100. RESPONSIBILITY OF PERMITTEE.

01. General Responsibilities. The permittee shall determine and declare the gross weight, distribution of weight, and the dimensions of the vehicle and load and shall submit all other required information before issuance of the permit. The acceptance of a overlegal permit by the permittee is his agreement that the vehicle and load covered by the permit can and will be moved in compliance with the terms and limitations set forth in the permit. When a permit has been accepted by the permittee, such action shall be deemed an unequivocal assurance that he has complied, or will comply with all operating, licensing, and financial responsibility requirements. (3-19-99)T

02. Permit To Be Carried In Vehicle. (1-3-93)

a. The overlegal permit must be carried in the vehicle to which it refers during the time of movement and shall upon demand be delivered for inspection to any peace officer or authorized agent of the Idaho Transportation Board or any officer or employee charged with the care and protection of the public highways. The original ITD-217E annual permit must be carried in the vehicle within sixty (60) days of the date of issue.(3-19-99)T

b. When the route of the permitted vehicle will not pass in the vicinity of a state operated transceiver station, the applicant may complete Form ITD-217-10, APPLICATION FOR OVERLEGAL PERMIT NUMBER, and provide pertinent information by telephone to the overlegal permit office. If the overlegal permit office approves the application, a overlegal permit number will be assigned to complete the Form ITD-217-10. Form ITD-217-10 will serve as evidence of intent to obtain the overlegal permit and will be honored by law enforcement subject to the officer checking with the overlegal permit office. The applicant must qualify for this procedure by obtaining a permit fee account number. The overlegal permit office will complete the Overlegal Permit Form ITD-217 and charge the fee to the applicant's permit fee account number. (IDAPA 39.03.21, "Rules Governing Special Permit Fees," Section 300.) (3-19-99)T

04. Basic Limitations Shall Not Be Exceeded. Overlegal permits shall not be issued for vehicles or loads in excess of the maximum limitations of size or weight or which otherwise exceed the limitations for over legal

loads as set forth in these rules unless exception is made by the Transportation Board, or as otherwise provided herein. (3-19-99)T

05. Movement, Loading, Parking On State Highways. (1-3-93)

a. The movement of over legal loads shall be made in such a way that the traveled way will remain open at all times to provide for the continuous movement of opposing traffic and to provide for frequent passing of vehicles traveling in the same direction. Over legal vehicles or loads shall be pulled off the traveled way at every suitable location when necessary to relieve any accumulation of traffic behind such over legal vehicle or load. (10-2-89)

b. The over legal vehicle shall not be loaded, unloaded or parked, upon any State highway, except for emergencies, without the specific permission or by direction of the Department or policing agency having jurisdiction over such highway. (1-3-92)
