**16.04.10 - RULES GOVERNING THE COMMUNITY SERVICES  
BLOCK GRANT PROGRAM**

**000. LEGAL AUTHORITY.**

This program is authorized by the Community Services Block Grant Act, Sections 670 through 683 of the Omnibus Budget Reconciliation Act of 1981; and by the provisions of Sections 56-202 and 56-203, Idaho Code, which authorize the Department of Health and Welfare to enter into contracts with the federal government to provide assistance. (10-20-82)

**001. TITLE AND SCOPE.**

This chapter contains the rules for implementing provisions of the Community Services Block Grant Act, Sections 670 through 683 of the Omnibus Budget Reconciliation Act of 1981. The rules are to be cited in full as Idaho Department of Health and Welfare Rules, IDAPA 16.04.10, "Rules Governing the Community Services Block Grant Program". (12-31-91)

**002. (RESERVED).**

**003. POLICY/PURPOSES.**

01. Introduction. (12-31-91)

a. The Omnibus Budget Reconciliation Act of 1981 repealed the Economic Opportunity Act of 1964 and enacted in its place the Community Services Block Grant Act. The result was to shift the major responsibility for self-help antipoverty program planning and implementation from the federal to the state level. (10-20-82)

b. The Community Services Block Grant Act provided that not less than ninety percent (90%) of the funds appropriated in federal fiscal year 1982 be subgranted by the state to organizations which were officially designated as community action agencies or community action programs under the provisions of Section 210 of the Economic Opportunity Act of 1964 for fiscal 1981, or to organizations serving seasonal or migrant farmworkers. This provision has been continued in federal legislation in each succeeding year. (10-1-84)

c. The Director of the Department of Health and Welfare, through these rules, is implementing the state's administration of the Community Services Block Grant Program for FY-83 and succeeding years as authorized by the Omnibus Budget Reconciliation Act of 1981, Subtitle B, as amended. (10-1-84)

d. Funds, which are appropriated annually by Congress, are by law allocated to the states based on the ratio the amount received by the state for fiscal year 1981 under Section 221 of the Economic Opportunity Act of 1964 bore to the total amount received by all states for FY-81 under such part. Projects funded under Idaho's Community Services Block Grant Program must be so designed that each activity will ameliorate the causes of poverty in communities within the state. (10-20-82)

02. Objectives. The objectives of the Idaho Community Services Block Grant Program are: (10-20-82)

a. To provide a range of services and activities having a measurable and potentially major impact on causes of poverty in the community or those areas of the community where poverty is a particularly acute problem; and (10-20-82)

b. To provide activities designed to assist low-income participants including the elderly poor: (10-20-82)

i. To secure and retain meaningful employment; and (10-20-82)

ii. To attain an adequate education; and (10-20-82)

iii. To make better use of available income; and (10-20-82)

- iv. To obtain and maintain adequate housing and a suitable living environment; and (10-20-82)
- v. To obtain emergency assistance through loans or grants to meet immediate and urgent individual and family needs, including the need for health services, nutritious foods, housing and employment related assistance; and (10-20-82)
- vi. To remove obstacles and solve problems which block the achievement of self-sufficiency; and (10-20-82)
- vii. To achieve greater participation in the affairs of the community; and (10-20-82)
- viii. To make more effective use of other programs related to the purposes of the Community Services Block Grant Program; and (10-20-82)
- c. To provide on an emergency basis for the provision of such supplies and services, nutritious foodstuffs, and related services, as may be necessary to counteract conditions of starvation and malnutrition among the low-income; and (10-20-82)
- d. To coordinate and establish linkages between governmental and other social services programs to assure the effective delivery of such services to low-income individuals. (10-20-82)
