MEMORANDUM

TO: Members of the 2022 Idaho State Legislature

Alex J. Adams, Administrator Oly O. Oeleve Bradley A. Hunt, Rules Coordinator /3 Nat FROM:

SUBJECT: Overview of Executive Agency Rulemaking in 2021

Background. Governor Little maintains and continues to stress the importance of an efficiently functioning government along with ensuring continuity of the services citizens expect and implemented through executive administrative rules. Nearly all rules published in the Legislative Rules Review books are simply re-published because the 2021 Legislature adjourned *sine die* without passing a concurrent resolution approving any pending fee rules as specified in Section 67-5224, Idaho Code, as well as not extending any effective rule on July 1 by statute as outlined in Section 67-5292, Idaho Code. The necessary rules were re-published in the following special bulletins:

- July 21 Temporary Rules
- October 20 Proposed Rules
- December 22 Pending Rules

Changes in Existing Rules. Since the vast majority of rules either expired or were not approved, there is no existing rule available to amend. Therefore, only a clean version of the rule chapter is able to be presented to the Legislature in January 2022. In some cases, rules were modified based on public comment, or to implement Executive Order 2020-01, Zero-Based Regulation (ZBR), among other reasons. Given the unprecedented volume, edits are incorporated within a single omnibus docket, or in the case of ZBR rulemaking a standalone docket, and presented as a clean rule chapter. There are several ways that legislators may view previous rules for comparison purposes:

- An archive of any rule since 1996 is available on the DFM website. This allows legislators to see the evolution of a rule over time.
- The Legislative Services Office analyzes all proposed rules. You can find their analysis of proposed rules which, in some cases, may discuss changes between previous rules and the proposed rules. These may be found on the Legislature's website.
- Changes made between the proposed and pending rule stages for omnibus rulemaking were noted in the December 22 bulletin where applicable.

Process for Approving Rules. Below, you will find a brief description on legislative actions and outcomes regarding the rules review process and contents of the Legislative Rules Review Books:

- Pending Fee Rules must be affirmatively approved by both bodies via adoption of concurrent resolution to become final.
- Pending Rules become final and effective sine die unless rejected, in whole or in part, via concurrent resolution adopted by both bodies.
 - Pending rules may be approved, in whole or in part, or rejected if determined to be inconsistent with legislative intent of the governing statute.
 - If rejected, new or amended language must be identified at a numerical or alphabetical designation within the rule and specified in the concurrent resolution.
- A link to LSO's proposed rule analysis is provided at the beginning of each docket and includes any required supporting documentation (e.g. Cost Benefit Analysis (CBA), Incorporation By Reference Synopsis (IBRS)) as part of the analysis.
- All 2022 review books can be accessed on the DFM website here.

Contact Information. If questions arise during the rules review process, please do not hesitate to contact the Rules Coordinator, Brad Hunt: Brad.Hunt@dfm.idaho.gov; 208-854-3096.

LINK: LSO Rules Analysis Memo

EFFECTIVE DATE: This rule has been adopted by the agency and is now pending review by the 2022 Idaho State Legislature for final approval. The pending rule becomes final and effective upon the conclusion of the legislative session, unless the rule is approved or rejected in part by concurrent resolution in accordance with Section 67-5224 and 67-5291, Idaho Code. If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of, or date specified in, the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Sections 45-616 and 72-1333(2), Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change.

This pending rule adopts and publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 09, rules of the Idaho Department of Labor:

- 09.01.01, Rules of Administrative Procedure of the Department of Labor;
- 09.01.08, Rules on Disclosure of Employment Security Information;
- 09.01.30, Unemployment Insurance Benefits Administration Rules; including the following modifications:

 - Self-Employment Earnings. Simplifies how claimants report income for self-employment. Full-Time / Part-Time Work. Simplifies the criteria for eligible claimants who work part time.
- 09.01.35, Unemployment Insurance Tax Administration Rules;
- 09.02.01, Rules of the Disability Determinations Service; and
- 09.05.03, Rules for Determining Bargaining Representatives.

There are no changes to the pending rule and it is being adopted as originally proposed. The complete text of the proposed rulemaking was published in the October 20, 2021, Special Edition of the Idaho Administrative Bulletin, Vol. 21-10SE, pages 762-812.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules and fees being reauthorized by this rulemaking.

THE FOLLOWING NOTICE PUBLISHED WITH THE OMNIBUS PROPOSED RULE

AUTHORITY: In compliance with Section 67-5221(1), Idaho Code, notice is hereby given that this agency has initiated proposed rulemaking procedures. The action is authorized pursuant to Sections 45-616 and 72-1333(2), Idaho Code.

PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 09, rules of the Idaho Department of Labor:

IDAPA 09

- 09.01.01, Rules of Administrative Procedure of the Department of Labor;
- 09.01.08, Rules on Disclosure of Employment Security Information;
- 09.01.30, Unemployment Insurance Benefits Administration Rules;
- 09.01.35, Unemployment Insurance Tax Administration Rules;
- 09.02.01, Rules of the Disability Determinations Service; and
- 09.05.03, Rules for Determining Bargaining Representatives.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year:

This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

Negotiated rulemaking conducted outside of this omnibus rulemaking under Docket No. 09-0130-2101 published in the June 2, 2021 Idaho Administrative Bulletin, Vol. 21-6, page 48, and affects the following rule chapter included in this proposed rulemaking: IDAPA 09.01.30.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rules attached hereto.

system or other programs administered by the Department must be determined by the requirements of applicable federal law. Procedures for administrative proceedings and appeals are provided for in the Employment Security Law and these rules. All procedures affecting the rights to benefits and unemployment insurance coverage must be determined solely by the requirements of the Employment Security Law. Such proceedings must be speedy and simple as required by the Federal Unemployment Tax Act and the Social Security Act. The Department determines that it can more adequately meet these requirements through promulgating its own rules rather than relying upon the rules applicable to other state agencies.

02. Claims for Wages Proceedings. All proceedings to determine claims for wages are exempt from the contested case provisions of the Idaho Administrative Procedure Act pursuant to Section 45-617(2), Idaho Code. Procedures for administrative proceedings and appeals are provided for in the Claims for Wages Act and these rules.

017. (RESERVED)

018. DECLARATORY RULING PROCEDURES.

Form and Contents of Petitions for Declaratory Rulings on Applicability of Statutes or Rules. Any person petitioning for a declaratory ruling on the applicability of a statute or Department rule must comply with this rule.

- **01. Form of Petition.** The petition must: identify the petitioner and state the petitioner's interest in the matter; state the declaratory ruling that the petitioner seeks; and indicate the statute, or rule, and the factual allegations upon which the petitioner relies to support the petition.
- **02. Legal Assertions.** Citations of cases and/or statutory provisions may accompany the legal assertions in a petition for a declaratory ruling.
- **03. Filing Petition**. A petition for a declaratory ruling on applicability of statutes or rules must be filed with the Director of the Department at 317 Main Street, Boise, Idaho 83735.
- **04. Disposition of Petitions for Declaratory Rulings.** When a petition is received in the form and content required by these rules, the Director or the Director's designee will review the petition contents and request additional information from the petitioner, if necessary, and thereafter rule on the petition and notify the petitioner and any other interested parties in writing of the ruling.

019. – 024. (RESERVED)

025. WAGE CLAIMS PROCEDURES.

Administrative procedures for wage claims filed with the Department pursuant to the Claims for Wages Act are governed by these rules and Section 45-617, Idaho Code.

026. DISMISSAL OF WAGE CLAIMS FOR LACK OF PROSECUTION.

Wage claimants have a responsibility to seek prompt adjudication of their claims. The Department may dismiss, without prejudice, wage claims when claimants fail to respond within thirty (30) days to written notice from the Department that additional action is required on their part to prosecute their claim. The thirty (30) day period for a response begins the date the notice is mailed to the wage claimant's last known address. Mailed responses are deemed received the date they are postmarked. A wage claim dismissed for lack of prosecution may be refiled with the Department subject to limitations of Sections 45-614 and 45-617(1), Idaho Code.

027. WAGE CLAIM AND EMPLOYMENT SECURITY LAW DETERMINATIONS.

O1. Determinations and Time for Filing Appeals. Department determinations under the Claims for Wages Act and Employment Security Law must be in writing and contain provisions advising the interested parties of their right to appeal the determination within fourteen (14) days from the date of mailing, or the date of electronic transmission to an electronic-mail address approved by the Department, in accordance with Sections 45-617(5), 72-1361 and 72-1368(5), Idaho Code, and must contain and clearly identify the mailing address, fax number and electronic address for filing an appeal. The date of mailing or service indicated on the determination shall be deemed the date of service of the determination. A determination is final unless, within fourteen (14) days after notice, as

Section 018 Page 8

provided in Sections 45-617(5) and 72-1368(5), Idaho Code, an appeal is filed by an interested party with the Department in accordance with these rules. If an appeal from a wage claim determination is not timely filed, the amount awarded by a final determination will be immediately due and payable to the Department.

- **02. Appeals Heard By Appeals Examiners.** Appeals from wage claim and Employment Security Law determinations will be heard by an appeals examiner in accordance with the Claims for Wages Act, the Employment Security Law, and these rules.
- **O3.** Computation of Time. In computing any time period prescribed or allowed by the Employment Security Law or the Claims for Wages Act, the day of the act, event, or default is not to be included. Saturdays, Sundays, and holidays will be counted during the period, except, if the last day of the period is a Saturday, Sunday, or legal holiday, the period extends to the next business day following the Saturday, Sunday, or legal holiday.

028. - 034. (RESERVED)

035. APPEALS TO APPEALS EXAMINER – FORM AND MANNER OF FILING OF NOTICES OF APPEAL.

- **O1. Form of Notices of Appeal**. Any appeal taken to an appeals examiner pursuant to the Employment Security Law and the Claims for Wages Act must be in writing, signed by an interested party, the appellant or representative, and contain words that, by fair interpretation, request the appeal process for a specific determination or other decision of the Department.
- **O2. Filing of Notices of Appeal**. To appeal a determination or other decision of the Department, interested parties must follow these rules and the instructions on the determination or other decision being appealed. If an appeal is delivered personally, the personal delivery date will be noted on the appeal and deemed the date of filing. A faxed or electronically transmitted appeal will be deemed filed on the date received by the Department (mountain time) or, if received on a weekend or holiday, the next business day. If mailed, the appeal will be deemed filed on the date of mailing as determined by the postmark on the envelope containing the appeal, unless a party establishes by a preponderance of the evidence that but for error by the U.S. Postal Service, the envelope would have been postmarked within the period for timely appeal. If such a postal error is established, the appeal will be deemed to be timely filed. Ref. Section 72-1368(6), and Section 45-617, Idaho Code.

036. DATE OF SERVICE OF DETERMINATIONS.

The date indicated on determinations and decisions as the "Date of Service" or "Date of Mailing" will be presumed to be the date the document was deposited in the United States mail, or the date the document was electronically transmitted to an electronic-mail address approved by the Department pursuant to Section 72-1368(5), Idaho Code, unless shown otherwise by a preponderance of competent evidence.

037. EFFECT OF DELAY OR ERROR OF POSTAL SERVICE OR DEPARTMENT.

- **O1. Department Determinations.** If a party establishes by a preponderance of the evidence that because of delay or error by the U.S. Postal Service, or because of error on the part of the Department, a determination was not delivered to the party's last known address, or transmitted electronically to the party's electronic-mail address approved by the Department, within fourteen (14) days of the date of mailing or service indicated on the determination, the period for filing a timely appeal extends to fourteen (14) days from the date of actual notice.
- **O2. Decisions of the Appeals Examiner**. If a party establishes by a preponderance of the evidence that, because of delay or error by the U.S. Postal Service, or because of error on the part of the Department, a decision by an appeals examiner was not delivered to the party's last known address, or transmitted electronically to the party's electronic-mail address approved by the Department, within the time periods prescribed by the Employment Security Law or the Claims for Wages Act for filing an application for rehearing or an appeal to the Industrial Commission, as the case may be, then:
- **a.** For an application for rehearing that must be filed within ten (10) days of notice of service of a decision, the period for filing a timely application for rehearing extends to ten (10) days from the date of actual

Section 035 Page 9

notice; and

b. For an appeal to the Industrial Commission that must be filed within fourteen (14) days of notice of service of a decision, the period for filing a timely appeal extends fourteen (14) days from the date of actual notice. Ref. Section 72-1368 (5) and (6) and Section 45-617(7), Idaho Code.

038. DISMISSAL IF FILING IS LATE.

Where it appears any appeal (request for hearing) to the appeals examiner, or claim, or any other request or application, was not filed within the time period prescribed for filing, it will be dismissed on such grounds; provided, however, before or after such dismissal, the adversely affected interested party will be notified and given an opportunity to show that such appeal, claim for review, petition, or other request was timely. If it is found that such appeal, claim for review, petition, or other request or application was timely, the matter will be decided on the merits. Copies of a decision under this section will either be given, mailed, or electronically transmitted to an electronic-mail address approved by the Department pursuant to Section 72-1368(5), Idaho Code, to all interested parties, together with a clear statement of right of appeal or review. Ref. Section 72-1368 and Section 45-617, Idaho Code.

039. – 044. (RESERVED)

045. CONDUCT OF APPEALS HEARING.

Upon request for appeal, a hearing before an appeals examiner will be set. Written notice of the time and place of the hearing will be mailed or electronically transmitted to each interested party not less than seven (7) days prior to the hearing date.

- **01. Telephone Hearings**. Hearings will be held by telephone unless, at the sole discretion of the appeals examiner, a personal hearing should be set. In deciding the manner in which to conduct the hearing, the appeals examiner will consider factors, including but not limited to the desires of the parties, possible delay and expense, the burden of proof, the complexity of the issues, and the number and location of witnesses. ()
- **O2. Continuance.** The appeals examiner may postpone or continue a hearing for good cause on the examiner's own motion or that of any party, before a hearing is concluded. The appeals examiner may dismiss an appeal for good cause, such as abandonment of the appeal.
- **03. Rehearing.** An application for rehearing will be in writing and filed in person or postmarked within ten (10) days after the appeals examiner's decision is served.
- **04. No Appearance Hearings.** If no party appears to present additional evidence, a decision may be based on the existing record. For this purpose, the existing record will consist of documents maintained by the Department in the ordinary course of adjudicating the issues in the case, copies of which are provided to the parties with the notice of hearing.
- **05. Exhibits and Recordings.** Hearing exhibits and recordings may be destroyed, reused, or otherwise disposed of after the expiration of the time period for appeal from the decisions of the appeals examiner. ()
- **06. Subpoenas**. After determining a subpoena of a witness or records is necessary and reasonable, the appeals examiner will issue the subpoena, which may be served by mail or in person.
- **07. Failure to Respond to Subpoena**. If a person fails to respond to a subpoena issued by mail, the appeals examiner will proceed with the scheduled hearing and determine, after hearing available testimony, whether the subpoena is still necessary and reasonable. If so, the hearing will be continued and a second subpoena will be issued and personally served.
- **08.** Witness Fees. Individuals who attend hearings before the appeals examiner as subpoenaed witnesses, not parties, are entitled to receive a fee of seven dollars and fifty cents (\$7.50) for each day or portion thereof for attendance. In no case will a witness be paid more than seven dollars and fifty cents (\$7.50) for any one (1) day. Subpoenaed witnesses are entitled to mileage expense at the current allowable mileage reimbursement rate as determined by the Idaho State Board of Examiners. For appeals under the Employment Security Law, such witness fees and mileage expenses will be paid from the Employment Security Administration fund. Under no circumstances

Section 038 Page 10

will interested parties to a hearing be granted witness fees or mileage expenses. Mileage fees are not allowed for vicinity travel.

- **09. Undecided Issues.** When it is apparent that there is no prior ruling on an issue that must be decided under the Act, the appeals examiner may hear and decide the issue.
- **10. Type of Hearing**. The proceeding before an appeals examiner will be a hearing "de novo" or original hearing and not solely a review proceeding. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- 11. Role of Appeals Examiner. The appeals examiner will function as a fact finder and not solely as a judge. The appeals examiner will have the responsibility of developing all the evidence that is reasonably available. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- 12. Order of Witnesses. The appeals examiner, in the exercise of reasonable discretion, will direct the order of witnesses and develop evidence in a logical and orderly manner to move the hearing along as expeditiously as possible. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- 13. Evidence. The appeals examiner may exclude evidence that is irrelevant, unduly repetitious, or excludable on constitutional or statutory grounds, or on the basis of any evidentiary privilege provided by statute or recognized in the courts of this state. All other evidence may be admitted if it is of a type commonly relied upon by prudent persons in the conduct of their affairs. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- 14. **Disruptive Individuals**. The appeals examiner may exclude disruptive individuals from the hearing or may postpone the hearing if the integrity of the proceedings is being compromised. If an interested party is excluded, they will be provided a copy of the recording of the proceedings and given an opportunity to submit written evidence and argument prior to the issuance of the decision and the opposing party will be given an opportunity to respond. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- 15. Challenge of General Knowledge. If judicially cognizable facts or general, technical, or scientific facts within the appeals examiner's specialized knowledge are used in the decision, the parties will be given an opportunity to challenge them at the time of the hearing, or at the time of the issuance of the decision. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.
- **16.** Closing Arguments. Closing arguments will be limited to five (5) minutes for each party unless the appeals examiner grants an exception. Ref. Sec. 72-1368(6) and Sec. 45-617(7), Idaho Code.

046. COMMUNICATION WITH APPEALS STAFF.

No party involved in an appeal may communicate, either directly or indirectly, with appeals examiners, the Chief of the Appeals Bureau, or clerical staff of the Appeals Bureau, regarding any issue of fact or law relevant to an appeal, unless all parties involved have been provided notice and an opportunity to participate in such communication. No person acting on behalf of any party, including the Idaho Department of Labor, may attempt to influence the disposition of an appeal through such communications. No appeals examiner may knowingly cause a communication prohibited by this section to be made.

- **01. Prohibition of Ex Parte Contacts**. The prohibition on ex parte contacts contained in this rule applies from the time an appeal is filed pursuant to IDAPA 09.01.01.025 or IDAPA 09.01.01.027 until the appeal becomes final and conclusive pursuant to Sections 72-1368 and 45-617, Idaho Code.
- **02. Issues of Fact**. As used in this rule, the term "issue of fact or law relevant to an appeal" includes any matter relating to the merits of an appeal but does not include questions of appeals procedure or case status inquiries. Parties may not direct questions of appeals procedure or case status inquiries to the appeals examiner assigned to their case but rather to other appeals examiners, the Chief of the Appeals Bureau (unless he or she is functioning as the appeals examiner in the case), or to clerical staff of the Appeals Bureau.
- **03. Reporting Prohibited Contacts.** An appeals examiner or other Appeals Bureau employee who receives a communication prohibited by this rule must place in the record of the case all such written communications or a memorandum stating the substance of all such oral communications. The Appeals Bureau must send a full copy

Section 046 Page 11

IDAPA 09.01.01 Administrative Procedure Rules

of the communication to other interested parties to the appeal and allow an appropriate time for the parties to respond.

047. - 059. (RESERVED)

060. INDUSTRIAL COMMISSION REVIEW OF APPEALS EXAMINER DECISIONS.

- **O1.** Claim for Review Under the Employment Security Law. A claim for review of the appeals examiner's decision, as provided in Section 72-1368, Idaho Code, must be made in writing, signed by the person claiming the review or by his attorney or agent, and filed with the Idaho Industrial Commission in accordance with rules adopted by the Commission. - **b.** Shift Restrictions. A claimant who restricts his availability to a single shift may not be fully available for work if the restriction significantly reduces his chances of becoming employed. ()
- **22. Transportation Difficulties**. Lack of transportation is not a bona fide reason for a claimant to fail to be available for or to seek work. Transportation is the responsibility of the claimant.
- 23. Unreasonable Restrictions on Working Conditions. A claimant who places unreasonable restrictions on working conditions so as to seriously hinder his availability and search for work is ineligible for benefits.
- **24. Vacation**. A person on a vacation approved by his employer during time when work is available is not eligible for benefits.
- **25.** Wages. A claimant is eligible for benefits if the wages or other conditions of available work are substantially less favorable to the claimant than those prevailing for similar work in the local area. Ref. Sec. 72-1366(7)(b), Idaho Code.
- **a.** Demanding Higher Wages. A claimant is ineligible for benefits if he unduly restricts his availability for work by insisting on a wage rate that is higher than the prevailing wage for similar work in that area.
- **b.** Prior Earnings. The claimant's prior earnings and past experience are considered in determining whether he is available for suitable work.
- **26. Waiver of Two-Year Training Limitation**. For purposes of approving a waiver of the two (2) year limitation on school or training courses, specified by Idaho Code Section 72-1366(8)(c)(ii), for claimants who lack skills to compete in the labor market, the following criteria must be met:
- **a.** Financial Plan. The claimant must demonstrate a workable financial plan for completing the school or training course after his benefits have been exhausted.
- **b.** Demand for Occupation. The claimant must establish there is a demand for the occupation in which the claimant will be trained. A "demand occupation" is one in which work opportunities are available and there is not a surplus of qualified applicants.
- **c.** Duration of Training. At the time that the claimant applies for the waiver, the duration of the school or training course is no longer than two (2) years to completion.
- **d.** Denial. No claimant will be denied a waiver of the two (2) year limitation on school or training because the claimant is already enrolled or participating in the school or training at the time he requests the waiver.

325. EMPLOYEES OF EDUCATIONAL INSTITUTIONS.

- **01. Possibility of Employment**. An offer of employment by an educational institution or service agency is not "bona fide" if merely a possibility of employment exists. A possibility of employment, rather than a reasonable assurance, exists when:
- **a.** The circumstances under which the claimant would be employed are not within the control of the educational institution; and
- **b.** The educational institution does not provide evidence that such an individual normally would perform services the following academic year.
- **02. Reasonable Assurance**. "Reasonable assurance" of continuing employment exists when an educational institution or service agency provides an oral or written statement to the Department indicating that the claimant has been given a bona fide offer of a specific job in the second academic period. In addition, for such "reasonable assurance" to exist, the terms and conditions of the job offered in the second period must not be substantially less favorable than the terms and conditions of the job performed in the first period.
- **03. Reasonable Assurance Later Given.** A claimant who initially was determined not to have a reasonable assurance of continuing employment, will subsequently become disqualified for benefits under Sections 72-1366(17)(a), (b), or (c), Idaho Code, when an educational institution or service agency gives the claimant such reasonable assurance.
- **04. Retroactive Payments.** A claimant seeking retroactive payments pursuant to 72-1366(17)(b), Idaho Code, must make a request for the retroactive payment with the Department no later than thirty (30) days after the beginning of the second school year or term or retroactive payment will not be made. In addition, the claimant must provide written evidence from the employer who previously provided reasonable assurance of continuing work, that the claimant was not offered an opportunity to return to work in the second of two (2) successive school years or terms.
- **05. Under Contract, but Between School Terms**. Employees of educational institutions who are hired under contract for the school term, are considered unemployed between school terms even though they may receive their salary in twelve (12) monthly payments.

- **01.** Claims for Benefits, Delayed Filing. When a claim is backdated, the continued claim report for the period of time involved is timely if filed during the same week or the next week after the claim is filed.
- **02. Effective Date of Backdated Claims**. When the filing of an initial claim for benefits is backdated due to a Department system malfunction, the effective date is the Sunday of the week in which the claimant first reported to the Central Claims Office to file the claim or attempted to access the telephone or electronic claim filing system and there were problems with the system.
- 03. Filing of New Claims, Additional, and Reopen Claims. Intrastate and interstate claims, including, without limitation, new claims, additional claims, and reopen claims, may be filed electronically or by telephone at the Department's discretion.
- a. Electronically Filed Claims. Claimants may file claims electronically by accessing Idaho's Internet claim system or, if filing through an American Job Center, by accessing the Department's Intranet claim system. Electronically filed claims will be date and time stamped at the time the claimant completes the application process. The claim will not be completed until the claimant has finished the process and has electronically submitted the claim to the Department. A claim filed via the Internet or an American Job Center is effective as of the Sunday of the week of the date shown on the date/time stamp.
- **b.** Interstate Claims. Any claim filed by an interstate claimant is accepted in the same manner and conditions for which claims are accepted from intrastate claimants.

- **O2.** Partial Experience Rate Transfers. The following method is used to compute the pro-rata share of the experience rate account that is to be transferred from the predecessor to a successor. The pro-rata share is determined by dividing the gross payroll associated with the portion of the business acquired by the total gross payroll for the entire business operations for the same time period. The time period upon which this computation is based is the four (4) most recently completed quarters as reported by the predecessor prior to the date of acquisition or change in entity.

241. BOARD, LODGING, MEALS.

When board, lodging, meals, or any other payment in kind considered as payment for services performed by an employee constitute a part of wages or wholly comprise an employee's wages, the value of such board, lodging, or other payment shall be determined as follows:

- **01. Cash Value.** If a cash value for such board, lodging, or other payment is agreed upon in any contract of hire, the amount so agreed upon shall be used provided it is a reasonable, fair market value. If there is no agreement, or if the contract of hire states an amount less than a reasonable, fair market value, the Department of Labor shall determine the reasonable or fair market value to be used. Ref. Section 72-1328, Idaho Code.
- **02. Meals and Lodging Not Included in Gross Wages**. The value of meals and lodging furnished by an employer to the employee will not be included in the employee's gross income if it meets the following tests:

- c. In the case of lodging (but not meals), the employees must be required to accept the lodging as a condition of their employment. This means that they must accept the lodging to allow them to properly perform their duties.
- d. In order to exclude the value of lodging from an employee's gross wages, the employer must show that the wages paid to the employee for services performed meets the prevailing wage for those services. If the employer's records do not show or establish that the employee received the prevailing wage for services performed, then the reasonable or fair market value of the lodging will be included in the employee's gross income as wages. Ref. Section 72-1328, Idaho Code.
- **03. Meals or Lodging for Employer Convenience**. Meals or lodging furnished will be considered for the employer's convenience if the employer has a substantial business reason other than providing additional pay to the worker. A statement that the meals or lodging are not intended as pay is not enough to prove that either meals or lodging are furnished for the employer's convenience. Ref. Section 72-1328, Idaho Code.
- **04. Subsistence Remuneration**. In the case of employees who receive remuneration in the form of subsistence, such as groceries, staples, and fundamental shelter, the fair value of such subsistence will be determined by the Director. Ref. Section 72-1328, Idaho Code.

In making such determination, the Director shall consider the wages specified in the contract of hire, the prevailing wages for similar work under comparable conditions, and other pertinent factors. The wages so determined by the Director shall be reported by the employer. Ref. Section 72-1328, Idaho Code.

 b. Due the employee in accordance with the employer's usual and customary payday as established by law or past practice but not actually paid on such date because of circumstances beyond the control of the employer or the employee; or
- c. Not paid on the usual or customary payday as established by law or past practice but set apart on the employer's books as an amount due and payable or otherwise recognized as a specific and ascertainable amount due and payable to the worker in accordance with an agreement or contract of hire under which services were rendered. Ref. Section 72-1367, Idaho Code.
- **O2. Draws and Advances on Wages**. Payments to employees made prior to regular or established paydays will be assignable and reportable during the quarter in which they would have been paid unless a practice is established whereby all employees or a class of employees are given an opportunity to take a "draw" by which such action, another "regular" payday appears to have been created.
- **03. Judgments of Wages**. Amounts received as a result of labor relations awards or judgments for back pay, or for disputed wages, constitute wages and will be reported in the quarter or quarters in which the award or judgment has become final, after all appeals have been exhausted, or the quarter or quarters to which the court assigns the wages, if different. 012. UNION AGREEMENTS AND INSULATED PERIOD.

Once the contract becomes effective as a bar to an election, no petition will be accepted until the end of the period during which the contract is effective as a bar. A contract for a fixed period of more than three (3) years will bar an election sought by a contracting party during the life of the contract, but will act as a bar to an election sought by an outside party for only three (3) years following its effective date. A contract of no fixed period will not act as a bar at all. Petitions filed not more than ninety (90) days but over sixty (60) days before the end of the contract bar period will be accepted and can bring about an election, or if a petition is filed after a contract expires it will be accepted. The last sixty (60) days of the contract bar period is called an insulated period. During that time the parties to the existing contract are free to negotiate a new contract or to agree to extend the old one. If they do so, petitions will not be accepted until ninety (90) days before the end of the new contract bar period.

013. STRIKERS DEEMED EMPLOYEES.

Strikers are deemed to be employees even though replaced by other workers for representation purposes only and may be entitled to vote in any election conducted within twelve (12) months after the commencement of the strike.

014. EMPLOYEE REPRESENTATION.

- **01. Petition or Union Representation**. Any employer, union, or employee may petition the Department to conduct an investigation and/or hearing to determine whether the majority of the employees of any given business wish union representation and what union they wish to be represented by. Such petition must fully set forth and allege the exact question concerning representation of employees in the collective bargaining unit. The request must fully state the name of the employer, the place of business, the type of business, the name of the labor organization or organizations involved; and if the request is made by the employer it must include a list of employees employed in said unit.
- **Requests Made by Unions.** If the request is made by a union, such union must submit written statements or authorization cards from at least thirty percent (30%) of those workers in the unit to establish there is such a question of representation, except in establishments having less than six (6) employees, in which case twenty-five percent (25%) of the employees involved will be deemed sufficient. A description of the bargaining unit must be given.
- 03. Collective Bargaining Unit. When a question arises concerning representation of employees in a collective bargaining unit the Department will investigate in order to determine the wishes of the majority of the employees in said unit.
- **04. Hearings**. In any such investigation, a hearing may be held after giving due notice to all interested parties as provided for in the procedural rules of the Department. If as a result of such hearing or investigation the parties agree which union, if any, may properly represent them, a certification will be made and issued by the Director of the Department designating the union for bargaining purposes. If after such a hearing and/or investigation, there is any doubt as to the wishes of the majority of the employees employed in said unit, a time and place will be scheduled to permit the employees to vote by secret ballot.
- **05. Preparation of Ballot**. In all cases where a secret ballot is taken, the ballot must be prepared by the Department to permit a vote for or against representation by anyone named on the ballot. In case of two (2) or more

Section 000 Page 54

unions, a place must be provided for a vote against any union.

- **06.** Waiver of Investigation and Hearing. The investigation and hearing may be waived by consent of the parties pursuant to written stipulation by all parties involved, and a cross check may be conducted by representatives of the Department. Such cross check will be made by comparing the signatures or names appearing on the employer's payroll with signatures on authorization cards submitted by the union involved. At such cross check, no representatives will be permitted to be present except representatives of the Department. The Department may, at its discretion, also question individual employees.
- **O7. Elections.** If it becomes necessary to conduct an election, such election will be held only after appropriate notice is posted by the department in a conspicuous place where the employees are employed. Whenever possible, the election will be held on the premises of the employer and at a time calculated to best permit all employees who are eligible to vote, and so far as possible at a time which will minimize the disruption of the employer's business. Such notice must be posted at least twenty-four (24) hours before the election and in those cases where, because of the nature of the shifts, a longer time is necessary, it shall be so given. Every effort will be made to hold the election reasonably soon after the twenty-four (24) hour period except in those exceptional cases.
- **Observers.** The parties involved may each designate and have present at the election only one (1) observer. Neither management nor union officials may act as observers. Employees having the right to hire or fire or to effectively recommend hiring or firing will be considered as management personnel of the employer and will not be permitted to vote at such election or to act as observers. No member of an employer's immediate family will be eligible to vote at such representation election or to act as an observer, or any principal stockholder owning ten percent (10%) or more of the company stock.
- **09. Voting Eligibility.** All employees in said bargaining unit on the payroll at the time the petition was received in the Department may vote. Regular part-time employees will be permitted to vote. Casual part-time employees or workers who are employed for a limited period will not be permitted to vote.
- 10. Challenging Eligibility. Any interested party or representative of the Department may challenge the eligibility of any person to participate in the election for cause under these rules. The ballots of such challenged person will be impounded. Upon conclusion of the election and before the ballots are counted, the parties will be permitted to offer evidence in support of their contentions as to eligibility to vote, after which time a ruling will be made sustaining or overruling the objection. If overruled, the ballot will be placed in the ballot box.
- 11. Ballots. Ballots prepared by the Department will set forth the question involved. One ballot will be given to each eligible voter. Such ballots are not to be signed by the voters. Voters will be requested to place an "X" in a square which will require only "YES" or "NO" votes. The ballot must be prepared to permit a vote against any representation.
- 12. Deauthorization of Union Representation. A petition in a union shop for an election to determine whether there should be any union representation or not, may be filed with the Department. In such petition, it must be shown at least thirty percent (30%) or more of the employees in the unit covered by the agreement desire deauthorization. Only employees in the bargaining unit will be counted for this purpose subject to the provisions of Subsection 014.12.
- 13. Petition for Election. The demand or petition set forth in Subsection 014.12 need not be in any particular form, but must comply with the procedural rules of the Department. No such election as set forth in Subsection 014.12 will be conducted among employees presently covered by a valid collective bargaining agreement, except when filed in accordance with the reopening or termination clause of such agreement.
- 14. Existing Collective Bargaining Agreement. An existing collective bargaining agreement is a bar to any representation election except as provided for within Section 012.
- **15. Frequency of Election**. No election may be held in any bargaining unit or subdivision thereof within which a valid election was held in the preceding twelve (12) month period. ()

- **01. Conditions for Acting Appointment**. At the discretion of an appointing authority, a classified employee with permanent status may be appointed to a position in a classification of higher pay grade within his own agency in an acting capacity whenever:
 - a. The incumbent of the position in the higher classification is on authorized leave of absence; or
- **b.** A vacancy exists and there is no agency register with reemployment preference status (Ref. Rule 101.01) with names of eligibles who are willing to accept reemployment, nor adequate agency register for the classification.
- **02. Minimum Qualifications**. To be eligible for an acting appointment, an employee must meet the minimum qualifications of the class.
- **03. Notification.** Appointing authorities must notify the administrator of each acting appointment no later than the effective date of the appointment unless an exception is specifically authorized by the administrator.
- **04. Effective Date.** The effective date of each acting appointment may be retroactive to the beginning of the pay period during which approval is granted.

130. LIMITATION ON LENGTH OF APPOINTMENT.

Acting appointments are limited to the period of time necessary to fill the vacancy pursuant to procedures prescribed in these rules but in no case can continue beyond one thousand forty (1,040) hours of credited state service unless specifically extended by the administrator.

131. SALARY.

For any credited state service which an employee serves in a classification in an acting capacity, he or she shall receive the salary for the classification as though he or she had actually been promoted.

132. EXPIRATION OF APPOINTMENT.

- **01. Return of Incumbent.** When the incumbent of the classification returns from leave of absence, or the vacant position is filled, the acting appointment expires. The acting appointee is returned to the class, the pay grade and rate held immediately preceding the acting appointment.
- **O2. Failure of Incumbent to Return.** Should the employee on leave of absence separate from state service, the employee serving in the acting appointment may continue to serve in that capacity until the vacancy has been filled but in no case exceed the time limits prescribed in Rule 130.

140. REDUCTION IN FORCE.

- 01. Conditions for Layoff. An appointing authority may lay off an employee whenever necessary due to: shortage of funds or work; reorganization; the end of a limited service appointment; employee's failure to complete interagency promotional probation when demotion options are not available; or abolishment of one (1) or more positions (ref. Rule 066).
- **02. Layoff Decisions.** Layoff decisions must not be based on race, color, national origin, gender, age, religion, disability, or political affiliation. Layoffs must be accomplished in a systematic manner with equity for the rights of classified employees and not do away with an employee's right to problem solving, or appeal if the layoff is in fact a dismissal.

04.	Lavoff by Position	. Reduction in force must be by classification of	f position. (
-----	--------------------	---	---------------	--

- a. Reduction in force may be limited to or specifically exclude employees appointed under selective certification (Ref. Rule 112) for bona fide occupational qualifications, or appointed to a classification with minimum qualification specialties. Inclusions or exclusions must include or exclude all incumbents of the classification appointed under similar selective certification, or the same option or minimum qualification specialty and must be approved in advance by the administrator.
- **b.** An appointing authority may petition the administrator to exclude an individual from a reduction in force whose retention may be required to meet agency mission critical needs. Requests must provide a documented rationale with exclusions approved in advance by the administrator.
- c. Limited-service appointments are defined by the project, program, or function for which the appointments were made. When a limited service project is completed or funding concluded, the limited service appointee is separated from state service as a layoff. However, limited service appointees have no reemployment preference and will not displace other regular permanent or limited services staff via voluntary demotion in lieu of layoff.
- **05. Layoff Unit.** Reduction in force must be agency-wide or by organizational unit designated for layoff purposes. Layoff units are geographic, programmatic, or other identified subdivisions of an agency designated for layoff purposes by the appointing authority. They must be approved by the administrator before the effective date of the layoff. Organizational layoff unit designations must be renewed with a change in appointing authority or administrator.
- **06. Reduction of Hours Worked**. An involuntary reduction in the number of hours worked for a selected position constitutes a layoff unless there is an equal reduction of hours worked for all positions in the same classification in the agency or approved layoff unit for a limited period of time, such as a furlough. ()
- **O7. Downward Reclass**. A material change in duties of one (1) or more positions resulting in an employee's reclassification to a classification allocated to one (1) pay grade lower does not constitute a layoff (Ref Rule 067). More than one (1) pay grade change downward is considered a layoff, unless the change of duties is disciplinary (Ref. Section 190).

141. CALCULATION OF RETENTION POINTS.

There will be an evaluation of all employees in the classification in the agency or organizational unit affected by the reduction in force based on a retention point system. Retention points are derived from experience as described in performance evaluations, classified credited state service, and veterans' preference as described in Rule 141.03. The appointing authority will determine a process for the impartial assessment of evaluations to assign points as follows:

Exemplary Performance	-	.100 points
Solid Sustained Performance	-	.075 points
Achieves Performance Standards	-	.050 points
Does Not Achieve Performance Standards	-	.0 points

01. No Performance Evaluation on File for a Twelve-Month Period. All credited state service for which there is no performance evaluation will receive seventy-five thousandths (.075) points per hour. A supervisor's

failure to document performance in a timely manner cannot be used to disadvantage an employee during retention point calculation.

- a. Grace period. Supervisors have thirty (30) days after each two thousand eighty (2,080) hours an employee works to complete the performance evaluation documentation. During that thirty (30) day time frame, the evaluation may be written to cover the two thousand eighty (2,080) hours or extended to also cover the time frame up to the date of the evaluation.
- **b.** Changes in prior periods not allowed. Once an evaluation has been signed by the supervisor, employee, manager, and other applicable reviewers, the document may not be changed, unless the change is a result of a problem solving dispute resolution.
- **O2.** Calculation of Retention Points Since Last Evaluation. The most recent performance evaluation should be used to pro-rate retention points when calculating credited state service since that evaluation, unless that evaluation occurred more than two thousand eighty (2,080) hours from the date of calculation. In such cases, points are calculated in conformance with Rule 141.01.
- **03. Veterans' Preference.** Veterans as defined in Title 65, Chapter 2, Idaho Code, will receive preference by the addition of retention points equivalent to three (3) years of service at a level that achieves performance standards. (Ref. Section 65-501, Idaho Code)
- **04.** Calculation Date Cutoff. No points will be calculated for the sixty (60) days prior to the effective date of the layoff.
- **05.** Audit of Retention Points. Each employee is entitled to an audit of retention points by an independent auditor designated by the administrator in cases of dispute between the appointing authority and the employee. The request for audit must be filed with the appointing authority within five (5) calendar days of the employee's receipt of layoff notification. The decision of the independent auditor is binding on both parties unless an appeal is filed within thirty-five (35) calendar days from the date of the auditor's notification to the affected parties.

142. CREDITED STATE SERVICE.

Eligible credited state service for purposes of Rule 140 is defined as follows:

- **01. Service Prior to State Personnel System**. All credited state service prior to the establishment of classified service, Title 67, Chapter 53, Idaho Code. (Ref. Sections 67-5332 and 59-1604, Idaho Code, for definitions of credited state service)
- **O2.** Classified Service. All classified credited state service since the establishment of classified service.
- **03. Nonclassified Service.** All credited state service in a position exempt from classified service if that position is subsequently transferred to classified service pursuant to Rule 040.

143. REDUCTION IN FORCE DETERMINATION AND NOTIFICATION.

- **01. Identification of Classifications**. The appointing authority will identify the classification of positions to be reduced or eliminated.
- **O2.** Calculation of Retention Points. Retention points will be calculated for all employees assigned to the classification of position including those serving in underfill positions. Retention points need not be calculated where layoff involves a single-incumbent class.
- 03. Order of Reduction in Force. The order of reduction in force will be by type of appointment held by the employee in the affected classification as follows: first to be laid off are the entrance probationary appointees, and then the permanent appointees including those serving a voluntary probation. Employees will be placed on the layoff list beginning with the employee with the highest number of retention points. Employee layoffs will be made

a. The employee who has been laid off will be offered reemployment to a position in the classification from which laid off, before any person outside that agency may be promoted to, transferred to, reinstated or appointed to that classification by an appointing authority of that agency. Appointing authorities may reassign or transfer individuals who are in the same classification within their agency but may not demote, promote, reclassify, or make acting appointments to that classification. If that agency determines a need to fill that classification, the employee who was laid off has first priority for that position. (Ref. Rules 125.04 and 125.08) Extenuating circumstances due to short term budget, workload, location, or other complexities may be used by the appointing authority to request a temporary waiver of this rule by the administrator.

- **02.** Consideration for Hire by Other Agencies. For promotional opportunities, internal agency candidates are normally considered before outside recruitment occurs, including other agencies' laid off candidates. However, individuals who have been laid off must be offered the opportunity to interview before other agencies consider candidates from statewide promotional or open-competitive recruitments.
- **03. Employment by Other Agency**. Individuals may be reappointed or reinstated if eligible. The salary of an employee re-hired after a layoff is negotiable between the employee and new appointing authority in the current pay grade for the classification in which the employee is appointed.
- **04. Return to Register.** If an individual finds another agency's position unsatisfactory or does not satisfactorily complete a voluntary probation period, he may be placed back on a register for the remainder of their twelve (12) month time frame. - **b.** Notice to the employee of termination for unsatisfactory service must be made not later than fifteen (15) calendar days prior to the effective date of termination, unless there are extenuating circumstances.

153. UNSATISFACTORY PERFORMANCE DURING A PROMOTION PROBATION PERIOD.

- **01. Disciplinary Action**. Regardless of the probation status, when a Rule 190 violation supports demotion, suspension, or dismissal, such action may occur.
- **02. Intra-Agency**. If an employee, on promotional probation, does not meet performance expectations, he or she shall be returned to a position in the classification which he or she holds permanent status or to another classification in the same pay grade for which the employee meets minimum qualifications. If the employee refuses to accept the position, it is considered a voluntary resignation.

the administrator for conformity to law and Rule 200.

- **03.** Eligibility and Time for Filing Under Problem-Solving Procedure. Any classified employee with permanent, or entrance probationary status may file under the problem-solving procedure as defined by Section 67-5315(1), Idaho Code. An employee must file under the problem-solving procedure in writing not later than ten (10) working days after being notified or becoming aware of a nondisciplinary matter which may be handled through the problem-solving procedure; however, if the filing alleges an ongoing pattern of harassment or illegal discrimination, the agency is strongly encouraged to waive any time limits. The time limit for filing will be extended due to the employee's illness or other approved leave, up to ten (10) days after return to the job. The agency may accept a filing that is or appears to be filed late. Agency policies may provide for waiver of time elements or any intermediate step of the problem-solving procedure upon mutual agreement of the employee and appointing authority.
- **104. Elements of the Problem-Solving Procedure.** The procedure must contain a statement from the agency head encouraging employees to use the procedure for any nondisciplinary, job-related matters, and encouraging the employee, supervisors, and upper-level managers and administrators to resolve the matter at the lowest management level possible within the organization. The statement must also provide a means whereby agency representatives can obtain timely authority, if needed, to resolve the matter. The procedure must require the employee to make a reasonable attempt to discuss the issue with the immediate supervisor before filing. After a written filing is received, the procedure must provide for such additional levels of management within the employee's chain of command as are appropriate in the agency. The procedure must also provide for the use of an impartial mediator upon agreement by the employee and agency. Timelines must not exceed five (5) working days between each step unless both the employee and the agency agree, in writing, to a specific number of days to extend the timelines herein, not to exceed thirty (30) days between each step. The procedure must also inform the employee that he is entitled to be represented by a person of the employee's own choosing at each step of the procedure, except the initial informal discussion with the immediate supervisor. Two (2) or more employees may join in a single filing under the problem-solving procedure. Retaliation for filing under the problem-solving procedure, for participating as a witness, or representative is expressly prohibited. This procedure does not apply to unsatisfactory performance during entrance probation (Ref. Sections 67-5309(j), 67-5315(1)(4), Idaho Code, and Rule 152).
- **05.** Filings Alleging Sexual Harassment or Other Illegal Discrimination. Each agency's problem-solving procedure must provide an optional alternative procedure for an employee to file allegations of sexual harassment or discrimination based on race, color, sex, national origin, religion, age, or disability. The procedure must expressly prohibit sexual harassment and discrimination. Employees must be informed of their right to file complaints with the Idaho Human Rights Commission. The alternative procedure must designate a specific person or persons to receive and investigate such filings, and require that the investigation and resolution of them be conducted with maximum regard for confidentiality.
- Elements of Due Process Procedure. An agency must provide notice and an opportunity to respond before making a decision to impose any disciplinary sanction or involuntary transfer, as set forth in Section 67-5315(2), Idaho Code. With respect to notice, an agency must provide notice of the contemplated action, the basis or reason for the contemplated action, and an explanation of the evidence supporting the contemplated action. The notice must be provided to the employee and administrator concurrently. 262. OVERTIME.

- **01. Employing Agencies**. The state is considered as one (1) employer for determining the number of hours an employee works. If an employee works for more than one (1) agency, the agency employing the employee when the overtime occurs is liable for compensatory time off or cash compensation as provided by law.
- **02.** Compensation for Overtime. Overtime accrual and compensation for classified employees is covered by Sections 67-5328 and 59-1607, Idaho Code, for nonclassified employees. Overtime is defined in Section 67-5302(20), Idaho Code. Overtime does not include any time, such as occasional or sporadic work, which is excluded from the overtime calculation by federal law.
- **03. Modification of Workweek or Schedule**. No agency will alter a previously established work week for the purpose of avoiding overtime compensation. An agency may modify the employee's regular schedule of work to avoid or minimize overtime.

263. -- 271. (RESERVED)

272. POLICY MAKING AUTHORITY.

To address the need for all classified employees to be treated fairly, and in situations where the State may be considered as one (1) employer, the Division Administrator may issue guidance to provide consistent interpretation of federal law, state law, executive order or rule.

- c. The Conversion Factor for the Anesthesiology CPT Codes shall be multiplied by the Anesthesia Base Units assigned to that CPT Code by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services as of December 31 of the previous calendar year, plus the allowable time units reported for the procedure. Time units are computed by dividing reported time by fifteen (15) minutes. Time units will not be used for CPT Code 01996.
- **d.** Adjustment of Conversion Factors. The conversion factors set out in this rule may be adjusted each fiscal year (FY), starting with FY 2012, as determined by the Commission.
- e. Services Without a CPT Code, RVU or Conversion Factor. The allowable payment for medical services that do not have a current CPT code, a currently assigned RVU, or a conversion factor will be the reasonable charge for that service, based upon the usual and customary charge and other relevant evidence, as determined by the Commission. Where a service with a CPT Code, RVU, and conversion factor is, nonetheless, claimed to be exceptional or unusual, the Commission may, notwithstanding the conversion factor for that service set out in Subsection 011.07.b. of this rule, determine the allowable payment for that service, based on all relevant evidence.

(

- f. Coding. The Commission will generally follow the coding guidelines published by the Centers for Medicare and Medicaid Services and by the American Medical Association, including the use of modifiers. The procedure with the largest RVU will be the primary procedure and will be listed first on the claim form. Modifiers will be reimbursed as follows:
 - i. Modifier 50: Additional fifty percent (50%) for bilateral procedure.
- ii. Modifier 51: Fifty percent (50%) of secondary procedure. This modifier will be applied to each medical or surgical procedure rendered during the same session as the primary procedure.
 - iii. Modifier 80: Twenty-five percent (25%) of coded procedure.
- iv. Modifier 81: Fifteen percent (15%) of coded procedure. This modifier applies to MD and non-MD assistants.
- **08.** Wage Loss Benefits. For the purpose of determining compensation benefits under Sections 72-1019(1) and 72-1019(3), Idaho Code, "wages received at the time of the criminally injurious conduct" shall be the victim's gross weekly wage; which shall be determined under Section 72-419(1)-(3), Idaho Code, if applicable, and if not, as follows:
- a. If the Wages were fixed by the hour, and the victim worked or was scheduled to work the same number of hours each week, the weekly wage shall be the hourly rate times the number of hours that the victim worked or was scheduled to work each week, plus one-half (1/2) the hourly wage times the number of hours worked or scheduled each week in excess of forty (40) hours if the victim was paid time-and-a-half for work in excess of forty (40) hours per week.
- **b.** If the Wages were fixed by the hour and the victim did not work the same number of hours each week, or if the victim was paid on a piecework or commission basis, the weekly wage shall be computed by averaging

Section 011 Page 99

the amounts that the victim was paid during his last four completed pay periods prior to the criminally injurious conduct and converting that amount to a weekly basis using a method consistent with 72-419(1)-(3); provided that, if the victim was employed for less than four (4) pay periods before the criminally injurious conduct, the average shall be computed based upon the time period that he worked.

- **c.** If none of the above methods are applicable, the weekly wage shall be computed in a manner consistent with the above methods.
- **09. Treating Physician**. A victim may choose his own treating physician. If, after filing an Application for Compensation, a victim changes physicians without prior approval of the Commission, or if, without prior approval of the Commission, he seeks treatment or examination by a physician to whom he was referred by his treating physician, the Commission may deny payment for such treatment or examination.
- **10. Overpayment.** If the Commission erroneously makes payments, the Commission may reduce future payments by an amount equal to the overpayment or request a refund when overpayments are made to either the claimant or the provider.
- 11. Weekly Compensation Benefits If Victim Employable But Not Employed. If a victim is qualified under Section 72-1019(7)(a), Idaho Code, the following provisions apply:
- **a.** If at the time of the injurious conduct the victim was receiving unemployment benefits and as a result of that conduct the victim becomes ineligible for those benefits, the claimant's weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred fifty dollars (\$150) or his weekly benefit amount under the Employment Security Law.
- **b.** If at the time of the criminally injurious conduct the victim was unemployed, but scheduled to begin employment on a date certain and if he was unable to work for one (1) week as a result of that conduct, weekly benefits under the Crime Victims Compensation Act shall be the lesser of one hundred fifty dollars (\$150) or two-thirds (2/3) of the amount that he would have earned at his scheduled employment, and those benefits shall be payable beginning on the date that his employment was scheduled to begin.
- c. If prior to the criminally injurious conduct the victim was performing necessary household duties which he is disabled from performing as a result of that conduct and it is necessary to employ a person who does not reside in the victim's house to perform those duties, the victim shall receive weekly benefits under the Crime Victims Compensation Act equal to the amount paid to the person so employed, but not exceeding one hundred fifty dollars (\$150) per week.
 - **d.** In other circumstances, the Commission may award an amount it deems appropriate. (
- 12. Reimbursement for Transportation Expenses. If the claimant utilizes a private vehicle, reimbursement shall be at the mileage rate allowed by the State Board of Examiners for state employees. Reimbursement shall be provided only if services are not available in the local area and is limited to one (1) round trip per day. The claimant shall not be reimbursed for the first fifteen (15) miles of any round trip, nor for traveling any round trip of fifteen (15) miles or less. Such distance shall be calculated by the shortest practical route of travel. The mileage reimbursement amount shall be credited to the medical benefit.
- 13. Payment of Bills. Bills for treatment and sexual assault forensic examinations must be submitted within two (2) years from the date of treatment or the date of eligibility, whichever is later, to be compensable.

012. HEARING PROCEDURES.

01. Request for Hearing. If a Request for Hearing is filed, an informal hearing shall be held. The Commission may conduct the hearing or it may assign the matter to a Commissioner or Referee. PUBLIC HEARING SCHEDULE: Oral comment concerning this rulemaking will be scheduled in accordance with Section 67-5222, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a nontechnical explanation of the substance and purpose of the proposed rulemaking:

This proposed rulemaking publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 28, rules of the Idaho Department of Commerce.

IDAPA 28

- 28.02.03, Department of Commerce Grant Program Rules; and
- 28.04.01, Rules Governing the Idaho Reimbursement Incentive Act.

FEE SUMMARY: The following is a specific description of the fee or charge imposed or increased: None.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rule(s) being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

INCORPORATION BY REFERENCE: Pursuant to Section 67-5229(2)(a), Idaho Code, incorporated material may be obtained or electronically accessed as provided in the text of the proposed rules attached hereto.

ASSISTANCE ON TECHNICAL QUESTIONS, SUBMISSION OF WRITTEN COMMENTS: For assistance on technical questions concerning the proposed rules, contact rule, contact Ewa Szewczyk, (208) 334-2470.

Anyone may submit written comments regarding the proposed rulemaking. All written comments must be directed to the undersigned and must be delivered within twenty-one (21) days after publication of this Notice in the Idaho Administrative Bulletin. Oral presentation of comments may be requested pursuant to Section 67-5222(2), Idaho Code, and must be delivered to the undersigned within fourteen (14) days of the date of publication of this Notice in the Idaho Administrative Bulletin.

If the pending rule is approved or rejected in part by concurrent resolution, the rule becomes final and effective upon adoption of, or date specified in, the concurrent resolution.

AUTHORITY: In compliance with Section 67-5224, Idaho Code, notice is hereby given that this agency has adopted a pending rule. The action is authorized pursuant to Sections 1-2012, 59-1301, 59-1314, 59-1372, 59-1383, 59-1392 and 72-1405, Idaho Code.

DESCRIPTIVE SUMMARY: The following is a concise explanatory statement of the reasons for adopting the pending rule and a statement of any change between the text of the proposed rule and the text of the pending rule with an explanation of the reasons for the change.

This pending rule adopts and publishes the following rule chapters previously submitted to and reviewed by the Idaho Legislature under IDAPA 59, rules of the Public Employees Retirement System of Idaho:

IDAPA 59

- 59.01.01, Rules for the Public Employee Retirement System of Idaho (PERSI); and

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rules being reauthorized by this rulemaking.

FISCAL IMPACT: The following is a specific description, if applicable, of any negative fiscal impact on the state general fund greater than ten thousand dollars (\$10,000) during the fiscal year: This rulemaking is not anticipated to have any fiscal impact on the state general fund because the FY2022 budget has already been set by the Legislature, and approved by the Governor, anticipating the existence of the rule(s) being reauthorized by this rulemaking.

NEGOTIATED RULEMAKING: Pursuant to Section 67-5220(2), Idaho Code, negotiated rulemaking was not feasible because engaging in negotiated rulemaking for all previously existing rules will inhibit the agency from carrying out its ability to serve the citizens of Idaho and to protect their health, safety, and welfare.

- 11. Date of Retirement. "Date of retirement" means the effective date on which a retirement allowance becomes payable.
- 12. **Designated Beneficiary**. The individual who is designated as the beneficiary under the Plan and is the designated beneficiary under section 401(a)(9) of the IRS Code and section 1.401(a)(9)-4, Q&A-4, of the Treasury regulations.
- 13. Employer. For purposes of compliance with federal tax law, an Employer, as defined in Section 59-1302(15), Idaho Code must also meet each of the requirements of Paragraphs a. through c. of this definition, taking into account all of the facts and circumstances. Entities that may qualify as political subdivisions include, among others, general purpose governmental entities, such as cities and counties (whether or not incorporated as municipal corporations), and special purpose governmental entities, such as special assessment districts that provide for roads, water, sewer, gas, light, reclamation, drainage, irrigation, levee, school, harbor, port improvements, and other governmental purposes for a State or local governmental unit.
- a. Sovereign powers. Pursuant to a state or local law of general application, the entity has a delegated right to exercise a substantial amount of at least one (1) of the following recognized sovereign powers of a state or local governmental unit: The power of taxation, the power of eminent domain, and police power.
- **b.** Governmental purpose. The entity serves a governmental purpose. The determination of whether an entity serves a governmental purpose is based on, among other things, whether the entity carries out the public purposes that are set forth in the entity's enabling legislation and whether the entity operates in a manner that provides a significant public benefit with no more than incidental private benefit.
- c. Governmental control. A state or local governmental unit exercises control over the entity. For this purpose, control is defined in Subparagraph 005.08.c.i. of this rule and a state or local governmental unit exercises such control only if the control is vested in persons described in Subparagraph 005.08.c.ii. of this rule.
- i. Definition of control. "Control" means an ongoing right or power to direct significant actions of the entity. Rights or powers may establish control either individually or in the aggregate. Among rights or powers that may establish control, an ongoing ability to exercise one or more of the following significant rights or powers, on a discretionary and non-ministerial basis, constitutes control: the right or power both to approve and to remove a majority of the governing body of the entity; the right or power to elect a majority of the governing body of the entity in periodic elections of reasonable frequency; or the right or power to approve or direct the significant uses of funds or assets of the entity in advance of that use. Procedures designed to ensure the integrity of the entity but not to direct significant actions of the entity are insufficient to constitute control of an entity. Examples of such procedures include requirements for submission of audited financial statements of the entity to a higher level state or local governmental unit, open meeting requirements, and conflicts of interest limitations.
- ii. Control vested in a state or local governmental unit or an electorate. Control is vested in persons described as a state or local governmental unit possessing a substantial amount of each of the sovereign powers and acting through its governing body or through its duly authorized elected or appointed officials in their official capacities or an electorate established under applicable state or local law of general application, provided the electorate is not a private faction.
- iii. Definition of "private faction." A private faction is any electorate if the outcome of the exercise of control described in Subparagraph 005.08.c.i. of this rule is determined solely by the votes of an unreasonably small number of private persons. The determination of whether a number of such private persons is unreasonably small depends on all of the facts and circumstances, including, without limitation, the entity's governmental purpose, the number of members in the electorate, the relationships of the members of the electorate to one another, the manner of apportionment of votes within the electorate, and the extent to which the members of the electorate adequately

Section 004 Page 120

represent the interests of persons reasonably affected by the entity's actions. For purposes of this definition, an electorate is a private faction if any three (3) private persons that are members of the electorate possess, in the aggregate, a majority of the votes necessary to determine the outcome of the relevant exercise of control. Provided however, an electorate is not a private faction if the smallest number of private persons who can combine votes to establish a majority of the votes necessary to determine the outcome of the relevant exercise of control is greater than ten (10) persons. For example, if an electorate consists of twenty (20) private persons with equal, five-percent (5%) shares of the total votes, that electorate is not a private faction because a minimum of eleven (11) members of that electorate is necessary to have a majority of the votes. By contrast, for example, if an electorate consists of twenty (20) private persons with unequal voting shares in which some combination of ten (10) or fewer members has a majority of the votes, then that electorate does not qualify for the safe harbor from treatment as a private faction under this subparagraph. The following rules apply for purposes of determining numbers of voters and voting control in Subparagraph 005.08.c.iii. of this rule, related parties (as defined in 26 CFR Section 1.150–1(b)) are treated as a single person; and in computing the number of votes necessary to determine the outcome of the relevant exercise of control, all voters entitled to vote in an election are assumed to cast all votes to which they are entitled.

- 14. Employment. "Employment" as used in Section 59-1302(14)(B)(b), Idaho Code, shall mean the period of time from a member's date of hire to the member's succeeding date of separation from that state agency, political subdivision or government entity. Placing a member on leave of absence with or without pay shall not be considered as a separation from the employer.
- **15. Firefighters' Retirement Fund**. "Firefighters' Retirement Fund" or "FRF" is the retirement fund provided by Chapter 14, Title 72, Idaho Code.
- 16. Gain Sharing. This refers to the process of allocating extraordinary gains from the base plan into the defined contribution component of the PERSI plan as permitted in Section 414(k) of the Internal Revenue Code and as provided by Section 59-1309, Idaho Code, and these rules.
- 17. General Member. "General member" is a PERSI member not classified as a police officer, firefighter, or paid firefighter.
- **18. Likely**. For the purpose of Section 59-1302(12)(b), Idaho Code, "likely" means with reasonable medical certainty.
- 19. Normal Retirement Age. The age (or combination of age and years of service) at which a Member is entitled to an actuarially unreduced retirement benefit under the Plan. A Member will be fully vested upon attainment of Normal Retirement Age.
- **20. Occupational Hazard**. "Occupational Hazard" means an injury or ailment solely resulting from the work an applicant does or from the environment in which an applicant works.
- **21. Pension Protection Act Definitions**. Solely for purposes of the implementation by PERSI of section 402(l) of the Internal Revenue Code, the following definitions apply:
- **a.** Chaplain. Any individual serving as an officially recognized or designated member of a legally organized volunteer fire department or legally organized police department, or an officially recognized or designated public employee of a legally organized fire or police department who was responding to a fire, rescue, or police emergency.
- **b.** Eligible Retired Public Safety Officer. An individual who, by reason of disability or attainment of normal retirement age, is separated from service as a public safety officer with the state agency, political subdivision or government entity who maintains the eligible retirement plan from which distributions are made.
- **c.** Normal Retirement Age. The member's age at the time that the member is eligible to retire with an unreduced benefit.
- **d.** Public Safety Officer. An individual serving a public agency in an official capacity, with or without compensation, as a law enforcement officer, as a firefighter, as a chaplain, or as a member of a rescue squad or

SUBCHAPTER B – PERSI RULES FOR ELIGIBILITY Rules 100 through 249

100. MANDATORY MEMBERSHIP.

Membership in PERSI is mandatory for all persons who meet the statutory definition of an "employee" in Section 59-1302(14), Idaho Code.

101. MULTIPLE EMPLOYERS -- MEMBERSHIP ELIGIBILITY.

An employee establishes separate PERSI membership eligibility with each state agency, political subdivision or government entity with which the employee meets the statutory definition of an "employee" as found in Section 59-1302(14), Idaho Code.

- **01. Does Not Meet the Statutory Definition**. Because membership eligibility is established independently with each state agency, political subdivision or government entity, neither employer nor employee contributions are required on salary paid by employers to employees who do not meet the statutory definition of an "employee" as found in Section 59-1302(14), Idaho Code.
- **O2. State Agencies.** The agencies of the state of Idaho shall be considered a single employer; an employee working for more than one (1) state agency establishes eligibility based on the total hours of employment worked with all state agencies.
- 102. ELECTED AND APPOINTED OFFICIALS NOT SUBJECT TO TWENTY HOUR REQUIREMENT.

Elected and appointed officials are not subject to the hourly requirement of Section 59-1302(14)(A)(a), Idaho Code.

103. ELECTED AND APPOINTED OFFICIALS -- MEMBERS OF PERSI.

Elected and appointed officials serving on boards, councils, or commissions who receive salary or honorarium for services performed are members of PERSI even though they receive nominal salary and do not normally work twenty (20) hours or more per week.

104. -- 110. (RESERVED)

111. TEACHER WORKING HALF-TIME OR MORE.

For the purposes of Section 59-1302(14)(A)(a), Idaho Code, a teacher is considered to be working half-time or more if the teacher's contract specifies that the engagement is half or more of a full contract. Teachers and all other school employees not employed under such a contractual arrangement shall be required to meet the requirement of normally working twenty (20) hours or more per week.

112. RESPONSIBILITY OF EMPLOYER TO DETERMINE EMPLOYEE ELIGIBILITY.

It is the responsibility of each state agency, political subdivision or government entity to make the initial determination of which employees within its jurisdiction meet the requirements of eligibility for membership and to withhold the required member contributions from salary paid.

113. NORMALLY WORKS TWENTY HOURS.

If a person works twenty (20) hours or more per week for more than one-half (1/2) of the weeks during the period of employment being considered, then the person meets the requirements of Section 59-1302(14)(A)(a), Idaho Code ("normally works twenty (20) hours or more per week"), and shall be considered an employee if the person meets the other requirements of Section 59-1302(14), Idaho Code. Statutory References: Section 59-1302(14)(A)(a).

114. APPLICATION OF THE FIVE MONTH REQUIREMENT.

An employee working twenty (20) hours or more per week who is hired with the expectation of working less than five (5) consecutive months, becomes retroactively eligible for membership whenever it becomes evident the period of employment will be five (5) consecutive months or longer and the employee meets the other requirements of Section 59-1302(14), Idaho Code.

- **O1. Employee and Employer Contributions**. Employee and Employer contributions must be immediately withheld by the state agency, political subdivision or government entity and forwarded when it becomes evident the period of employment will be five (5) consecutive months or more, and the employee meets the other requirements of Section 59-1302(14), Idaho Code. - **O2. Delinquent Contributions**. Employer shall collect and pay delinquent contributions of employer and employee within three (3) months once it becomes evident the period of employment will be five (5) consecutive months or more. If the delinquent contributions are not paid within three (3) months, regular interest will be assessed against the outstanding balance until the delinquent employee contributions are paid in full.

115. -- 120. (RESERVED)

121. CEASING TO BE AN EMPLOYEE.

A member ceases to be an employee on the day following the effective date that the member is separated from their employer. Membership service credits stop on the day the member ceases to be an employee. ()

122. LEAVE OF ABSENCE.

A member is ineligible to contribute and receive membership service credit while on leave of absence without pay or while on leave of absence with less than one-half (1/2) pay, unless the absence is occasioned by a worker's compensation claim approved by a surety. An active member separated from employment under conditions where both the member and the employer plan a later return to employment should be placed on leave of absence without pay during the planned period of absence.

Section 103 Page 124

- **O1.** Employer and Employee Contributions -- Leave of Absence. During the leave of absence without pay, employer and employee contributions cease. If the member is on a leave of absence as a result of an approved worker's compensation claim, employer and employee contributions are due and payable on any salary paid to the member. The member is entitled to a month of membership service credit for each month the member remains on leave of absence as a result of an approved worker's compensation claim and receives salary in addition to income benefits.
- **O2. Documentation of Leave of Absence**. The employer shall provide PERSI with documentation, on a form provided by PERSI, of a leave of absence to clarify the member's status and retirement benefit entitlement.
- **03. Status of Employee on Leave of Absence**. An employee placed on a leave of absence by an employer remains in an employee status and is ineligible for payment of any separation benefits or for payment of a service, early, disability, or vested retirement allowance. If a member on leave of absence without pay terminates employment without returning to work, the leave without pay status is negated.
- **04. Leave of Absence -- Effect on Benefit Enhancement.** An employee shall not be placed on a leave of absence without pay prior to the effective date of a benefit enhancement and then return to work after the effective date of the benefit enhancement for the purpose of qualifying for the benefit enhancement. An employee placed on unpaid leave of absence prior to the date of the benefit enhancement who returns to work after the effective date of the benefit enhancement and subsequently applies for retirement shall include with the application for retirement, certification from the state agency, political subdivision or government entity that the leave of absence was not granted for the purpose of allowing the person to qualify for the benefit enhancement.

The executive director or the executive director's designee may accept or reject the employer's certification that an employee's primary position with the employer is a police officer for retirement purposes as required in Section 59-1303, Idaho Code. Acceptance of the certification shall not limit PERSI's right to review and reclassify the position for retirement purposes based upon an audit or other relevant information presented to PERSI. A position title or occasional assignments to active law enforcement service or hazardous law enforcement duties does not create a condition for designation as a police officer member for retirement purposes.

151. -- 199. (RESERVED)

200. DETERMINATION OF FIREFIGHTER.

A "firefighter" means an employee whose primary occupation with an employer as defined by Section 59-1302(16), Idaho Code, is that of preventing and extinguishing fires. Such petition shall be in writing and explain in detail the principal duties of the position. The Board will review the petition and evidence, together with such information and evidence as may be presented by the staff of PERSI. The Board may decide the matter based upon the information supplied, may request additional information, or may request an oral presentation before the Board.

(RESERVED) MULTIPLE EMPLOYERS -- CONTRIBUTION RATE. If the employee has met eligibility requirements with more than one (1) employer that would result in different contribution rates, contributions shall be made at the rate for the member's classification with the primary employer. 306. STATE EMPLOYEE CONTRIBUTIONS. If an employee establishes membership with the state, the employee and each agency must make contributions on the employee's salary regardless of the number of hours worked at each state agency. 307. POLICE OFFICER CONTRIBUTIONS WITHHELD INCORRECTLY. If an employee's contributions are withheld by an employer and received by PERSI at the rate established for police members on the presumption the certification required by Section 59-1303, Idaho Code, will be accepted, but if it is rejected, the employer shall adjust the employee's contribution rate to a general member rate and PERSI shall return to the employer any excess employee contributions that have occurred. CONTRIBUTIONS DUE WHILE MEMBER IS RECEIVING WORKER'S COMPENSATION. 308. Contributions Due and Payable. Contributions are due and payable on whatever percentage of salary is paid while the member is on a leave of absence occasioned by an approved worker's compensation claim and the member will be entitled to a month of membership service credit for each month the member remains eligible. Accruing Service. This means for an employee to continue accruing service the employer must 02. continue to pay salary equal to the lesser of: The amount necessary to meet the statutory definition of employee (half-time at the pre-injury rate or more), or The employee's full-time salary less the employee's worker's compensation income benefit. b.)

Maintaining Eligibility for Injured Workers. The intent of this rule is to permit employers to

maintain eligibility for injured workers without having to pay salary that, when added to the employee's worker's compensation income benefit, would exceed the employee's total salary prior to the injury. Section 122 is

Section 202 Page 126

inapplicable to the extent it conflicts with this rule.

309. VACATION AND CONTRACTUAL PAYMENTS SUBJECT TO CONTRIBUTIONS.

Compensation paid for vacation or remaining contractual payments is salary subject to employee and employer contributions and earns membership credit through the effective date of separation from employment at the usual rate of compensation.

310. -- 324. (RESERVED)

325. TRANSFER OF CONTRIBUTIONS TO PERSI.

Employee and employer contributions shall be calculated and forwarded to PERSI by each employer for each employee that meets the statutory definition of "employee" as defined in Section 59-1302 (14), Idaho Code. All Contributions shall be remitted, together with an approved report to PERSI no later than five (5) days after each pay date as provided in Section 59-1325(1), Idaho Code.

326. -- 349. (RESERVED)

350. REGULAR INTEREST.

Regular interest for each calendar year shall be the greater of ninety percent (90%) of the rate of return on the PERSI fund net of all expenses for the fiscal year ending immediately prior to the calendar year as reported in the actuary's annual valuation report or one percent (1%).

351. INTEREST – MEMBER CONTRIBUTIONS.

Regular interest as defined in Section 59-1302(26), Idaho Code, and Section 300 in this subchapter, shall accrue to and be credited monthly to a member's accumulated contributions.

352. REINSTATEMENT INTEREST.

Reinstatement interest for each calendar year shall equal the average of the prime rate on June 30 of the latest three (3) years, plus one percent (1%). For purposes of this rule, the prime rate is the "prime rate" listed in the "Money Rates" section of the Wall Street Journal on June 30, or in the event no rate is listed on June 30, on the latest date preceding June 30 for which a prime rate is listed. Unless otherwise provided by statute or rule, reinstatement interest shall apply to all amounts owed to the fund.

375. GENERAL RULE.

Only members of PERSI with five (5) years of credited service are eligible for disability retirement except as provided in Section 59-1352(2), Idaho Code.

376. SERVICE RELATED DISABILITY FOR POLICE, GENERAL MEMBERS, AND FIREFIGHTERS.

Police, general members, and certain firefighter members are eligible for disability retirement beginning from the first day of employment when the disability is caused by occupational hazards, as provided in Section 59-1352(2), Idaho Code.

377. -- 399. (RESERVED)

400. APPLYING FOR DISABILITY RETIREMENT.

Eligible members may apply for disability retirement by completing a required form available from any PERSI office. The application process may include an interview by a PERSI representative. Applicants must release all medical records and information to PERSI. The hours worked to qualify as an employee as defined in Section 59-1302(14), Idaho Code, is inapplicable for purposes of determining disability.

401. INITIAL APPLICATION REVIEW.

Applications will first be reviewed to determine whether the applicant meets eligibility requirements. If all eligibility requirements are met, the application will proceed to disability assessment review. If all eligibility requirements are

Section 309 Page 127

not met, the applicant will be notified in writing.

()

402. DISABILITY ASSESSMENT REVIEW.

Applicants will be assessed to determine whether they qualify for disability retirement under the applicable standard. The assessment may include without limitation, records review, medical and psychological examinations, vocational assessments, or any combination thereof as determined by PERSI. Failure to timely comply with any request made by PERSI during the assessment process shall result in automatic denial of disability retirement. At the conclusion of the assessment process, PERSI will notify applicants in writing whether or not they qualify for disability retirement.

(

403. RECONSIDERATION OF DISABILITY ASSESSMENT DECISION.

Applicants who are denied disability retirement as a result of an adverse disability assessment decision, and wish to contest that decision, are required to participate in a reconsideration process. A request for reconsideration must be made within thirty (30) days of the issuance of the disability assessment decision. Any additional information the applicant wishes to be considered must be submitted to PERSI within thirty (30) days of the request for reconsideration. The additional information will be reviewed and a reconsideration decision will be issued in writing to the applicant.

404. ADMINISTRATIVE REVIEW OF THE RECONSIDERATION DECISION.

A reconsideration decision shall be considered a final decision under Section 59-1314(2), Idaho Code, and may be appealed to the Board for review. In any related administrative hearing, the applicant shall be limited to presenting facts and evidence made available to PERSI in the reconsideration process. No new or additional evidence may be presented at the hearing. If the applicant has additional facts or evidence that were not made available to PERSI during the assessment or reconsideration process, the applicant must submit a new application for disability retirement, proceed again through the assessment process, and pay the costs associated with the second or subsequent assessment process. This rule is intended to promote the efficient use of fund resources by encouraging full and complete disclosure of information during the disability assessment process.

405. DELEGATION.

PERSI may, by contract or otherwise, delegate all or part of these processes to third parties. Where such delegation has been made, the term "PERSI" includes those third parties. When a member requests the resumption of a disability retirement allowance pursuant to Section 59-1354A, Idaho Code, the board may delegate its authority under Section 59-1354A, Idaho Code, to a third party. Where such delegation has been made, the term "Board" includes those third parties.

406. REASSESSMENT OF DISABILITY RETIREES.

Disability retirees are subject to reassessment of their disability at any time to determine whether they continue to be disabled under the standard in Section 59-1302(12), Idaho Code. However, pursuant to Section 59-1302(12)(b), Idaho Code, after two (2) years of continuous disability retirement, a disability retiree is not required to undergo medical examinations more often than every twelve (12) months. Disability retirees who are notified that they have been selected for reassessment are under the same obligation as applicants to supply information.

407. ATTORNEY'S FEES AND COSTS.

Attorney's fees and costs incurred by an applicant in his efforts to obtain disability retirement are the sole responsibility of the applicant and shall not be paid by PERSI except for fees related to judicial review for which applicant is found to be entitled under applicable law.

408. -- 424. (RESERVED)

425. BURDEN ON APPLICANT.

Applicant must demonstrate that, on or before applicant's last day of employment, he was disabled under the disability standard. The last day of employment is the last day applicant earned compensation, including annual leave and sick leave. When a member requests the resumption of a disability retirement allowance pursuant to Section 59-1354A, Idaho Code, the member must demonstrate that he could not successfully return to work because of the same disability on which his disability retirement was based.

426. STATUTORY STANDARD.

Section 402 Page 128

In applying the disability standard in Section 59-1302(12), Idaho Code, substantially all avenues of employment are reasonably closed if the applicant is permanently prevented, due to bodily injury or disease, from performing every substantial and material duty of any occupation for which the applicant is reasonably qualified by education, training or experience.

427. (RESERVED)

428. HIRE-ABILITY OF APPLICANT.

The inability of the applicant to secure employment in and around the area where the applicant resides is not considered in determining whether or not the applicant is disabled. If the applicant is able to perform every substantial and material duty of any jobs existing in the economy for which the applicant is reasonably qualified by education, training or experience, the applicant will not be considered disabled regardless of other factors that might affect the applicant's ability to actually secure employment, such as employer decisions and practices or the fact that there are no open positions or that the applicant is not selected for those positions.

429. -- **449.** (RESERVED)

450. COMMENCEMENT AND DURATION OF DISABILITY ALLOWANCE.

The commencement and duration of payment of disability benefits is governed by Section 59-1354, Idaho Code. For purposes of Section 59-1354(1)(b), Idaho Code, a member "becomes eligible" on the first of the month following the date selected by the member which follows the date on which the member is unable to and thereafter does not return to work on a regular basis for two (2) consecutive weeks but not later than the date on which the member ceases to make contributions.

451. DETERMINING WORKER'S COMPENSATION OFFSET.

To determine the offset required by Section 59-1353, Idaho Code, the amount payable under the provisions of any worker's compensation law which represents income benefits as defined in Section 72-102, Idaho Code, shall be converted to a monthly equivalent and deducted from the monthly retirement allowance.

452. EFFECT OF UNUSED SICK LEAVE ON DISABILITY ALLOWANCE.

Unused sick leave entitlement provided for by either Section 33-1228, 33-2109A, or 67-5339, Idaho Code, shall not be considered salary or compensation in the application of Section 59-1354(1), Idaho Code.

453. -- 474. (RESERVED)

475. APPLICATION OF THIS SUBCHAPTER TO FRF DISABILITY RETIREMENT.

All the provisions of this subchapter, except Sections 375, 376, 406, 426, 427, 451 and 452, apply also to applications for disability retirement under the FRF plan to the extent they do not conflict with the provisions of Title 72, Chapter 14, Idaho Code.

SUBCHAPTER E – PERSI SEPARATION FROM SERVICE RULES Rules 500 through 524

determined by the law, statutes and rules in effect on the date of last reinstatement to employee status, except as provided in Section 502 of this subchapter.

Statutory Reference: Section 59-1360, Idaho Code.

502. REPAYMENT OF SEPARATION BENEFITS BY EMPLOYEES PREVIOUSLY PRECLUDED FROM REPAYMENT.

Any employee who was precluded from repaying a separation benefit due to the fact they failed to meet the requirements of Section 59-1360, Idaho Code, may reinstate their previous credited service by repaying the full amount of their accumulated contributions provided such repayment includes payment of regular interest accruing from the date of each such separation benefit payment.

Statutory Reference: Section 59-1360, Idaho Code.

503. METHODS OF REPAYMENT OF SEPARATION BENEFITS.

- **01. Periodic and Lump-Sum Payments**. Where an active member elects to repay a separation benefit to reinstate previous service as provided in Section 59-1360, Idaho Code, the member may request that repayment be made in periodic payments or in a lump-sum payment. No service will be reinstated until the full repayment has been made.
- **Repayments Initiated on or After March 1, 2000.** For all repayments initiated on or after March 1, 2000, except as provided in Section 501 of this subchapter, a repayment amount will be determined which shall be the sum of the separation benefit(s) plus regular interest from the date of the benefit payment(s) until the date of the first payment. The repayment amount will be amortized over the repayment period at the reinstatement rate in effect on the date of the first periodic payment.
- **03. Repayments Initiated Before March 1, 2000.** For all periodic repayments initiated before March 1, 2000, a repayment amount will be determined which shall be the sum of the separation benefit(s) plus regular interest from the date of the benefit payment(s) until the date of the first payment. The repayment amount will be amortized over the repayment period at four point seventy-five percent (4.75%) interest. This is a grandfathered rate based on the rate in effect December 31, 1999, and will apply so long as payments exceed interest charges on a calendar year basis. If payments fail to exceed interest charges in any calendar year, the grandfathered rate will be forfeited and replaced by the reinstatement rate beginning in January immediately after the year in which the failure occurs. For purposes of these rules, a repayment is initiated by signing an agreement and making a payment.
- **04.** Repayments Under Section 59-1331(2), Idaho Code. For (waiting period) payments made pursuant to Section 59-1331(2), Idaho Code, a repayment amount shall be determined which shall be the sum of contributions that would have been made plus regular interest from December 31, 1975 until the date of the first payment. The repayment amount will be amortized over the payment period at the reinstatement rate in effect on the date of the first periodic payment.

504. IN-SERVICE TRANSFERS TO REINSTATE SERVICE.

To the extent permitted by federal law, and in accordance with any regulation or other guidance issued by the Internal Revenue Service, an active member may transfer funds from a 401(k), a 403(b), or an eligible 457(b) plan, in which they are currently eligible to participate, to the Base Plan for purposes of buying back service previously forfeited due to receiving a separation benefit, purchasing service related to eligible waiting periods, or purchasing service for periods of delinquent contributions.

508. REQUIRED MINIMUM DISTRIBUTIONS.

- **01. Default Application of Federal Requirements.** With respect to distributions under the Base Plan, and except as provided in Subsection 508.06, the Plan will apply the minimum distribution requirements of section 401(a)(9) of the IRS Code in accordance with a good faith interpretation of section 401(a)(9), notwithstanding any provision of the Base Plan to the contrary.
- **02. Required Beginning Date**. Except as otherwise provided in Subsections 508.04 through 508.08, distributions under the Base Plan shall begin not later than April 1 following the later of (a) the commencement year or (b) the year in which the member retires. For purposes of Section 508, the "commencement year" is the calendar year in which the member reaches age seventy-two (72).
- **03. PERSI Selects Retirement Option**. Any member required to take minimum distributions, as provided in this Section 508, and fails to complete and submit an approved retirement application and select either a regular or optional retirement allowance by April 1 following the later of (a) the commencement year or (b) the year in which the member retires shall be deemed to have made the following selection:
 - a. If single, a regular retirement allowance and no other selection shall be required or permitted.

- **04. Lifetime Distributions.** Distribution shall be made over the life of the participant or the lives of the participant and his beneficiary; or over a period certain not extending beyond the life expectancy of the member or the joint life and last survivor expectancy of the member and his beneficiary.
- **05. Timing of Required Distributions.** A required distribution shall be deemed to have been made during the commencement year if actually made by the following April 1, but such delayed distribution shall not change the amount of such distribution, and the distribution otherwise required during the subsequent calendar year shall be calculated as if the first distribution had been made on the last day of the commencement year. ()
- **06.** Adjustment of Required Distributions. Benefits paid prior to the commencement year shall reduce the aggregate amount subject to (but shall not otherwise negate) the minimum distribution requirements described herein.
- **07. Benefits Deferred Beyond Service Retirement.** The first payment of benefits of an inactive member following deferment beyond service retirement will be in a lump sum that includes payment for those months of service dating from the date of service retirement when a monthly retirement payment would have started through the current monthly payment. Subsequent payments will be for the monthly retirement allowance only.
- **08. Death Benefits.** All death benefits payable under the Base Plan will be distributed as soon as administratively practicable after request, but must in any event be distributed within fifteen (15) months of the member's death, unless the identity of the beneficiary is not ascertainable.

509. TRANSFERS TO NON-SPOUSE BENEFICIARIES.

Notwithstanding any other provision of the Base Plan to the contrary that would otherwise limit the options of the beneficiary of a deceased member who is not the member's spouse, the administrator shall, upon the request of such a beneficiary, transfer a lump sum distribution to the trustee of an individual account established under Section 408 of the IRS Code in accordance with the provisions of Section 402(e)(11) of the IRS Code.

SUBCHAPTER F – PERSI RETIREMENT RULES Rules 525 through 649

525. AVERAGE MONTHLY SALARY COMPUTATION -- EQUITABLE TREATMENT --DIFFERENT WORK PERIODS.

Equitable treatment for all members can be achieved only if members whose career patterns covering the same time frame and who received identical annual salaries during each of the twelve-month periods of that time frame accrue the same monthly service retirement allowance. To achieve this equity for the member whose annual salary has been paid on other than a twelve-month salary schedule during any contractual or like twelve-month period, the average monthly salary used for each one of those twelve-month periods will be determined from the total base period salary by using a divisor representing the months of membership service which would have been accumulated at that rate over a full base period.

Statutory Reference: Sections 59-1302(5A), 59-1391(b), Idaho Code.

UNUSUAL COMPENSATION PATTERN EFFECT ON RETIREMENT CALCULATION.

Upon application for a retirement benefit, any portion of compensation which represents payments in excess of and inconsistent with the usual compensation pattern, for example, but not limited to lump sum contract payouts, excess vacation paid but not taken, paid sick leave, or a clothing allowance will not be considered in determining benefits.

527. MAXIMUM RETIREMENT ALLOWANCE (RULE 111).

If the amount of a member's initial retirement allowance on the date of retirement would exceed the average salary during the member's highest thirty-six (36) consecutive calendar months of salary, then the member's initial retirement allowance will be limited to the greater of: the average salary during the highest thirty-six (36) consecutive calendar months of salary; or the initial retirement allowance based on credited service through April 1990. Optional retirement allowances will be computed after any limitation above has been applied.

MEMBER NOTIFIED OF AVAILABLE RETIREMENT OPTIONS PRIOR TO BOARD APPROVAL.

The Retirement Board shall not act on any application for retirement unless the member has previously been provided with notification of the regular retirement option and options one (1) and two (2) election available to the member including the value of the monthly allowance of each. The value of options three (3) and four (4) will be provided if the member so requests the value of the option and provides information required to calculate that option (such as but not limited to social security benefit estimates) which is not available to PERSI but that can be provided by the member.

529. -- 530. (RESERVED)

RETIREMENT APPLICATIONS.

Except as provided in this rule, a member is required to complete and submit an approved retirement application and select either a regular or optional retirement allowance. The member's signature must be notarized. The application for retirement indicating the election made by the retiring member shall also be signed by the spouse certifying the spouse understands and consents to the election made by the member. The spouse's signature must be notarized. Until an application for retirement is filed, no benefit payment is required. Applications with retroactive retirement dates are entitled to lump sum payments and do not include interest.

PAYMENT DATE OF EARLY OR SERVICE RETIREMENT ALLOWANCE -- GENERAL 532. MEMBERS.

As set forth by Section 59-1344, Idaho Code, a PERSI member's service retirement allowance or early retirement allowance is payable on the first of the month following the month in which the member ceases to be an employee while eligible for either of these forms of retirement.)

Statutory References: Section 59-1344 and 59-1356(2), Idaho Code.

ELECTED OR APPOINTED OFFICIAL WORKING FOR MULTIPLE STATE AGENCIES, POLITICAL SUBDIVISIONS OR GOVERNMENT ENTITIES.

An active member separated from employment by one (1) state agency, political subdivision or government entity for whom he or she did normally work twenty (20) hours or more per week and who is age sixty-two (62) or older and

Section 525 **Page 133** eligible to retire but remains an elected or appointed official with a different state agency, political subdivision or government entity, may retire and continue in that elected or appointed position provided that position is one in which he or she does not normally work twenty (20) hours or more per week. The member shall receive retirement allowances under the conditions provided by Section 538. Statutory References: Sections 59-1344 and 59-1356(2), Idaho Code.

ELECTED OR APPOINTED OFFICIAL RETIRING IN PLACE.

An active member serving as an elected or appointed official who does not normally work twenty (20) hours or more per week who is age sixty-two (62) or older and eligible to retire and who is not an eligible employee with another state agency, political subdivision or government entity pursuant to Section 101 may then retire and continue in that position. The member shall receive retirement allowances under the conditions provided by Section 538. Statutory References: Sections 59-1344 and 59-1356(2), Idaho Code.

RESTRICTIONS ON REEMPLOYMENT OF RETIRED MEMBERS.

There are no restrictions placed upon employment or earnings of retired members except with respect to employment by a state agency, political subdivision or government entity member of PERSI. Unless specified otherwise, the conditions of reemployment outlined in this subchapter apply for employment with any state agency, political subdivision or government entity member of the system.

Statutory Reference: Section 59-1356, Idaho Code.

536. RETIRED MEMBER BECOMING AN ACTIVE MEMBER.

Return to Service. A PERSI retired member employed in a position which involves service of normally twenty (20) hours or more per week for a period of five (5) or more consecutive months or longer will return to the status of an active member. Retirement benefits will suspend on reemployment and employee and employer contributions will resume to provide additional retirement credits. If a retired member is reemployed in a position which involves service of twenty (20) hours or more per week for a period of less than five (5) consecutive months, their monthly retirement benefits will continue to be paid. If the member's reemployment should equal or exceed the five (5) month period for any reason, the member will be required to repay the retirement benefits paid during the five (5) month period which they were reemployed and they will return to the status of an active member. Employee and employer contributions will be due for the five (5) consecutive month period. Statutory Reference: Section 59-1356, Idaho Code.

Return to School District. A PERSI retired member who qualifies to return to employment with a school district under Section 59-1356(4), Idaho Code, must return in the same job capacity to fulfill the intent of the statute, to fill hard-to-fill positions. A school teacher must return to work as a school teacher, a qualified bus driver must return to work as a bus driver, an administrator must return to work as an administrator.

REEMPLOYMENT LESS THAN FIVE CONSECUTIVE MONTHS.

If the period of reemployment develops to be less than five (5) consecutive months, contributions will be refunded and retirement allowances will resume as of the date they were discontinued. Statutory Reference: Section 59-1356, Idaho Code.

538. REEMPLOYMENT -- WORKING LESS THAN TWENTY HOURS OR LESS THAN FIVE CONSECUTIVE MONTHS.

Monthly retirement allowances will continue to be paid to the PERSI retired member who returns to employment in a position where the member does not normally work twenty (20) hours or more per week or the reemployment is for a period which does not total five (5) consecutive months and the state agency, political subdivision or government entity so certifies. In such cases, employee and employer contributions are neither required nor acceptable and no new retirement credits can be earned.

Statutory Reference: Section 59-1356, Idaho Code.

539. RETIRED MEMBER BECOMING AN ELECTED OR APPOINTED OFFICIAL.

A PERSI retired member who is subsequently elected or appointed by an employer to public office and who is not normally required to perform services of twenty (20) hours or more per week in that position may continue to receive retirement allowances in the status of a reemployed retired member under conditions outlined by Section 537. Statutory Reference: Section 59-1356, Idaho Code.

540. SEPARATION FROM EMPLOYMENT AFTER REEMPLOYMENT.

Upon subsequent separation from employment after reemployment, the member's original monthly retirement allowance will resume with appropriate cost-of-living adjustments plus the addition of a separate allowance computed with respect to salary and service credited during the reemployment period.

Statutory Reference: Section 59-1356, Idaho Code.

541. EARLY RETIREMENT MEMBER -- REEMPLOYMENT.

A PERSI member who had been receiving an early retirement allowance and who returns to employment as an active member may refund all retirement benefits previously paid plus regular interest accrued from the date each monthly allowance had been paid, thereby negating the previous retirement status. The month of last contribution prior to the negated retirement and the month of initial contribution upon return to active membership shall be considered consecutive months of contributions in the determination of an appropriate salary base period upon subsequent retirement.

Statutory Reference: Section 59-1356, Idaho Code.

542. BENEFIT ENHANCEMENT -- QUALIFICATION.

To qualify for a benefit enhancement, a person must remain an active member through the day following the effective date of the enhancement.

543. POST RETIREMENT ALLOWANCE ADJUSTMENTS -- PERSI RETIREES.

The Board shall annually determine the post retirement cost of living adjustment (COLA) for the Public Employee Retirement System of Idaho (PERSI) pursuant to Section 59-1355, Idaho Code. The Board shall have discretion in adopting a yearly discretionary and/or retro-active COLA. The Board shall yearly adopt this COLA no later than the December Board meeting of each year with an effective date of March 1 of the next year.

Statutory References: Section 59-1355, Idaho Code.

550. COMPUTATION OF BENEFITS FOR EMPLOYEES OF WITHDRAWN EMPLOYER.

- **91. PERSI's Responsibility.** PERSI's responsibility to a withdrawing political subdivision or governmental entity or its employees is limited to the vested accrued actuarial benefits of the system's members upon the date of complete withdrawal, Section 59-1326(10), Idaho Code.
- **O2. Withdrawal Liability Calculations.** On the occasion that a withdrawing political subdivision or governmental entity fails to pay, in full with accrued interest from date of withdrawal, the withdrawal liability calculated in accordance with Section 59-1326(7), Idaho Code, PERSI shall exhaust all efforts to collect the outstanding withdrawal liability as follows:
- **a.** Collect the full withdrawal liability from withdrawing political subdivision or governmental entity at date of withdrawal. If full withdrawal liability is not paid, then;
- **b.** Contract with withdrawing political subdivision or governmental entity, in accordance with section 59-1326(9) and file a lien on the assets of the withdrawing political subdivision or governmental entity. If scheduled payments are not timely made or assets are insufficient or unavailable, then;
- **c.** PERSI will pursue collection efforts against the authorizing state agency, political subdivision or governmental entity that caused the withdrawing political subdivision or governmental entity to be formed. If these collection efforts are ineffective, then;
- **d.** PERSI will cause an actuarial study to be performed for the withdrawing political subdivision or governmental entity and its employees to determine the actuarial value of the accrued benefits at time of withdrawal and will reduce an employee's benefit to match funded status.

551. COMPUTING VALUE OF SICK LEAVE.

For those members who accrue sick leave based upon each month of service, the rate of pay for purposes of computing the monetary value of a retired member's unused sick leave as outlined in Sections 59-1365, 67-5333, and 33-2109A, Idaho Code, shall be the base hourly rate of compensation reported by the employer during the month of separation from employment prior to retirement, not including any temporary increases, bonuses, or payoffs. For those members employed on a contract basis under Section 33-1228, Idaho Code, the rate of pay for purposes of computing the monetary value of a retiring member's unused sick leave based upon each month of service shall be determined at a daily rate by dividing the annual contract amount by the required days of work. No temporary increases, bonuses or payoffs shall be included in the contract amount. Where the daily rate is affected by changes in the work week such as adoption of a four (4) day work week or similar events, adjustments shall be made to convert the daily rate to maintain equity within the pool. No other forms of leave may be converted to sick leave or otherwise considered in computing the value of unused sick leave.

552. SICK LEAVE FUNDING RATES.

The sick leave pools shall be funded by employer contributions as follows:

- **01. State Agencies and Junior College Districts.** All employer groups participating in the pools established by Sections 33-2109A and 67-5333, Idaho Code, shall contribute point sixty-five percent (.65%) of employee covered payroll.
- **02. Schools**. All employer groups participating in the pool established by Section 33-1228, Idaho Code, shall contribute the percentage of employee covered payroll based on the number of days of paid sick leave permitted during the contract year for certified teachers as set forth in the following table:

Section 550 Page 145

Beginning:	July 1, 2006
9-10 days	1.16%
11-14 days	1.26%
More than 14 days	Individual rate to be set by the Retirement Board based on current cost and actuarial data and reviewed annually

Where a four (4) day work week or similar policies have been adopted, adjustments shall be made to convert the number of days of paid sick leave to the contribution level necessary to maintain equity within the pool.

03. Subdivisions. All political subdivision or government entity groups participating in the pool established by Section 59-1365, Idaho Code, shall make contributions as provided in Section 578.

553. LIMITATION ON INSURANCE PROGRAMS.

The health, accident, and life insurance programs maintained by state agencies, political subdivisions or government entities as outlined in Sections 59-1365, 33-1228, and 33-2109A, Idaho Code, are limited to plans where the policy holder is the state agency, political subdivision or government entity or a consortium of state agencies, political subdivisions or government entities. Insurance programs outlined in Section 67-5333, Idaho Code, shall be maintained by the state agency, political subdivision or government entity. The board may require plans to sign an agreement before participating.

554. PAYMENT OF INSURANCE PREMIUMS.

Upon certification by the state agency, political subdivision or government entity and the insurance carrier that a plan qualifies under Section 553 of this subchapter, the board may pay the monthly premiums for a retired member using unused sick leave account funds as prescribed by Idaho Code.

- **01. Adjustments**. Coverage and premium changes or adjustments must be submitted to PERSI no less than thirty (30) days prior to their effective date unless PERSI has previously agreed in writing to a shorter period.
- **02. Duration of Payments**. Premium payments will continue to be made from the unused sick leave account until credits are insufficient to make a premium payment, or until the retiree's death, whichever first occurs.

555. SEPARATION BY REASON OF RETIREMENT.

Unused sick leave benefits are credited only to employees who are eligible to retire at the time they separate from the state agency, political subdivision or government entity. When an employee separates from service and does not immediately retire, unused sick leave benefits are credited to the member but not available for use unless the member actually retires without intervening employment resulting in PERSI participation. The existence of available unused sick leave credits does not necessarily mean they are usable. A member must also be eligible to participate in the retiree plan offered by the state agency, political subdivision or government entity from which the member retired. Except for school district employees transferring from one (1) district to another, unused sick leave credits may not be transferred from one (1) state agency, political subdivision or government entity to another. If a member negates their retirement under Section 541 and returns to work for a new PERSI state agency, political subdivision or government entity, unused sick leave credits are also negated and eligibility for unused sick leave credits must be reestablished with the new state agency, political subdivision or government entity.

556. PROHIBITION AGAINST CASH OPTION.

All state agencies, political subdivisions or government entities participating in any PERSI administered sick leave pool are prohibited from offering or permitting any employee to convert unused sick leave to cash, other forms of leave, or any other benefit, even if the employee is not eligible to receive credits. Failure to comply with this prohibition will result in the state agencies, political subdivisions or government entities inability to participate in PERSI administered unused sick leave pools.

Section 553 Page 146

576. PARTICIPATION IN SUBDIVISION UNUSED SICK LEAVE POOL.

Any PERSI state agency, political subdivision or government entity meeting the following requirements may elect to participate in the unused sick leave pool authorized by Section 59-1365, Idaho Code:

- **01. No Current Plan.** The state agency, political subdivision or government entity does not participate in any other statutorily created plan that offers benefits for unused sick leave, including but not limited to, those plans created under Sections 33-1228, 33-2109, and 67-5333, Idaho Code.
- **02.** All Inclusive Participation. All of a participating state agencies, political subdivisions or government entities employees who are PERSI members and who accrue sick leave must be participants in the plan, except that state agencies, political subdivisions or government entities may exclude certain distinctive classes of employees for legitimate business reasons. For example, a city could exclude employees covered by a collective bargaining agreement, or a county may choose to exclude elected officials.
- **03. No Other Options for Unused Sick Leave**. No employee may be given any option to receive benefits from unused sick leave other than through this plan. For example, no employee, other than those properly excluded under Subsection 576.02, may be given the option of exchanging sick leave for cash or other forms of payment or leave.
- **04. Fixed Annual Accrual of Sick Leave**. State agency, political subdivision or government entity must comply with a policy that offers a fixed amount of sick leave annually that is applicable to all employees or employee groups. A "personal leave" option that fails to distinguish between sick, vacation, or other forms of leave is not permitted.
- **05. Medicare Eligible Retirees**. State agencies, political subdivisions or government entities plan must provide coverage to all retired employees eligible for unused sick leave credits, including retirees that become Medicare eligible.
- **06. Annual Application**. State agency, political subdivision or government entity must annually update and submit an application for participation in the Subdivision Unused Sick Leave Pool on the form prescribed by PERSI.

577. OPERATION OF SUBDIVISION POOL.

Upon separation from employment by retirement, in accordance with Chapter 13, Title 59, Idaho Code, every employee of a participating state agency, political subdivision or government entity shall, upon payment by the state agency, political subdivision or government entity under Section 578, receive a credit for unused sick leave in the same manner and under the same terms as provided in Section 67-5333(1), Idaho Code.

578. FUNDING OF SUBDIVISION POOL.

Participating state agencies, political subdivisions or government entities shall, within ten (10) days of retiree's last day in pay status, pay to PERSI a sum equal to the retiree's unused sick leave credit, together with any administrative fees the board may require. Investment earnings on funds paid into this pool will remain in the pool, together with any reversions due to the death of a retiree, and may be used by the board to pay some or all administrative costs.

579. TERMINATION, WITHDRAWAL, OR REMOVAL FROM SUBDIVISION POOL.

Any state agency, political subdivision or government entity failing to meet the requirements of participation provided by Section 576 shall be terminated from participation in the Subdivision Pool. Any state agency, political subdivision or government entity failing to meet the funding requirements provided by Section 578 shall be terminated from participation in the Subdivision Pool, provided however, a state agency, political subdivision or government entity may submit a detailed explanation for its failure to meet the funding requirements as required in Section 578 and subject to PERSI approval. State agencies, political subdivisions or government entities that have withdrawn or have been terminated shall not be allowed to rejoin.

600. PAYMENT DATE OF RETIREMENT ALLOWANCE FOR FRF MEMBERS.

A paid firefighter who retires under the provisions of Chapter 14, Title 72, Idaho Code, is entitled to a retirement allowance computed from the date following separation from employment, payable at the end of the calendar month following separation from employment.

601. FIREFIGHTER RETIREMENT ALLOWANCE.

Notwithstanding Sections 525 and 526 of this subchapter, the retirement allowances of firefighter members, as defined by Section 59-1391(b), Idaho Code, shall be determined pursuant to the provisions of Chapter 14, Title 72, Idaho Code.

602. REEMPLOYMENT OF RETIRED FRF FIREFIGHTER.

A paid firefighter retired under the provisions of Chapter 14, Title 72, (FRF), Idaho Code, who returns to employment as a paid firefighter with the same fire department from which retired shall be considered reemployed in the manner provided for PERSI members by Section 59-1356(1), Idaho Code. Retirement benefits shall then terminate and contributions shall again commence under conditions specified prior to retirement. The terminated benefit shall resume upon subsequent retirement with adjustments made in the manner prescribed by Section 59-1356(1), Idaho Code, as they would apply to the member's retirement benefit entitlement computed under the provisions of Chapter 14, Title 72, Idaho Code.

Statutory References: Section 59-1356, Idaho Code.

603. -- 624. (RESERVED)

625. PURCHASE OF SERVICE GENERALLY.

No member may purchase more than forty-eight (48) months of membership service, whether purchased under Section 59-1362, or 59-1363, Idaho Code, or a combination thereof. In all cases, the cost of purchasing service shall be the full actuarial costs, as determined by the board, of providing additional benefits resulting from the purchased service. Service may only be purchased at the time of retirement. In no event can a member revoke a purchase of service after payment has been made.

626. TIME OF RETIREMENT.

Within ninety (90) days before a member's effective date of retirement, the member may request the cost of service to be purchased. Costs provided for purchased service are valid only for the effective date requested. Purchased service will be calculated into the member's benefit only to the extent that it is paid by the effective date. In no event shall service be credited for which payment has not been made. Service may be purchased with after-tax dollars or with eligible rollover distributions. The member's service class at the time of purchase determines the class of service that may be purchased.

627. RETIREMENT DELAYED OR NEGATED AFTER PURCHASE.

If a member purchases service and thereafter revokes their application for retirement or negates their retirement as provided in Rule 541, the contributions made to purchase the service shall remain in the system until a distributable event occurs. If the distributable event results in payment of a monthly retirement benefit or an optional death benefit, the purchase price of the service previously purchased will be recalculated based on factors existing on the date the new benefit becomes effective. If, based on the new factors, the purchase price is higher than previously determined, the number of months purchased will be reduced to reflect the higher cost unless the member elects to pay the difference. If the purchase price is lower, the difference will be paid to the member as a lump-sum payment within sixty (60) days after the date of retirement unless the member elects to convert the difference into additional months and can do so without exceeding the forty-eight (48) month limit, the IRS limit referenced in Subsection 705.05, or any other statutory limitation, including the limitation in Section 59-1342(6), Idaho Code.

628. TREATMENT OF PURCHASE OF SERVICE CONTRIBUTIONS.

Contributions made for purposes of purchasing service, and interest earnings thereon, are not considered for purposes of determining death benefits under Section 59-1361(3), Idaho Code, and distributions under Section 59-1309(5), Idaho Code. When determining death benefits under Section 59-1361(3), Idaho Code, first calculate two hundred percent (200%) of accumulated contributions, excluding contributions and interest related to purchased service, then add member contributions and interest related to purchased service. Member contributions and interest will also be included in any separation benefit. In no event shall employer contributions for purchased service be included in any separation benefit or lump-sum death benefit.

Section 600 Page 148

629. EMPLOYER PARTICIPATION.

State agency, political subdivision or government entity participation must be in the form of lump-sum payments at the time of retirement. In the event a state agency, political subdivision or government entity makes a contribution on behalf of a member and a distribution other than periodic payments occurs prior to the actual retirement effective date, the state agency, political subdivision or government entity may claim a credit against future contributions equal to the amount of the contribution. State agency, political subdivision or government entity contributions must be accompanied by or preceded by a written statement endorsed by the governing body or officer of the state agency, political subdivision or government entity verifying that the participation is properly authorized and that the state agency, political subdivision or government entity indemnifies PERSI against any loss resulting from failure of the state agency, political subdivision or government entity, or any person acting on its behalf, to act within its authority.

630. ADDITIONAL LIMITS ON PURCHASED SERVICE.

The Internal Revenue Code imposes limits on the amount of retirement benefits that can be paid to a retiree under a defined benefit plan. Benefits acquired through purchase of service are subject to these limits for some purposes. In no event can a member purchase service that would result in the member exceeding the limits imposed in Section 415(n)(1)(A) of the IRS Code. In addition, a member's initial retirement benefit, including purchased service, continues to be subject to the limitation in Section 59-1342(6), Idaho Code.

SUBCHAPTER G – PERSI GAIN SHARING RULES Rules 650 through 755

650. EXISTENCE OF EXTRAORDINARY GAINS.

The existence of extraordinary gains triggers the possibility that allocations will be made as provided in Section 59-1309, Idaho Code. However, the existence of extraordinary gains does not obligate the retirement board to make an allocation. The Board may choose not to allocate extraordinary gains, or it may choose to allocate all or part of the extraordinary gains. Extraordinary gains exist when, at the close of the fiscal year, the value of plan assets exceeds plan liabilities as determined by the actuary, plus a sum necessary to absorb a one (1) standard deviation market event without increasing contribution rates, as determined by the Board. The amount of extraordinary gains available for possible distribution equals the amount by which the assets exceed the sum of the liabilities and the one standard deviation.

651. VALUE OF PLAN ASSETS.

This is the total assets held in the PERSI base plan, as reported in the actuarial valuation at the end of the fiscal year.

652. PLAN LIABILITIES.

This is the actuarial liability of the PERSI base plan, including but not limited to, the cost of the proposed COLA to be effective in March following the close of the fiscal year, the cost of any benefit enhancements to the base plan approved by the legislature, and the cost of actuarial gains and losses, as reported in the actuarial valuation for the fiscal year.

653. ONE STANDARD DEVIATION.

This is the amount of reserve necessary to absorb normal market fluctuations and is a function of the risk associated with investment holdings and strategies, and will be determined by the Board based on those factors.

654. BOARD DISCRETION.

The Board retains full discretion in determining whether to allocate extraordinary gains when they exist. Because of the broad range of factors that might be relevant to such a determination, and to assure that the Board will not be limited in exercising its discretion, these rules do not attempt to identify any of the factors that might be considered in the Board's fiduciary capacity. When extraordinary gains exist, the Board will decide whether they will be allocated no later than the first day of December following the end of the fiscal year. Such decision shall be in writing and shall constitute an amendment to the plan document for purposes of the Internal Revenue Code of 1986, as amended, or any successor thereto. In the absence of any such decision, the allocation for that year shall be zero (0.00).

675. ALLOCATION BETWEEN GROUPS.

If extraordinary gains exist, and the Board determines that all or part of such gains should be allocated, an allocation will be made among the three (3) groups identified by Section 59-1309, Idaho Code. The three (3) groups and allocations are:

a.	Active PERSI members - 38 percent (38%); (,

- **b.** PERSI retirees twelve percent (12%); and
- c. PERSI employers fifty percent (50%)

676. -- 699. (RESERVED)

700. ACTIVE MEMBER ALLOCATION.

After the amount to be allocated to the active member group has been determined, it shall be allocated among the members of the group. The active member allocation determines each member's initial share before considering any applicable individual limits. Each member's initial share shall be determined by dividing that member's accumulated contributions in the base plan at the close of the fiscal year by the total accumulated contributions in the base plan of all members of the group at the close of the fiscal year, multiplied by the amount allocated to the active member group. In no event shall a member's initial share, before considering individual limits, exceed the maximum annual contribution limit under Section 415(c) of the IRS Code applicable for the limitation year.

701. MINIMUM ALLOCATION AMOUNT.

Due to the costs associated with maintaining individual choice accounts, no allocation shall be made to any member whose allocation share does not exceed thirty-eight dollars (\$38) after considering individual limits, unless the member had a PERSI choice account on the last day of the fiscal year and has not withdrawn funds before the allocation date.

702. ACTIVE MEMBER.

A member participates in the active member allocation only if he is an active member as defined in this subchapter. Whenever a member is placed on leave of absence under circumstances making that member eligible for benefits under USERRA, the employer shall notify PERSI in writing within thirty (30) days and attach a copy of the member's orders.

703. ACCUMULATED CONTRIBUTIONS.

For purposes of allocating extraordinary gains within the active member group, accumulated contributions do not include contributions or interest related to the purchase of permissive service credits or contributions or interest in the Choice Plan or accounts.

704. TRANSFER TO DEFINED CONTRIBUTION CHOICE ACCOUNTS.

After each member's initial share has been determined, it will be transferred to an individual account as permitted under Section 414(k) of the IRS Code, subject to individual limits imposed by the Internal Revenue Code. The Board may transfer allocations anytime after necessary compensation data is received and processed by the Board.

705. LIMITATIONS ON ALLOCATION.

In no event shall a member's final allocation exceed the limits imposed by Section 415(c) of the IRS Code, based on compensation earned during the calendar year that included the end of the fiscal year.

706. INTERVENING RETIREMENT.

When a member is included in the active member pool but retires prior to the transfer of allocations, the member's allocation will be made as a one-time payment directly to the member rather than a transfer to an individual account. Such allocations will not be limited by Section 705 but will be subject to the limitations of Section 729. ()

Section 675 Page 150

707. INTERVENING WITHDRAWAL OF CONTRIBUTIONS.

When a member is included in the active member pool but terminates prior to the transfer of allocations, the allocation will be made to the member's individual account if the member has not withdrawn contributions from the Base account prior to the date of transfer of the allocation. No member who has withdrawn contributions from the Base account prior to the transfer of the allocation is eligible to receive an allocation.

708. INTERVENING DEATH OF ACTIVE MEMBER.

When a member would have been included in the active member allocation but dies prior to the transfer of allocations, no allocation shall be made to the member, beneficiary or estate except that an optional death benefit recipient will receive the active member's allocation as limited by Section 729.

709. TREATMENT OF GAIN SHARING ALLOCATIONS IN THE CHOICE ACCOUNT.

Gain sharing allocations transferred to individual Choice Accounts have no effect on an individual's Base Plan benefit. Gain sharing allocations, and the earnings thereon, will be accounted for separately from other Choice Plan contributions but will be treated as one plan for purposes of reporting, investing, distributions, and fees to the extent they are applicable. Related provisions of the Plan adopted by the Board to facilitate voluntary and employer contributions are applicable to gain sharing allocations to the extent not inconsistent with these rules and Sections 59-1308 and 59-1309, Idaho Code. However, no loans or hardship withdrawals may be taken against gain sharing account balances.

710. -- 724. (RESERVED)

725. RETIREE ALLOCATION.

After the amount to be allocated to the retiree group has been determined, it shall be allocated among the members of the group. The retiree allocation determines each member's share before considering any applicable individual limits. Each member's initial share shall be determined by dividing that retiree's monthly benefit at the close of the fiscal year by the total monthly benefits payable to all members of the group at the close of the fiscal year, multiplied by the amount allocated to the retiree group.

726. RETIREE.

For purposes of allocating extraordinary gains, a member must be a retiree as defined in this subchapter. ()

727. MONTHLY BENEFIT.

This is the monthly benefit for the last month of the fiscal year but does not include benefits related to other months that may also have been paid during the last month of the fiscal year. In no event shall a retiree's share be determined based on more than the retiree's annual benefit, not including any gain sharing allocations, divided by twelve (12).

728. PAYMENT OF ALLOCATION.

After each retiree's initial share has been determined, it will be paid no later than February 1 following the close of the fiscal year directly to the retiree either together with the retiree's monthly benefit or separately, subject to individual limits imposed by the Internal Revenue Code.

729. LIMITATIONS ON ALLOCATION.

Prior to allocation, a retiree's initial share shall be further limited as necessary to comply with the limits of Section 415(b) of the IRS Code.

730. INTERVENING DEATH OF A RETIREE.

When a retiree is included in the retiree allocation but dies prior to the transfer of allocations, no allocation shall be made unless benefit payments are continuing to be made to a contingent annuitant.

731. INTERVENING REEMPLOYMENT.

When a retiree is included in the retiree allocation but becomes reemployed as defined in Section 59-1356, Idaho Code, prior to the date of distribution, the retiree allocation shall be made in the form of an active member allocation, and shall be subject to active member limitations.

750. EMPLOYER ALLOCATION.

After the amount to be allocated to the employer group has been determined, it shall be allocated among the members of the group. Each employer's share shall be determined by dividing that employer's contribution liability for the fiscal year by the total contribution liability for all members of the group for the fiscal year, multiplied by the amount allocated to the employer group.

751. EMPLOYER.

Participation in the employer pool is limited to those entities defined as an employer in this subchapter. ()

752. CONTRIBUTION LIABILITY.

This includes only employer contributions that are accrued during the fiscal year and required to be paid by Section 59-1322, Idaho Code, unreduced by gain sharing credits. It does not include contributions made to fund sick leave pools, to pay costs of other plans such as the Firefighters Retirement Fund, or to contributions required by Sections 33-107A and 33-107B, Idaho Code. Only adjustments related to fiscal year contributions will be considered.

753. CREDIT OF ALLOCATION.

After each employer's share has been determined, it will be credited against the employer's future contribution invoices. The credits shall be applied only to offset future employee and employer contributions required to be remitted by Section 59-1325(1), Idaho Code, until the credit is exhausted. An employer may elect to use the credits solely against employer contributions to the extent that no carry-over credits (as described in Section 754) result.

754. CARRY-OVER OF CREDIT.

Should the credit exceed the employer's contribution invoices for the succeeding twelve (12) month period, any remaining credits will carry over to the following year together with an additional credit representing an interest payment. The interest credit shall equal the balance of remaining credits multiplied by a ratio representing the regular rate of interest. This process shall be repeated annually until all credits have been used.

755. WITHDRAWAL OF EMPLOYER.

When an employer is included in the employer pool but withdraws from the system as provided in Section 59-1326, Idaho Code, prior to allocation of credits, the employer shall not be entitled to receive any credits. When an employer is entitled to carry-over credits but withdraws prior to using all its credits, it shall not be entitled to additional credits based on interest payments.

- **a.** Forty thousand dollars (\$40,000); or

- **02.** Annual Adjustments. As of January 1 of each calendar year on and after January 1, 2002, the dollar limitation in Subsection 102.01 of these rules, with respect to both active and retired members, shall be adjusted for increases in the cost of living, taking into consideration applicable guidelines.
- **03. Other Qualified Plans.** To the extent that any Member of the Judges Retirement Plan is also a member of any other qualified plan, and annual additions to all plans covering the Member would otherwise exceed the limits set forth above, annual additions to such other qualified plan shall be reduced to the extent necessary to avoid exceeding the limitations on annual additions.

103. ROLLOVER DISTRIBUTIONS (RULE 103).

- **O1. Direct Rollovers.** A Member of the Judges' Retirement Fund or a beneficiary of a Member (including a Member's former spouse who is the alternate payee under an approved domestic relations order) who is entitled to an eligible rollover distribution may elect, at the time and in the manner prescribed by the Administrator, to have all or any portion of the distribution paid directly to an eligible retirement plan specified by the Member in a direct rollover. Effective January 1, 2006, in the event of a mandatory distribution greater than one thousand dollars (\$1,000), if the Member does not elect to have such distribution paid directly to an eligible retirement plan specified by the Member in a direct rollover or to receive the distribution directly, then the plan administrator will pay the distribution in a direct rollover to an individual retirement plan designated by the plan administrator.
- **O2.** Eligible Rollover Distribution Defined. For purposes of this Rule, an eligible rollover distribution means any distribution of all or any portion of a Member's account balance, except that an eligible rollover distribution does not include (a) any installment payment for a period of ten (10) years or more, (b) any distribution made as a result of an unforeseeable emergency, or (c) for any other distribution, the portion, if any, of the distribution that is a required minimum distribution under Code section 401(a)(9). In addition, an eligible retirement plan means an individual retirement account described in section 408(a) of the Code, an individual retirement annuity described in section 408(b) of the Code, a qualified trust described in section 401(a) of the Code, an annuity plan described in section 403(a) or 403(b) of the Code, or an eligible governmental plan described in section 457(b) of the Code, that accepts the eligible rollover distribution. Effective January 1, 2008, an eligible retirement plan shall also mean a Roth IRA described in section 408A of the Code.
- **03. After-Tax Contributions.** For purposes of the direct rollover provisions in Rule 103.01, a portion of a distribution shall not fail to be an eligible rollover distribution merely because the portion consists of after-tax

Section 102 Page 156

employee contributions that are not includible in gross income. However, such portion may be transferred only to an individual retirement account or annuity described in section 408(a) or (b) of the Code, or to a qualified defined contribution plan described in section 401(a) or 403(a) of the Code that agrees to separately account for the amounts so transferred, including separately accounting for the portion of such distribution which is includible in gross income and the portion of such distribution which is not so includible.

- **04. Alternate Payees.** A distributee includes an employee or former employee. In addition, the employee's or former employee's surviving spouse and the employee's or former employee's spouse or former spouse, who is the alternate payee under a domestic retirement order, approved as provided in Rule 402 are distributees with regard to the interest of the spouse or former spouse.
- **05. Transfers to Non-Spouse Beneficiaries.** This Rule 103.05 applies to distributions made on or after July 1, 2008. Notwithstanding any provision of the Judges' Retirement Fund to the contrary that would otherwise limit the options of the Beneficiary of a deceased Member who is not the Member's spouse, the administrator shall, upon the request of such a Beneficiary transfer a lump sum distribution to the trustee of an individual retirement account established under Section 408 of the Code in accordance with the provisions of Code section 402(e)(11).

SUBCHAPTER E – DISABILITY RETIREMENT Rules 350 through 399

350. APPLYING FOR DISABILITY RETIREMENT (RULE 350).

Eligible members may apply for disability retirement, as provided for in Section 1-2001(4)(a), Idaho Code, by completing a required form available from any PERSI office. The application process may include an interview by a Board representative. Applicants must release all medical records and information to the Board or its agent.

351. INITIAL APPLICATION REVIEW (RULE 351).

Applications will first be reviewed to determine whether the applicant meets applicable eligibility requirements. If eligibility requirements are met, the application will proceed to disability assessment review. If all eligibility requirements are not met, the applicant will be notified in writing.

352. DISABILITY ASSESSMENT REVIEW (RULE 352).

An applicant will be assessed to determine whether he qualifies for disability retirement under the applicable standard. The assessment may include without limitation, records review, medical and psychological examinations, vocational assessments, or any combination thereof as determined by the Board. Failure to timely comply with any request made by the Board during the assessment process shall result in automatic denial of disability retirement. At the conclusion of the assessment process, the Board will notify the applicant in writing whether or not he qualifies for disability retirement.

353. RECONSIDERATION OF DISABILITY ASSESSMENT DECISION (RULE 353).

Applicants, who are denied disability retirement as a result of an adverse disability assessment decision, and wish to contest that decision, are required to participate in a reconsideration process. A request for reconsideration must be made within thirty (30) days of the issuance of the disability assessment decision. Any additional information the applicant wishes to be considered must be submitted within thirty (30) days of the request for reconsideration. The additional information will be reviewed and a reconsideration decision will be issued in writing to the applicant.

354. ADMINISTRATIVE REVIEW OF THE RECONSIDERATION DECISION (RULE 354).

A reconsideration decision shall be considered a final decision, and may be appealed to the Board for review. In any related administrative hearing, the applicant shall be limited to presenting facts and evidence made available in the reconsideration process. No new or additional evidence may be presented at the hearing. If the applicant has additional facts or evidence that were not made available during the assessment or reconsideration process, the applicant must submit a new application for disability retirement, proceed again through the assessment process, and pay the costs associated with the second or subsequent assessment process. This rule is intended to promote the efficient use of fund resources by encouraging full and complete disclosure of information during the disability assessment process.

355. DELEGATION (RULE 355).

The Board may, by contract or otherwise, delegate all or part of these processes to third parties. Where such delegation has been made, the term "Board" includes those third parties. Where such delegation has been made, the term "Board" includes those third parties.

356. REASSESSMENT OF DISABILITY RETIREES (RULE 356).

A disability retiree is subject to reassessment of his disability at any time to determine whether he continues to be disabled under the standard in Section 1-2001(4)(a), Idaho Code. However, after two (2) years of continuous disability retirement, a disability retiree is not required to undergo medical examinations more often than every twelve (12) months. A disability retiree notified that he has been selected for reassessment is under the same obligation as applicants to supply information.

357. BURDEN ON APPLICANT (RULE 357).

Applicant must demonstrate that, on or before applicant's last day of employment, he was disabled under the disability standard. The last day of employment is the last day applicant earned compensation, including annual leave and sick leave.

358. STATUTORY STANDARD (RULE 358).

Section 350 Page 158

In applying the disability standard in Section 1-2001(4)(a), Idaho Code, the applicant is prevented from further performance of the duties of his office if the applicant is permanently prevented, due to bodily injury or disease, from performing every substantial and material duty of his office.

359. ATTORNEY'S FEES AND COSTS (RULE 359).

Attorney's fees and costs incurred by an applicant in his efforts to obtain disability retirement are the sole responsibility of the applicant and shall not be paid by the Board except for fees related to judicial review for which applicant is found to be entitled under applicable law.
