TITLE 02  
Chapter 07**

**02.02.07 - BULK PERMIT PROCEDURE**

**(By Provision of Title 22, Chapter 9, Idaho Code)**

**000. -- 099. (RESERVED).**

**100. PERMIT FEES.**

The first handler or shipper shall apply through the nearest District Inspection Office for a permit to ship bulk potatoes. The permittee shall pay the potato advertising tax at combined grower-shipper rates for either fresh or processing potatoes, and inspection fees, if required, within thirty (30) days of shipment. Failure to pay either fee within the prescribed time shall be grounds for denial of future permits, so long as the fees remain outstanding.

(7-1-93)

**101. APPLICATION FORM.**

Application for permit shall be on a form furnished by the department. Acknowledgment of receipt of processing potatoes, when leaving the Federal Marketing Order area, shall be accomplished immediately by the processor upon receipt of the shipment and forwarded to the issuing office. A copy of each permit issued shall be forwarded to the Idaho Potato Commission by the issuing officer.

(7-1-93)

**102. MARKETING ORDER.**

Permits for shipment of processing potatoes require a Marketing Order Certificate of Privilege number, issued by the Marketing Order Manager, if leaving the Marketing Order area. Inspection of bulk shipments for processing is not required. Bulk shipments for repacking or fresh sale must be graded and meet all applicable minimum Marketing Order requirements. Each shipment shall require a Federal-State inspection certificate, certifying minimum standards and shall include the percentage of U.S. No. 1 quality.

(7-1-93)

**103. REQUEST FOR PERMIT.**

Request for permits must be made forty-eight (48) hours prior to shipment, excluding Saturdays, Sundays, and Legal Holidays. Any violation or improper use of permits will invalidate the permit and may be grounds for denial of future permits. All rules of interstate commerce shall apply.
