11. Additional Fees and Reinspection Fees. A fee of twenty-five dollars (\$25) per hour and twelve dollars and fifty cents (\$12.50) for each additional one-half (1/2) hour shall also be paid before approval of the installation if the following services are necessary: (1-14-87)

a. Trips to inspect when the submitter of the permit had given notice to the inspector that the work is ready for inspection when it was not, or if the submitter has not clearly given the location of the installation either by directions or maps, or if the inspector cannot gain access to make the inspection. (1-14-87)

b. Trips to inspect corrections required by the inspector as a result of the submitter improperly responding to a corrective notice. (1-14-87)

c. Each trip necessary to remove a red tag from the jobsite. (1-14-87)

d. When corrections have not been made in the prescribed time, unless an extension has been requested and granted. (1-14-87)

e. No permit. Failure to send permit and required fee in the prescribed time may, at the discretion of the Department, result in the assessment of a double fee. (1-14-87)

f. On jobs requiring partial or progress inspections, one (1) inspection is allowed per twenty-five dollars (\$25) of fee. Additional inspections will be at twenty-five dollars (\$25) per hour or twelve dollars and fifty cents (\$12.50) per half hour. (1-14-87)

12. Plan Checking Fee. Twenty-five dollars (\$25) minimum for one (1) hour or less. Over one (1) hour: Twenty-five dollars (\$25) plus twelve dollars and fifty cents (\$12.50) for each one-half (1/2) hour or portion thereof in excess of one (1) hour. (1-14-87)

13. Fees for Temporary Amusement/Industry Electrical Inspections. (1-14-87)

a. The Division will, for a fee of thirty dollars (\$30) per hour, inspect carnival rides, concessions, booths, and generators before the first show of each year. The pre-season inspection is encouraged: it may save an owner/operator from a large number of inspection fees. (1-14-87)

b. If a ride, concession, or generator has not had a pre-season inspection, a carnival, circus, or traveling show must pay a fee of ten dollars (\$10) for the first inspection each year of each ride, concession, or generator to which power is supplied. An insignia of approval will be affixed to each ride, concession, and generator

to indicate the year and date of inspection.

(1-14-87)

c. The Division shall inspect a ride, concession, or generator each additional time the ride, concession, or generator is set up. For those rides, concessions, and generators that have been inspected and have the insignia of inspection, the fee shall be fifty dollars (\$50) for up to the first ten rides, concessions, or generators. If a ride, concession, or generator has no insignia of inspection, the fee for that ride, concession, or generator shall be charged per Subsection 011.13.b.

(1-14-87)

14. Expiration of Permits. Every permit issued by the Electrical Bureau shall expire by limitation and become null and void if the work authorized by such permit is not commenced within ninety (90) days from the date of issuance of such permit or if the work authorized by such permit is suspended or abandoned at any time after work is commenced for a period of one hundred eighty (180) days, unless a request for extension has been made to and granted by the Electrical Bureau. Before such work can be recommenced, a new permit shall first be obtained, and the fee shall be one-half (1/2) the amount required for a new permit for such work, provided no changes have been made or will be made in the original plans and specifications for such work and provided further that such suspension or abandonment has not exceeded one (1) year.
