Chapter 03**

**55.01.03 - PROGRAMMATIC RULES**

**000. LEGAL AUTHORITY.**

Vocational Guidance and Counseling projects supported with Vocational Education funds shall be conducted by or under the direction of a counselor who holds a current Interim Vocational Counselor Certificate or Vocational Counselor endorsement or the Advanced Vocational Counselor Specialist Certificate. (7-1-93)

**001. TITLE AND SCOPE.**

This rule provides assurance that all Vocational Guidance and Counseling projects are carried out by or under the direction of credentialed personnel. Because some Guidance and/or Counseling related projects may be directly conducted by aides or other school personnel, these personnel must operate under the direction of a counselor who directly administers or has oversight (responsibility) of the project. This provides maximum flexibility to schools. (7-1-93)
