Nothing in this chapter, however, shall be construed, nor shall any rule be promulgated under this section, as to impair, restrict, or alter the confidentiality and privilege afforded the consumer and physician communications, including without limitation, documentation thereof in records of agencies, or communications to and with assisting persons, or entities, nor shall this chapter be construed to amend by implication such physician-consumer communication privilege as provided elsewhere in rule code, including without limitation, Section 9-320(4), Idaho Code, which shall remain inviolate.
