000. LEGAL AUTHORITY.

The Idaho Electrical Board is authorized under Sections 54-1003, 54-1005(1), and 54-1006(5), Idaho Code, to adopt rules concerning the examinations for all classifications under the electrical law and rules. (2-26-93)

001. TITLE AND SCOPE.

These rules shall be cited as IDAPA 07, Title 01, Chapter 05, Rules Governing Examinations, Department of Labor and Industrial Services. These rules include criteria for conducting examinations for all electrical licenses. (2-26-93)

002. WRITTEN INTERPRETATIONS.

This agency has no written interpretations of this chapter. (2-26-93)

003. ADMINISTRATIVE APPEALS.

004. -- 010. (RESERVED).

011. EXAMINATIONS.

Examinations for all classifications under the Electrical Laws and Rules and Regulations shall be approved by the Electrical Bureau Chief and the Idaho Electrical Board. No license shall be issued unless the applicant receives a final grade of seventy percent (70%) or higher, or, for the Master Journeyman license, seventy-five percent (75%) or higher. (1-14-87)

01. Frequency of Conducting of Examinations. Examinations for all classifications under the Electrical Laws and Rules and Regulations will be given a minimum of four times each year in at least three locations: One (1) to be in northern Idaho, one (1) to be in central Idaho, and one (1) to be in southern Idaho. The applicant will be notified in writing of the date, time, and location at which the examination will be given, following approval of the application. (1-14-87)

02. Professional Testing Services. In lieu of the administration by the Idaho Electrical Board of the examination for licenses pursuant to this rule, the Board may contract with a professional testing service, to administer the examination, and require license applicants to pay to the testing service the fee that they have set for the examination and to take such examination at the time set by such service. After taking such examination, the applicant shall provide the board with an official copy of his or her test score, which must be seventy percent (70%) or higher, or, for the master journeyman license, seventy-five percent (75%) or higher, before the license will be granted. If the examination is conducted in this fashion, the Board may charge and retain the application fee provided for by Section 54-1014 of the Idaho Code to cover the cost of reviewing the applicant's application. (12-17-92)

03. Required Scores. An applicant receiving a score of less than seventy percent (70%), or, for the master journeyman license, of less than seventy-five percent (75%), may be reexamined at the expiration of thirty (30) days. After a third failure, an applicant may not be tested before the expiration of one (1) year. (12-17-92)
