The initial application must be complete except for bond and license fee. When, or if, an available opening does occur and public announcement is made, the Board shall use the waiting list for direct notification by mail of interested parties, and shall select a qualified candidate. Any person on the list who remains interested in obtaining a license following notification of availability must re-apply during the open period as announced by the Board in order to have his application considered. If an existing operating area (hunting, boating, or other) is relinquished by the licensee, the Board (if it deems it advisable to relicense the area) shall publicize the area's availability and accept written applications for a thirty (30) day period of time from the date of public notice from those persons wishing to be licensed to the area.
