See Section 22-1211, Idaho Code. (7-1-93)

02. Idaho Potato Commission Advertising Tax. There is hereby levied and imposed a tax of four cents (\$0.04) per hundredweight on potatoes covered by this act which tax shall be due on or before the time when such potatoes are first handled in the primary channels of trade and shall be paid not later than the fifteenth day of the month next succeeding the month in which such potatoes were handled in the primary channels of trade. In addition to the four cents (\$0.04) tax herein above provided for there is hereby levied and imposed an additional tax of six cents (\$0.06) per hundredweight on potatoes covered by this act; provided, however, said additional tax of six cents (\$0.06), or any portion thereof, shall only be due and collectible upon a determination by at least two-thirds (2/3) of the commission members that the anticipated expenditures for the next fiscal year following the year in which the determination is made will exceed the anticipated tax revenues to be collected from the said four cents (\$0.04) tax. Upon such a determination, the commission shall collect the additional six cents (\$0.06) tax or such portion thereof as is required by such determination, which shall be collected with, and as, other taxes imposed by this act. The person first selling or otherwise delivering potatoes into primary channels of trade shall be responsible for and make payment of all taxes imposed by this chapter. If such person is the dealer or shipper handling potatoes grown by another, he may charge against and recover from the grower of such potatoes or the person from whom he acquired them sixty percent (60%) of the tax. (7-1-93)

03. Definitions - As Used in These Rules. Section 22-1204, Idaho Code, defines terms used in these rules. (7-1-93)

04. Dealers', Handlers' and Out-of-State Repackers' Records. Idaho Potato Commission Advertising Tax Returns - Audits - Inspections. (7-1-93)

a. Every dealer or handler including out-of-state repackers shall keep a complete and accurate record of all potatoes handled by him in the primary channels of trade. Such record shall be in such form as the Commission's Executive Director shall prescribe. (7-1-93)

b. In addition to such other information that the Executive Director requires, each dealer, handler and out-of-state repacker shall keep records that segregates purchases and sales of Idaho (Registered Trademark) potatoes by calendar month; records of inventories of Idaho (Registered Trademark) potatoes by calendar month; records of inventories of containers bearing the registered trademarks of the Commission by calendar month. For further requirements see Section 22-1212, Idaho Code. (7-1-93)

05. Calculation of Advertising Tax Due. (7-1-93)

a. All first handlers of Idaho (Registered Trademark) Grown Potatoes shall pay the total tax due on all potatoes handled by them on a net weight basis, except as provided in Rule 100.05.b. Net weight shall be determined by subtracting from the gross scale weight the tare for dirt, rock and other foreign material only. Net weight shall then be multiplied by ninety percent (90%) which provides for a ten percent (10%) allowance for those potatoes that are unusable for human consumption. The amount of tax due is the tax rate currently imposed pursuant to Rule 100.02, multiplied by the hundredweight (cwt) calculated above. The following diagram illustrates the manner in which the formula is to be applied:

		tare		90%		CWT
Gross Scale Weight	Less	(Dirt, rock and other foreign materials ONLY)	X	(Allowance for potatoes unfit for consumption is 10%)	=	(Upon which TAX is DUE)

(7-1-93)

i. Fresh shipped potatoes. On all Idaho (Registered Trademark) potatoes shipped fresh, a permitted handler shall pay the full Idaho Potato Commission Advertising Tax on all fresh shipments which meet State Grade Standards or Federal Fresh Market Standards whether sold interstate or intrastate. (7-1-93)

ii. Fresh potatoes not meeting grades. A ten percent discount per hundredweight shall be allowed on all intrastate shipments of fresh potatoes not meeting State Grade Standards or Federal Fresh Market Standards, such as culls or processing grade potatoes sold to processors, after tare is taken for dirt and foreign material only, to allow for that portion which is unusable for human consumption. Statements showing Idaho Potato Commission Advertising Tax liability shall be mailed to fresh shippers each month, and payment of Idaho Potato Commission Advertising Tax due to be made within thirty days of receipt of statement. This rule is not to be construed as authorizing any shipments of potatoes contrary to Section 22-901, Idaho Code. (7-1-93)

A report on a form approved by the Commission, showing total weight handled for a given period of time and the Idaho Potato Commission advertising tax due are to be sent to the Idaho Potato Commission office with the tax payment.
