NOTICE OF RULEMAKING – ADOPTION OF PENDING FEE RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending fee rule will not become final and effective until it has been approved by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The pending fee rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution unless the rule is rejected.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Sections 56-202(b), 56-253, and 56-257, Idaho Code; and House Bill 43 (2017).

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending fee rule and a statement of any change between the text of the proposed rule and the text of the pending fee rule with an explanation of the reasons for the change:

These rule changes will enable the Department to charge a monthly premium to YES participants whose family income is above Title XIX income limits. The Department is charging a premium to comply with the cost-sharing provisions in Section 56-257, Idaho Code, as well as to uphold parity among similar programs targeting populations of Idaho children with special health care needs.

There are no changes to the pending fee rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the October 4, 2017, Idaho Administrative Bulletin, [Vol. 17-10, pages 310-312](#).

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased. The fee is being imposed pursuant to Section 56-257, Idaho Code.

The Department will establish a premium fee schedule at rates not to exceed maximums set forth in federal law (i.e., the aggregate limit of five percent (5%) of the family's income at 42 CFR 447.56) and regulations governing state Medicaid programs. The fee schedule will be published on the Department's website and provided to families participating in the Youth Empowerment Services (YES) program who are subject to premiums. This monthly premium may be waived if the Department determines that the family is unable to participate in the cost of care.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year as a result of this rulemaking:

The costs for the Youth Empowerment Services (YES) program were originally estimated in the fiscal note for House Bill 43 (2017) and funding addressed in House Bill 313 the same year, which provided legislative direction to pursue premiums for families of children with serious emotional disturbance. This cost-sharing rule establishes a sliding scale premium for eligible YES participants over 150% of the Federal Poverty Guidelines. Based on similar premium cost sharing methodologies, it is estimated that these premiums will generate approximately \$57,000 in receipts in SFY 2019, \$86,000 in SFY 2020, and \$115,000 in SFY 2021. These premiums will contribute to offsetting future costs of the YES program as services are implemented over time.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Section 54-3712, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending fee rule and a statement of any change between the text of the proposed rule and the text of the pending fee rule with an explanation of the reasons for the change:

There are no changes to the pending fee rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the October 4, 2017 Idaho Administrative Bulletin, [Vol. 17-10, pages 353-354](#).

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased. This fee or charge is being imposed pursuant to Section 54-3712, Idaho Code.

Rule 41 reduces the initial licensure fee for occupational therapists from \$100 to \$80 and occupational therapy assistants from \$75 to \$60. It reduces the active license renewal fee for occupational therapists from \$55 to \$40 and occupational therapy assistants from \$35 to \$30. It also reduces the inactive license renewal fee for occupational therapists and occupational therapy assistants from \$25 to \$20.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: N/A

27.01.02 – RULES GOVERNING LICENSURE AND REGISTRATION

DOCKET NO. 27-0102-1701 (NEW CHAPTER)

NOTICE OF RULEMAKING – ADOPTION OF PENDING FEE RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2018 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending fee rule will not become final and effective until it has been approved by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The pending fee rule becomes final and effective on July 1, 2018.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Section 54-1717, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending fee rule and a statement of any change between the text of the proposed rule and the text of the pending fee rule with an explanation of the reasons for the change:

There are no changes to the pending fee rule and it is being adopted as originally proposed. The complete text of the proposed rule was published in the October 4, 2017 Idaho Administrative Bulletin, [Vol. 17-10, pages 405 through 417](#).

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased. This fee or charge is being imposed pursuant to Section 54-1720, Idaho Code.

The following categories of licensure or registration are proposed to be eliminated:

Category	Current Fee(s)	Proposed Fee	Note
Nursing Home	\$35	\$0	Category proposed to be eliminated.
Non-Pharmacy Retail Outlet	\$35	\$0	Category proposed to be eliminated.
Veterinary Drug Technician	\$35	\$0	Category proposed to be eliminated.
Inactive Pharmacist License	\$50	\$0	Category proposed to be eliminated.

Currently, to practice pharmacy in Idaho, a pharmacist must obtain a license or registration (fees vary) and separately a controlled substance registration (\$60). Idaho is among a minority of states that requires these separate licenses and registrations. The Board proposes to eliminate the separate controlled substance registration, and adjust the fees for pharmacists as follows:

Category	Current Fee(s)	Proposed Fee	Note
Pharmacist Controlled Substances Registration	\$60	\$0	Category proposed to be eliminated and bundled with the separate pharmacist license or registration, as described in the following columns.

Category	Current Fee(s)	Proposed Fee	Note
Pharmacist License by Examination (Initial)	\$100	\$140	The fee would be adjusted to account for consolidation of the pharmacist controlled substances registration. Pharmacists who currently hold both a pharmacist license and controlled substance registration save \$20 annually by consolidating the two. Otherwise there is a net \$40 increase. As of April 2017, there were only 80 pharmacists in Idaho (3% of total pharmacist licensees) who held a pharmacist license but not a controlled substance registration. These pharmacists are generally in non-practice settings. In addition, 780 out-of-state pharmacists did not hold a controlled substance registration.
Pharmacist License (Renewal)	\$90	\$130	
Pharmacist License by Reciprocity (Initial)	\$250	\$140	The National Association of Boards of Pharmacy license transfer process has streamlined the staff work burden for license reciprocity applications; the proposed fee would now create parity with the fee for pharmacist licensure by exam.

In addition, the Board intends to increase the fee for its nonresident pharmacist registration category from \$250 to \$290, which also accounts for the consolidation of the pharmacist controlled substance registration. Currently, Section 54-1720, Idaho Code, caps the fee for pharmacists at \$250, which prevents the Board from making this change as part of this rule docket. The Board intends to bring agency legislation to address this cap; if this agency legislation successfully passes, the Board intends to make this change via temporary rule after the conclusion of the 2018 legislative session and prior to the effective date of these rules (July 1, 2018).

Currently, to distribute medications in Idaho, a distributor must obtain a license or registration (fees vary) and separately a controlled substance registration (\$100) if they are distributing controlled substances. Idaho is among a minority of states that requires these separate licenses and registrations. The Board proposes to eliminate the separate controlled substance registration, and adjust the fees for distributors as follows:

Category	Current Fee(s)	Proposed Fee	Note
Distributor Controlled Substances Registration	\$100	\$0	Category proposed to be eliminated and bundled with the separate distributor/manufacturer license or registration.
Manufacturer	\$100	\$150	Distributors who currently hold both a distributor registration and controlled substance registration save \$50 annually by consolidating the two. Otherwise there is a net \$50 increase.
Wholesale Distributor	\$130	\$180	
Wholesale OTC	\$100	\$150	

Lastly, the Board proposes to modify the following fees for various reasons described in the table:

Category	Current Fee(s)	Proposed Fee	Note
Technician-in-Training	\$35/year	\$35/two years	Technicians-in-training will save \$35 if their training period exceeds the first year.

Category	Current Fee(s)	Proposed Fee	Note
Prescriber Drug Outlet	\$35	\$100	When the Board initially established the fee, it proved insufficient to cover the costs associated with licensing and inspections. The fee for all other drug outlets is \$100, so this creates parity and accounts for the Board's actual expenses.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

The proposed changes have no impact on the state General Fund. The net revenue change to the Board of Pharmacy's dedicated fund is projected to be a net decrease of \$18,503 on renewals as proposed in the current rules. If the Board's agency legislation also passes, enabling an increase in the nonresident pharmacist registration fee, the net impact on the Board's dedicated fund is projected to be an increase of \$4,338 on renewals.

ASSISTANCE ON TECHNICAL QUESTIONS: For assistance on technical questions concerning this pending fee rule, contact Alex Adams at (208) 334-2356.

THE FOLLOWING NOTICE WAS PUBLISHED WITH THE PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Section 54-1717, Idaho Code.

PUBLIC HEARING SCHEDULE: A public hearing concerning this rulemaking will be held as follows:

PUBLIC HEARING
Wednesday, October 25, 2017 – 9:00 a.m. (MDT)

Idaho State Capitol Building
Room WW53
700 West Jefferson Street
Boise, ID 83702

For those planning to attend the open public hearing, the Board will accept written and verbal comments. For all others not planning to attend the public hearing, written comments will be accepted by the Executive Director on or before close of business on October 24, 2017 as follows:

- Written comments received by October 20, 2017 will be included in the Board's distributed meeting material for consideration in advance of the hearing.
- Written comments received between October 21, 2017 and October 24, 2017 will be printed and provided to the Board at the open public hearing.

The hearing site will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

The scope of Chapter 27.01.02 is to establish the rules related to licensure and registration for both individuals and facilities. This chapter is comprised of rules from the existing Board rules as follows: general requirements, board fees, fee schedule, pharmacist licensure and registration, pharmacist intern registration, technician registration, practitioner controlled substance registration, and drug outlet licensure and registration. Changes made to the current rules include:

- Elimination of the following licensure or registration categories: nursing home, non-pharmacy retail outlet, veterinary drug technician, and inactive pharmacist license. Elimination of the license or registration does not mean that these activities cannot occur; it merely removes the need for a government permission slip prior to engaging in these activities as it relates to the practice of pharmacy;
- Consolidation of pharmacist controlled substance registration and distributor controlled substance registration into the main licenses for each category;
- Changes to the fee schedule for pharmacists, manufacturers, distributors, and prescriber drug outlets as outlined below;
- Annual renewal deadlines are changed for individuals (birth month) and facilities (now December 31);
- Continuing pharmacy education requirements are streamlined for pharmacists and Board-approved credits are removed as this duplicates a service provided commonly and more effectively by the private sector;
- Externs and interns are consolidated into a single license type, now called 'pharmacist interns';
- The technician-in-training registration is capped at a period at two (2) years from the date of issuance, the employer requirement is removed for technicians-in-training, and a student technician category is created;
- Drug outlets may obtain a temporary license number so that pharmacies can start health plan contracting prior to opening provided certain criteria are met;
- Removes the requirement that a floor plan must be submitted to, and approved by, Board staff prior to a remodel; and
- Streamlines the process for permanently closing a pharmacy.

These rules will take effect in their entirety on July 1, 2018.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

The following categories of licensure or registration are proposed to be eliminated:
