state and federal epidemiologists and healthcare experts, this staged approach is intended to preserve capacity in our healthcare system by opening businesses that are most able to maintain social distancing and minimize the number of contacts among individuals.

2. All vulnerable individuals in Idaho should continue to self-isolate. Because of the risk of the rapid spread of the virus, and the need to protect all citizens of the State of Idaho, this Order requests all vulnerable individuals anywhere in Idaho to stay at home. Members of households with vulnerable residents should be aware that by returning to work or other environments where distancing is not always possible, they could carry the virus back home. Precautions should be taken to protect and isolate from vulnerable residents.

Vulnerable individuals are people who are at higher risk for severe illness as defined by the CDC, incorporated into this Order by reference and located at <https://www.cdc.gov/coronavirus/2019-ncov/need-extra-precautions/people-at-higher-risk.html>

3. The following businesses within the State of Idaho are required to remain closed except to perform Minimum Basic Operations, as defined in Section 6:

- a. Bars and nightclubs;
  - b. Restaurant dining rooms (takeout and delivery continue to be allowed);
  - c. Indoor gyms and recreation facilities;
  - d. Close contact services (e.g. hair salons, nail salons, massage parlors, cosmetic, etc.);
  - e. Large venues (e.g. movie theaters, concert venues, sporting venues, etc.).
4. Gatherings, both public and private, should be avoided.
5. Statewide directive for individuals arriving in Idaho from another state or country to self-quarantine.
- a. Persons entering the state of Idaho are required to self-quarantine for 14 days. If an individual will be present in Idaho for fewer than 14 days, that individual must self-quarantine for the duration of their visit. For purposes of clarity, this directive does not apply to persons performing an Essential Purpose or persons who as part of their normal life live in one state and travel to another state for an Essential Purpose.
  - b. **“Essential Purpose”** is interpreted broadly and includes travel required for personal safety; to obtain food, beverage or medicine; for medical care; pursuant to a lawful permit, license, court order, or rule; to care for others; and to perform work, services or functions deemed critical to public health and safety, as well as economic and national security. Travel into the state of Idaho for recreation is not an Essential Purpose.
  - c. Any individual required by this directive to self-quarantine shall be responsible for any and all costs associated with the requirement to self-quarantine, including transportation, lodging, food, and medical care.
  - d. Persons who have tested positive for COVID-19, are presumptively diagnosed with COVID-19, or are exhibiting symptoms identified in the CDC's screening guidance shall not enter the state of

Idaho unless doing so under medical orders for the purposes of medical care, are being transported by emergency personnel, are being driven directly to a medical provider for purposes of medical care, or are a resident of the state of Idaho.

6. For the purposes of this Order, **“Minimum Basic Operations”** include the following, provided that employees comply with Social Distancing and Sanitation Requirements as defined in this Section, to the extent possible, while carrying out such operations:

- a. The minimum necessary activities to maintain the value of the business's inventory, ensure security, process payroll and employee benefits, or for related functions.
- b. The minimum necessary activities to facilitate employees of the business being able to continue to work remotely from their residences.
- c. The minimum necessary activities to prepare the business to reopen at such time as deemed appropriate, including but not limited to, sanitization, obtaining personal protective equipment, and setting up procedures to ensure compliance with Social Distancing and Sanitation Requirements.

7. **“Social Distancing and Sanitation Requirements”**

- a. Individuals shall maintain at least six-foot physical distancing from other individuals whenever possible.
- b. Individuals should:
  - i. Wash hands with soap and water for at least twenty seconds as frequently as possible or use hand sanitizer;
  - ii. Cover coughs or sneezes (into the sleeve or elbow, not hands);
  - iii. Regularly clean high-touch surfaces, and not shaking hands;
  - iv. Stay home if sick; and
  - v. Are strongly encouraged to use face coverings while in public.
- c. Employers shall:
  - i. Develop and implement measures to ensure employees and customers are maintaining at least six-foot physical distancing from other individuals whenever possible;
  - ii. Provide adequate sanitation and personal hygiene for employees, vendors, and patrons;
  - iii. Frequently disinfect commonly touched and high-traffic areas and regularly clean those areas.
- d. Employers should:
  - i. Identify how personal use items such as masks, face coverings, and gloves may be required by employees, vendors, and/or patrons;
  - ii. Provide services while limiting close interactions with patrons;
  - iii. Identify strategies for addressing ill employees, which should include requiring COVID-19 positive employees to stay at home while infectious, and may include keeping employees who were directly exposed to the COVID-19 positive employee away from the workplace, and the closure of the business until the location can be properly disinfected;

- iv. On a case-by-case basis, include other practices appropriate for specific types of businesses such as screening of employees for illness and exposures upon work entry, requiring non-cash transactions, etc.;
- v. Implement additional protocols established in the Governor's Guidelines for Opening up Idaho and the business-specific protocols published at <https://rebound.idaho.gov/>.

8. The violation of any mandatory provision of this Order constitutes an imminent threat to public health. Violation of or failure to comply with this Order may constitute a misdemeanor punishable by fine, imprisonment, or both pursuant to Idaho Code § 56-1003(7)(c). The Governor and Director requests that the Sheriffs and Chiefs of Police in the State of Idaho, and Idaho State Police ensure compliance with and enforce this Order.

9. This Order shall become effective as of May 1, 2020 and will continue to be in effect until it is extended, rescinded, superseded, or amended in writing by the Governor and Director.

10. The Stay-Home Order dated March 25, 2020 and subsequently extended is hereby rescinded.

11. To decrease the spread of COVID-19, the cities, counties, and public health districts of the State of Idaho may enact more stringent public health orders than those set out in this Order.

12. Each county and each city must promptly provide copies of the Order as follows: (1) by posting the Order on its website, (2) by posting the Order at each county courthouse and each city hall, and (3) by providing a copy to any member of the public requesting it. The Order will also be posted on the website of the Department of Health and Welfare. The Order will also be posted on the website of the Department of Health and Welfare.

13. If any provision of this Order or its application to any person or circumstance is held to be invalid, then the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

**IT IS SO ORDERED:**

**OFFICE OF THE ADMINISTRATIVE RULES COORDINATOR  
IDAHO DIVISION OF FINANCIAL MANAGEMENT**

**ADMINISTRATIVE RULES REVIEWED BY THE SIXTY-FIFTH LEGISLATURE  
OF THE STATE OF IDAHO, SECOND REGULAR SESSION – 2020**

**OMNIBUS NOTICE OF LEGISLATIVE ACTION – SUMMARY OF ACTION TAKEN  
ON PENDING, PENDING FEE, TEMPORARY, AND FINAL RULES**

**AUTHORITY:** In compliance with Sections 67-5224(5), 67-5224(7), 67-5226(3), and 67-5291, Idaho Code, the Administrative Rules Coordinator hereby gives notice that the standing committees of the Sixty-Fifth Legislature in the Second Regular Session, 2020, completed the review of certain administrative rules of the state agencies of the executive branch. Additionally, in compliance with Section 67-5291, Idaho Code, this notice also serves as official notice of final rulemaking for those state agencies whose rules have been approved as final.

**DESCRIPTIVE SUMMARY:** The following is a brief description of the action taken by the standing committees of the legislature during the 2020 legislative session.

The standing committees of the legislature have reviewed the pending and temporary rules submitted for review and final approval.

Section 67-5291, Idaho Code, requires a concurrent resolution of the legislature to reject a pending rule that doesn't meet legislative intent. No pending rule was rejected by concurrent resolution and these are now final rules and are of full force and effect. There were a number of pending rulemakings that amended chapters that were also being promulgated as pending fee rules. Although these pending rules were not rejected by concurrent resolution, they were rendered null and void because the rule chapter being amended was not approved as final and expired.

Section 67-5224(5)(c), Idaho Code, requires that any pending rule imposing a fee or charge to be reviewed and approved by concurrent resolution of the legislature in order for the pending rule to become final and effective. During the 2020 legislative session, the legislature did not adopt the required concurrent resolution approving the pending fees rules that were submitted for review and approval thereby voiding these pending fee rules making them null, void and of no force and effect.

Section 67-5226(3), Idaho Code, requires the adoption of a concurrent resolution of the legislature authorizing a temporary rule to remain in effect beyond the conclusion of the legislative session. During the 2020 legislative session, the legislature did not adopt the concurrent resolution required to continue the temporary rules submitted for extension thereby voiding those temporary rules making them null and void and of no force and effect.

**TEMPORARY, PENDING, AND PENDING FEE RULES:** The following tables list all temporary, pending and pending fee rulemakings that were submitted for legislative review for the 2020 legislative session. The list includes the docket number of each pending fee, pending, and temporary rulemaking, the volume number of the Bulletin in which the proposed, pending, and temporary rule notices and text were published, the final effective dates of all approved pending fee and pending rules, the effective dates of any temporary rules, and the number of the senate or house concurrent resolution, if applicable, affecting the rulemaking. These tables provide final status of all pending, pending fee and temporary rules submitted for legislative review.

**Coordinator’s Note:**

The following table includes pending rulemakings that amended rule chapters that expired after the 2019 legislative session and were re-promulgated and submitted for final approval during the 2020 legislative session. As indicated in the table, in those instances where the re-promulgated rule chapter(s) (see above table for the affected fee rule chapters) was not approved as final during the 2020 session and the rule expired, the expired rule rendered any subsequent rulemakings amending that chapter null and void and of no force and effect.

**HISTORY NOTES INDEX OF ADMINISTRATIVE RULES REVIEWED AND APPROVED  
FOR FINAL ADOPTION DURING THE 2020 SECOND REGULAR SESSION  
OF THE SIXTY-FIFTH LEGISLATURE OF THE STATE OF IDAHO**

The table published herein lists all pending rulemakings that were reviewed during the 2020 legislative session and shows the individual rule sections that were affected by these rulemakings. The table includes the docket number of each affected chapter, the section numbers of the amended rule, the Bulletin publication volume numbers, and the final effective date of the rule.

**Effective Dates:**

Effective dates for the pending rules reviewed and approved by the 2020 Idaho Legislature are as follows:

**Pending Rules (non-fee):**

Effective date – March 20, 2020 (3-20-20), unless otherwise specified in the pending rule.

**Pending Fee Rules:**

Null and void and of no force and effect.

A concurrent resolution(s) approving pending fee rules was not adopted by the 2020 Idaho Legislature as is required by Section 67-5224(5)(c), Idaho Code, in order for the pending fee rule to become final and effective. Consequently, all pending fee rules reviewed by the 2020 Idaho Legislature are null and void and of no force and effect.

**Pending Rulemakings That Expired:**

The following table includes rulemakings that amended rule chapters that expired after the 2019 legislative session and were re-promulgated as omnibus fee rulemakings and submitted for final approval during the 2020 legislative session. As indicated in the table, in those instances where the omnibus pending fee rule chapters were not approved as final for lack of a concurrent resolution and expired, any subsequent rulemakings amending those chapters are rendered null and void and of no force and effect.

In the table the column showing the “Final Effective Date” lists those Omnibus Pending Fee Rules that did not become final and effective as “*Not Approved.*”

Those pending rulemakings amending the expired omnibus fee rules are listed as “*Expired.*”

## **IDAPA 08 – STATE BOARD OF EDUCATION**

### **08.02.02 – RULES GOVERNING UNIFORMITY**

**DOCKET NO. 08-0202-2001**

#### **NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE**

**EFFECTIVE DATE:** The effective date of the temporary rule is April 1, 2020.

**AUTHORITY:** In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant to Section 33-1006, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

During the COVID-19 pandemic, schools have had to move from in-person instruction to an online or distance modality for student learning. In order to continue to serve our low-income student populations and students without internet access or devices schools are still providing meals and hard copies of instructional materials. In some school districts this is accomplished through the delivery of meals and instructional material by bus. This temporary rule will allow for schools to include the delivery of instructional materials and school meals to be included in their reimbursable miles. Pursuant to Section 33-1006, Idaho Code, the Board has set out the type of miles that are reimbursable in the Standards for Idaho School Buses and Operations. These standards are incorporated by reference into IDAPA 08.02.02, Section 004. The temporary rule updates the standards incorporated by reference to an amended version that includes provisions allowing miles accumulated for the delivery of meals and instructional material during a national, state or local emergency to be part of their reimbursable miles.

**TEMPORARY RULE JUSTIFICATION:** Pursuant to Sections 67-5226(1)(a) and (b), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

Adoption of this temporary rule is necessary to continue to confer the benefit of distance instruction and meal programs to students while complying with social distancing guidelines to assure student health, safety and welfare during the coronavirus (COVID-19) pandemic.

**FEE SUMMARY:** Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: N/A

**AUTHORITY:** In compliance with Section 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule. The action is authorized pursuant to Title 36, Idaho Code, including Sections 36-104 and 36-408, Idaho Code.

**DESCRIPTIVE SUMMARY:** The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule.

The Governor has found that temporary rulemaking to establish limits for nonresident licenses, tags, permits, and hunting passports, as set forth herein, is appropriate for the duration of the March 25, 2020, Idaho Department of Health and Welfare (IDHW) Order to Self-Isolate in response to COVID-19 (as may be extended or superseded by comparable order of the Governor or IDHW).

This finding is consistent with the Governor's March 25, 2020, proclamation of a state of extreme emergency related to the outbreak of COVID-19.

The amendments were added on April 9th to: (1) allow nonresidents who had already purchased a black bear tag prior to the rule adoption on April 4 to still purchase a bear bait permit, which is only available via mail and at department offices; (2) clarify that nonresidents who had a written agreement, but not specifically signed, with a licensed outfitter prior to the rule's adoption on April 4th are still able to purchase licenses, tags, permits for the outfitted trip; and (3) specify that individuals who moved to Idaho to establish residency less than six months ago or who have not procured an Idaho driver's license as required within 90 days of Idaho residency can still purchase a nonresident license, tag, or permit if they meet certain conditions.

**TEMPORARY RULE JUSTIFICATION:** Pursuant to Section 67-5226(1)(a) and (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the protection of public health, safety, or welfare, or for otherwise conferring a benefit due to the extreme emergency presented by COVID-19.

The agency assumes that public health circumstances will support repeal of the temporary rule before a proposed rule could be reviewed by the legislature or become final, and the agency is not proceeding with concurrent proposed rulemaking.

**01. Finding by the Governor.** Consistent with Section 67-5226, Idaho Code, the Governor has found that temporary rulemaking to establish limits for nonresident licenses, tags, permits, and hunting passports, as set forth herein, is appropriate for the protection of public health, safety, or welfare, or for otherwise conferring a benefit for the duration of the March 25, 2020 Idaho Department of Health and Welfare (IDHW) Order to Self-Isolate in response to COVID-19 (as may be extended or superseded by comparable order of the Governor or IDHW). **03. Exclusions.**

(4-4-20)T

A nonresident who entered into a written agreement with a licensed outfitter, before the effective date and time of this temporary rule, is excluded from the limits of this Section 650, with the outfitter or outfitted client directed to contact a department regional office by phone to make arrangements for purchase. (4-9-20)T

**b.** A nonresident may make application for fall controlled hunts and may purchase a nonresident annual hunting license necessary to be eligible for such application. (4-9-20)T

**c.** A person who has moved into Idaho to establish residency, but has not yet qualified to purchase a resident license under Section 36-202(s), Idaho Code, is excluded from the limits of this Section 650, provided that the person presents: (1) an Idaho driver's license or Idaho residency documentation required for a non-driver under Subsection 13.01.04.050.01.b (which a driver who has not yet obtained an Idaho driver's license may present when the proclaimed emergency makes obtaining an Idaho driver's license impractical), of these rules, and (2) an unsworn declaration or certification by such person, under penalty of perjury in substantial compliance with Section 9-1406, Idaho Code, that such person intends to be a bona fide resident of Idaho; with such person directed to contact a department regional office by phone to make arrangements for nonresident license purchase. **DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE:** The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

A Temporary Rule is currently in place to implement the 2019 legislative changes to the Mined Land Reclamation Act at Title 47, Chapter 15, Idaho Code. A detailed summary of the purpose of the negotiated rulemaking is set forth in the initial Notice of Intent to Promulgate Rules published in the Idaho Administrative Bulletin, May 1, 2019, Vol. 19-5, page 69 under Docket Number 20-0302-1901, that has now been superseded and replaced by this rulemaking docket. A summary of additional rule negotiations needed before the rulemaking could proceed to the next step was set forth in the Second Notice of Intent to Promulgate Rules published in the Idaho Administrative Bulletin, October 2, 2019, Vol. 19-10, page 220, also under Docket Number 20-0302-1901.

The purpose of this revised notice is to notify the public that, in addition to the issues listed in the October 2019 notice, this negotiated rulemaking will establish a new docket number and include the following topics for discussion and comment:

The Idaho Department of Environmental Quality is proposing substantial changes to IDAPA 58.01.13, Rules for Ore Processing by Cyanidation. These changes will require corresponding changes to portions of IDAPA 20.03.02 Rules Governing Mined Land Reclamation that address Cyanide Closure Plans administered by IDL. In addition, portions of this rule concerning Cyanide Closure Plans might be further consolidated and simplified.
