PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **19-1** refers to the first Bulletin issued in calendar year **2019**; Bulletin **20-1** refers to the first Bulletin issued in calendar year **2020**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **19-1** refers to January 2019; Volume No. **20-2** refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume **19-1**. The December 2019 Bulletin is cited as Volume **19-12**.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”

“**02.**” refers to Subsection 200.02.

“**c.**” refers to Subsection 200.02.c.

“**ii.**” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1901”

“**38-**” denotes the agency's **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (**TITLE 05**), Rules of the Division of Purchasing (**Chapter 01**).

“**1901**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2019**. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as “**1902**”. The docket number in this scenario would be 38-0501-**1902**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

EXECUTIVE ORDER NO. 2020-19

**ACTIVATION OF THE IDAHO NATIONAL GUARD TO PROVIDE SUPPORT
IN RESPONSE TO THE COVID-19 PANDEMIC**

WHEREAS, the health and safety of all Idahoans is the greatest priority of our state and its leaders; and

WHEREAS, the Centers for Disease Control and Prevention has labeled the 2019 novel coronavirus (COVID-19) a pandemic that poses a serious public health threat; and

WHEREAS, as of November 12, 2020, there have been nearly 10.5 million confirmed cases of COVID-19 and approximately 242,000 deaths in the United States and 78,279 confirmed or probable cases of COVID-19 and 749 deaths in Idaho due to COVID-19; and

WHEREAS, in Idaho, cases of COVID-19 have been reported in all forty-four (44) counties and community spread of COVID-19 has been confirmed in forty-three (43) counties. One (1) Idaho county had the highest per-capita number of cases in the country at one point in time; and thirty-one (31) of Idaho counties have had an average percent positivity of greater than 10 percent, which is double the White House recommendation, in the last month; and

WHEREAS, rapid community spread has caused some local hospital to have to significantly reduce operations to protect its health care workers and caused patients to have to travel or be transported into other counties to be treated for COVID-19 or other illnesses and injuries. Idaho's rural communities are particularly at risk because of limited health care capacity and staff; and

WHEREAS, cases in Idaho have risen sharply in the past several weeks and are rising in most counties in the state. As a result, hospitals across the state of Idaho, including the Veterans Affairs Medical Center, are at or nearing capacity. Due to the increase in COVID-19 patients, hospitals have had to divert patients to other hospitals within the state and, in some instances, to neighboring states. Hospitals in surrounding states are also experiencing a surge of COVID-19 cases and may not be able to receive Idaho patients; and

WHEREAS, the recent surge of COVID-19 cases in Idaho has put a significant strain on health care workers, resulting in staffing shortages across the State. Shortages have resulted from staff members testing positive for the virus or coming into close contact with someone who has COVID-19. Without health care works and support staff, hospitals are not able to utilize their capacity; and

WHEREAS, the Idaho Military Division is committed to maintaining domestic emergency response readiness in the Idaho National Guard; and guiding the state, through the Office of Emergency Management, in effectively preparing for, responding to and recovering from all hazards; and

WHEREAS, one of the Adjutant General's three strategic imperatives is to continue developing and strengthening our homeland security and emergency response readiness; and

WHEREAS, Idaho is committed to being prepared and protecting Idahoans from COVID-19. There continues to be a risk to life and the continued operation of public infrastructure as a result of cases of COVID-19 throughout the State of Idaho, and the activation of the Idaho National Guard will assist in our State's battle against this deadly virus.

NOW, THEREFORE I, Brad Little, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution and laws of this state do hereby order:

1. *The activation of members of the Idaho National Guard pursuant to Idaho Code § 46- 1008. One hundred (100) National Guardsman are ordered on Active Duty for a period of thirty (30) days to provide additional support to the State of Idaho in its emergency response to the COVID-19 pandemic.*
2. *Funding for the activation of National Guardsman pursuant to this Executive Order will be provided from the Disaster Emergency Account established in Idaho Code § 46- 1005A.*
3. *The Adjutant General of Idaho is authorized to direct activated Idaho Guardsman as necessary to assist in efforts to respond to and combat the COVID-19 pandemic in Idaho.*
4. *This Executive Order will expire in thirty (30) days unless extended, rescinded, or amended in writing by the Governor.*

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho in Boise on this 13th day of November in the year of our Lord two thousand and twenty.

13.01.04 – RULES GOVERNING LICENSING

DOCKET NO. 13-0104-2002

NOTICE OF RULEMAKING – ADOPTION OF PENDING RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2021 Idaho State Legislature for final approval. The pending rule becomes final and effective at the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Section 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Sections 36-104(b), 36-301, 36-401 through 413, 36-1101, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule:

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 2, 2020 Idaho Administrative Bulletin, [Vol. 20-9, pages 26-30](#).

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

There is no fiscal impact to the state general fund.

1. The proposed rule to change the application period for the Landowner Appreciation Program will have no fiscal impact.

2. The proposed rule to provide the Commission the authority to limit the number of nonresident DAV deer and elk tags would cap potential revenue to the Department's Fish and Game fund from sales of these tag types and related nonresident DAV hunting licenses. All future year revenue from sales of these tag types would likely be lower than 2019 and 2020 tag sales, unless nonresident DAVs choose to still purchase nonresident DAV hunting licenses and equivalent amount of general tag items that would otherwise be unsold. If nonresident DAVs purchase other nonresident items instead of nonresident DAV tags (once nonresident DAV deer and elk tags sell out), Department revenue from license and tag sales to nonresident DAVs could remain neutral or increase.
