be prejudiced by such procedure. Where two (2) or more proceedings are consolidated, the Commission shall determine the order in which all parties shall introduce their evidence and which party or parties shall open and close. (7-1-93)

09. Joint Hearing. The Commission may participate in joint hearings with other state or federal agencies. Unless otherwise ordered by the Commission, the Rules for Practice and Procedure of the Commission shall control. (7-1-93)

10. Stipulations. Parties may stipulate among themselves to any fact at issue by written statement filed with the Commission or presented at hearing or by oral statement on the record. A stipulation binds all parties agreeing to it only according to its terms. The Commission may regard a stipulation as evidence, but the Commission reserves the right to require proof of evidence of the facts stipulated. The Commission is not bound to adopt the stipulation of the parties, but may by order do so. If the Commission rejects a stipulation, it will do so before issuing a final order and it will provide an additional opportunity for the parties to present evidence and arguments on the subject matter of the rejected stipulation. (7-1-93)

11. Order of Procedure. (7-1-93)

a. Parties' evidence will ordinarily be introduced in the following order: (7-1-93)

i. Upon applications: (a) applicant, (b) intervenors, (c) Commission staff, and (d) rebuttal by applicant. (7-1-93)

ii. Upon complaints or petitions (except when the Commission is complainant): (a) complainant or petitioner, (b) intervenors, (c) Commission staff, (d) respondents, and (e) rebuttal by complainant or petitioner. (7-1-93)

iii. Upon complaints by Commission: (a) Commission staff, (b) intervenors, (c) respondents, and (d) rebuttal by Commission staff. This order of presentation of evidence may be modified by the Commission or presiding officer. Additional evidence may be taken in the discretion of the Commission or presiding officer. The presiding officer may allow additional examination of witnesses or vary the order of examination of witnesses. The presiding officer may vary the order of examination of witnesses to allow parties with interest adverse to the witness to examine the witness after parties of interest similar to the witnesses. (7-1-93)

12. Testimony Under Oath. All testimony presented in formal hearings will be given under oath. Before testifying, each witness must swear or affirm that the testimony he or she will give before the Commission is the truth, the whole truth and nothing but the truth. (7-1-93)

13. Parties and Persons with Similar Interests. Two (2) or more parties or persons having substantially like interests or positions: to expedite the proceeding and avoid duplication, the presiding officer may limit the number of those who testify, cross-examine witnesses or make and argue motions and objections. (7-1-93)

14. Continuance of Hearings. The Commission may continue proceedings for further hearing. (7-1-93)

15. Prepared Testimony. With the approval of the Commission, a witness may read into the record his testimony on direct examination. Before any prepared testimony is read, unless excused by the Commission, the witness shall deliver copies thereof to the Commission, the reporter and all parties. If the Commission deems that substantial savings in time will result, testimony may be copied into the record without reading. Copies shall have been served upon all parties and the Commission ten (10) days before the hearing unless such prior service is waived in writing or orally at the hearing. (7-1-93)

16. Briefs--Proposed Orders--Statements of Position. In any proceeding, any party may move to file briefs, proposed orders or statements of position. The Commission or presiding officer may request briefs, proposed orders or statements of position. (7-1-93)

17. Hearing Officers. Hearings may be held before the Commission or before a designated hearing officer. When a hearing officer conducts a proceeding, he or she must prepare and file recommended findings of fact

and conclusions of law with the Commission and serve copies of them on all parties of record within fourteen (14) days after receipt of the hearing record. Unless otherwise provided by order or notice, the Commission will issue its decision based upon its independent review of the record and of the hearing officer's recommended findings of fact and conclusions of law. (4-18-89)

020. EVIDENCE.

01. Rules of Evidence--Rulings. The admission of evidence before the Commission shall be governed by Idaho Code. 67-5210. When a party objects to the admission of evidence, the presiding officer will rule on the objection. The Commission, with or without objection, may exclude inadmissible, incompetent, cumulative or irrelevant evidence and order presentation of such evidence to stop. Objections to evidentiary rulings are governed by Rule Subsection 020.05. Evidence submitted at hearings should be material and relevant to the issue. (7-1-93)

02. Exhibits. (7-1-93)

a. Exhibit numbers shall consist of the letter of a party status and a preassigned set of numbers. Exhibit numbers are assigned by the Commission. (7-1-93)

b. Exhibits offered at hearing must ordinarily be typed or printed on eight and one-half by eleven (8 1/2 x 11) inch white paper. Exhibits may be made from maps, charts, photographs and nondocumentary exhibits. A copy of each documentary exhibit must be furnished to each party present, to the reporter and to each hearing officer, except of unusually bulky or voluminous exhibits that have previously been made available for the parties' inspection. Copies must be of good quality. Exhibits offered as part of a party's direct case, (except exhibits offered on redirect examination) must be timely filed. Exhibits filed pursuant to any order, notice or rule requiring their filing before hearing are timely filed. Otherwise, exhibits must be distributed or made available to all parties long enough before their introduction into evidence to allow the parties a reasonable opportunity to review them and to prepare to examine their substance, except those exhibits that update exhibits previously timely filed may be filed so long as opportunities are afforded other parties to examine the sponsoring witnesses about the changes. Exhibits identified at the hearing are subject to appropriate and timely objection before the close of proceedings. Exhibits to which no objection is made are automatically admitted into evidence without motion from the sponsoring party. (7-1-93)

c. All exhibits accompanying prepared testimony, exhibits introduced during direct examination of a witness, and, to the extent practicable, all other exhibits introduced at the hearing must be labeled with the exhibit number, case number, witness, party and witness sponsoring the exhibit, and any subdivisions within the exhibit, such as separate schedules or charts. (7-1-93)

d. Exhibits prepared from data and work papers, answers to discovery, periodicals, reports or other documentable sources of information must contain a statement of sources. Exhibits especially prepared for introduction into evidence in the proceedings should be descriptively titled to show the contents and purpose. (7-1-93)

03. Depositions. Depositions may be offered into evidence as allowed by the Idaho Rules of Civil Procedure, except that a deposition may be offered into evidence even though the witness is available at hearing. (7-1-93)

04. Official Notice. The Commission may take official notice subject to provisions of Idaho Code, 67-5210(4) of the following matters: (7-1-93)

a. Rules, regulations, official reports, decisions and orders of any regulatory agency, state or federal; (7-1-93)

b. Contents of decisions, orders, certificates and permits issued by the Commission and files, reports and official documents of the Commission or matters filed with the Commission; (7-1-93)

c. Matters of common knowledge and technical or scientific facts of established character; and (7-1-93)

d. Official documents, if pertinent, when properly introduced into the record of formal proceedings by reference; provided, however, that proper and definite identification of such document shall be made by the party offering the same and the same is published and generally circulated so that an opportunity shall be given to all parties of interest in the hearing to examine the same and present rebuttal evidence. Opportunity to contest the matters noticed shall be afforded all parties. (7-1-93)

05. Objections--Offers of Proof. The grounds for objection to the admission or exclusion of evidence must be stated briefly at the time the evidence is offered. Formal exceptions to rulings admitting or excluding evidence are unnecessary and need not be taken. An offer of proof for the record consists of a statement of the substance of the excluded evidence. (7-1-93)

06. Transcript. The official transcript of the hearing will be by electronic recording. The recording shall be transcribed into typewritten form and certified upon request of a party to the proceeding and the prepayment of the estimated cost of transcribing. If a party desires stenographic notes of the hearing, then the party must file a written request with the Commission five (5) days before the hearing. Stenographic notes must be taken by a qualified court reporter. Further, the party requesting the reporter must pay all expenses of the reporter and must furnish a copy of the transcript to the Commission free of charge. (7-1-93)

07. Transcript Copies. Any person desiring a copy of the official transcript of proceedings when taken at any hearing, must inform the Commission at the time of the hearing. Upon prepayment of the estimated cost of transcription and completion of the record, the Commission shall notify the person requesting a copy of its completion and the additional fee, if any, for producing such record. Upon receipt of the amount of the fee the Commission will prepare and forward a copy of the record to the requesting party. (4-18-89)

021. PROCEDURAL RULES FOR RULEMAKING.

01. Notice of Proposed Rules. Prior to the adoption, amendment, or repeal of any rule, other than an emergency rule which shall be adopted in accordance with Idaho Code, 67-5203(b), the Idaho State Lottery Commission shall give notice of the intended action: (7-1-93)

a. In accordance with the twenty (20) days notice of intended action requirement provided for in Idaho Code, 67-5203(a)(1); and; (7-1-93)

b. Ten (10) days prior to the notice requirement specified in Subsection 021.01.a., transmit notice of intended action, accompanied by the full text of the rule under consideration prepared so as to indicate words added or deleted from the presently effective text, if any, as well as a statement of the substance of the intended action, to the director of the legislative council. The director of the legislative council shall analyze and refer the material under consideration to the germane joint subcommittee created in Section 67-454, Idaho Code, to afford the subcommittee opportunity to submit data, views or arguments in writing to the agency within twenty (20) days as specified in the notice. If a public hearing is held the record shall remain open for ten (10) days thereafter for further written comments from the germane joint subcommittee, and; (7-1-93)

c. Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested in writing, within the comment period provided for in Subsection 021.01.a. of this section and as specified in the legal notice, by twenty-five (25) persons, by a governmental subdivision or agency, or by an association presenting a petition with signatures of not less than twenty-five (25) members of the organization. The Commission shall consider fully all written and oral submissions respecting the proposed rule. Upon adoption of a rule, the Commission, if requested in writing to do so by an interested person either prior to adoption or within thirty (30) days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption. (7-1-93)

d. Compliance with the hearing requirements of Section 67-5203(a)(3), Idaho Code, is not required when the Commission has no discretion as to the substantive requirements of a proposed amendment to its rules which is designed solely to comply with a controlling judicial decision or court order, or with the provisions of a statute or federal regulation which has been amended since the adoption of the agency rule. (7-1-93)

e. Any person petitioning for initiation of rulemaking or for a declaratory ruling must substantially follow this form. The first paragraph of the Petition must identify the Petitioner and state the Petitioner's interest in the matter. The second paragraph must: (7-1-93)

a. Describe the nature of the rule or amendment to the rule urged to be promulgated and the Petitioner's suggested rule or amendment; or (7-1-93)

b. State the declaratory ruling that the Petitioner seeks. Succeeding paragraphs should indicate the statute, order, rule, or other controlling documents, and the factual allegations upon which the Petitioner relies to support the Petition. Legal assertions in these paragraphs may be accompanied by citations of cases and/or statutory provisions. The newspapers in which Notice of Proposed Rulemaking will be published are: The Coeur d'Alene Press (Coeur d'Alene), The Idaho State Journal (Pocatello), The Idaho Statesman (Boise), The Lewiston Morning Tribune (Lewiston), The Post Register (Idaho Falls), and The Times-News (Twin Falls). (4-18-93)

022. OFFICIAL RECORDS AND FILES.

01. Records for Decision--Relationship to Official File. The Commission bases its decisions and issues its Orders on the Hearing Record (excluding exhibits denied admission), the Commissioners' Record and items officially noted. The Hearing Record and the Commissioners' Record are part of the Commission's Official File. (7-1-93)

02. The Commission's Official File. The Commission's Official File for a proceeding is the public file maintained by the Commission. This file includes all documents filed with regard to a proceeding, whether filed by parties or other persons, and includes (but is not limited to) documents listed in Rules Subsections 015.01, 018.03, 019.16, and 023.02, correspondence concerning the proceeding directed to the Commission, or a Commissioner (whether by parties or persons not parties), prepared testimony and exhibits, working papers, transcripts, exhibits presented at hearing, orders, notices, press releases, and other matters pertaining to or related to a proceeding and included in the public files of that proceeding by the Commission. (7-1-93)

03. The Hearing Record. The Hearing Record in a proceeding consists of all transcripts of hearings, conferences, arguments and other proceedings on the record and of all exhibits identified, offered, admitted or denied admission at hearing or prehearing conference. Workpapers, requests for discovery, answers to discovery and other documents filed with the Commission and served on the parties, whether or not discussed at hearing, are not part of the Hearing Record unless introduced as exhibits at hearing. The Commission or an individual Commissioner may add to the hearing record by reference to any document in the Commission's official file, but only after notifying the parties of that intention and giving them reasonable opportunity to object, review, examine, and rebut or contest the document. (7-1-93)

04. The Commissioners' Record. The Commissioners' Record in a proceeding automatically includes all pleadings, orders, notices, briefs, proposed orders and position papers. The Commission may add documents officially noticed to the Commissioners' Record. The Commissioner(s) or Hearing Examiner conducting a hearing will have the Commissioners' Record and all prepared testimony and exhibits available at hearing. Parties desiring to refer to additional documents at hearing should notify the Commission Secretary and all other parties of their intention so that these other documents will be available to the Commissioner(s) or Hearing Examiner at hearing or should themselves provide copies at hearing to all other parties and to the Commissioner(s) or Hearing Examiner. (7-1-93)

05. The Reporter. The Reporter at all hearings, conferences, arguments and other proceedings on the record must transcribe all oral proceedings on the record and all exhibits identified at hearing. Except as otherwise directed by the Commission on the presiding officer at hearing, the Reporter must file the complete hearing record of transcripts and exhibits with the Commission within fourteen (14) days of the close of hearing. (7-1-93)

06. Transcripts. (7-1-93)

a. Transcripts must be prepared on white eight and one-half by eleven (8-1/2 x 11) inch paper. The cover page of each volume of transcript must show the title of the proceeding, the case number, the presiding officer, the time and place of hearing, and other information as shown in the following example.

BEFORE THE IDAHO STATE LOTTERY COMMISSION

(TITLE OF PROCEEDING _____) Case No. XXXXX
)
)

(COMMISSIONER _____, Presiding)
(HEARING OFFICER _____, Presiding)
(Date, e.g., _____, 1993)
(Hearing Room, e.g. Commission Hearing Room)
(Address, e.g. _____)

(7-1-93)

b. Each day of hearings must be transcribed in a volume or volumes separate from other days of hearings. Each volume of transcript must begin with a list of the parties who appeared that day and their representatives of hearing that day. This list must be followed with a list of all witnesses whose testimony is reported in that volume, showing the pages at which each witness's testimony begins, what party (if any) called the witness, the pages upon which each other party's examination begins, the pages upon which each Commissioner's or hearing examiner's examination begins, and the pages upon which redirect examination or any party's, Commissioner's or hearing examiner's re-examination begins. These lists must be followed with a list showing all exhibits identified in that volume of transcript (including exhibits accompanying prepared testimony), the pages upon which they are first identified, and, if any exhibits are denied admission, the pages upon which the exhibits are denied admission.

(7-1-93)

c. The transcript must contain all discussions on the record while the hearing is in order. Unless otherwise directed by the Commission, or the presiding officer prepared testimony must be included in the transcript without change or retyping. Witness's corrections to prepared testimony should be made by distributing replacement pages to the Reporter and describing those corrections on the record and/or distributing an errata sheet; unless otherwise directed, no corrections other than replacement pages will be made in the prepared testimony before it is incorporated in the transcript. Witnesses have seven (7) days after hearing to distribute replacement pages to all parties and to the Reporter, unless the Commission or the presiding officer otherwise directs.

(7-1-93)

d. The testimony of all witnesses reported in the transcript must be designated in the lower right margin by the witness's surname and the party sponsoring the witness's testimony. Witnesses not sponsored by any party must be designated "public." The type of testimony must be shown following the witness's surname as "Di" (direct or redirect), "X" (examination by any part not sponsoring the witness), or "Com" (examination by any Commissioner or Hearing Examiner.) Examples of the designations required by this rule follow:

Accountant, Di;	or	Accountant, Com;	or	Retailer, X
ABC Company		ABC Company		ABC Company

Discussions on the record that are not testimony or examination may be labeled "Argument", "Decision", "Colloquy", etc., to describe what is reported.

(7-1-93)

e. Transcript volumes should not exceed two hundred fifty (250) pages. Transcript volumes and pages of all proceedings on the record, including prehearing conferences, hearing, arguments, and any other proceedings on the record, must be numbered consecutively. For example, if a prehearing conference on the record preceded a hearing, the transcript volume and page numbers of the hearing would be numbered consecutively with that of the prehearing conference.

(4-18-89)

023. ORDERS AND REVIEW OF ORDERS.

01. Submission for Decisions. A proceeding is submitted for decision no later than filing of the hearing record with the Commission (unless all Commissioners participating in the decision heard the proceeding), filing of timely briefs, filing of timely orders proposed by the parties and timely written comments or exceptions, oral argument, or receipt of recommended findings of fact of the Hearing Examiner, whichever is last, but not to exceed twenty-eight (28) days after the hearing is closed when a hearing is held. The Commission (or a Hearing Examiner

presiding over a matter) may issue a final decision earlier or rule from the bench, but a bench ruling will be followed by written order. (7-1-93)

02. Proposed Orders by Commission. The Commission may issue a proposed order in any proceeding. Any party may file exceptions and briefs to a proposed order within twenty-one (21) days from its date of service, unless a different time is designated by the Commission. A party may file and serve answers and accompanying briefs to the exceptions within seven (7) days after service of the exceptions. The Commission may adopt or revise the proposed order in response and issue a final order accordingly. The proposed order is not an order of the Commission. The order of adoption is the final order for all purposes. (4-18-89)

024. INTERLOCUTORY ORDERS--FINAL ORDERS--REVIEW OR STAY OF ORDERS.

01. Interlocutory Orders. (7-1-93)

a. Interlocutory orders are orders that do not finally decide all previously undecided issues presented in a proceeding, except the Commission may by order decide some of the issues presented in a proceeding and provide in that order that its decision on those issues is final and subject to review by rehearing and appeal, but is not final on other issues. Unless an order contains one (1) of the paragraphs set forth in Rule Subsection 024.02 or a paragraph substantially similar, the order is interlocutory. (7-1-93)

b. The following orders are always interlocutory: orders initiating complaints or investigations; orders joining, consolidating or separating issues, proceedings or parties; orders granting or denying intervention; orders scheduling prehearing conferences, discovery, hearing, arguments or deadlines for written communications; orders proposing modified procedure; orders compelling or refusing to compel discovery. (7-1-93)

c. Interlocutory orders may be reviewed pursuant to Rule Subsections 024.03, 024.04, and 024.05. (7-1-93)

02. Final Orders. (7-1-93)

a. Final orders are all orders and only those orders containing one (1) of the following paragraphs or a paragraph substantially similar:

This is a final order. Any person interested in this order (or in issues finally decided by this order) or in interlocutory orders previously issued in this Case No. XXXXX may petition for reconsideration within twenty-one (21) days of the service date of this order with regard to any matter decided in this order or in interlocutory orders previously issued in this Case No. XXXXX. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration in response to issues raised in the petition for reconsideration.

or

This is a final order on reconsideration (or denying reconsideration). Any party aggrieved by this order or other final or interlocutory orders previously issued in this Case No. XXXXX may appeal to the District Court of Idaho pursuant to the Idaho Administrative Procedure Act and the Idaho Rules of Civil Procedure. Orders may be final on some issues and interlocutory on others. If so, they will explicitly designate the issues upon which they are final. (7-1-93)

b. The Commission must indicate on every order subject to petition for reconsideration the date upon which the order was served on the representatives of parties listed in Rule Subsection 013.01. The Commission must indicate on every order subject to appeal the date upon which the order was filed and the date upon which the order was served on the representatives of parties listed in Rule Subsection 013.01. (7-1-93)

c. Whenever a party believes that an order not designated as a final order according to the terms of these rules should be a final order, the party may petition the Commission to designate the order as final. If an order is designated as final after its release, its effective date for purposes of reconsideration or appeal is the date of the order of designation. (7-1-93)

d. Final orders may be reviewed pursuant to Rules Subsections 024.03, 024.04, 024.06, 025.01, and 026.01. (7-1-93)

03. Stay of Orders. Any person may petition the Commission to stay any order, whether interlocutory or final. Orders may be stayed by the judiciary according to statute. The Commission may stay any order on its own motion. (7-1-93)

04. Clarification of Orders. Any person may petition to clarify any order, whether interlocutory or final. Petitions for clarification from final orders do not suspend or toll the time to petition for reconsideration or to appeal a final order. A petition for clarification may be combined with a petition for reconsideration or stated in the alternative as a petition for clarification and/or reconsideration. The Commission may clarify any order on its own motion. (7-1-93)

05. Review of Interlocutory Orders. Any person may petition to review any interlocutory order. The Commission may rescind, alter or amend any interlocutory order on its own motion, but will not on its own motion review any interlocutory order affecting any party's substantive rights without giving all parties notice and an opportunity for written comment. (7-1-93)

06. Rescission, Alteration or Amendment of Final Orders. (7-1-93)

a. Any person may petition to rescind, alter or amend a final order pursuant to these rules and chapter 52, title 67, Idaho Code. The petition to rescind, petition to alter, or petition to amend must state: (7-1-93)

i. That it is filed pursuant to these rules after an order has been set aside or set aside in part on appeal; or (7-1-93)

ii. That there have been changed circumstances or that new information has become available since the order was issued, or that there are other good and sufficient reasons for rescinding, altering, or amending the order. The Commission may dismiss as defective any such petition not complying with this rule and with Rule Subsection 015.03. (7-1-93)

b. The Commission on its own motion may propose to rescind, alter or amend any final order. The Commission will give all interested persons notice of its proposal to rescind, alter or amend the final order and appropriate opportunity to be heard by evidentiary hearing or written submission. (4-18-89)

025. RECONSIDERATION.

01. Petitions for Reconsideration. (7-1-93)

a. Any person interested in a final order or rule of the Commission may petition for reconsideration. Petitions for reconsideration must set forth specifically the ground or grounds why the petitioner contends that the order or rule is unreasonable, unlawful, erroneous or not in conformity with the law, and a statement of the nature and quantity of evidence or argument the petitioner will offer if reconsideration is granted. (7-1-93)

b. Within seven (7) days after any person has petitioned for reconsideration, any other person may cross-petition for reconsideration in response to any issues raised in the petition for reconsideration. Cross-petitions for reconsideration must set forth specifically the ground or grounds why the cross-petitioner contends that the order or rule is unreasonable, unlawful, erroneous or not in conformity with the law, and a statement of the nature and quantity of evidence or argument that the cross-petitioner will offer if reconsideration is granted. (7-1-93)

c. The petition or cross-petition must state whether the petitioner or cross-petitioner requests reconsideration by evidentiary hearing, written briefs, comments or interrogatories. Grounds for reconsideration or issues on reconsideration that are not supported by specific explanation may be dismissed. (7-1-93)

d. A petition for reconsideration is timely within the meaning of Chapter 52, Title 67, Idaho Code, if it is filed with the Commission or postmarked no later than twenty-one (21) days after the date of service of the final

order. Whenever a petition for reconsideration is not personally filed with the Commission within twenty-one (21) days of the date of service of the final order or is not mailed at least three (3) days before that date, on the day the petition for reconsideration is mailed, the petitioner should notify the Commission Secretary and all other parties by telephone that the petition for rehearing has been mailed. (7-1-93)

e. A cross-petition for reconsideration is timely filed within the meaning of Chapter 52, Title 67, Idaho Code, if it is filed with the Commission or postmarked no later than seven (7) days after the petition for reconsideration to which it responds is received in the office of the Commission. Whenever a cross-petition for reconsideration is not personally filed with the Commission within seven (7) days of the date of receipt of the petition for reconsideration by the Commission or is not mailed at least three (3) days before that date, on the day the cross-petition for reconsideration is mailed, the cross-petitioner should notify the Commission Secretary and all other parties by telephone that the cross-petition for reconsideration has been mailed. (7-1-93)

02. Procedure at Reconsideration. The Commission may grant reconsideration upon petition of any interested person or upon its own motion. Prehearing conferences may be convened before reconsideration. Reconsiderations by rehearing are conducted in accordance with the procedure at other hearings, except that parties whose petitions are granted are treated as Complainants or Petitioners under Rule Subsection 019.11. When the order for reconsideration finds that the grounds upon which the petition is granted present only issues of law and not of fact or issues of fact not requiring hearings, the Commission may direct that these grounds be considered on reconsideration by submission of briefs, memoranda, written interrogatories or written statements and not by further submission of evidence at hearing. Rule Subsection 023.01 determines when a matter that is reconsidered is finally submitted. (7-1-93)

03. Effect of Filing Petition for Reconsideration. Filing a petition for reconsideration does not excuse compliance with any order nor stay the effectiveness of any order, unless otherwise ordered. Petitions to stay may accompany or precede petitions for reconsideration. (4-18-89)

026. APPEALS.

01. Persons Who May Appeal. (7-1-93)

a. After a petition for reconsideration is denied, or, if the petition is granted, then after the rendition of the decision on reconsideration, the State of Idaho or any party aggrieved may appeal from any such order of the Commission by filing with the Commission a notice of appeal conforming to the requirements of the Idaho Rules of Civil Procedure within the time provided by the Idaho Rules of Civil Procedure. (7-1-93)

i. No person is a party aggrieved by an order denying reconsideration unless the person is a party that petitioned for reconsideration and presented the ground(s) and issue(s) on which it contends it was aggrieved by earlier orders of the Commission as issue(s) on reconsideration pursuant to Rule Subsection 025.01 and the Commission denied reconsideration on some or all of those issues. (7-1-93)

ii. No party is aggrieved by an order issued on reconsideration unless: (7-1-93)

(1) The party petitioned or cross-petitioned for reconsideration, its petition or cross-petition was granted, and the order issued on reconsideration did not grant the relief requested in the party's petition or cross-petition for reconsideration with regard to some or all of the grounds and issues on reconsideration presented in its petition or cross-petition; or (7-1-93)

(2) The party did not petition or cross-petition for reconsideration, but stated on the record, by motion, or by brief that it opposed any alteration or change in the Commission's earlier order(s) on some or all of the grounds associated with issue(s) on reconsideration, and the order issued on reconsideration altered or changed the earlier order(s) with regard to some or all of the grounds or issues on reconsideration that the party opposed. (7-1-93)

02. Notice of Appeal. The notice of appeal must be filed with the Commission as provided in the Idaho Rules of Civil Procedure. A notice of appeal is not considered filed for any purpose when it is mailed, but is only considered filed when it is received by the Commission Secretary. (7-1-93)

03. Preparation of Appellate Record. The Commission by order may correct the title of an appeal to properly designate all parties as Appellants, Cross-Appellants, Respondents, or Cross-Respondents and to omit those designations for parties before the Commission who are not parties on appeal. All requests for a transcript on appeal must be served on the Reporter and on the Commission. Reporter's fees under the Idaho Rules of Civil Procedure should be paid directly to the Reporter, not to the Commission. The fee under the Idaho Rules of Civil Procedure for preparation of the Agency's record are the same fees provided in that rule for the clerk of the district court to charge for preparation of the clerk's record. (4-18-89)

027. DEFINITIONS.

030. LOTTERY CONTRACTING RULES.

01. Classification of Lottery Contracts. (7-1-93)

a. State Lottery contracts for the acquisition of materials, supplies, services and personal and professional services are classified according to relative sensitivity, which in turn determines the level of review, procurement method and the extent of disclosure required by State Lottery Vendors or if no disclosure is required as in the case of lottery contractors. The three (3) levels of procurement are as follows: (7-1-93)

i. General procurements: These procurements are the least sensitive and are for materials, supplies, equipment, services and personal and professional services required to satisfy the day-to-day administrative, ministerial and operating needs of the State Lottery. Disclosure filings by State Lottery vendors are not normally required for this class of procurements. State Lottery contractors may supply general procurement items. The State Lottery may use formal invitations to bid, informal competitive quotes and requests for proposals to solicit contracts for these acquisitions, as may be determined by the Director to be the most appropriate process for a specific acquisition. (7-1-93)

ii. Sensitive procurements: These procurements are of intermediate sensitivity and are for materials, supplies, equipment, services and personal and professional services which may have direct or indirect impact upon the security, credibility and integrity of the State Lottery. Also included are special studies and services required by statute (demographic, communications and performance studies). The normal procedure for acquiring the materials and services is by request for proposal; however, the Director may authorize the use of competitive quotes when the cost of the acquisition is less than fifteen thousand dollars (\$15,000). The Director may prescribe special disclosure requirements governing State Lottery contractors or vendors for this class of contracts. (7-1-93)

iii. Major procurements: This class is the most sensitive of State Lottery contracts. The Lottery Act requires these procurements to be let by the Commission and the filing of comprehensive disclosure statements by State Lottery vendors. (7-1-93)

b. The procedures for announcing or soliciting various classes of State Lottery contracts outlined in Subsection 030.01.a. of this rule are intended to be advisory only and shall not in any way limit the Commission or the Director in the selection of the most appropriate process to acquire a given product or service. (7-1-93)

02. General Policy. (7-1-93)

a. In all decisions affecting the State Lottery, the Commission and Director are specifically directed

by statute to take into consideration the particularly sensitive nature of the State Lottery and to act in a manner to promote and insure the integrity, security, honesty and fairness of the State Lottery. Additionally, the Director, in awarding contracts in response to solicitations for proposals, shall award such contracts to the responsible contractor or vendor submitting the lowest and best proposal which provides maximum benefits to the state in relation to cost in the areas of security, competence, experience, timely performance, and maximization of net revenues to benefit the public purpose of the State Lottery. Consistent with these statutory directives, it shall be the policy of the State Lottery, to the extent possible, to conduct its contracting affairs in an open, competitive manner. However, the security and integrity of the State Lottery shall be fundamental and overriding considerations in all decisions. (7-1-93)

b. Although the State Lottery is exempt from the provisions of Section 67-5715, Idaho Code, it shall be the policy of the State Lottery to conduct its contracting affairs generally in accordance with the state's competitive bidding principles contained in Section 67-5715 et seq., Idaho Code, and consistent with the specific directives contained in Subsection 030.02.a. of this rule. In implementing this policy, the State Lottery reserves the right to use the procedures developed by the department of administration as guidelines to govern its procurement actions. Notwithstanding this reservation, the State Lottery equally reserves the right to use alternate contracting and purchasing practices that take account of market realities and modern or innovative contracting and purchasing methods which are also consistent with the public policy of encouraging competition. Such methods may include, but not be limited to, specialized vendor prequalifications, competitive negotiations, performance incentives and disincentives, life cycle costing and solicitations emphasizing the request for proposal process. (7-1-93)

c. When the State Lottery uses a Request for Proposal (RFP) for a planned acquisition, the major considerations in determining the contract award shall be the quality of the product or service, the likelihood of timely performance, and price. Qualitative factors shall normally address such issues as the Vendor's demonstrated experience in performing comparable projects, performance credibility, availability of qualified personnel and equipment, and such other special factors as may be applicable to a particular contract. The RFP shall normally specify the criteria which will be used in the evaluation of offers and the award of the contract. (7-1-93)

d. Because of the specialized character of State Lottery contracts, the State Lottery will not normally advertise bid proposals. Rather, the State Lottery shall circulate bid and proposal requests for materials, equipment and services to vendors known to specialize in the required procurement or to those the State Lottery may reasonably expect to have an interest in providing such services. The State Lottery will develop such mailing lists as the service need arises. (7-1-93)

e. The Director shall prepare standard terms and conditions to govern the acquisition of materials, supplies and services by the State Lottery. To the extent possible, the standard terms and conditions shall be as uniform as possible with the standard terms and conditions governing contracts entered into by other state agencies. (7-1-93)

f. All major departures from the contracting guidelines referenced in Subsection 030.02.b. of this rule shall be approved by the Commission. In the event of conflict between the referenced guidelines and the State Lottery's adopted rules, the State Lottery rules shall take precedence. (7-1-93)

03. Delegation of Purchasing Authority. (7-1-93)

a. Authority is granted to the Director to initiate all purchase actions and enter into and execute contracts for materials, supplies and services, on behalf of the Commission and the Idaho State Lottery, except as follows: (7-1-93)

i. General contracts having an estimated one-time or annual cost in excess of fifty thousand dollars (\$50,000); (7-1-93)

ii. Contracts defined as Sensitive Procurements having a one-time or annual cost of more than fifty thousand dollars (\$50,000); (7-1-93)

iii. Contracts defined as Major Procurements; (7-1-93)

iv. All personal service contracts other than major or sensitive procurements having a one-time or annual cost in excess of fifteen thousand (\$15,000); and (7-1-93)

v. Procurement actions which are executed in a manner other than as provided in the contract exemption guidelines. (7-1-93)

b. Notwithstanding the provisions of Subsection 030.03.a.i. of this rule, the Commission, having once approved a planned procurement action involving a general contract acquisition, grants authority to the Director to execute a contract or contracts for the purchase or service without further action by the Commission. (7-1-93)

c. The Commission, having once approved a particular contract, delegates authority to the Director to make all disbursements and payments as provided in the contract, without further, specific approval action by the Commission. (7-1-93)

d. The Commission grants authority to the Director to enter into emergency contracts when immediate and decisive action is required to protect the security, credibility or integrity of the State Lottery or a lottery game. All emergency contracts let by the Director in which the cost exceeds the delegated authority, contained in Subsection 030.03.a. of this rule, shall be reported to the Commission within five (5) days of the contract award date, or at the next scheduled Commission meeting, whichever is sooner. Such procurement actions may be taken without competitive bid. The dollar value of a contract awarded by the Director under the provisions of this section may not exceed fifty thousand dollars (\$50,000). Any emergency contract for a major procurement in which the cost exceeds fifty thousand dollars (\$50,000), if not acted upon at a regularly scheduled Commission meeting, shall be subject to Commission action by telephonic or electronic vote. (7-1-93)

04. State Central Services Agenda. As provided in Section 67-7408, Idaho Code, the State Lottery may contract with other state agencies for the performance of such contracting responsibilities as may be required by the State Lottery. Such services may include, but are not limited to, the acquisition of Fidelity and Faithful Performance Bonds covering the Commissioners, officers, and employees of the State Lottery; bonding of retailers, annuity contracts; general equipment and supplies; equipment financing agreements; and disposal of surplus State Lottery property. The State Lottery will be bound by all statutes and rules governing the actions of the state agency when the State Lottery uses such services. (7-1-93)

05. Idaho Preference. (7-1-93)

a. In all contracts, the State Lottery shall prefer goods or services that have been manufactured or produced in this state if price, fitness, availability and quality are otherwise equal. (7-1-93)

b. Where a State Lottery contract is awarded to a foreign contractor and the contract price exceeds ten thousand dollars (\$10,000), the contractor shall promptly report to the tax commission on forms to be provided by the tax commission the total contract price, terms of payment, length of contract and such other information as the tax commission may require before final payment can be received on the State Lottery contract. The State Lottery shall satisfy itself that the requirement of this subsection has been complied with before it issues a final payment on a State Lottery contract. For the purposes of this subsection, a foreign contractor is one who is not domiciled in or registered to do business in the state of Idaho. (7-1-93)

06. Affirmative Action Contracts. The State Lottery is an equal opportunity employer and shall also participate in all on-going state affirmative action programs. (7-1-93)

07. Personal Services Contract. (7-1-93)

a. Contracts between the State Lottery and persons or firms such as advertising agencies, security consultants, auditors, other consultants required to conduct or prepare special studies and reports and such other personal services contracts as may be required to fulfill the State Lottery's responsibilities, shall be awarded as outlined in the following subsections. The award of contracts shall be either direct, informal or formal depending upon the sensitivity and estimated dollar value of the contract. In awarding personal services contracts the State Lottery shall consider the firm's qualifications in such areas as demonstrated competency, availability, experience in successfully performing comparable projects, availability of qualified personnel, likelihood of timely performance,

history of cost containment, compensation requirements and such other special factors as may be applicable to a particular contract. (7-1-93)

b. Direct award procedures. (7-1-93)

i. Any personal services contract having an estimated one-time or annual value of ten thousand dollars (\$10,000) or less may be awarded directly by the Director if the Director believes reasonable steps have been taken to obtain competitive quotes, if feasible, and the award will not negatively affect the security, credibility or integrity of the State Lottery. (7-1-93)

ii. The Director, with the approval of the Commission, may directly award personal services contracts in any appropriate or reasonable amount, without competitive solicitations, when the project consists of work which has been substantially described, planned or otherwise studied in an earlier State Lottery contract and the new contract would be a continuation of the earlier project, provided that the earlier contract was awarded by a formal selection procedure. In awarding contracts under this provision the Commission and Director shall take into account the impact of such action on the security, credibility and integrity of the State Lottery; and further, ensure that such contract awards will not encourage favoritism or substantially diminish competition and will result in substantial cost savings to the State Lottery. (7-1-93)

iii. The Director, with the approval of the Commission, may directly award personal service contracts without competitive solicitation when an emergency or other condition exists which requires prompt and decisive action. The Commission and Director shall exercise the provisions of this subsection only when immediate action is required to correct a situation which would threaten integrity, security, honesty, and fairness in the operation and administration of the State Lottery and the objective of raising net revenues for the benefit of the public purpose described in The Idaho State Lottery Act. (7-1-93)

c. Informal award procedure: The Director may award any personal services contract having an estimated one-time annual value of more than ten thousand dollars (\$10,000), but not more than twenty-five thousand dollars (\$25,000), if the following informal award procedure is followed: (7-1-93)

i. An attempt shall be made to obtain a minimum of three (3) competitive quotes. If three (3) quotes are not available, a lesser number will suffice provided a written record is made of the effort to obtain three (3) quotes. (7-1-93)

ii. A written record shall be maintained of the source and amount of quotes received. (7-1-93)

iii. Contract award shall be made to the lowest priced vendor who best meets the contract award criteria entered in Subsection 030.07.a. of this rule. (7-1-93)

iv. The Director shall maintain work papers documenting the basis of award to ensure that the award will not negatively affect the security, credibility and integrity of the State Lottery. (7-1-93)

d. Formal award procedures: Unless otherwise awarded under the provisions of Subsections 030.07.b.ii. or 030.07.b.iii. of this rule, all personal services contracts having an estimated one-time or annual cost of more than twenty-five thousand dollars (\$25,000) shall be awarded according to the formal award procedure, as follows: (7-1-93)

i. The State Lottery shall distribute copies of the proposal (usually a Request for Proposal) to State Lottery vendors or to appropriate contractors who have indicated an interest, or are anticipated to have an interest, in providing the required service to the State Lottery. Request for Proposal shall include a response deadline date. All responses received by the State Lottery after the deadline may be rejected. (7-1-93)

ii. The Director shall appoint an evaluation panel consisting of at least four (4) persons, at least two (2) of whom shall be members of the executive staff. The Director of Security will normally be one of the appointees to evaluate the responses for any project involving the security of the State Lottery. (7-1-93)

iii. The evaluation panel shall develop a system to evaluate the vendor responses and shall score each vendor's response. Based upon this evaluation, the evaluation panel shall rank the three best responses and develop an award recommendation. (7-1-93)

iv. The contract shall be awarded to the vendor who best meets the award criteria. (7-1-93)

e. No contract or other agreement for the purpose of providing services to the State Lottery shall be entered into, renewed, or extended with any person, unless the person certifies in writing, under penalty of perjury, that the person is not in violation of any Idaho state tax laws on a form prescribed by the Commission. A copy of the certification form may be obtained from the State Lottery or the tax commission. The original certification shall be retained in the State Lottery's contract file. (7-1-93)

08. Major Procurements. (7-1-93)

a. All bid announcements, invitations, or proposals covering major procurements shall identify that the planned acquisition is classified as a major procurement. (7-1-93)

b. All contracts or procurement actions classified as major procurements shall be subject to the disclosure requirements specified in Section 67-7421, Idaho Code. Commission Subsection 030.01 defines the term "control person" which relates to the disclosure requirements. The State Lottery shall enclose a copy of the disclosure requirements with each bid announcement or proposed request for such procurement. All disclosure filings are subject to the review and approval of the Director of Security. Failure of any State Lottery vendor to properly execute or timely submit the disclosure requirement shall be grounds for rejection of the bid or proposal. (7-1-93)

c. No contract for a major procurement with any State Lottery vendor shall be entered into if any control person of that State Lottery vendor has been convicted of a crime, other than traffic infractions. Background checks shall be made by the Director of Security to rigorously enforce this requirement. (7-1-93)

d. The State Lottery may prequalify State Lottery vendors as having met the disclosure filing requirements for major procurements. Such disclosure prequalifications shall be renewed by July 1 of each year. The prequalifications will satisfy the disclosure requirement of the State Lottery Act, providing a certification is received from the State Lottery vendor, at the time of submitting any subsequent bid, proposal or offer, that no changes have occurred in the vendor's status, or that of its control persons, since the last filing of the complete disclosure statement. (7-1-93)

e. Each State Lottery vendor for a major procurement shall maintain its disclosure filing in a current status during the tenure of the contract. Unless otherwise provided in the contract document, any changes in the status of the vendor, any of its listed control persons or additional control persons, shall be reported to the Director within fourteen (14) days of the known change, and will require written submission of the same disclosure information to the Commission. (7-1-93)

f. Each State Lottery vendor for a major procurement shall post a performance bond with the Commission as provided in Section 67-7427, Idaho Code. The performance bond shall be issued by a surety licensed to do business in this state and shall be for the duration specified in the procurement announcement. (7-1-93)

09. Sensitive Procurements. (7-1-93)

a. All bid announcements, invitations, or Requests for Proposal covering sensitive procurements as defined in Rule Section 030 shall identify that the planned acquisition is a sensitive procurement and shall be subject to the provisions of this rule. (7-1-93)

b. The Director may establish special disclosure requirements governing State Lottery contracts for sensitive procurements which shall be included in the procurement announcement. Failure of any State Lottery vendor or contractor to properly execute or timely submit the disclosure requirement shall be grounds for rejection of the bid or proposal. All disclosure filings are subject to the review and approval of the Director of Security. (7-1-93)

c. No contract for a major procurement with any State Lottery vendor shall be entered into if any

control person of that State Lottery vendor has been convicted of a crime, other than traffic infractions. Background checks shall be made by the Director of Security to rigorously enforce this requirement. (7-1-93)

d. The State Lottery may prequalify State Lottery vendors as having met the disclosure requirements of this rule. The prequalification will satisfy the disclosure filing requirement providing a certification is received from the State Lottery vendor, at the time of submitting any subsequent bid, proposal or offer, that no changes have occurred in the vendor's status or any of its principals since the last filing of the full disclosure statement. (7-1-93)

e. Each State Lottery vendor for a sensitive procurement shall maintain its disclosure filing in a current status during the tenure of the contract. Unless otherwise provided in the contract document, any changes in the vendor's status or any of its principals, shall be reported to the Director within fourteen (14) days of the known change, and will require written submission of the same disclosure information to the Commission. (7-1-93)

f. Each State Lottery contractor for a sensitive procurement may be required to post a performance bond with the State Lottery. The performance bond shall be issued by a surety licensed to do business in this state and be for the amount and duration specified in the procurement announcement. (7-1-93)

10. Advertising and Promotional Contract. Because advertising and promotional contracts involve unique marketing strategies for State Lottery games, the acquisition of such services and purchases may be made directly without using competitive procurement procedures. The prudent person rule shall apply in the award of such contracts or the acquisition of such services. This exemption applies to all advertising and promotional contracts, whether placed through the State Lottery's advertising agency or directly by the Commission or the Director. For the purpose of this rule, advertising and promotional contracts include but are not limited to: agreements with radio and television stations, acquisition of prizes, media selection, placement of advertising contracts, promotional printing, art work and development and placement of all forms of commercials and display presentations. (7-1-93)

11. Investment Contracts. The State Lottery may enter into contracts for the acquisition of structured settlements, place investments or acquire annuities related to the pay-off of major prize winners without following competitive bidding procedures. The State Lottery will follow the prudent person rule in the placement of such investments. (7-1-93)

12. Prequalification of Annuity Vendors. (7-1-93)

a. For the purpose of acquiring annuities related to the pay-off of major prize winners, the State Lottery maintains an ongoing prequalification list of annuity vendors. A vendor must first be prequalified by the State Lottery before submitting a bid to the State Lottery for the award of an annuity contract. Vendors may submit their qualifications to the State Lottery for evaluation any time in the year. (7-1-93)

b. The following criteria must be met by each vendor before being placed on the prequalification list: (7-1-93)

i. Each bidder must be an insurance company licensed to do business in the State of Idaho and have been in business for a period of two (2) years immediately prior to submitting its bid. (7-1-93)

ii. An insurance company must be a Best's "A+" rated company and must have at least a Best's Class VII financial size classification. (7-1-93)

iii. Each bidder's request for qualification must contain: (7-1-93)

(1) The name, address, telephone number and contact person for the bidder. (7-1-93)

(2) The current financial statement of the bidder certified by an independent Certified Public Accountant. (7-1-93)

(3) The names, addresses and phone numbers of three current or past annuity client references whom the State Lottery may contact. (7-1-93)

c. After a vendor has been prequalified, the vendor may submit bids to the State Lottery in accordance with the procedures established by the Director. Furthermore, a vendor shall keep its qualifications current by promptly reporting any changes in their status to the State Lottery. (7-1-93)

d. The total amount of annuities awarded to an insurance company shall not exceed five percent (5%) of its stated surplus. (7-1-93)

e. Nothing contained herein shall preclude a brokerage company from representing or submitting a bid on behalf of a qualified bidder. (4-18-89)

031. CRITERIA FOR REVIEW OF RETAILER APPLICATIONS AND CONDUCT OF OPERATIONS.

01. Retailers Application. Any person interested in obtaining a contract for a certificate to sell lottery tickets must first file an application on forms provided by the Director. The forms shall include, but are not limited to, an applicant's personal, financial, and criminal history, and an authorization to investigate the applicant's criminal and credit history. (7-1-93)

02. Fees, Procedure, and Criteria Precluding Issuing Contract. (7-1-93)

a. All certificate applications must be accompanied by a minimum, nonrefundable, fee of twenty-five dollars (\$25). If a certificate is awarded, an additional, nonrefundable, certificate fee of one hundred dollars (\$100) must be paid. (7-1-93)

b. Certified retailers may apply for a certificate modification to allow the sale of additional lottery products. A current retailer may be required to complete an additional application or application supplements. If a current retailer requests that the existing certificate be modified to allow the sale of additional lottery products, no additional application fee will be charged. (7-1-93)

c. The State Lottery may waive the payment of any certificate fee to facilitate an experimental program or a research project. (7-1-93)

03. Provisional Certifications. (7-1-93)

a. The State Lottery may issue a provisional certificate to an applicant for a lottery certificate after receipt of a fully completed certificate application, the authorization of a complete personal background check, completion of a credit check, and completion of a preliminary background check. The provisional certificate shall expire at the time of issuance of the requested certificate or ninety (90) days from the date the provisional certificate was issued, whichever occurs first, unless the provisional certificate is extended by the lottery. (7-1-93)

b. The following criteria shall preclude the Director from entering into a contract with an applicant. No contract shall be made with an applicant: (7-1-93)

i. Who is under eighteen (18) years of age (7-1-93)

ii. Who will be engaged exclusively in the business of selling tickets; (7-1-93)

iii. Who is an employee of the State Lottery; (7-1-93)

iv. Who is, or is owned or controlled or affiliated with, a supplier of instant tickets or a manufacturer of computer equipment used to operate instant and/or on-line games; (7-1-93)

v. Who is not a resident of this state, or a corporation that is not incorporated in this state or authorized to do business in this state; (7-1-93)

vi. Who has been found to have violated any rule, regulation, or order of the Commission or the Director; (7-1-93)

vii. When any person, firm, association, or corporation other than the applicant will participate in the management of the affairs of the applicant. (7-1-93)

04. Criteria Which May Be Grounds for Refusal. Before contracting with an applicant, the Director shall consider the factors set out below. In considering these factors, the Director shall seek to determine which applicants will best serve the economical and efficient operation of a statewide lottery through their ticket sales. If the facts in respect of a particular applicant which are relevant to any of these factors lead the Director to determine that contracting with the applicant would not so promote the economical and efficient operation of a statewide lottery consonant with the public interest, or would not serve the public interest, convenience, or trust, the Director may deny the application. (7-1-93)

a. The Director shall consider the financial responsibility and security of the person and the person's business or activity. The Director shall consider the person's credit worthiness and integrity in past financial transactions. In this connection, the State Lottery may conduct an investigation into the credit worthiness of the applicant by utilizing the services of a commercial credit reporting agency. The Director shall also consider the physical security of the applicant's place of business to determine that tickets which are sold to the applicant, and the proceeds from ticket sales, will be kept safe. (7-1-93)

b. The Director shall consider the accessibility to the public of an applicant's place of business or activity. The Director's purpose shall be to contract with applicants who have regular contact with significant numbers of persons at the applicant's place of business. Before contracting with any organization that has restricted membership policies, the Director shall determine whether such restrictions are generally acceptable to the public and whether contracting with such groups or organizations would best serve the interests of the State Lottery. (7-1-93)

c. The Director shall consider the sufficiency of existing retailers to serve the public interest. The Director shall seek to maximize total ticket sales by encouraging retailers with the highest potential volume in a particular area or neighborhood. (7-1-93)

d. The Director shall consider the volume of expected sales by the applicant. In determining the anticipated actual sales volume of the applicant, the Director may rely upon the experience and knowledge of the State Lottery's staff as well as any other available professional expertise. The Director should determine that the volume of an applicant's sales will be such that contracting with the applicant will be economically feasible. (7-1-93)

e. The Director shall consider the types of products, services, or entertainment offered at the applicant's place of business. The Director shall determine whether the aforementioned products, services, or entertainment are generally acceptable to the public and whether they bear adversely upon the general credibility, integrity, and reputation of the State Lottery. (7-1-93)

f. The Director shall consider the experience, character, or general fitness of the applicant. Entering into a contract with the applicant must be consistent with the public interest, convenience, and trust. (7-1-93)

g. The Director shall consider the veracity and completeness of the information submitted with the retailer's application. The Director shall consider the criminal history of the applicant and any person whose name is required to be disclosed under Section 67-7412, Idaho Code, of the Idaho State Lottery Act and may refuse to enter into a contract with any applicant when the applicant or such person has been convicted of violating any of the gambling laws of this state, general or local, or has been convicted at any time of any crime other than traffic infraction. (7-1-93)

05. Duplicate Certificate. Upon the loss, mutilation, or destruction of any certificate issued by the lottery, application for a duplicate shall be made. A statement signed by the retailer which details the circumstances under which the certificate was lost, mutilated, or destroyed may be required by the State Lottery. (7-1-93)

06. Reporting Changes in Circumstances of the Retailer. Every change of business structure of a certificated business, such as from a sole proprietorship to a corporation, and every change in the name of a business must be reported to the lottery prior to the change. Substantial changes in the ownership of a certificated business must also be reported to the lottery prior to the change. A substantial change of ownership is defined as the transfer of ten percent (10%) or more equity in the certificated business from or to another single individual or legal entity. If a

change involves the addition or deletion of one or more existing owners or officers, the certificate holder shall submit a certificate application reflecting the change and any other documentation the State Lottery may require. All changes will be reviewed by the lottery to determine if the existing certificate should be continued. (7-1-93)

07. Certificate Not a Vested Right. The possession of a certificate issued by the State Lottery to any person to act as a retailer in any capacity is a privilege personal to that person and is not a legal right. The possession of a certificate issued by the State Lottery to any person to act as a retailer in any capacity does not automatically entitle that person to sell tickets or obtain materials for any particular game. (7-1-93)

08. Suspension or Revocation of a Certificate. The State Lottery may suspend or revoke any certificate issued pursuant to these rules for one or more of the following reasons: (7-1-93)

a. Failure to meet or maintain the eligibility criteria for certificate application and issuance established by Chapter 74, Title 67, Idaho Code, or these rules; (7-1-93)

b. Violation of any of the provisions of Chapter 74, Title 67, Idaho Code, these rules, or the certificate terms and conditions; (7-1-93)

c. Failure to file any return or report or to keep records required by the State Lottery; (7-1-93)

d. Failing to maintain an acceptable level of financial responsibility as evidenced by the financial condition of the business, incidents of failure to pay taxes or other debts, or by the giving of financial instruments which are dishonored; (7-1-93)

e. Fraud, deceit, misrepresentation, or other conduct prejudicial to the public confidence in the lottery; (7-1-93)

f. If the public convenience is adequately served by other certificate holders, failing to sell a minimum number of tickets as established by the State Lottery; (7-1-93)

g. A history of thefts or other forms of losses of tickets or revenue from the business; (7-1-93)

h. Violating federal, state, or local law or allowing the violation of any of these laws on premises occupied by or controlled by any person over whom the retailer has substantial control; (7-1-93)

i. Obtaining a certificate by fraud, misrepresentation, concealment or through inadvertence or mistake; (7-1-93)

j. Making a misrepresentation of fact to the Commission or State Lottery on any report, record, application form, or questionnaire required to be submitted to the Commission or State Lottery; (7-1-93)

k. Denying the State Lottery or its authorized representative, including authorized local law enforcement agencies, access to any place where a certificate activity is conducted; (7-1-93)

l. Failing to promptly produce for inspection or audit any book, record, document, or other item required to be produced by law, these rules, or the terms of the certificate; (7-1-93)

m. Systemically pursuing economic gain in an occupational manner or context which is in violation of the criminal or civil public policy of this state if such pursuit creates cause to believe that the participation of such person in these activities is inimical to the proper operation of the authorized State Lottery; (7-1-93)

n. Failing to follow the instructions of the State Lottery for the conduct of any particular game or special event; (7-1-93)

o. Failing to follow security procedures of the State Lottery for the management of personnel, handling of tickets, or for the conduct of any particular game or special event; (7-1-93)

- p. Making a misrepresentation of fact to a purchaser, or prospective purchaser, of a ticket, or to the general public with respect to the conduct of a particular game or special event; (7-1-93)
- q. Allowing activities on the licensed premises which could compromise the dignity of the state. (7-1-93)
09. Surrender of Certificate Upon Revocation. Upon revocation or suspension of a retailer's certificate, the retailer shall surrender to the lottery, by a date designated by the lottery, the certificate and all other lottery property. (7-1-93)
10. Certified Retailers. All lottery retailers shall be certified in the manner provided in these rules. Retailers shall abide by all applicable laws and administrative rules, the terms and conditions of the contract and certificate, and all other directives and instructions issued by the State Lottery. (7-1-93)
11. Requirements for the Sale of Tickets. (7-1-93)
- a. Retailers shall be knowledgeable about the State Lottery and lottery products and may be required to take training in the operation of lottery games. Retailers shall make the purchase of tickets convenient to the public. (7-1-93)
- b. Tickets shall be sold at the price designated by the State Lottery. Retailers shall not sell tickets for a greater amount than the amount specified by the State Lottery. Retailers may sell tickets for a lesser amount for promotional purposes if authorized by the State Lottery. (7-1-93)
- c. No retailer or any employee or member of a retailer shall attempt to identify a winning ticket prior to the sale of the ticket. (7-1-93)
- d. Retailers shall pay all prizes which the State Lottery requires retailers to pay during normal business hours at the location designated on the certificate. (7-1-93)
- e. Retailers shall not purchase tickets previously sold by the retailer. (7-1-93)
12. Display of Certificate and Other Materials. Retailers shall display the lottery certificate in an area visible to the general public wherever tickets are being sold. Retailers shall also display point-of-sale material provided by the State Lottery in a manner which is readily seen by and available to the public. Retailers may advertise and use or display other appropriate promotional and point-of-sale material. The State Lottery may require the removal of objectionable material or the discontinuance of objectionable advertising which may have an adverse impact on the State Lottery. (7-1-93)
13. Ticket Stamping. On the back of each scratch ticket sold by a retailer, the retailer shall stamp the retailer's name, address, and retailer number in the area provided for retailer identification using the equipment provided by the State Lottery. (7-1-93)
14. Dishonored Checks and Electronic Fund Transfers. Any payment made to the State Lottery by an applicant for a certificate or by a certificated retailer either by a check which is dishonored or by an electronic funds transfer (EFT) which is not paid by the depository, shall be grounds for immediate denial of the application for a certificate or for the suspension or revocation of an existing certificate. The State Lottery may assess a surcharge of ten dollars (\$10) for each dishonored check or EFT. The State Lottery may also alter the payment terms of a retailer's certificate and require a retailer to reimburse the State Lottery for costs which occur as a result of a dishonored check or EFT. (7-1-93)

If the reconstructed ticket is a winning ticket and meets the validation requirements contained in Subsection 032.11.a. of this section and specific validation requirements contained in the rules for its specific game, the Director may authorize payment of the prize. Provided, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first (181) day following the official end of that instant game. (7-1-93)

b. The payment to the estate of the deceased owner of any prize winnings by the State Lottery shall absolve the State Lottery and its representatives of any further liability for payment of said prize winnings. The State Lottery need not look to the payment of the prize winnings beyond the payee thereof. The Director reserves the right to petition any court of competent jurisdiction to request a determination for the payments of any prize winnings which are or may become due the estate of a deceased owner or an owner under a disability because of, but not limited to, under age, mental deficiency, physical or mental incapacity. If there is a conflict between the information on a winning lottery ticket and the information on the claim form, the State Lottery may rely on the claim form after the ticket for which it has been filed has been validated as a winning ticket and, in so doing, it will be relieved of all responsibility and liability in the payment of a prize in accordance with the information set forth therein. The State Lottery's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from payment or awarding of prizes shall be final and binding upon all participants in the State Lottery unless otherwise provided by law or these Rules. In the event a question arises relative to the winning ticket, a claim form, the payment, or the awarding of any prize, the State Lottery may deposit the prize winnings into an escrow fund until it determines the controversy and reaches a decision, or it may petition a court of competent jurisdiction for instructions and a resolution of the controversy.
