The ISDA is a member of a national standards organization called the North American Invasive Species Management Association (NAISMA). NAISMA has standards for Noxious Weed Free Forage and Straw (NWFFS) products. NAISMA changed its NWFFS standards on February 1, 2016. ISDA will not be able to certify forage crops to the NAISMA standards until these rules are amended. Idaho has multiple manufacturers of NWFFS products (forage cubes & pellets). As currently written in the rules without the proposed changes, these products can only be certified to the previous NAISMA standards.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the September 7, 2016 Idaho Administrative Bulletin, [Vol. 16-9, pages 27-36](#).

300. WHEAT UNDER COMMODITY CREDIT CORPORATION LOANS.

01. Payee. The Commission will be named as payee to receive three and one half cents (\$.3½) per bushel when the producer's note and loan agreement is executed by the Farm Service Agency (FSA). In such cases,

the lending agency will send the tax directly to the Commission. When the producer's note and loan agreement shows that the tax has been deducted and sent to the Commission, it will not be necessary for the buyer to deduct the tax when the wheat is purchased. (3-14-16)

Since the legislature has made the tax a lien prior to all other liens and encumbrances of the wheat, it is necessary for the grain buyer to make sure the tax has been paid in order to obtain clear title to the wheat. The tax should be deducted in all cases where there is not evidence that the tax was previously paid by a lending agency. In case errors occur and the tax is deducted by a lending agency and again deducted by a grain buyer, refund will be made by the Commission. (3-14-16)

03. Delivery of Documents to Commission. The first purchaser of wheat shall complete and return the Report of Tax on Wheat, or equivalent, to the Commission office at the end of each production year (July 1 through June 30). - a.** Name or names of the grower and seller; and ()
- b.** Address or addresses of the grower and seller. ()

THE FOLLOWING NOTICE WAS PUBLISHED WITH THE PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 54-2105, Idaho Code.

PUBLIC HEARING SCHEDULE: Public hearing(s) concerning this rulemaking will be scheduled if requested in writing by twenty-five (25) persons, a political subdivision, or an agency, not later than September 21, 2016.

The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This rulemaking is needed to: (1) implement a provision of Idaho Code; (2) provide clarity to continuing education requirements for certified veterinary technicians; and (3) eliminate an unnecessary requirement in existing rule regarding membership on the Committee on Humane Euthanasia. Currently, Board rules do not comply with a statute that states that Board of Veterinary Medicine rules must address when and where Board meetings are held. This rulemaking corrects this deficiency. The rulemaking also seeks to update and clarify provisions regarding continuing education requirements for certified veterinary technicians to be more consistent with comparable provisions for veterinarians. Finally, an existing rule requires that a member of the Board sit on the Committee on Humane Euthanasia. It is widely recognized that this provision is unnecessary and the rulemaking will remove this requirement.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: N/A

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year resulting from this rulemaking: N/A
