PREFACE

The Idaho Administrative Bulletin is an electronic-only, online monthly publication of the Office of the Administrative Rules Coordinator, Division of Financial Management, that is published pursuant to Section 67-5203, Idaho Code. The Bulletin is a compilation of all official rulemaking notices, official rule text, executive orders of the Governor, and all legislative documents affecting rules that are statutorily required to be published in the Bulletin. It may also include other rules-related documents an agency may want to make public through the Bulletin.

State agencies are required to provide public notice of all rulemaking actions and must invite public input. This is done through negotiated rulemaking procedures or after proposed rulemaking has been initiated. The public receives notice that an agency has initiated proposed rulemaking procedures through the Idaho Administrative Bulletin and a legal notice (Public Notice of Intent) that publishes in authorized newspapers throughout the state. The legal notice provides reasonable opportunity for the public to participate when a proposed rule publishes in the Bulletin. Interested parties may submit written comments to the agency or request public hearings of the agency, if none have been scheduled. Such submissions or requests must be presented to the agency within the time and manner specified in the individual “Notice of Rulemaking - Proposed Rule” for each proposed rule that is published in the Bulletin.

Once the comment period closes, the agency considers fully all comments and information submitted regarding the proposed rule. Changes may be made to the proposed rule at this stage of the rulemaking, but changes must be based on comments received and must be a “logical outgrowth” of the proposed rule. The agency may now adopt and publish the pending rule. A pending rule is “pending” legislative review for final approval. The pending rule is the agency’s final version of the rulemaking that will be forwarded to the legislature for review and final approval. Comment periods and public hearings are not provided for when the agency adopts a temporary or pending rule.

CITATION TO THE IDAHO ADMINISTRATIVE BULLETIN

The Bulletin is identified by the calendar year and issue number. For example, Bulletin 19-1 refers to the first Bulletin issued in calendar year 2019; Bulletin 20-1 refers to the first Bulletin issued in calendar year 2020. Volume numbers, which proceed from 1 to 12 in a given year, correspond to the months of publication, i.e.; Volume No. 19-1 refers to January 2019; Volume No. 20-2 refers to February 2020; and so forth. Example: The Bulletin published in January 2019 is cited as Volume 19-1. The December 2019 Bulletin is cited as Volume 19-12.

RELATIONSHIP TO THE IDAHO ADMINISTRATIVE CODE

The Idaho Administrative Code is an electronic-only, online compilation of all final and enforceable administrative rules of the state of Idaho that are of full force and effect. Any temporary rule that is adopted by an agency and is of force and effect is codified into the Administrative Code upon Bulletin publication. All pending rules that have been approved by the legislature during the legislative session as final rules and any temporary rules that are extended supplement the Administrative Code. These rules are codified into the Administrative Code upon becoming effective. Because proposed and pending rules are not enforceable, they are published in the Administrative Bulletin only and cannot be codified into the Administrative Code until approved as final.

To determine if a particular rule remains in effect or whether any amendments have been made to the rule, refer to the Cumulative Rulemaking Index. Link to it on the Administrative Rules homepage at adminrules.idaho.gov.

THE DIFFERENT RULES PUBLISHED IN THE ADMINISTRATIVE BULLETIN

Idaho’s administrative rulemaking process, governed by the Administrative Procedure Act, Title 67, Chapter 52, Idaho Code, comprises distinct rulemaking actions: negotiated, proposed, temporary, pending and final rulemaking. Not all rulemakings incorporate or require all of these actions. At a minimum, a rulemaking includes proposed, pending and final rulemaking. Many rules are adopted as temporary rules when they meet the required statutory criteria and agencies must, when feasible, engage in negotiated rulemaking at the beginning of the process to facilitate consensus building. In the majority of cases, the process begins with proposed rulemaking and ends with the final rulemaking. The following is a brief explanation of each type of rule.
1. **NEGOTIATED RULEMAKING**

Negotiated rulemaking is a process in which all interested persons and the agency seek consensus on the content of a rule through dialogue. Agencies are required to conduct negotiated rulemaking whenever it is feasible to do so. The agency files a “Notice of Intent to Promulgate – Negotiated Rulemaking” for publication in the Administrative Bulletin inviting interested persons to contact the agency if interested in discussing the agency’s intentions regarding the rule changes. This process is intended to result in the formulation of a proposed rule and the initiation of regular rulemaking procedures. One result, however, may also be that regular (proposed) rulemaking is not initiated and no further action is taken by the agency.

2. **PROPOSED RULEMAKING**

A proposed rulemaking is an action by an agency wherein the agency is proposing to amend or repeal an existing rule or to adopt a new rule. Prior to the adoption, amendment, or repeal of a rule, the agency must publish a “Notice of Rulemaking – Proposed Rule” in the Bulletin. This notice must include very specific information regarding the rulemaking including all relevant state or federal statutory authority occasioning the rulemaking, a non-technical description of the changes being made, any associated costs, guidance on how to participate through submission of written comments and requests for public hearings, and the text of the proposed rule in legislative format.

3. **TEMPORARY RULEMAKING**

Temporary rules may be adopted only when the governor finds that it is necessary for:

- a) protection of the public health, safety, or welfare; or
- b) compliance with deadlines in amendments to governing law or federal programs; or
- c) conferring a benefit.

If a rulemaking meets one or more of these criteria, and with the Governor’s approval, the agency may adopt and make a temporary rule effective prior to receiving legislative authorization and without allowing for any public input. The law allows an agency to make a temporary rule immediately effective upon adoption. A temporary rule expires at the conclusion of the next succeeding regular legislative session unless the rule is extended by concurrent resolution, is replaced by a final rule, or expires under its own terms.

4. **PENDING RULEMAKING**

A pending rule is a rule that has been adopted by an agency under regular rulemaking procedures and remains subject to legislative review before it becomes a final, enforceable rule. When a pending rule is published in the Bulletin, the agency is required to include certain information in the “Notice of Rulemaking – Pending Rule.” This includes a statement giving the reasons for adopting the rule, a statement regarding when the rule becomes effective, a description of how it differs from the proposed rule, and identification of any fees being imposed or changed.

Agencies are required to republish the text of the pending rule when substantive changes have been made to the proposed rule. An agency may adopt a pending rule that varies in content from that which was originally proposed if the subject matter of the rule remains the same, the pending rule change is a logical outgrowth of the proposed rule, and the original notice was written so as to assure that members of the public were reasonably notified of the subject. It is not always necessary to republish all the text of the pending rule.

5. **FINAL RULEMAKING**

A final rule is a rule that has been adopted by an agency under the regular rulemaking procedures and is of full force and effect.
HOW TO USE THE IDAHO ADMINISTRATIVE BULLETIN

Rulemaking documents produced by state agencies and published in the Idaho Administrative Bulletin are organized by a numbering schematic. Each state agency has a two-digit identification code number known as the “IDAPA” number. (The “IDAPA” Codes are listed in the alphabetical/numerical index at the end of this Preface.) Within each agency there are divisions or sections to which a two-digit “TITLE” number is assigned. There are “CHAPTER” numbers assigned within the Title and the rule text is divided among major sections that are further subdivided into subsections. An example IDAPA number is as follows:

IDAPA 38.05.01.200.02.c.ii.

“IDAPA” refers to Administrative Rules in general that are subject to the Administrative Procedures Act and are required by this act to be published in the Idaho Administrative Code and the Idaho Administrative Bulletin.

“38.” refers to the Idaho Department of Administration

“05.” refers to Title 05, which is the Department of Administration’s Division of Purchasing

“01.” refers to Chapter 01 of Title 05, “Rules of the Division of Purchasing”

“200.” refers to Major Section 200, “Content of the Invitation to Bid”

“02.” refers to Subsection 200.02.

“c.” refers to Subsection 200.02.c.

“ii.” refers to Subsection 200.02.c.ii.

DOCKET NUMBERING SYSTEM

Internally, the Bulletin is organized sequentially using a rule docketing system. Each rulemaking that is filed with the Coordinator is assigned a “DOCKET NUMBER.” The docket number is a series of numbers separated by a hyphen “-”. (38-0501-1401). Rulemaking dockets are published sequentially by IDAPA number (the two-digit agency code) in the Bulletin. The following example is a breakdown of a typical rule docket number:

“DOCKET NO. 38-0501-1901”

“38-” denotes the agency's IDAPA number; in this case the Department of Administration.

“0501-” refers to the TITLE AND CHAPTER numbers of the agency rule being promulgated; in this case the Division of Purchasing (TITLE 05), Rules of the Division of Purchasing (Chapter 01).

“1901” denotes the year and sequential order of the docket being published; in this case the numbers refer to the first rulemaking action published in calendar year 2019. A subsequent rulemaking on this same rule chapter in calendar year 2019 would be designated as “1902”. The docket number in this scenario would be 38-0501-1902.

Within each Docket, only the affected sections of chapters are printed. (See Sections Affected Index in each Bulletin for a listing of these.) The individual sections affected are printed in the Bulletin sequentially (e.g. Section “200” appears before Section “345” and so on). Whenever the sequence of the numbering is broken the following statement will appear:

NOTICE OF INTENT TO PROMULGATE RULES – NEGOTIATED RULEMAKING

AUTHORITY: In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Section 22-2006, Idaho Code.

MEETING SCHEDULE: Public meetings on the negotiated rulemaking will be held as follows:

<table>
<thead>
<tr>
<th>Date</th>
<th>Time</th>
<th>Location</th>
</tr>
</thead>
</table>
| Tuesday, July 25, 2023 | 9 a.m. to 11 a.m. (MT) | Idaho State Department of Agriculture  
2270 Old Penitentiary Road  
Boise, ID 83712 |
| Tuesday, August 1, 2023 | 9 a.m. to 11 a.m. (MT) | (Virtual meeting links will be posted at: townhall.idaho.gov) |

The meeting site(s) will be accessible to persons with disabilities, if needed. Requests for accommodation must be made not later than five (5) days prior to the meeting to the agency address below.

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following:

Meeting materials, including drafts, minutes, and submitted comments, will be posted at the agency website at https://agri.idaho.gov/main/i-need-to/see-lawsrules/rulemaking/isda-rulemaking-2023-2024/. Meeting details, including links to participate virtually, will be found at townhall.idaho.gov.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons on the agency website at https://agri.idaho.gov/main/i-need-to/see-lawsrules/rulemaking/isda-rulemaking-2023-2024/.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The Idaho Eastern Oregon Seed Association (IEOSA) has petitioned the agency to open rulemaking regarding the service fee schedule for the State Seed Lab, which is operated by the agency. The petition expresses the concern that the current fee structure is “incompatible” with fee structures in surrounding state seed labs and private sector seed labs. The petition further states that the State Seed Lab fee structure is much lower than private sector and surrounding state seed labs.

The department will facilitate negotiated rulemaking to allow the petitioner to identify acceptable fee levels to address their concerns.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS, OBTAINING DRAFT COPIES: For assistance on technical questions concerning this negotiated rulemaking or to obtain a preliminary draft copy of the rule text if available, contact Lloyd Knight, Deputy Director. Materials pertaining to the negotiated rulemaking, including any available preliminary rule drafts, can be found on the Idaho State Department of Agriculture web site at the following web address: https://agri.idaho.gov/main/i-need-to/see-lawsrules/rulemaking/isda-rulemaking-2023-2024/.
Anyone may submit written comments regarding this negotiated rulemaking. All written comments must be directed to the undersigned and must be delivered on or before Friday, August 4, 2023.

IDAPA 04 – OFFICE OF THE ATTORNEY GENERAL
04.11.01 – IDAHO RULES OF ADMINISTRATIVE PROCEDURE OF THE ATTORNEY GENERAL
DOCKET NO. 04-1101-2300
NOTICE OF REVOCATION OF FINAL RULE

AUTHORITY: In compliance with Sections 67-5201(2) and 67-5202(2), Idaho Code, notice is hereby given that the Office of Administrative Rules Coordinator has taken action to revise Idaho’s Administrative Code to remove certain rules that lack express statutory authority to exist in the Code and be enforced as a final rule.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for publishing this notice:

Agencies must be authorized by law to promulgate rules. All validly authorized and promulgated rules published in Idaho’s Administrative Code carry the force and effect of law. Prior to July 1, 2023, Sections 67-5206(2) and 67-5206(3), Idaho Code, granted the necessary statutory authority to the Office of the Attorney General to promulgate rules and regulations of procedure for use by agencies as well as rules implementing Sections 67-5220 through 67-5232, Idaho Code. During the 2023 Legislative session, the Legislature passed House Bill 206 which, in part, removed that rulemaking authority. Thus, the statutory authority for the entirety of Subchapter C of IDAPA 04.11.01 no longer exists and its removal from Idaho’s Administrative Code does not alter the effect of such rules. Accordingly, the Office of Administrative Rules Coordinator is giving official notice of revocation and removal of IDAPA 04.11.01, “Idaho Rules of Administrative Procedure of the Attorney General,” Subchapter C – Rulemaking, Sections 800 through 860, only, from Idaho’s Official Administrative Code.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the revocation of this final rule, contact Josh Scholer at 208-854-3097.

IDAPA 08 – STATE BOARD OF EDUCATION

08.01.13 – RULES GOVERNING THE OPPORTUNITY SCHOLARSHIP PROGRAM

DOCKET NO. 08-0113-2301

NOTICE OF RULEMAKING – ADOPTION OF TEMPORARY RULE

EFFECTIVE DATE: The effective date of the temporary rule is July 1, 2023.

AUTHORITY: In compliance with Sections 67-5226, Idaho Code, notice is hereby given this agency has adopted a temporary rule. The action is authorized pursuant Article IX, Section 2, Idaho Constitution and under Sections 33-105, 33-4303, and 33-4304, Idaho Code.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule:

The temporary rule would allow for the award timeline of the Opportunity Scholarship to change from July 1 to December 31, 2023. Therefore, initial award information for both the Opportunity Scholarship and Launch grant programs will be made at the same time. The Opportunity Scholarship is awarded to applicants based on academic merit and verification of financial need through FAFSA. Currently, federal revision of the FAFSA is underway which will delay the Board’s ability to verify financial need of applicants for the 2024-2025 academic year awards until after December 31, 2023. This temporary rule will allow the administrative team to calculate the monetary value and notice the estimated award by December 31, 2023, thereby aligning the award notice dates with the Launch grant program. It will also allow the Board to adjust the final award and payment after verification of financial need can be completed.

TEMPORARY RULE JUSTIFICATION: Pursuant to Section 67-5226(1)(c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons.

If the rule is not promulgated, the Opportunity Scholarship and Launch Grant Program initial awards will not be aligned, as the Opportunity Scholarship initial award date will remain July 1. This factor will result in a negative impact on awardees.

FEE SUMMARY: Pursuant to Section 67-5226(2), the Governor has found that the fee or charge being imposed or increased is justified and necessary to avoid immediate danger and the fee is described herein: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year resulting from this rulemaking: None

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning the temporary rule, contact Nicholas Wagner at (208) 488-7586 or Nicholas.Wagner@osbe.idaho.gov.

02. Financial Eligibility. The financial need of an applicant for an opportunity scholarship will be based upon the verified expected family contribution Student Aid Index (SAI), as identified by the free application for federal student aid (FAFSA). The Student Aid report used to calculate financial need will be the report generated on the scholarship application deadline. (4-6-23)

03. Additional Eligibility Requirements. (4-6-23)

a. A student must not be in default on a student educational loan, or owe a repayment on a federal grant, and must be in good financial standing with the opportunity scholarship program. (4-6-23)

A student shall not be eligible for an opportunity scholarship if: (4-6-23)

   i. The student has completed more than one hundred fifty percent (150%) of the courses and academic credit necessary to graduate in such major; or (4-6-23)

   ii. Upon review of the student's academic transcript(s), the student cannot complete a degree/certificate in the major identified within two (2) semesters based on normal academic course load unless a determination by the executive director or designee has been made that there are extenuating circumstances and the student has a plan approved by the executive director or designee outlining the courses that will be taken and the completion date of the degree or certificate. (4-6-23)

102. -- 201. (RESERVED)
202. APPLICATION PROCESS.

01. Applications. An eligible student must complete and submit the opportunity scholarship program application to the Board electronically on or before the date specified in the application, but not later than the deadline set by the executive director each year. Adult Learner applications will be processed and awarded on a monthly basis up to the application deadline. An applicant without electronic capabilities may request a waiver of this requirement and, if granted, submit an application on the form established by the Board through the United States Postal Service that must be postmarked not later than the applicable application deadline. The FAFSA must be completed on or prior to the application deadline except for any applications for the 2024-2025 academic year.

02. Announcement of Award. For the 2024-2025 academic year, announcements of the award of initial scholarships will be made no later than June 1, December 31, 2023, of each year, with awards to be effective at the beginning of the first full term following July 1 of that year of the next fiscal year. Announcements must clearly state the award is part of the state’s scholarship program and is funded through state appropriated funds. Additional award announcement may be made after this date based on the availability of funds and the acceptance rate of the initial awards.

03. Communication with State Officials. Applicants must respond by the date specified to any communication from officials of the opportunity scholarship program. Failure to respond within the time period specified will result in cancellation of the scholarship unless extenuating circumstances are involved and approved by the executive director or designee.

203. -- 299. (RESERVED)

300. SELECTION OF SCHOLARSHIP RECIPIENTS.

01. Selection Process. Scholarship awards will be based on the availability of scholarship program funds. Opportunity scholarships will be awarded to applicants, based on ranking and priority, in accordance with the following criteria:

   a. Eligible students shall be selected based on ranking criteria that assigns seventy percent (70%) to financial eligibility, and thirty percent (30%) to academic eligibility. In the event that this weighted score results in a tie, an eligible student who submitted an application to the Board earlier in time will be assigned a higher rank.

   b. Notwithstanding Subsection 300.01.a. of these rules, the priority for the selection of recipients of opportunity scholarship awards shall be to scholarship recipients who received an opportunity scholarship award during the previous fiscal year, and have met all of the continuing eligibility requirements provided in these rules.

02. Monetary Value of the Opportunity Scholarship.

   a. The monetary value of the opportunity scholarship award to a student shall be based on the educational costs for attending an eligible Idaho postsecondary educational institution, less the following:

      i. The amount of the assigned student responsibility, established by the Board annually;

      ii. The amount of federal grant aid, as identified by the Student Aid Report (SAR) that is the FAFSA Submission Summary if known at the time of award determination;

      iii. The amount of other financial aid awarded the student, from private or other sources that is known at the time of award determination;

      iv. The eligible maximum award amount for Adult Learners enrolled in less than twenty-four (24) credit hours or its equivalent in an academic year attending an eligible four-year postsecondary institution, or less
than eighteen (18) credit hours or its equivalent in an academic year attending an eligible two-year institution, will be prorated as follows:

1. Enrolled in six (6) to eight (8) credits or its equivalent per term - fifty percent (50%) of the maximum;
2. Enrolled in nine (9) to eleven (11) credits or its equivalent per term - seventy-five percent (75%) of the maximum; and
3. Enrolled in twelve (12) or more credits or its equivalent per term - one hundred percent (100%) of the maximum.

The amount of an opportunity scholarship award to an individual student shall not exceed the actual cost of tuition and fees at the institution the student attends or will attend, or if the student attends or will attend an Idaho private postsecondary educational institution, the average tuition at Idaho’s public four (4) year postsecondary educational institutions.

Due to federal delays in FAFSA applications for the 2024-25 academic year, the Board may determine monetary value of the scholarship without the FAFSA Submission Summary and may adjust the final award and payment upon receipt of the FAFSA Submission Summary.

### 301. OPPORTUNITY SCHOLARSHIP AWARD.

#### 01. Payment.
Payment of opportunity scholarship awards will be made in the name of the recipient and will be sent to a designated official at the eligible Idaho postsecondary educational institution in which the recipient is enrolled. The official must transmit the payment to the recipient within a reasonable time following receipt of the payment.

#### 02. Duration.
Scholarships will be awarded on an annual basis and payments will correspond to academic terms, semesters, quarters, or equivalent units. In no instance will the entire amount of a scholarship be paid in advance to, or on behalf of, a scholarship recipient. The scholarship may cover up to four (4) educational years, or eight (8) semesters or equivalent for attendance at an eligible Idaho postsecondary educational institution. Awards are contingent on annual appropriations by the legislature and continued eligibility of the student.

#### 03. Eligibility.
If a student receives an opportunity scholarship payment and it is later determined that the student did not meet all of the Opportunity Scholarship Program eligibility requirements, then the student is considered in overpayment status, and must return program funds in accordance with the eligible Idaho postsecondary educational institution’s refund policy.

#### 04. New Scholarships for Community College.
The Board may not award any new scholarship, excluding renewals, to any student attending community college on or after July 1, 2023.

### 302. CONTINUING ELIGIBILITY.

To remain eligible for renewal of an opportunity scholarship, the recipient must comply with all of the provisions of the Opportunity Scholarship Program.

#### 01. Credit Hours.
To remain eligible for renewal of an opportunity scholarship, the scholarship recipient attending a four (4) year eligible postsecondary institution must have completed a minimum of twenty-four (24) credit hours or its equivalent each academic year that the student received an opportunity scholarship award. A scholarship recipient attending a two (2) year eligible postsecondary institution must have completed a minimum of eighteen (18) credit hours or its equivalent each academic year that the student received an opportunity scholarship award. Notwithstanding these provisions, a scholarship recipient who has received the Opportunity Scholarship as an Adult Learner may retain eligibility by completing twelve (12) or more credit hours or its equivalent each academic year the student received the Opportunity Scholarship award. All students may use the summer term to meet the annual credit accumulation requirements.

#### 02. Academic Progress.
To remain eligible for renewal of an opportunity scholarship, the scholarship...
recipient must have maintained a minimum cumulative grade point average of two point seven (2.7) on a scale of four point zero (4.0), and must be maintaining satisfactory academic progress toward their identified postsecondary credential as determined by the institution they are enrolled in. Students receiving an Opportunity Scholarship award as an Adult Learner must make satisfactory progress on their graduation plan established with the eligible institution at the time of admission. (4-6-23)

03. Eligibility Following Interruption of Continuous Enrollment. A scholarship recipient whose continuous enrollment is interrupted for more than four (4) months but less than two (2) years for any reason but who intends to re-enroll in an eligible Idaho postsecondary educational institution must file a letter of intent to withdraw no later than thirty (30) days prior to the first day of the academic term of the discontinued attendance to the Office of the State Board of Education. Failure to do so may result in forfeiture of the scholarship. The Board’s Executive Director or designee will review each request for interruption and notify the individual of approval or denial of the request. In addition, the individual must file a statement with the Board declaring intent to re-enroll as a full-time undergraduate student in an academic or career technical program in an eligible Idaho postsecondary educational institution for the succeeding academic year no later than thirty (30) days prior to the first day of the academic term in which the individual intends to re-enroll within two (2) years of the approval of the request to withdraw. Failure to do so will result in forfeiture of the scholarship unless an extension has been granted. An extension of interruption of continuous enrollment period may be granted for eligible students due to military service in the United States armed forces, medical circumstances, or other circumstances approved by the executive director. All requests for extension must be made thirty (30) days prior to the start of the succeeding academic year. (4-6-23)
AUTHORITY: In compliance with Sections 67-5220(1) and 67-5220(2), Idaho Code, notice is hereby given that this agency intends to promulgate rules and desires public comment prior to initiating formal rulemaking procedures. This negotiated rulemaking action is authorized pursuant to Article IX, Section 2, Idaho Constitution and under Sections 33-105, 33-4303, and 33-4304, Idaho Code.

MEETING SCHEDULE: A public meeting(s) on the negotiated rulemaking will be held no later than August 4, 2023.

Specific meeting dates, times, and locations of scheduled meetings, details are forthcoming and will be provided on the agency website and on Townhall.Idaho.gov.

The meeting site(s) will be accessible to persons with disabilities, if needed. Requests for accommodation must be made at least one (1) day prior to the meeting to the agency address below.

METHOD OF PARTICIPATION: Persons wishing to participate in the negotiated rulemaking must do the following:

Interested persons wishing to participate in the negotiated rulemaking may do so by contacting the undersigned either in writing, by email, or by calling the phone number listed below. Responses must be received by August 4, 2023.

Should a sufficient number of persons respond to this notice, negotiated meetings will be scheduled. All scheduled meetings shall be posted and made accessible on the agency website at the address listed below and via Townhall.Idaho.gov at least 48 hours before the meeting.

Failure of interested persons to respond to this notice of intent or the lack of a sufficient number of responses to this notice of intent may result in the discontinuation of further informal proceedings. In either event, the agency shall have sole discretion in determining the feasibility of scheduling and conducting informal negotiated rulemaking and may proceed directly to formal rulemaking if proceeding with negotiated rulemaking is deemed infeasible.

Upon conclusion of the negotiated rulemaking, any unresolved issues, all key issues considered, and conclusion reached during the negotiated rulemaking will be addressed in a written summary. The summary will be made available to interested persons who contact the agency or, if the agency chooses, the summary may be posted on the agency website.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

Amendments would move the deadline for initial awards from July 1 to December 31 each year. This will ensure that applicants will be informed of the Opportunity Scholarship and Launch Grant Program at the same time. The proposed rule would also allow the Board to make awards pending financial need verification should student access to the Free Application for Federal Student aid (FAFSA) be delayed in a future year.

DESCRIPTIVE SUMMARY AND STATEMENT OF PURPOSE: The following is a statement in nontechnical language of the substance and purpose of the intended negotiated rulemaking and the principal issues involved:

The Idaho State Brand Board received a cooperative request from the Livestock Industries on July 18, 2022, asking for the formulation of a Brand Fee Working Group to study the need for fee adjustments, the potential to improve efficiencies and reduce costs within administration and operation of the brand inspector’s office, and to develop recommendations for a long-range plan to address anticipated budget shortfalls within the Idaho Brand Board. Since that time, the formulated stakeholder group has held multiple meetings to evaluate the foregoing. This negotiated rulemaking will address the collective result of the stakeholder group in negotiating a fee increase within the cattle brand inspection fee and any alternative as brought forth through the negotiated rulemaking process. The Brand Board has not imposed an increase in the cattle brand inspection fee since FY2017.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:
This rulemaking is being done to correct errors in the fees for total coliform testing procedures under Section 200 and align the fees to reflect negotiations held with stakeholders prior to the chapter rewrite approved by the 2022 legislature. Further, this assures that the state will not be in competition with commercial laboratories for these procedures.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

The fees in Subsection 200.02 for Total Coliform/E. coli, Presence/Absence are being revised from the pre-2022 price of $18 to the negotiated price of $21. Similarly, Total Coliform/E. coli, Quantitative are being revised from $20 to $33.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year resulting from this rulemaking:

This rulemaking is not anticipated to have any fiscal impact on the State General Fund, however, it will be an increase in dedicated funds for the State Laboratory. The proposed revisions will be within the laboratory’s appropriation for receipts so it should not result in a substantive budget impact. This increase will help offset higher operating costs associated with this testing. Based upon the 2022 testing volume for the laboratory, these fee revisions will result in approximately a $12,100 increase in receipts.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2)(b), Idaho Code, negotiated rulemaking was not conducted as it was deemed not feasible. This rulemaking is being done simply to correct laboratory fees as negotiated with stakeholders prior to the chapter rewrite approved by the 2022 legislature.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule:

There are no documents incorporated by reference under this chapter of rules.

009. **CRIMINAL HISTORY AND BACKGROUND CHECK REQUIREMENTS.**

01. Compliance With Department-Criminal History Background Checks. Criminal history-background checks are required for certain types of providers under these rules. Providers who are required to have a criminal history-background check must comply with IDAPA 16.05.06, “Criminal History and Background Checks.” Except, through the duration of the declared COVID-19 public health emergency, if the individuals working in the area listed in this rule are unable to complete a criminal background check in accordance with the timeframes set forth in IDAPA 16.05.06, then agencies may allow newly hired direct care staff to begin rendering services prior to completion of the criminal background check in accordance with the requirements specified by the Department in a COVID-19 information release posted on the Department's website at https://healthandwelfare.idaho.gov/providers/idaho-medicaid-providers/information-medicaid-providers. (3-17-22)

02. Department-Issued Variances to Requirements for a Criminal History-Clearance Check. (3-17-22)

a. Notwithstanding those provider types required to obtain a criminal history-clearance check or Department-enhanced clearance under these rules or under IDAPA 16.05.06, “Criminal History and Background Checks,” the Department at its discretion may allow variances to clearance requirements under certain circumstances. Providers who are subject to a criminal history and background check must still complete and notarize an application for a criminal history and background check. (3-17-22)

b. In cases where the application process results in a denial rather than a clearance, and the denial is due to the applicant’s prior convictions for disqualifying drug and alcohol-related offenses, the applicant may, with prior written approval of the Department, deliver covered Medicaid Peer Support and Recovery Coaching services. (3-17-22)

c. A variance may be granted on a case-by-case basis upon review by the Department or its designee of any underlying facts and circumstances in each individual case. The Department will establish the process for the administrative review which will be conducted separate from the criminal history-background check unit. During the Department’s review, the following factors may be considered:

i. The severity or nature of the crimes or other findings; (3-17-22)

ii. The period of time since the incidents occurred; (3-17-22)

iii. The number and pattern of incidents being reviewed; (3-17-22)

iv. Circumstances surrounding the incidents that would help determine the risk of repetition; (3-17-22)

v. The relationship between the incidents and the position sought; (3-17-22)

vi. Activities since the incidents, such as continuous employment, education, participation in treatment, completion of a problem-solving court or other formal offender rehabilitation, payment of restitution, or any other factors that may be evidence of rehabilitation; (3-17-22)

vii. A pardon granted by a state governor or the President of the United States; (3-17-22)

viii. The falsification or omission of information on the self-declaration form and other supplemental forms submitted; and (3-17-22)

ix. Any other factor deemed relevant to the review. (3-17-22)

d. A variance granted under these rules is not a criminal history and background check clearance and...
does not set a precedent for subsequent application for variance. The Department may revoke a variance when it identifies a risk to participants' health and safety. Providers who have been granted a variance must still meet all other Department requirements for Medicaid coverage and reimbursement of Peer Support and Recovery Coaching services, and are prohibited from delivering any other covered Medicaid service without the required clearance or Department enhanced clearance.

(3-17-22)

03. Availability to Work or Provide Service.

a. The employer, at its discretion, may allow an individual to provide care or services on a provisional basis once the application for a criminal history and background check is completed and notarized, and the employer has reviewed the application for any disqualifying crimes or relevant records. The employer determines whether the individual could pose a health and safety risk to the vulnerable participants it serves. The individual is not allowed to provide care or services when the employer determines the individual has disclosed a disqualifying crime or relevant records.

(3-17-22)

b. Those individuals licensed or certified by the Department are not available to provide services or receive licensure or certification until the criminal history and background check is completed and a clearance issued by the Department.

(3-17-22)

04. Additional Criminal Convictions. Once an individual has received a criminal history clearance, any additional criminal convictions must be reported by the agency to the Department when the agency learns of the conviction.

(3-17-22)

The provider must obtain the required information by using the Medicaid number on the identification card from the Electronic Verification System (EVS) and transfer the required information onto the appropriate claim form. Where the Electronic Verification System (EVS) indicates that a participant is enrolled in Healthy Connections, the provider must comply with referral or follow-up communication requirements defined in Section 210 of these rules.

   c. Upon providing the care and services to a participant, the provider or their agent must submit a properly completed claim to the Department.

06. Lower of Cost or Charges. (3-17-22) (7-1-23)

i. The provider must explain that the participant has the right to make decisions regarding their medical care which includes the right to accept or refuse treatment. In this case, to the extent that a facility issues materials about policies and procedures to the families or to the surrogates or other concerned persons of the incapacitated patient in accordance with state law, it must also include the information concerning advance directives. This does not relieve the facility from its obligation to provide this information to the patient once they are no longer incapacitated.

04. Provider Agreement. A “Memorandum of Understanding Regarding Advance Directives” is incorporated within the provider agreement. By signing the Medicaid provider agreement, the provider is not excused from its obligation regarding advance directives to the general public under Section 1902(a) of the Social Security Act, as amended by Section 4751 of OBRA 1990.

DEPARTMENT OF HEALTH AND WELFARE
Child and Family Services

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Under the Adoption Section there is clear language that outlines that only social workers are responsible for assisting children in processing grief and loss as a result of their separation from their parents. Language specific to “social workers” needs to be modified to include family services workers, which includes licensed and non-licensed social workers and individuals with a human services degree. This change aligns with current staffing and practices and allows all Department staff who fall under the definition of “family services worker” (who maintains case planning and case management responsibilities) the authority to complete monthly contacts with children in foster care as required by the Social Security Act §422(b)(17) and §424(f).

TEMPORARY RULE JUSTIFICATION: Pursuant to Section(s) 67-5226(1) Section (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

This change is necessary for the protection of the public health, safety, or welfare of citizens utilizing the services in family services and clarifies rule to align with current practice.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

There are no associated fee changes due to the Temporary and Proposed rule changes in this rulemaking.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

This rulemaking is not anticipated to have any fiscal impact on the State Funds, General Funds, or any other known funds.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not conducted because these changes are simple, align with current practices, and clarifies processes in rule.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule:

There are no incorporation by reference changes included in this rulemaking.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the temporary and proposed rule, contact Sabrina Brown, 208-850-5662.

Anyone may submit written comments regarding this proposed rulemaking. All written comments must be directed to the undersigned and must be delivered on or before July 26, 2023.

EFFECTIVE DATE: The effective date of the temporary rule is July 1, 2023.

AUTHORITY: In compliance with Sections 67-5221(1) and 67-5226, Idaho Code, notice is hereby given that this agency has adopted a temporary rule, and proposed rulemaking procedures have been initiated. The action is authorized pursuant to Sections 40-312 and 49-201, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than July 26, 2023.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is the required finding and concise statement of its supporting reasons for adopting a temporary rule and a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Proposed changes include allowing for commercial driver’s license holders to renew their licenses online, the broadening of allowances to renew standard driver’s license online, and eliminating unnecessary and overly-preceptive language.

TEMPORARY RULE JUSTIFICATION: Pursuant to Sections 67-5226(1)(b) and (c), Idaho Code, the Governor has found that temporary adoption of the rule is appropriate for the following reasons:

The Idaho legislature passed H009 during the 2023 legislative session. This bill modified Section 49-319(10), Idaho Code, allowing for commercial driver’s license (CDL) holders to renew their licenses online. In order to reflect this allowance in IDAPA 39.02.76, there is a need to establish a temporary rule to mirror the legislation’s effective date (July 1, 2023). The broadening of overall online driver’s license and identification card renewals confers a benefit to many Idahoans, and the proposed elimination of unnecessary language is in line with the Governor’s Red Tape Reduction Act.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

Not applicable.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars ($10,000) during the fiscal year:

There is no fiscal impact associated with this rulemaking.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, the following is a brief synopsis of why the materials cited are being incorporated by reference into this rule:

There are no documents being incorporated by reference.

O. 2020-01 and the Department’s 5-year review schedule, the goal of these rulemakings is to make changes and modifications that remove obsolete language, eliminate unnecessary restrictions and provide overall clarity.

- 39.02.22 Rules Governing Registration and Permit Fee Administration;
- 39.03.01 Rules Governing Definitions Regarding Special Permits;
- 39.03.02 Rules Governing Movement of Disabled Vehicles;
- 39.03.03 Rules Governing Special Permits – General Conditions and Requirements;
- 39.03.04 Rules Governing Special Permits – Overweight Non-Reducible;
