001. TITLE AND SCOPE.

01. Application of Rules. These rules set forth procedures concerning the issuance of leases on state-owned submerged lands. (7-1-97)

02. Additional Application of Rules. These rules also apply to state-owned islands raised from submerged lands, or filled submerged lands, or other formerly submerged lands that are no longer covered by water at any time during an ordinary year. (7-1-97)

03. State's Rights. While the state asserts the right to issue leases for all encroachments, navigational or non-navigational, upon, in or above the beds or waters of navigable lakes and rivers, nothing in these rules shall be construed to vest in the state of Idaho any property, right or claim of such right to any private lands lying above the natural or ordinary high water mark of any navigable lake or river. (7-1-97)

002. WRITTEN INTERPRETATIONS.

There are no written interpretations of these rules. (7-1-97)

003. ADMINISTRATIVE APPEALS.

This chapter does not provide for appeal of the administrative requirements for agencies. (7-1-97)

05. Department. The Idaho Department of Lands. (7-1-97)

06. Director. The director of the Department of Lands or such representative as may be designated by the director. (7-1-97)

channels or basins, log storage, public boardwalks and other such aids to navigability on, in, or above the beds or waters of a navigable lake, river or stream. The term "encroachment(s) in aid of navigation" may be used interchangeably herein with the term "navigational encroachment(s)." (7-1-97)

09. Encroachments Not in Aid of Navigation. Includes all other encroachments on, in, or above the beds or waters of a navigable lake, river or stream, such as fills into waterways, bridges, floating restaurants, bars, stores or other structures not constructed primarily for use in aid of navigation. These rules shall apply to all existing and proposed uses and encroachments, whether or not authorized by permit under the Lake Protection Act or the Stream Channel Protection Act. 02. Modification of Existing Lease. Modification or amendment of an existing lease will be processed in the same manner as a new application. Modification or amendment includes change of use, location, size or scope of the lease site, but does not include ordinary maintenance, repair or replacement of existing structures or facilities. (7-1-97)

The lessee shall be provided written notification of any violation. The letter shall specify the violation, corrective action necessary, and specify a reasonable time to make the correction. If the corrective action is not taken within the specified reasonable period of time, the department shall notify the lessee of cancellation of the lease; provided, however, that the notice shall be provided to lessee no later than thirty (30) days prior to the effective date of such cancellation. (7-1-97)

02. Performance Bond. In the event a bond is necessary, the lessee shall submit a performance bond in favor of the state of Idaho and in a format acceptable to the director before a lease is issued. Acceptable bonds include surety, collateral, and letters of credit. The amount of bond shall be the estimated cost of restoration as established by the director in consultation with the lease applicant on a case by case basis. To determine restoration costs, the director may consider the potential for damage to land, to improvements, and the cost of structure removal. (7-1-97)

066. -- 069. (RESERVED).
