**IDAPA 17
TITLE 07
Chapter 03**

17.07.03 - SAFETY RULES FOR ELEVATORS AND ESCALATORS -- INSPECTIONS

000. LEGAL AUTHORITY.

These rules are promulgated pursuant to the authority granted the Industrial Commission by Sections 72-508, 72-720, 72-721, 72-722, and 72-723, Idaho Code. (7-1-97)

001. TITLE AND SCOPE.

These rules shall be cited as IDAPA 17.07.03, Safety Rules for Elevators and Escalators - Inspections, and shall be applicable to all persons engaged in the design, construction, installation, operation, inspection, testing, maintenance, alteration and repair of elevators, dumbwaiters, moving walks, material lifts, wheelchair lifts, stairway chair-lifts, and escalators. (7-1-97)

002. WRITTEN INTERPRETATIONS.

There are no written statements which pertain to the interpretation of these rules. (7-1-97)

003. ADMINISTRATIVE APPEALS.

There are no provisions for administrative appeal of these rules. The procedures for appeals in safety matters is prescribed by Sections 72-714 and 72-718 through 72-722, Idaho Code. (7-1-97)

004. -- 008. (RESERVED).

009. ABBREVIATIONS.

For abbreviations refer to IDAPA 17.07.01, Section 011.

010. DEFINITIONS.

For definitions refer to IDAPA 17.07.01, Section 010. (7-1-97)

011. INSPECTIONS.

01. Types of Inspection. (7-1-97)

a. Acceptance inspection shall be conducted by a competent person representing the owner and witnessed by a State inspector for all new or altered elevators, unless otherwise exempted by these rules. (7-1-97)

b. Routine inspection shall be conducted annually by a competent person representing the owner for all elevators, dumbwaiters, moving walks, material lifts, wheelchair lifts, stairway chair-lifts, and escalators, unless otherwise exempted by these rules, utilizing forms provided by the Division. (7-1-97)

c. Periodic inspection shall be conducted by a competent person representing the owner and witnessed by a State inspector for all elevators, unless otherwise exempted by these rules. (7-1-97)

02. Requirement. (7-1-97)

a. Elevators installed or operated in the State of Idaho, unless otherwise exempted by these rules, shall have an inspection in accordance with IDAPA 17.07.02, Subsections 011.06.a., 011.06.b., or 011.06.c., which must result in the issuance of a certificate to operate before such elevator is placed into operation. A certificate to operate may be issued for an elevator only in the judgement of the state inspector following a thorough inspection. If in the opinion of the state inspector the elevator is unsafe, the inspector shall prohibit the use of the elevator until it is made safe. (See Figure 011.02-A, IDAPA 17.07.03) (7-1-97)
