000. -- 009.   (RESERVED).

010.   DUTIES.

01.   State-Federal Program Work. Deputies shall perform all State-Federal program work in full accordance with the procedures as set forth in the Idaho Instruction Book for Fee Basis Veterinarians.   (12-26-61)

02.   Salesyard Work. Salesyard (Public Livestock Market) veterinarians shall see and inspect all cattle on which salesyard releases are issued.   (12-26-61)

03.   Salesyard Vaccinations. Salesyard (Public Livestock Market) veterinarians shall vaccinate all swine at Public Livestock Markets with a state approved dosage of approved hog cholera immunizing agents. All swine so vaccinated shall be eartagged, with an official Hog Cholera vaccination tag, and the veterinarian shall issue a properly executed swine vaccination report certificate for release purposes, showing ear tag numbers and method or type or immunization used.   (12-26-61)

04.   Filing Reports. Deputy State Veterinarians shall properly fill out and mail to the Bureau of Animal Industry the state morbidity and mortality animal disease report not later than the end of the first week of the month following the month so being reported. Failure on the part of a Deputy State Veterinarian to so properly execute and promptly file with the Bureau of Animal Industry such a report monthly shall constitute a cause for the revoking of said individual's deputyship.   (12-26-61)

05.   Professional Acts. Any and all professional acts performed by a Deputy State Veterinarian for which the owner directly compensates the veterinarian, shall constitute private practice on a private treaty basis with the owner; provided, however, all professional acts pertaining to State-Federal cooperative programs must be performed and reported in full accordance with current State-Federal procedures for such.   (12-26-61)

a.   An exception to the above are acts performed by a Deputy State Veterinarian in compliance with and pursuant to a specific directive of the Bureau of Animal Industry issued to a Deputy State Veterinarian. In such instances, the Deputy State Veterinarian is acting as a state employee in and for the state, i.e.--Idaho inspection of import livestock shipments when such shipments are not covered by a proper official health certificate issued at point of shipment origin. Such Idaho inspections performed by a Deputy State Veterinarian shall be performed at owner's cost and remuneration for such charges shall be promptly submitted to the Bureau of Animal Industry along with: (12-26-61)

i.   Proper copies of the Idaho Health Certificate issued; and   (12-26-61)

ii.   Properly executed Department of Agriculture, Bureau of Animal Industry work sheet showing evidence such acts were performed; and   (12-26-61)

iii.   A check, money order or cash issued by the owner in the amount of such charges; said check made payable to the Idaho Bureau of Animal Industry.   (12-26-61)

b.   The deputy state veterinarian in such instances, shall be remunerated, in the sum of such charges, by the Bureau of Animal Industry for such official acts, when said veterinarian, at the close of the month in which such acts were performed, submits a properly executed Idaho Department of Agriculture Form No. 3, accompanied by a work sheet.   (12-26-91)

06.   Investigations. When a Deputy State Veterinarian is directed, by the Bureau of Animal Industry to make a state investigation such as the example set forth above in part No. 5, he shall cause to be promptly, properly and fully executed a report of investigation, I.V. Form 1, and Department of Agriculture, Bureau of Animal Industry, work sheet along with the State Form No. 3, voucher for payment for services rendered, and the report of
