PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin **19-1** refers to the first Bulletin issued in calendar year **2019**; Bulletin **20-1** refers to the first Bulletin issued in calendar year **2020**. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. **19-1** refers to January 2019; Volume No. **20-2** refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume **19-1**. The December 2019 Bulletin is cited as Volume **19-12**.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The **Idaho Administrative Code** is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the **Cumulative Rulemaking Index**. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.

1. NEGOTIATED RULEMAKING

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. PROPOSED RULEMAKING

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. TEMPORARY RULEMAKING

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. PENDING RULEMAKING

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. FINAL RULEMAKING

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.

HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the **Idaho Administrative Bulletin** are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “**IDAPA**” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“**IDAPA**” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“**38.**” refers to the Idaho Department of Administration

“**05.**” refers to Title **05**, which is the Department of Administration’s Division of Purchasing

“**01.**” refers to Chapter **01** of Title 05, “Rules of the Division of Purchasing”

“**200.**” refers to Major Section **200**, “Content of the Invitation to Bid”

“**02.**” refers to Subsection 200.02.

“**c.**” refers to Subsection 200.02.c.

“**ii.**” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”, (**38-0501-1401**). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1901”

“**38-**” denotes the agency’s **IDAPA** number; in this case the Department of Administration.

“**0501-**” refers to the **TITLE AND CHAPTER** numbers of the agency rule being promulgated; in this case the Division of Purchasing (**TITLE 05**), Rules of the Division of Purchasing (**Chapter 01**).

“**1901**” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in **calendar year 2019**. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as “**1902**”. The docket number in this scenario would be 38-0501-**1902**.

Within each Docket, only the affected sections of chapters are printed. (See **Sections Affected Index** in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

THE OFFICE OF THE GOVERNOR

**EXECUTIVE DEPARTMENT
STATE OF IDAHO
BOISE**

EXECUTIVE ORDER NO. 2021-07

TERMINATING MASK MANDATES BASED ON THE COVID-19 EMERGENCY

WHEREAS, on March 13, 2020, a Proclamation was issued and subsequently extended, declaring a state of emergency for the entire State of Idaho as a result of the 2019 novel coronavirus ("COVID-19"); and

WHEREAS, scientific studies show that COVID-19 restrictions on individuals and businesses such as social distancing, gathering limitations, and the use of face masks or face coverings of any design have done significant physical, mental, social, and economic harm and were ineffective mitigation measures; and

WHEREAS, serious concerns continue to be raised regarding both short-term and long-term negative effects caused by wearing masks.

WHEREAS, the remaining mask mandates issued by the health districts, public schools, school districts, and political subdivisions of this State due to the COVID-19 fail to serve a public health or safety purpose and unnecessarily restrict the rights and liberties of individuals and business in this State.

NOW, THEREFORE, I, JANICE MCGEACHIN, Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution of the United States, the Constitution of the State of Idaho, and the laws of the State of Idaho, do hereby proclaim and declare as follows:

- 1. In order to protect the rights and liberties of the individuals and businesses in the State of Idaho and to accelerate the state's recovery from the COVID-19 emergency, and notwithstanding any local ordinance or emergency order to the contrary:*
 - a. Neither the state nor a political subdivision may mandate that an individual in this state must use a face mask, face shield, or other face covering for the purpose of preventing or slowing the spread of a contagious or infectious disease.*
 - b. An official may not mandate that an individual in this state must use a face mask, face shield, or other face covering for the purpose of preventing or slowing the spread of a contagious or infectious disease;*
 - c. A face mask, face shield, or face covering shall not be required by the state, a political subdivision, or an official as a condition for entry, education, employment, or other services; and*
 - d. If the state, a political subdivision, or an official recommends using a face mask, face shield, or face covering to prevent or slow the spread of a contagious or infectious disease, such recommendation shall be accompanied by a notice that the recommendation is not mandatory.*
- 2. For purposes of this Executive Order:*
 - a. "Official" means an officer or an employee of the state or a political subdivision.*
 - b. "Political subdivision" means a county, city, public health district, public college, public university, public community college, public technical college, public library, public school, school district, special purpose district, or other district or municipality organized under any general or special law of this state, except the term "political subdivision" does not include any federal building, hospital, or health care facility.*

Re: Acting Governor's Authority

Dear Senator Wintrow:

This letter is in response to your recent inquiry regarding the executive order issued on May 27, 2021 by then-acting Governor Janice McGeachin. This analysis identifies and addresses three issues associated with the order.

Issue 1: Does the acting Governor's EO exceed the constitutional or statutory powers entrusted to the Governor?

The Governor's executive order authority is outlined in Idaho Code section 67-802 which states:

The supreme executive power of the state is vested by section 5, article IV, of the constitution of the state of Idaho, in the governor, who is expressly charged with the duty of seeing that the laws are faithfully executed. In order that he may exercise a portion of the authority so vested, the governor is authorized and empowered to implement and exercise those powers and perform those duties by issuing executive orders from time to time which shall have the force and effect of law when issued in accordance with this section and within the limits imposed by the constitution and laws of this state.

This statute makes clear that an executive order can only be issued to ensure "that the laws are faithfully executed."

The executive order at hand has been issued to prohibit the state and its political subdivisions from having a mask mandate. As there is no law prohibiting such mandates, acting Governor McGeachin has exceeded the executive order authority granted her under Idaho Code section 67-802. This executive order does not seek to ensure laws are faithfully executed. Oddly, it seems to have been issued in an effort to undermine the existing authorities of the state and its political subdivisions to issue mask mandates. This executive order appears to run counter to both the Idaho Constitution and the Governor's statutory executive order authority.

There are other provisions of Code that grant the Governor executive order authority in specific circumstances. One such provision, and the only one that may be applicable to this situation, is found in Idaho Code section 46-1008, which grants the Governor authority to issue executive orders to proclaim a disaster emergency. Executive orders issued under this authority, however, must "indicate the nature of the disaster, the area or areas threatened, the area subject to the proclamation, and the conditions which are causing the disaster." This has not been done with this executive order. Furthermore, there is no mention of an emergency other than to reference the proclamation that was issued in March or 2020. Thus, it seems clear this emergency order was not intended to be issued as an emergency proclamation.

Issue 2: Does the acting Governor's EO impermissibly interfere or encroach upon the Legislature's powers to legislate and make policy for the state of Idaho?

While the Constitution vests the Governor with supreme executive power within the state, Article III, section 1 of the Idaho Constitution vests the legislative power of the State to the senate and a house of representatives. As noted above, there is no existing law prohibiting mask mandates. Thus, rather than ensuring that an existing law is faithfully executed, the acting Governor's EO prohibiting mask mandates has the effect of creating a law through executive order. This likely encroaches on the lawmaking power of the legislature and violates the separation of powers between the executive and legislative branch. See Article II, § 1, Idaho Constitution.

Issue 3: Does the acting Governor's EO violate or conflict with any statutory or constitutional provisions entrusting public health decisions to cities, counties, public health districts, school districts or other local governmental entities?

Senator Melissa Wintrow
Re: Acting Governor's Authority
May 28, 2021
Page 3

The public health districts have the power to "do all things required" to protect the public health. Specifically:

The district board of health shall have and may exercise the following powers and duties:

(1) To administer and enforce all state and district health laws, regulations, and standards.

(2) To do all things required for the preservation and protection of the public health and preventive health, and such other things delegated by the director of the state department of health and welfare or the director of the department of environmental quality and this shall be authority for the director(s) to so delegate.

Idaho Code § 39-414. Under this authority, the public health districts have issued mask mandates. Similarly, school districts have the express statutory authority to protect the morals and health of their pupils. Idaho Code § 33-512(5) &(7). And cities are specifically authorized to preserve public health and prevent the introduction of contagious diseases into the city. Idaho Code §§ 50-304 & 50-606. In sum, the Idaho Legislature has specifically legislated authority for these local governmental entities to take the necessary precautions to protect the public health of their respective constituencies. Under the executive order, it does not appear that any circumstances or authority has been cited for the substitution of an executive order to displace these specifically legislated allocations of local authority.

As stated above, the Governor has the power to issue executive orders to exercise a portion of his constitutional authority to see "that the laws [of Idaho] are faithfully executed." Idaho Code § 67-802. The acting Governor's action to prohibit mask mandates, potentially contrary to existing orders of local government entities encroaches upon the express statutory authority of local government entities and likely exceeds the Governor's authority in statute and Idaho's constitution.

I hope you find this helpful. If you have further questions, please do not hesitate to contact me.

Sincerely,

BRIAN KANE
Chief Deputy Attorney General

**EXECUTIVE DEPARTMENT
STATE OF IDAHO
BOISE**

EXECUTIVE ORDER NO. 2021-08

REPEALING EO 2021-07 TO RESTORE LOCAL CONTROL

WHEREAS, as a Republican and conservative Idahoan, I strongly believe that government best serves the people when cities, counties, and other local jurisdictions have the power and autonomy to make decisions at a local level and without undue interference by the state government; and

WHEREAS, the Idaho Constitution, Article XII Section 2, wisely entrusts counties and cities - not the state government - with the power to pass and enforce local ordinances to protect the health and safety of their constituents; and

WHEREAS, pursuant to Idaho Code §§ 50-304, 39-414, 33-512, and other sections, the Idaho Legislature provides additional flexibility to cities, counties, schools, and public health districts to act as they deem necessary to protect the health and safety of the people they serve; and

WHEREAS, because of my concerns with the appropriateness and efficacy of a statewide mask mandate, I did not issue a statewide mask mandate during the COVID-19 public health emergency; and

WHEREAS, no statewide mask mandate exists now nor has one existed in Idaho at any time during the COVID-19 public health emergency; and

WHEREAS, on May 27, 2021, while I was temporarily working out of the state, the Lieutenant Governor, in her capacity as acting Governor, signed Executive Order No. 2021-07 unilaterally stripping local jurisdictions of their constitutional and statutory authority to take action they deem necessary to preserve public health and safety; and

WHEREAS, Executive Order 2021-07 violates fundamental principles of conservatism by forcing the heavy hand of government on local jurisdictions that are better suited to make unique decisions directly affecting the health and safety of their populations; and

WHEREAS, Executive Order 2021-07 disrespects the rule of law by arbitrarily exercising executive power in a manner contrary to our laws and without consulting stakeholders and our local government counterparts; and

WHEREAS, Executive Order 2021-07 violates the separation of powers doctrine by encroaching on the Legislature's prerogative to make statewide policy and legislatively refine the powers of cities, counties, schools, and public health districts; and

WHEREAS, Executive Order 2021-07 is a near verbatim resurrection by the Lieutenant Governor of House Bill 339a, which was introduced and debated during the 2021 Legislature, but failed to pass both houses due to insufficient support from Idaho's elected policy makers; and

WHEREAS, Executive Order 2021-07 has unacceptable consequences for the state's ability to protect children, veterans, the elderly and infirm, first responders, customers, corrections staff, prisoners, lab technicians, and countless others that the state employs and serves; and

WHEREAS, the Idaho Constitution, Article IV, Section 5, requires the Governor to "see that the laws are faithfully executed;" and

WHEREAS, Idaho Code § 67-802 authorizes the Governor to repeal any executive order by issuance of a new executive order; and

WHEREAS, it is necessary to repeal Executive Order No. 2021-07 in its entirety to reverse the misuse of executive authority, preserve the rule of law, maintain the separation of powers, protect Idahoans, and eliminate any doubt that all Idaho Code provisions, including those identified herein, remain in effect without limitation.

NOW, THEREFORE, I, Brad Little, the duly elected and sworn Governor of the State of Idaho, by virtue of the authority vested in me by the Constitution of the United States, the Constitution of the State of Idaho, and the laws of the State of Idaho including, but not limited to, Idaho Code § 67-802, do hereby proclaim and declare as follows:

- 1. Executive Order No. 2021-07 is repealed in its entirety, effective immediately.*
- 2. The repeal of Executive Order No. 2021-07 shall apply retroactively to 11:00 a.m. on May 27, 2021.*

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Idaho in Boise on this 28th day of May in the year of our Lord two thousand twenty-one.

IDAPA 02 – DEPARTMENT OF AGRICULTURE

DOCKET NO. 02-0000-2000F (FEE RULE)

NOTICE OF OMNIBUS RULEMAKING – AMENDMENT TO TEMPORARY RULE

EFFECTIVE DATE: A temporary rule was adopted under this docket number in the April 15, 2020, Idaho Administrative Bulletin, [Vol. 20-4SE, pages 36 through 359](#). The effective date of the amendment to the temporary rule is May 18, 2021. This amendment supersedes in its entirety the March 20, 2020, temporary fee rule chapter IDAPA 02.03.03 adopted under Docket 02-0000-2000F.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has amended a temporary rule. The action is authorized pursuant to Sections 22-103(20), 22-107, 22-108, 22-112, 22-418, 22-505, 22-604, 22-702, 22-901, 22-911, 22-1103, 22-1907, 22-2004, 22-2006, 22-2013, 22-2204, 22-2303(5), 22-2403, 22-2412, 22-2511, 22-3418, 22-3421, 22-5129, 25-203, 25-207, 25-207B, 25-212, 25-305, 25-401, 25-601, 25-804, 25-1723(b), 25-2710, 25-3520, 25-3704, 25-4012, 37-303, 37-401, 37-402, 37-405, 37-516, 37-1521, 69-231, 69-524, 71-111, 71-121, 71-232, 71-233, 71-236, 71-241, and 71-408, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for amending the temporary rule and a statement of any change between the text of the temporary rule and text of the amended temporary rule with an explanation for any changes.

Amendments are being made to the following temporary fee chapter:

- **IDAPA 02.03.03**, *Rules Governing Pesticide and Chemigation Use and Application*.

To best protect the public's health and safety, the Department is amending the temporary rule to reflect changes negotiated in 2020 and presented to the Idaho Legislature during the 2021 session. The update is necessary to ensure compliance of the state rule with the updated EPA rule, ensuring primacy of the state program for the regulation of pesticides and pesticide use within the state of Idaho.

Under the updated version of the rule, the new apprentice category would confer a benefit to the regulated community. Compliance with and maintenance of Idaho's primacy over pesticides is at stake as the U.S. Environmental Protection Agency reviews Idaho's authority in rule. Key provisions are missing from the existing temporary rule, such as wind restrictions, which protect public health and private property.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(a-c) and 67-5226(2), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

These temporary rules are necessary to protect the public health, safety, and welfare of the citizens of Idaho and confer a benefit on its citizens. These temporary rules implement the duly enacted laws of the state of Idaho, provide citizens with the detailed rules and standards for complying with those laws, and assist in the orderly execution and enforcement of those laws. The expiration of these rules without due consideration and processes would undermine the public health, safety and welfare of the citizens of Idaho and deprive them of the benefit intended by these rules.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee(s) or charge(s) being imposed or increased is justified and necessary to avoid immediate danger and the fee(s) is described herein:

A detailed explanation of the fees or charges associated with this rule chapter being amended can be found in the original Notice of Omnibus Rulemaking – Adoption of Temporary Rule, which published in the April 15, 2020, Idaho Administrative Bulletin, [Vol. 20-4SE, pages 36 through 359](#).

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

As the Idaho Transportation Department (ITD) continues its efforts to address utility accommodation of broadband facilities seeking access to the state’s ROW, ITD is initiating the negotiated rulemaking process to further analyze and update the necessary policies and procedures, while also meeting federal requirements and supporting Governor Little’s initiative to improve broadband access in Idaho.

The Idaho Transportation Department incorporates by reference July 2003 Edition of the Utility Accommodation Policy (UAP) in IDAPA Title 39: [39.03.43 – Rules Governing Utilities on State Highway Right-of-Way](#).

Although the UAP referenced in IDAPA 39.03.43 addresses all utilities, the focus of this rulemaking is to update portions of the Guide for Utility Management (GUM) and UAP that directly relate to broadband permitting and accommodation; criteria, standards and policy.
