**404. -- 499. (RESERVED).**

**500. NONRESIDENT DEER AND ELK TAG OUTFITTER SET-ASIDE.**

**01. Tags.** The following number of nonresident deer tags and nonresident elk tags shall annually be set aside and reserved for sale to persons who have entered into an agreement to utilize the services of an outfitter who is licensed under Chapter 21, Title 36, Idaho Code. For the 1997 Hunting Season: (7-1-99)

- a. One thousand nine hundred (1,900) deer tags (regular or Clearwater); (7-1-99)
- b. One hundred thirty (130) S.E. Idaho Area deer tags; (7-1-98)
- c. Two thousand two hundred (2,200) elk tags (A or B tags for all zones except the Panhandle zone); (7-1-99)
- d. Two hundred (200) Panhandle zone elk tags (A or B tags). (7-1-99)

**02. Restrictions.** These tags shall be sold on a first-come, first-serve basis through June 30 of each year. Application for purchase of these tags shall be made by the outfitter for the nonresident on a form prescribed by the Department. The application shall be accompanied by the appropriate license fees and a certification by the outfitter that the nonresident hunter has a contract to hunt with the outfitter making application. (7-1-93)

**03. Unsold Tags.** Any tags not sold by July 1 of each year shall be sold by the Department to nonresidents on a first-come, first serve basis. If there is a waiting list of individuals desiring a tag for the species available, those individuals will be first served. Application shall be made only to the Headquarters office of the Department of Fish and Game in Boise, Idaho. (7-1-99)

**501. -- 504. (RESERVED).**

**505. DEER AND ELK TAG ALLOCATION.**

**01. Allocation Of Tags.** Pursuant to Idaho Code, Section 36-408(d), the Fish and Game Commission may allocate a number of deer and/or elk tags for use by hunters with signed agreements with licensed outfitters in zones with limited numbers of tags. The allocation will be calculated on a zone basis with reductions or increases in hunting opportunities to be proportionate among resident hunters, nonoutfitted nonresident hunters, and outfitted hunters. When the number of hunters in a general hunt unit or zone becomes restricted, the Department will calculate the initial number of allocated tags for each zone using the Idaho Outfitters and Guides Licensing Board's records of average historic use during the previous five (5) year period. Where it is biologically feasible, any reductions in the number of tags available within a zone which exceeds twenty percent (20%) will be spread over a three (3) year period with a maximum reduction of fifty percent (50%) taken in the first year and twenty-five percent (25%) in the second year. When an area becomes controlled, hunt application and eligibility rules will apply to allocated tags in controlled hunts. Only those units or zones with licensed outfitted areas with historic use will be considered for tag allocation. (7-1-99)

**02. Controlled Hunt Areas.** Only those controlled hunt areas existing prior to 1998 with historic licensed deer and/or elk outfitted area(s) may be considered for a tag/permit allocation using one (1) of the following options: (7-1-99)

- a. The number of allocated tags available within the controlled hunt area will be based on a variable scale depending on the number of tags established by the Fish and Game Commission: less than fifty-one (51) tags = zero percent (0%); fifty-one (51) or more tags = maximum of three percent (3%); or (7-1-99)
- b. The number of tags available within the controlled hunt area will be based on the average historic

use during the previous five (5) year period; or (7-1-99)

c. No tags will be allocated. (7-1-99)

**03. Controlled Hunts Or Hunts With Limited Hunting Opportunities Established After 1997.** Controlled hunts or hunts with limited hunting opportunities established after 1997, with historic licensed deer and/or elk outfitted areas, may be considered for allocated tags. The number of tags will be determined by the Fish and Game Commission using Subsections 505.02.a., 505.02.b., and 505.02.c. (7-1-99)T

**506. DEER AND ELK OUTFITTER ALLOCATED TAG.**

**01. Allocated Tags.** The following number of deer and elk tags shall annually be allocated for sale to persons who have entered into a signed agreement to utilize the services of an outfitter who is licensed in that zone under Title 36, Chapter 21, Idaho Code. (7-1-99)
