24.28.01 – RULES OF THE BARBER AND COSMETOLOGY SERVICES LICENSING BOARD

DOCKET NO. 24-2801-1802 (NEW CHAPTER)

NOTICE OF RULEMAKING – ADOPTION OF PENDING FEE RULE

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2019 Idaho State Legislature for final approval. Pursuant to Section 67-5224(5)(c), Idaho Code, this pending fee rule will not become final and effective until it has been approved by concurrent resolution of the legislature because of the fee being imposed or increased through this rulemaking. The pending fee rule becomes final and effective upon adoption of the concurrent resolution or upon the date specified in the concurrent resolution unless the rule is rejected.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending fee rule. The action is authorized pursuant to Sections 54-5807 and 54-5822, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending fee rule and a statement of any change between the text of the proposed rule and the text of the pending fee rule with an explanation of the reasons for the change:

Senate Bill 1324, which passed during the 2018 Legislative Session, combined the Boards of Barber Examiners and Cosmetology. The new Barber and Cosmetology Services Licensing Board is adopting rules to implement the new law. These rules are based upon public protection, portability of licenses, and eliminating barriers to employment. The pending rules implement Senate Bill 1324, which reduced the minimum hours of instruction required for cosmetology, barber-stylist, and electrology licenses; created a new certificate for individuals who only want to practice make-up artistry; and created a registration for retail thermal styling equipment dealers to do limited demonstration on potential customers. The rules also specify what services a licensee may perform outside a licensed establishment; provide for the transfer of instructional hours between professions; and modernize safety and disinfection requirements.

The changes to the pending rule specify that a licensed instructor may maintain a single license to practice and instruct; allow the Board to place an establishment or facility license out of business after a thirty-day written notice to the owner(s) when the Board has documentation or evidence that the establishment is out of business; expressly allow a student to count a certain number of instructor-approved hours for outside of school activities toward instructional hour requirements; and clarify language that was unclear or determined to be unnecessary.

The text of the pending fee rule has been amended in accordance with Section 67-5227, Idaho Code. Only those sections that have changes that differ from the proposed text are printed in this bulletin. The hearing site(s) will be accessible to persons with disabilities. Requests for accommodation must be made not later than five (5) days prior to the hearing, to the agency address below.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

Senate Bill 1324, which passed during the 2018 Legislative Session, combined the Boards of Barber Examiners and Cosmetology. The new Barber and Cosmetology Services Licensing Board is adopting rules to implement the new law. These rules are based upon public protection, portability of licenses, and eliminating barriers to employment.

The proposed rules implement Senate Bill 1324, which reduced the minimum hours of instruction required for cosmetology, barber-stylist, and electrology licenses; created a new certificate for individuals who only want to practice make-up artistry; and created a registration for retail thermal styling equipment dealers to do limited demonstration on potential customers. The rules also specify what services a licensee may perform outside a licensed establishment; provide for the transfer of instructional hours between professions; and modernize safety and disinfection requirements.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased:

The Board operates on dedicated funds and must be self-supporting. The following fees are established in accordance with Section 54-5822, Idaho Code, as follows: original license fee for individual licenses: \$25; original license fee for instructors: \$30; original license fee for establishments: \$20; original license fee for schools: \$300; original license or registration fee for facilities: \$20; renewal fee for individual licenses: \$25; renewal fee for instructors: \$30; renewal fee for establishments: \$20; renewal fee for schools: \$85; renewal fee for facilities: \$20; registration fee for apprentice: \$25; certificate for makeup artist: \$25; and license by endorsement fee: \$35.
